Partner, a senior executive employed by an affiliate of the General Partner and a member of the Board of Directors of the Company (the "Senior Executive Employee") holds options to acquire 50,000 Common Shares. Pursuant to Rule 13d-4 under the Act, the General Partner disclaims the beneficial ownership of any of the Company's securities held by the Senior Executive Employee.

Item 1. Security and Issuer.

The class of equity securities to which this Schedule 13D relates is the common shares, \$0.01 par value per share (the “Common Shares”), of Mattersight Corporation, a Delaware corporation (the “Company”). The principal executive offices of the Company are located at 200 South Wacker Drive, Suite 820, Chicago, Illinois 60606.

Item 2. Identity and Background.

This statement is being filed by Investor Growth Capital, LLC (the “General Partner”), a Delaware limited liability company, whose business address is One Rockefeller Plaza, Suite 2801, New York, New York, 10020. The General Partner is controlled by a Board of Directors consisting of Michael V. Oporto, Stephen Campe and Lennart Johansson. Messrs. Oporto and Campe are citizens of the United States of America and Mr. Johansson is a citizen of the Kingdom of Sweden. The General Partner possesses the sole power to vote and the sole power to direct the disposition of all securities held by IGC Fund VI, L.P., a Delaware limited partnership (the “Fund”). Investor AB (“Investor AB”), a limited liability company incorporated under the laws of Sweden, whose business address is Arsenalsgatan 8c, S-103, 32 Stockholm, Sweden, is a publicly held and engaged principally in business as a diversified industrial holding company. Investor AB, through one or more intermediate entities, is the sole limited partner of the Fund and the majority holder of the membership interests of the General Partner.

Neither the General Partner, nor Messrs. Oporto, Campe and Johansson, have been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors), or have been a party to any civil proceeding commenced before a judicial or administrative body of competent jurisdiction as a result of which it or he was or now is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

On December 27, 2011, Investor AB filed a Schedule 13D (the “December Schedule 13D”) with the United States Securities and Exchange Commission (the “Commission”) in which it disclosed certain acquisitions by the Fund of the Company’s securities occurring as of December 19, 2011 (the “Transaction Date”). The December Scheduled 13D stated that Investor AB was, for the purposes of Rule 13d-3 under the Securities Exchange Act of 1934 (the “Act”), the beneficial owner of such securities of the Company acquired and held by the Fund as of the Transaction Date. However, a determination has been made that the General Partner, and not Investor AB, as of the Transaction Date was, and currently is, pursuant to Rule 13d-3 under the Act, the beneficial owner of the securities of the Company acquired and held by the Fund. Accordingly, concurrent with the filing of this Schedule 13D with the Commission, a Schedule 13D Amendment No. 1 is being filed with the Commission to disclose that for the purposes of Rule 13d-3 under the Act, Investor AB is deemed to beneficially own none of the securities of the Company acquired and held by the Fund.

Item 3. Source and Amount of Funds or Other Consideration.

All of the funds used in making the purchases of the Common Shares described in this Schedule 13D came from the assets of the Fund. The aggregate amount of funds used to make the purchases of the Common Shares described in this Schedule 13D was US\$10,224,077.

Item 4. Purpose of Transaction.

The acquisition of the securities referred to herein is for investment purposes. In connection with the transactions contemplated by the Company Securities Purchase Agreement (as more fully described in Item 5 of this Schedule 13D), a senior executive employed by an affiliate of the General Partner (the "Senior Executive Employee") was appointed to the Company's Board of Directors.

Except as otherwise set forth in this Schedule 13D, the General Partner has no present plans or proposals which relate to or would result in any of the transactions required to be described in Item 4 of this Schedule 13D.

Item 5. Interest in Securities of the Issuer.

Based upon the Company's Proxy Statement filed on Schedule 14A and filed with the Commission on April 5, 2012, there were 16,753,591 Common Shares issued and outstanding as of March 22, 2012. Accordingly, for the purposes of Rule 13d-3 under the Act, the General Partner is deemed to beneficially own 14.1% of the issued and outstanding Common Shares of the Company as of the date of the filing of this Schedule 13D (the "Filing Date"). In addition to the Common Shares held by the Fund and deemed beneficially owned by the General Partner, the Senior Executive Employee holds options to acquire 50,000 Common Shares. Pursuant to Rule 13d-4 under the Act, the General Partner disclaims the beneficial ownership of any of the Company's securities held by the Senior Executive Employee.

On December 19, 2011, the Fund entered into a Securities Purchase Agreement (the "Company Securities Purchase Agreement") with the Company pursuant to which the Fund purchased 1,252,609 Common Shares at a price of \$4.79 per share from the Company. The aggregate consideration received by the Company from the sale of the Common Shares to the Fund was \$5,999,997. In addition, pursuant to the terms of the Company Securities Purchase Agreement, the Company agreed to appoint the Senior Executive Employee to the Company's Board of Directors. The Company appointed the Senior Executive Employee to the Company's Board of Directors effective on December 20, 2011. In connection with the appointment to the Company's Board of Directors, the Company granted the Senior Executive Employee options to purchase 50,000 Common Shares with an option price of \$4.89 per share, vesting over 48 months and a 10 year term.

On December 19, 2011, the Fund entered into a Securities Purchase Agreement (the "TCV Securities Purchase Agreement") with affiliates of Technology Crossover Ventures ("TCV") pursuant to which the Fund purchased 1,111,600 Common Shares from TCV at a price of \$3.80 per share. The aggregate consideration received by TCV from the sale of the Common Shares to the Fund was \$4,224,080.

On December 19, 2011, the Company entered into a Registration Rights Agreement (the "Registration Rights Agreement") with the Fund. Pursuant to the terms of the Registration Rights Agreement, the Company has agreed to file a registration statement on Form S-3 with the Commission (the "Registration Statement") within 90 days following the closing of the sale of Common Shares to the Fund by the Company to enable the resale of the Common Shares acquired by the Fund pursuant to the Company Securities Purchase Agreement and the TCV Securities Purchase Agreement. The Company has further agreed to use its best efforts to cause the Registration Statement to become effective within 180 days after the closing of the sale of Common Shares to the Fund by the Company, as set forth above.

Nothing set forth herein shall be construed as an admission by the General Partner, or any other person or entity, that the General Partner, or any other person or entity, is the beneficial owner of any of the Company's securities that are beneficially owned by any other person or entity for the purposes of Section 13(d) of the Act, or for any other purposes.

There were no transactions in the Common Shares (or securities convertible into, exercisable for or exchangeable for Common Shares) by the General Partner or any other person or entity controlled by General Partner, or any person or entity for which the General Partner possesses voting or investment control, during the period commencing sixty (60) days prior to December 19, 2011, the date of the event which required the filing of this Schedule 13D, and ending on the Filing Date.

The descriptions of the Company Securities Purchase Agreement, the TCV Securities Purchase Agreement and the Registration Rights Agreement set forth above are qualified in their entirety by reference to the complete documents which are attached to this Schedule 13D or incorporated by reference, as more fully set forth in Item 7 hereof.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Except as otherwise described herein, no contracts, arrangements, understandings or similar relationships exist with respect to the securities of the Company between the General Partner, or any other person or entity controlled by General Partner, or any person or entity for which the General Partner possesses voting or investment control, and any other person or entity.

Section 5. Distributions. All distributions and other rights or benefits made in respect of the Purchased Securities, or that became attributable thereto, having a record date on or after December 19, 2011 (collectively, the “Distributions”), are for the account of the Purchaser. If the Sellers receive any such Distributions, the Seller shall as promptly as practicable deliver the Distributions to the Purchaser and shall have no equitable or beneficial interest in the Distributions.

Section 6. Sellers’ Representations, Warranties and Acknowledgements. Each of the Sellers hereby represents, warrants and acknowledges to the Purchaser as follows:

- (a) Each Seller has full power and authority to execute and deliver this Agreement and to perform its respective obligations hereunder, all of which have been duly authorized by all requisite action. This Agreement has been duly authorized, executed and delivered by each Seller and constitutes a valid and binding agreement of each Seller, enforceable against such Seller in accordance with its terms.
- (b) Except for any applicable provisions of the Investor Rights Agreement, no Seller is subject to any provision of their respective constituent documents, operating agreement or any other agreement, instrument, law, rule, regulation, order, decree or judgment of any governmental authority or other restriction that would prevent the consummation of the Transactions.
- (c) No notice to, filing with, or authorization, registration, consent or approval of any governmental authority or other person is necessary for the execution, delivery or performance of this Agreement or the consummation of the Transactions contemplated hereby by the Sellers.
- (d) Each Seller is the sole record and the beneficial owner of, and has good and valid title to, the Purchased Securities being sold by it pursuant to this Agreement free and clear of any claims, liens or encumbrances of any kind.
- (e) No broker or intermediary has been retained by the Sellers, or otherwise shall be entitled to compensation from the Sellers, in connection with the Transactions.
- (f) Assuming the accuracy of the representations and warranties of the Purchaser contained in this Agreement, (i) the Purchased Securities were not offered by the Sellers’ actions to the Purchaser by any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D under the Securities Act of 1933, as amended (the “Act”), (ii) neither the Sellers nor anyone acting on the Sellers’ behalf and at the Sellers’ direction has taken any action which would subject the sale of the Purchased Securities sold to the Purchaser pursuant to this Agreement to the registration provisions of Section 5 of the Act, (iii) the sale of the Purchased Securities sold to the Purchaser pursuant to this Agreement does not require registration under the Act and (iv) the Sellers are not selling the Purchased Securities to the Purchaser pursuant to this Agreement in connection with any distribution thereof in violation of the Act.

(g) The Purchaser has informed each of the Sellers that the Purchaser may be in possession of information concerning the Company which may be material and/or nonpublic (collectively, the "Information") which, if publicly disclosed, could foreseeably affect the value of the Purchased Securities, including Information that may be indicative that the value of such securities is substantially greater than the purchase price being paid for such securities by the Purchaser as set forth herein. Notwithstanding the Purchaser's possession of the Information which is not being disclosed to the Sellers, each of the Sellers wishes to enter into the Transactions at this time for their own respective business purposes. The Sellers acknowledge that the Purchaser would not enter into the Transactions with the Sellers in the absence of the protections afforded the Purchaser by the provisions set forth in this Agreement, including without limitation, the provisions set forth in this Section 6, and that the Sellers are providing these protections, and the waiver set forth in Section 9 of this Agreement, as an inducement to the Purchaser to consummate the Transactions.

(h) The Sellers are experienced, sophisticated and knowledgeable in the trading of the Company's securities and other instruments of private and public companies and understand the disadvantage to which they may be subject on account of the disparity of the access to, and possession of, the Information between the Sellers and the Purchaser. The Sellers has conducted an independent evaluation of the Company's securities to determine whether to engage in the Transactions and, notwithstanding the absence of access by the Sellers to the Information, the Sellers are desirous of consummating the Transactions.

(i) The Sellers, by reason of, among other things, their business and financial experience, are capable of evaluating the merits and risks of the Transactions and of protecting their own respective interests in connection with the Transactions.

Section 7. Purchaser's Representations, Warranties and Acknowledgements. The Purchaser hereby represents, warrants and acknowledges to the Sellers as follows:

(a) The Purchaser has full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, all of which have been duly authorized by all requisite action. This Agreement has been duly authorized, executed and delivered by the Purchaser and constitutes a valid and binding agreement of the Purchaser, enforceable against the Purchaser in accordance with its terms.

(b) The Purchaser is not subject to any provision of its constituent documents, trust agreement or any other agreement, instrument, law, rule, regulation, order, decree or judgment of any governmental authority or other restriction that would prevent the consummation of the Transactions.

(c) No notice to, filing with, or authorization, registration, consent or approval of any governmental authority or other person is necessary for the execution, delivery or performance of this Agreement or the consummation of the Transactions contemplated hereby by the Purchaser.

(d) No broker or intermediary has been retained by the Purchaser, or otherwise shall be entitled to compensation from the Purchaser, in connection with the Transactions contemplated by this Agreement.

(e) The Purchased Securities purchased by the Purchaser pursuant to this Agreement are being acquired by the Purchaser for its own account for investment only and not with a view to any public distribution thereof, and the Purchaser shall not offer to sell or otherwise dispose of the Purchased Securities so acquired by it in violation of any of the registration requirements or other provisions of applicable law. The Purchaser is an “accredited investor” as defined in Rule 501(a) of Regulation D promulgated under the Act.

(f) The Sellers have informed the Purchaser that the Sellers may be in possession of the Information which, if publicly disclosed, could foreseeably affect the value of the Purchased Securities, including Information that may be indicative that the value of such securities is substantially less than the purchase price being paid for the securities by the Purchaser as set forth herein. Notwithstanding the Sellers’ possession of the Information which is not being disclosed to the Purchaser, the Purchaser wishes to enter into the Transactions at this time for its own business purposes. The Purchaser acknowledges that the Sellers would not enter into the Transactions with the Purchaser in the absence of the protections afforded the Sellers by the provisions set forth in this Agreement, including without limitation, the provisions set forth in this Section 7, and that the Purchaser is providing these protections, and the waiver set forth in Section 10 of this Agreement, as an inducement to the Sellers to consummate the Transactions.

(g) The Purchaser is experienced, sophisticated and knowledgeable in the trading of the Company’s securities and other instruments of private and public companies and understands the disadvantage to which it may be subject on account of the disparity of the access to, and possession of, the Information between the Sellers and the Purchaser. The Purchaser has conducted an independent evaluation of the Company’s securities to determine whether to engage in the Transactions and, notwithstanding the absence of access by the Purchaser to the Information, the Purchaser is desirous of consummating the Transactions.

(h) The Purchaser understands that (i) the Purchased Securities have not been registered under the Act or under any state securities laws, and are being offered and sold in reliance under federal and state exemptions for transactions not involving a public offering and (ii) the Purchased Securities may not be reoffered, transferred or resold, except pursuant to an effective registration statement or pursuant to an available exemption from the registration requirements of the Act.

(i) The Purchaser is acquiring the Purchased Securities in a private transaction separate from any public offering in a manner that would not constitute a public offering or distribution or the sale or distribution thereof in violation of the Act and would not violate or require registration under the Act or any other applicable securities laws.

(j) The Purchaser, by reason of, among other things, its business and financial experience, is capable of evaluating the merits and risks of the Transactions and of protecting its own interests in connection with the Transactions.

Section 8. Survival of Representations and Warranties. All representations and warranties provided for in this Agreement shall survive the Closing and remain in full force and effect until the first anniversary of the Closing for the benefit of the parties hereto and their successors and permitted assigns.

Section 9. Waiver by the Sellers. The Sellers hereby irrevocably waive any and all actions, causes or actions, rights or claims, whether known or unknown, contingent or matured, and whether currently existing or hereafter arising, that they may have or hereafter acquire against the Purchaser and/or each of its respective officers, directors, shareholders, partners, members, employees, trustees, agents, representatives, managers and affiliates (collectively, the “Purchaser’s Released Persons”) in any way, directly or indirectly, arising out of, relating to or resulting from the Purchaser’s or such persons’ failure to disclose the Information to the Sellers, including, without limitation, claims the Sellers may have or hereafter acquire under applicable federal and/or state securities laws and common-law fraud doctrines. The Sellers also agree that they shall not institute or maintain any cause of action, suit, complaint or other proceeding against any of the Purchaser’s Released Persons as a result of the Purchaser’s or such persons’ failure to disclose the Information to the Sellers. The Sellers intend to effect a complete and knowing waiver of their respective rights as set forth herein; provided, that, nothing contained herein shall limit the Purchaser’s representations, warranties, covenants and agreements set forth in this Agreement or the Sellers’ respective remedies or abilities to enforce their respective rights relating thereto.

Section 10. Waiver by the Purchaser. The Purchaser hereby irrevocably waives any and all actions, causes or actions, rights or claims, whether known or unknown, contingent or matured, and whether currently existing or hereafter arising, that it may have or hereafter acquire against the Sellers and/or their respective officers, directors, shareholders, partners, members, employees, trustees, agents, representatives, managers and affiliates (collectively, the “Sellers’ Released Persons”) in any way, directly or indirectly, arising out of, relating to or resulting from the Sellers’ or such persons’ failure to disclose the Information to the Purchaser, including, without limitation, claims the Purchaser may have or hereafter acquire under applicable federal and/or state securities laws and common-law fraud doctrines. The Purchaser also agrees that it shall not institute or maintain any cause of action, suit, complaint or other proceeding against any of the Sellers’ Released Persons as a result of the Sellers’ or such persons’ failure to disclose the Information to the Purchaser. The Purchaser intends to effect a complete and knowing waiver of its rights as set forth herein; provided, that, nothing contained herein shall limit the Sellers’ respective representations, warranties, covenants and agreements set forth in this Agreement or the Purchaser’s remedies or ability to enforce its rights relating thereto.

Section 15. Assignment; Successors and Assigns; No Third Party Rights. This Agreement may not be assigned by operation of law or otherwise, and any attempted assignment shall be null and void. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, permitted assigns and legal representatives. This Agreement shall be for the sole benefit of the parties to this Agreement and their respective successors, permitted assigns and legal representatives and is not intended, nor shall be construed, to give any person, other than the parties hereto and their respective successors, permitted assigns and legal representatives, any legal or equitable right, remedy or claim hereunder.

Section 16. Counterparts; Facsimile Signatures. This Agreement may be executed in counterparts, each of which shall be deemed an original agreement, but all of which together shall constitute one and the same instrument. This Agreement may be executed by facsimile signatures and delivery of such facsimile signatures to this Agreement shall constitute the execution and delivery hereof.

Section 17. Titles and Headings. The titles and headings in this Agreement are for reference purposes only, and shall not in any way affect the meaning or interpretation of this Agreement.

Section 18. Entire Agreement; Amendment and Modification. This Agreement constitutes the entire agreement by and among the parties with respect to the matters covered hereby and supersedes all previous written, oral or implied understandings among the parties with respect to such matters. This Agreement may only be amended or modified in writing signed by each of the parties.

Section 19. Waiver. Any of the terms or conditions of this Agreement may be waived at any time by the party or parties entitled to the benefit thereof, but only by a writing signed by the party or parties waiving such terms or conditions. No waiver by any party of any breach, default, or misrepresentation hereunder, whether express or implied, may be deemed to extend to any prior or subsequent breach, default or misrepresentation hereunder. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 20. Severability. The invalidity of any portion of this Agreement shall not affect the validity, force or effect of the remaining portions of this Agreement. If it is ever held that any restriction hereunder is too broad to permit enforcement of such restriction to its fullest extent, such restriction shall be enforced to the maximum extent permitted by law.

Section 21. No Strict Construction. Each of the parties hereto acknowledges that this Agreement has been prepared jointly by the parties hereto and shall not be strictly construed against any party hereto for any reason.
