On December 19, 2016, the Reporting Persons entered into a Stock Purchase Agreement (as amended by that certain letter agreement, dated as of December 28, 2017, the “Purchase Agreement”) with the Issuer, pursuant to which the Issuer acquired, upon the terms and subject to the conditions set forth in the Purchase Agreement, from the Reporting Persons (the “Purchase”) Vale’s global phosphate and potash operations conducted through Vale Fertilizantes S.A. (“VF”) through the acquisition by the Issuer of all of the issued and outstanding capital stock of VF. Pursuant to the Purchase Agreement, on January 8, 2018, the Issuer paid aggregate consideration to the Reporting Persons comprised of (i) approximately \$1.10 billion in cash (after giving effect to certain adjustments based on matters such as the estimated working capital and indebtedness balances of VF at the time of closing), which amount may be adjusted following the closing of the Purchase in accordance with the Purchase Agreement to reflect actual balances at the time of closing, and (ii) 34,176,574 shares of Common Stock (the “Shares”) issued and delivered to the Reporting Persons. Vale is the holder of record of an aggregate of 29,854,571 Shares and Vale Fertilizer Netherlands B.V. is the holder of record of an aggregate of 4,322,003 Shares.

Item 4. Purpose of Transaction.

The Reporting Persons acquired the Shares for investment purposes only. The Reporting Persons expect to evaluate on an ongoing basis the Issuer’s financial condition, business, operations and prospects, the market price of the Common Stock, conditions in the securities markets generally, general economic and industry conditions and other factors. In particular, the Reporting Persons (and their respective affiliates) may purchase up to 1% of the Common Stock or sell or transfer the shares of Common Stock owned by them from time to time in public or private transactions and/or may enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the Common Stock. Any such transactions may be effected at any time or from time to time subject to any applicable limitations imposed on the purchase or sale of the Common Stock owned by the Reporting Persons by the Investor Agreement (defined below), the Securities Act of 1933, as amended (the “Securities Act”), and the rules and regulations promulgated thereunder or other applicable law.

Except as set forth in this Item 4 of this Schedule 13D, none of the Reporting Persons currently has any plans or proposals that relate to, or would result in, any transaction, event or action enumerated in paragraphs (a) through (j) of

Edgar Filing: MOSAIC CO - Form SC 13D

Item 4 of Schedule 13D promulgated under the Exchange Act, although the Reporting Persons

may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

The Reporting Persons' investment in the Issuer is subject to the provisions of the Investor Agreement, dated as of January 8, 2018 (the "Investor Agreement"), entered into by and among the Issuer and the Reporting Persons, which is filed as Exhibit 3 to this Schedule 13D and is incorporated herein by reference and the Purchase Agreement. Certain provisions of the Investor Agreement and the Purchase Agreement are summarized below.

Director Designation Rights. The Investor Agreement provides that (i) so long as the Reporting Persons and their respective affiliates (the "Vale Affiliates") beneficially own a number of shares of the Common Stock representing at least 90% of the shares issued to them at the closing of the Purchase (together with any shares of Common Stock received by the Vale Affiliates in connection with any stock split, stock dividend or similar transaction, the "Subject Shares"), the Vale Affiliates will be entitled to designate two individuals for nomination to the Issuer's Board of Directors (the "Board") and (ii) so long as the Vale Affiliates beneficially own a number of shares of Common Stock representing at least 50% of the Subject Shares (but less than 90% of the Subject Shares), the Vale Affiliates will be entitled to designate one individual for nomination to the Board, in each case, at each stockholders meeting at which directors of the Issuer are elected. Each individual nominated by the Vale Affiliates must meet the standards and qualifications set forth in the Investor Agreement upon the reasonable determination of the Board or its Corporate Governance and Nominating Committee. So long as the Vale Affiliates have the right to designate two nominees, the Vale Affiliates may only designate one nominee who is then serving as a director, officer or employee of Vale or any of its subsidiaries and, if the Vale Affiliates designate two nominees, one of the two designees must be "independent" with respect to the Issuer under the rules governing companies listed on the New York Stock Exchange and under the Issuer's Director Independence Standards.

The Purchase Agreement provides that the Issuer shall increase the size of the Board by one director and cause the resulting vacancy to be filled by one individual designated by Vale.

Pursuant to the Investor Agreement and the Purchase Agreement, Vale designated Luciano Siani Pires to be appointed director of the Issuer, and effective as of January 8, 2018, the Board elected Mr. Siani Pires to serve as a director of the Issuer for a term expiring at the annual meeting of shareholders in 2018 or until his successor is elected and qualified. Vale will be entitled to designate a second designee, as described above, at the next stockholders meeting at which directors of the Issuer are elected.

Transfer and Standstill Restrictions. The Investor Agreement also provides that, until January 8, 2020, the Vale Affiliates may not transfer any of the Subject Shares that they beneficially own, except that the Vale Affiliates may transfer Subject Shares to one or more of their respective affiliates, in connection with other limited exceptions or with the written consent of the Issuer. So long as the Vale Affiliates beneficially own 5% or more of the outstanding voting securities of the Issuer, however, the Vale Affiliates may not, subject to certain specified exceptions, transfer any Subject Shares to (i) any person if, after giving effect to such transfer, such person would beneficially own voting securities that represent 5% or more of the total voting power of the Issuer or (ii) certain specified competitors of the Issuer and other persons identified in the Investor Agreement.

In addition, during the period (the "Standstill Period") from the closing of the Purchase until the later of January 8, 2021 and the date on which the Board no longer includes any designees of the Vale Affiliates, the Vale Affiliates are subject to certain standstill restrictions. Under such standstill restrictions, the Vale Affiliates may not, among other things, acquire any shares of Common Stock, subject to specified exceptions, including that the Vale Affiliates may, until January 8, 2020, acquire additional shares of the Common Stock so long as the shares of Common Stock beneficially held by the Vale Affiliates (including such additional shares of Common Stock) do not represent more than 15% of the total voting power of the Issuer.

Edgar Filing: MOSAIC CO - Form SC 13D

Voting Agreement. During the Standstill Period, the Vale Affiliates will vote all voting securities of the Issuer that they beneficially own (i) with respect to any proposal or resolution relating to the election of directors, in accordance with the recommendation of the Board and (ii) with respect to any other proposal or resolution, at their election, either in the same manner as, and in the same proportion to, all voting securities that are not beneficially held by the Vale Affiliates are voted or in accordance with the recommendation of the

Board. After the date on which the Board no longer includes a nominee designated by the Vale Affiliates, the Vale Affiliates may vote all of the voting securities of the Issuer they beneficially own in their sole discretion with respect to any proposal or resolution relating to any merger, consolidation, business combination or other extraordinary transaction involving the Issuer or any of its subsidiaries.

Non-Competition and Non-Solicitation Covenants; Registration Rights; Termination. Under the Investor Agreement, the Vale Affiliates agreed to a three-year non-competition and a two-year employee non-solicitation covenant. In addition, the Vale Affiliates will be entitled to certain demand and customary piggyback registration rights beginning on January 8, 2020.

Except for certain specified provisions, the Investor Agreement will terminate (i) upon the mutual agreement of the parties thereto or (ii) upon the later to occur of (x) January 8, 2021 and (y) the date on which the Vale Affiliates no longer beneficially own any Shares.

References to and the description of the Purchase Agreement and the Investor Agreement set forth above are not intended to be complete and are qualified in their entirety by reference to the full text of the Purchase Agreement and the Investor Agreement, filed as exhibits hereto and incorporated by reference herein.

Item 5. Interest in Securities of the Issuer.

The information contained in rows 7, 8, 9, 10, 11 and 13 on each of the cover pages of this Schedule 13D and the information set forth or incorporated in Items 2, 3, 4 and 6 is incorporated by reference in its entirety into this Item 5.

(a)-(b) The following sentence assumes that there is a total of 385,226,223 shares of Common Stock outstanding following the consummation of the transactions contemplated by the Purchase Agreement (and after giving effect to the issuance of Shares to the Reporting Persons), based on the total number of issued and outstanding shares of Common Stock of the Issuer as of January 8, 2018 as provided by the Issuer to the Reporting Persons on January 8, 2018.

Pursuant to Rule 13d-3 under the Act, Vale may be deemed to beneficially own 34,176,574 shares of Common Stock, which constitutes approximately 8.9% of the outstanding shares of Common Stock, and VFN may be deemed to beneficially own 4,322,003 shares of Common Stock, which constitutes approximately 1.1% of the outstanding shares of Common Stock. To the knowledge of each of the Reporting Persons, without independent verification, none of the persons listed in Schedule I beneficially owns any Common Stock of the Issuer, except that Luciano Siani Pires owns those shares of Common Stock set forth in his filings on Form 4 with respect to his ownership of the Issuer filed from time to time and incorporated by reference herein.

(c) Except as set forth in this Schedule 13D, none of the Reporting Persons nor, to the knowledge of the Reporting Persons, without independent verification, any person named in Item 2 hereof, has effected any transaction in the Common Stock during the past 60 days.

(d) To the knowledge of the Reporting Persons, no person other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities beneficially owned by the Reporting Persons identified in this Item 5.

(e) Not applicable.

Item 6. *Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.*

Edgar Filing: MOSAIC CO - Form SC 13D

As more fully described in Items 3 and 4 above, the Reporting Persons and the Issuer are parties to the Purchase Agreement and the Investor Agreement. The Vale Shareholders have entered into a Shareholders' Agreement with respect to Vale (the "Vale Agreement"), which provides them with certain rights with respect to dispositions of securities in excess of an amount that is equal to or higher than one percent (1%) of Vale's net equity, accrued pursuant to Vale's most recent quarterly report. References to and the description of the Vale Agreement set forth above are not intended to be complete and are qualified in their entirety by reference to the full text of the Vale Agreement, incorporated by reference to Vale S.A.'s report on Form 6-K furnished to the SEC on August 15, 2017 (File No. 001-15030). Except as described herein, none of the Reporting Persons nor, to the knowledge of the Reporting Persons, without independent verification, any of the Vale Shareholders or the persons listed on Schedule I or Schedule II hereto has any contracts, arrangements, understandings or relationships (legal or otherwise) with any persons with respect to any securities of the Issuer, including, but not limited to, transfers or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
