Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), requires the Corporation’s officers and directors, and persons who own more than ten percent of a registered class of the Corporation’s equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, and written representations from certain reporting persons that no Section 16(a) forms were required for those persons, the Corporation believes that during fiscal 2013 all filing requirements applicable to its officers, directors and greater than ten-percent shareholders were complied with.

Code of Conduct

The Corporation has adopted a Code of Conduct for all directors, officers and employees as well as directors, officers and employees of each of its subsidiaries. The Code of Conduct is available on the Corporation’s website at www.biglariholdings.com. A copy of the Code of Conduct may also be obtained at no charge by written request to the attention of the Secretary of the Corporation at 17802 IH 10 West, Suite 400, San Antonio, Texas 78257.

ITEM 11.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is designed to provide shareholders with a better understanding of our compensation philosophy, core principles, and decision making process. It explains the compensation-related actions taken with respect to the executive officers who are identified in the Summary Compensation Table (the “Named Executive Officers”). Details regarding the compensation we paid to the Named Executive Officers for fiscal 2013 are found in the tables and narrative which follows them.

Compensation Philosophy

Introduction

Biglari Holdings is a diversified holding company engaged in a number of business activities. The Company’s most important operating subsidiaries are involved in the franchising and operating of restaurants. The Company’s long-term objective is to maximize per-share intrinsic value. All major operating, investment, and capital allocation decisions are made for the Company and its subsidiaries by Sardar Biglari, Chairman and Chief Executive Officer.

Our executive compensation consists exclusively of a salary and a cash bonus. In fiscal 2009, our restructuring into a diversified holding company effected significant changes to our compensation system. For example, throughout fiscal 2010 and 2011, our executive officers consisted of only our Chief Executive Officer, Sardar Biglari, and our Interim Chief Financial Officer, Duane Geiger. One executive officer was added in fiscal 2012, our Controller, Bruce Lewis. In fiscal 2010, the Governance, Compensation and Nominating Committee and our shareholders approved the Amended and Restated Incentive Bonus Agreement with Mr. Biglari (as amended, the “Incentive Agreement”), which embodies the pay-for-performance ethos of the Company and its focus on maximizing long-term shareholder value.

To assist shareholders in fully understanding the information in this Form 10-K/A, we have included an overview of our compensation structure.

The Governance, Compensation and Nominating Committee

Our program for compensation of executive officers differs from those of most public companies. The Governance, Compensation and Nominating Committee of our Board (the “Committee”) was created in fiscal 2010. The Committee determines the amount of compensation pursuant to the Incentive Agreement. The Committee’s functions include oversight of our compensation policies in general, which are described in the Committee’s charter. Under the Committee’s compensation tenets, the Corporation does not grant stock options to executive officers.

The Committee has delegated to Mr. Biglari the responsibility of establishing the compensation of other executive officers. Factors Mr. Biglari considers in setting executive officer salary are typically subjective, such as his perception of the merits of the executive’s performance and any changes in that executive’s functional responsibilities. Mr. Biglari will also affix the compensation for the senior executives of the Company’s major subsidiaries. He may utilize different incentive arrangements, with their terms dependent upon such elements as the economic potential or capital intensity of the business. The incentives could be large and will always be tied to the operating results for which an executive exercises authority.

Compensation of Named Executive Officers—Fiscal Years 2013, 2012 and 2011

Compensation of Sardar Biglari

After the Corporation's restructuring as a diversified holding company Mr. Biglari's duties increased substantially. In recognition of Mr. Biglari's expanded and significant role, the Committee redesigned his compensation arrangement to coincide more sensibly with his numerous operating and capital-allocation responsibilities. To assure a fair, objective, and reasoned compensation system, the Committee retained Towers Watson, nationally recognized compensation consultants, to assist in formulating the incentive compensation arrangement, including the amendment thereto. In designing a results-oriented, pay-for-performance incentive system, the Committee determined that per-share book value growth is the most valid measure of the progress of the business because book value includes operating earnings or losses as well as unrealized gains or losses on investments. Adjusted book value thus serves as a reasonable, albeit conservative, proxy for gain in intrinsic value, a more subjective measure that the Company believes will eventually be reflected in its stock price.

Mr. Biglari's compensation arrangement was tailored to fulfill a number of important objectives reflecting the Company's entrepreneurial culture, including the following: (1) Mr. Biglari's interests should be aligned with those of the shareholders, giving him a strong economic incentive to build long-term business value and thereby create shareholder value; (2) Mr. Biglari should be compensated for his combined responsibilities as Chairman and Chief Executive Officer of a diversified holding company; (3) the compensation program should correlate pay with performance (and thereby eliminate conventional incentives such as discretionary bonuses, stock options, restricted stock and other similar perquisites and benefits that do not closely relate to shareholder value creation); (4) Mr. Biglari's compensation program should not increase the number of shares outstanding, which would dilute a shareholder's ownership in the Corporation; and (5) the compensation program should not create undue risks to the Corporation.

Economic Terms of Incentive Agreement

The Corporation initially entered into the Incentive Agreement with Mr. Biglari on April 30, 2010, and it was amended and restated on September 28, 2010. The Incentive Agreement was approved by 82% of the votes cast by our shareholders at our special meeting held on November 5, 2010. In connection with the Biglari Capital Transaction (as defined below), Biglari Holdings and Mr. Biglari entered into the First Amendment, dated as of July 1, 2013, to the Incentive Agreement (the "Incentive Agreement Amendment").

The following summary encapsulates the major economic provisions of the Incentive Agreement:

Incentive Formula. The Incentive Agreement establishes a performance-based annual incentive payment to Mr. Biglari contingent on the growth of the Corporation's adjusted book value in each fiscal year. If the Corporation exceeds a 6% annual adjusted book value growth hurdle, Mr. Biglari would receive incentive compensation equal to 25% of the Corporation's growth in adjusted book value in excess of that measuring point. For purposes of the Incentive Agreement, the Corporation's book value is determined by the Corporation's net income and other comprehensive income, on a consolidated basis, excluding dividends, shares issuances or buybacks, and other factors unrelated to Mr. Biglari's exhibited performance. For example, share issuances for the acquisition of businesses or assets, in and of themselves, will not increase Mr. Biglari's incentive compensation for any year or any successive years. Thus, the pay is linked to economic progress. Calculation of increased book value and the incentive compensation payments to Mr. Biglari under the Incentive Agreement are subject to the approval of the Committee, which has sole authority for monitoring and administering the Incentive Agreement. Payments to Mr. Biglari under the Incentive Agreement will not exceed \$10 million with respect to any one-year performance period.

High Water Mark. Mr. Biglari will not receive incentive compensation under the Incentive Agreement unless the Corporation's book value exceeds the previous highest level in book value, or the "high water mark," plus a 6% growth in book value, i.e., the hurdle rate. As such, in a fiscal year in which book value declines, the marker for subsequent fiscal years will require the complete recovery of the deficit from the last high water mark plus attaining the stated 6% hurdle rate before Mr. Biglari is eligible for a bonus.

Purchase of Common Stock. The Incentive Agreement provides that Mr. Biglari will use an amount equal to at least 30% of his annual pre-tax incentive compensation to purchase shares of the Company's Common Stock on the open market within 120 calendar days of his receipt of such payment, subject to restrictions under the Corporation's insider trading policy. Mr. Biglari is then required to hold such shares for a minimum of three years from the date of purchase, subject to the terms of the Incentive Agreement.

The July 1, 2013 Incentive Agreement Amendment amended the Incentive Agreement to reflect and give effect to the Biglari Capital Transaction and to more closely tie Mr. Biglari's incentive compensation to the Company's operating earnings. The Incentive Agreement Amendment (a) excludes from the calculation of Biglari Holdings' adjusted book value, and therefore from the calculation of Mr. Biglari's incentive compensation, any realized or unrealized gains or losses, earnings and all other amounts attributable to any investments by Biglari Holdings and its subsidiaries in investment partnerships (including The Lion Fund and The Lion Fund II) in which Biglari Holdings or a subsidiary is a limited partner and Mr. Biglari or his affiliate (other than Biglari Holdings or a subsidiary) is the general partner and (b) provides for the "high water mark" in the Incentive Agreement to be appropriately adjusted to give effect to the Biglari Capital Transaction. In entering into the Incentive Agreement Amendment, the Committee considered the results of the "say on pay" vote at the Company's 2013 annual meeting of shareholders.

For fiscal 2013, the Company's adjusted book value increased approximately \$110.7 million, or 34.5%, resulting in an incentive bonus payment to Mr. Biglari of \$10,000,000, the maximum incentive bonus under the Incentive Agreement. The increase in adjusted book value included \$92.1 million (\$146.0 million pre-tax) of unrealized appreciation.

For fiscal 2012, the Company's adjusted book value increased approximately \$77.2 million, or 24.9%, resulting in an incentive bonus payment to Mr. Biglari of \$10,000,000, the maximum incentive bonus under the Incentive Agreement. The increase in adjusted book value included \$52.0 million of investment gains, composed of realized gains of \$2.6 million (\$4.2 million pre-tax) and unrealized appreciation of \$49.4 million (\$79.6 million pre-tax).

For fiscal 2011, the Company's adjusted book value increased approximately \$32.8 million, or 11.7%, resulting in an incentive bonus payment to Mr. Biglari of \$3,992,391.

The following tables set forth a reconciliation of (i) the change in adjusted book value to the change in total shareholders' equity for fiscal 2013 and 2012 and (ii) adjusted book value to total shareholders' equity as of the end of fiscal 2013 and 2012. With respect to fiscal 2013, the following tables also show the adjustments made to reflect and give effect to the Biglari Capital Transaction and Incentive Agreement Amendment.

Mr. Biglari's current base salary of \$900,000 was set during fiscal 2009 by the Compensation Committee of the Board of Directors (prior to being merged with the Governance and Nominating Committee).

Compensation of Interim Chief Financial Officer

The salary and bonus for the Interim Chief Financial Officer in fiscal 2013, 2012 and 2011 were based upon the decision of Mr. Biglari. In determining such amounts, Mr. Biglari considered subjective factors such as his perception of the executive's performance and changes in functional responsibility.

Compensation of Controller

The salary and bonus for the Controller in fiscal 2013 and 2012 were based upon the decision of Mr. Biglari. In determining such amounts, Mr. Biglari considered subjective factors such as his perception of the executive's performance and changes in functional responsibility.

Employment Agreements, Severance, and Change-in-Control Arrangements

Current Structure

Mr. Biglari does not have an employment agreement with the Corporation. The Incentive Agreement remains in effect as long as Mr. Biglari remains the Chief Executive Officer of the Company, but does not alter his at-will employment arrangement with the Company. If there is a change in control of the Corporation, Mr. Biglari is terminated by the Corporation without "cause" or Mr. Biglari resigns for "good reason," Mr. Biglari will be entitled to receive a severance payment equal to 299% of the average annual cash compensation (consisting of his base salary and incentive compensation) paid to him since the date of the Incentive Agreement, subject to reduction to the extent necessary so that no portion of the severance payment will be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended.

On January 26, 2010, the Corporation and Mr. Geiger terminated his prior agreement concerning employment, severance, or change in control. Instead the Corporation and Mr. Geiger entered into a new, simpler agreement. The new contractual obligation stipulates that, only in the event Mr. Biglari ceases to be Chairman and Chief Executive Officer of the Corporation, shall Mr. Geiger have the option of terminating his employment with the Corporation and receiving a lump sum severance payment equal to one year of his then current base compensation. The new accord, unlike the prior one, does not contemplate or contractually bind the Corporation to severance payment in the event of termination without cause.

Mr. Lewis does not have an employment agreement with the Corporation.

Effect of a Change in Control, Death, Disability or Retirement on Equity Grants

Prior to fiscal 2009, equity-based incentives were a significant element of total executive officer compensation. These equity-based incentives consisted of stock options and restricted stock.

In the event of the death of an option recipient, then his/her estate may exercise the option in full at any time prior to its expiration. In the event of an option recipient's retirement, he/she may exercise any vested options within three months from the date of retirement. Should an option recipient's employment end as a result of a disability, then he/she would be able to exercise the options as if the recipient had remained with the Corporation through (i) cessation of payments under a disability pay plan of the Corporation, (ii) the recipient's death, or (iii) the recipient's 65th birthday.

During fiscal year 2010, we resolved to suspend, indefinitely, all future option grants and placed a moratorium on the issuance of restricted stock. All shares and options granted under prior stock and incentive plans are fully vested.

Deductibility Cap on Executive Compensation

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to any publicly held corporation for compensation to the principal executive officer, principal financial officer, or any of the three other most highly compensated executive officers in excess of \$1 million in any taxable year. Payments made pursuant to the Incentive Agreement, however, are intended to qualify as “performance based compensation,” eligible for continued deductibility with shareholder approval. To preserve the tax deductibility of such compensation, the Corporation sought and obtained approval of the Incentive Agreement at the November 5, 2010 special meeting of shareholders.

In fiscal 2013, we did not pay compensation that was not deductible under Section 162(m).

Compensation Policies Relating to Risk Management

The Committee believes that our compensation policies and practices do not encourage unnecessary or excessive risk taking and that any risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Corporation.

Summary Compensation Information

The following table shows the compensation paid to the Company's Chief Executive Officer, and Controller, and its then Interim Chief Financial Officer, who are the Company's only executive officers and whom we refer to herein collectively as our "Named Executive Officers," for the 2013, 2012 and 2011 fiscal years.

Award Exercise and Vesting

No options were exercised by, and no restricted stock vested to, the Named Executive Officers during fiscal 2013.

Retirement Benefits

We maintain two plans that provide retirement income to all eligible employees, including the Named Executive Officers:

401(k) Plan

The Steak n Shake 401(k) Savings Plan (the “401(k) Plan”) is a defined contribution plan covering substantially all employees, including the Named Executive Officers, after they have attained age 21 and completed six months of service and allows employees to defer up to 20% of their salaries. Discretionary matching contributions were made in each of fiscal years 2011, 2012 and 2013. Discretionary contributions are based on the profitability of the Corporation and subject to quarterly revision. The Named Executive Officers and other “highly compensated employees” (as that term is defined by IRS regulations) are limited to contributing 1% of their cash compensation to the 401(k) Plan.

Non-Qualified Savings Plan

The Steak n Shake Non-Qualified Savings Plan (the “Deferred Compensation Plan”) is available to all highly compensated employees, including the Named Executive Officers. Investment options offered under the Deferred Compensation Plan are identical to those offered in the 401(k) Plan. Before a participant may make contributions under the Deferred Compensation Plan, the participant must first contribute 1% of his or her earnings to the 401(k) Plan. Matching contributions were made in fiscal years 2011, 2012 and 2013. Total deferrals under both the Deferred Compensation Plan and 401(k) Plan are limited to 20% of the aggregate of a participant’s salary and annual incentive bonus, which means that as a result of the 1% of compensation deferred to the 401(k) Plan, the most a participant may defer to the Deferred Compensation Plan is 19% of his or her total cash compensation. Matching contributions under the Deferred Compensation Plan vest over the first six years of employment, at a rate of 20% per year beginning on the second anniversary of employment. A participant’s account balance will be distributed at a time directed by the participant. Participants may elect that distributions be made in a lump sum or in equal annual installments over a period of up to ten (10) years. Withdrawals from the Deferred Compensation Plan are limited to the withdrawal of participant contributions in cases of financial hardship.

The following table describes the contributions, earnings and balance at the end of fiscal 2013 for each of the Named Executive Officers who participated in the Deferred Compensation Plan.

NONQUALIFIED DEFERRED COMPENSATION

Potential Payments Upon Termination of Employment

In January 2010, the Company and Mr. Geiger entered into an agreement that provides that only in the event Mr. Biglari ceases to be Chairman and Chief Executive Officer of the Company does Mr. Geiger have the option of terminating his employment with the Company and receiving a lump sum severance payment equal to one year of his then current base compensation (\$250,000 as of the end of fiscal 2013). All prior equity awards granted to Mr. Geiger have vested.

For a description of the rights to which Mr. Biglari is entitled in the event of a change in control of the Corporation, Mr. Biglari’s termination by the Corporation without “cause” or Mr. Biglari’s resignation for “good reason,” see “Compensation Discussion and Analysis – Employment Agreements, Severance and Change-in-Control Arrangements”. Mr. Biglari has not received any stock awards from the Corporation.

Director Compensation

Directors of the Corporation who are employees or spouses of employees do not receive fees for attendance at directors' meetings. During fiscal year 2013, a director who was not an employee or a spouse of an employee received an annual cash retainer of \$45,000, and the Chairs of the Audit Committee and the Governance, Compensation and Nominating Committee received an annual cash retainer of \$50,000. For his role as Vice Chairman of the Board and such other duties as designated by the Board, Dr. Cooley received an annual cash retainer of \$210,000. In addition, non-employee directors receive cash meeting attendance fees as follows:

- \$3,500 for each in-person Board meeting attended;
- \$1,250 for each committee meeting attended in-person not held in conjunction with a Board meeting;
- \$500 for each committee meeting attended held in conjunction with a Board meeting; and
- \$500 for any meeting (Board or committee) in which the director participated by phone.

From November 2008 to March 2009, we paid all retainers in Company stock. We discontinued that practice to avoid equity dilution. Effective April 1, 2009, all annual retainers have been paid in cash only.

The following table provides compensation information for the fiscal year ended September 25, 2013 for each non-management member of the Board who served on the Board during such fiscal year:

| Name | Fees | | Total |
|--------------------|------------------------|------------------------|-----------|
| | Earned or Paid in Cash | All Other Compensation | |

| William L. Johnson | \$62,000 | \$ — | \$62,000 |
| James P. Mastrian | \$57,000 | \$ — | \$57,000 |

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Policy Regarding Related Person Transactions

The Governance, Compensation and Nominating Committee reviews each related person transaction (as defined below) and determines whether it will approve or ratify that transaction based on whether the transaction is in the best interests of the Company and its shareholders. Any Board member who has any interest (actual or perceived) will not be involved in the consideration.

A “related person transaction” is any transaction, arrangement or relationship in which we are a participant, the related person (defined below) had, has or will have a direct or indirect material interest and the aggregate amount involved is expected to exceed \$120,000 in any calendar year. “Related person” includes (a) any person who is or was (at any time during the last fiscal year) an officer, director or nominee for election as a director; (b) any person or group who is a beneficial owner of more than 5% of our voting securities; (c) any immediate family member of a person described in provisions (a) or (b) of this sentence; or (d) any entity in which any of the foregoing persons is employed, is a partner or has a greater than 5% beneficial ownership interest.

In determining whether a related person transaction will be approved or ratified, the Governance, Compensation and Nominating Committee may consider factors such as (a) the extent of the related person’s interest in the transaction; (b) the availability of other sources of comparable products or services; (c) whether the terms are competitive with terms generally available in similar transactions with persons that are not related persons; (d) the benefit to us; and (e) the aggregate value of the transaction.

Related Person Transactions

On July 1, 2013, Biglari Holdings entered into the following agreements with Mr. Biglari, its Chairman and Chief Executive Officer: (i) a Stock Purchase Agreement; (ii) a Shared Services Agreement with Biglari Capital, and (iii) a First Amendment to the Amended and Restated Incentive Bonus Agreement, dated September 28, 2010, with Mr. Biglari (described in Item 11, Executive Compensation). The transactions contemplated thereby were unanimously approved by the independent Governance, Compensation and Nominating Committee of the Board of Directors of the Company (the “Committee”), which retained separate counsel, tax/accounting advisors, an independent compensation consultant, and a financial advisor to assist the Committee in the structuring, evaluation, and negotiation of such transactions.

Taken together, the agreements provide for the following transactions:

- The contribution of investments held by Biglari Holdings to The Lion Fund and The Lion Fund II. In return, Biglari Holdings received limited partner interests in each of these investment partnerships.
- Biglari Capital’s distribution of substantially all of its partnership interests in The Lion Fund (including its adjusted capital balance) to Biglari Holdings. As a result, Biglari Capital maintained solely a general partner interest in each of The Lion Fund and The Lion Fund II.
 - The sale of Biglari Capital by Biglari Holdings to Mr. Biglari for a purchase price of \$1,700,000.
- The execution of the Shared Services Agreement pursuant to which Biglari Holdings provides certain services to Biglari Capital in exchange for an increase in Biglari Holdings’ and its subsidiaries’ hurdle rate above that of other limited partners (6% vs. 5%) with respect to Biglari Holdings’ and its subsidiaries’ limited partner interests in The Lion Fund and The Lion Fund II. The hurdle rate is the threshold annualized return for limited partners of each of

The Lion Fund and The Lion Fund II above which Biglari Capital, as general partner of each, is entitled to receive an incentive reallocation.

- The modification of the Incentive Bonus Agreement between Biglari Holdings and Mr. Biglari to give effect to the transactions, inter alia, by providing that Mr. Biglari's incentive compensation will thereafter be calculated without reference to any investments by Biglari Holdings and its subsidiaries in investment partnerships (including The Lion Fund and The Lion Fund II), of which Biglari Capital or Mr. Biglari is the general partner.

The transactions were entered into by Biglari Holdings to, among other things, (a) reduce regulatory burdens related to investments, (b) improve cash management, (c) foster an enhanced understanding of Biglari Holdings and mitigate conflicts of interest through the separation and clear demarcation of Biglari Holdings from The Lion Fund, and (d) simplify the Incentive Bonus Agreement.

Stock Purchase Agreement

Pursuant to the Stock Purchase Agreement, Biglari Holdings sold all the shares of Biglari Capital to Mr. Biglari for a purchase price of \$1,700,000 in cash (the "Biglari Capital Transaction"). Prior to the execution and delivery of the Stock Purchase Agreement, Biglari Capital distributed to the Company substantially all of Biglari Capital's partnership interests in The Lion Fund (including, without limitation, Biglari Capital's adjusted capital balance in its capacity as general partner of The Lion Fund, which totaled \$5,721,000). Biglari Capital thus retained solely a general partner interest in each of The Lion Fund and The Lion Fund II at the time of the Biglari Capital Transaction. In addition, Biglari Holdings contributed securities owned by it to The Lion Fund and The Lion Fund II in exchange for limited partner interests in each of these investment partnerships. Biglari Holdings will maintain an interest in the contributed securities through its limited partner interests in The Lion Fund and The Lion Fund II, but without the associated costs under the Incentive Bonus Agreement with Mr. Biglari, as explained in Item 11, Executive Compensation.

Mr. Biglari is Chairman and Chief Executive Officer of Biglari Capital, and Dr. Cooley is an advisory director of Biglari Capital. The Lion Fund owned 203,357 shares of the Company's common stock as of the date of the Biglari Capital Transaction. Mr. Biglari (together with his affiliates), Dr. Cooley and Mr. Cooper have made investments in The Lion Fund (other than the amounts invested by the Company), which are not subject to special profits, interest allocations, or incentive allocations. Mr. Biglari does not pay an incentive allocation fee as a limited partner in The Lion Fund. As of the date of the Biglari Capital Transaction, the fair value of these investments was \$872,826, \$75,288 and \$189,691, respectively.

Shared Services Agreement

In connection with the Biglari Capital Transaction, Biglari Holdings and Biglari Capital entered into the Shared Services Agreement pursuant to which Biglari Holdings provides certain services to Biglari Capital, including use of space at the Company's corporate headquarters in San Antonio, in exchange for a 6% hurdle rate for Biglari Holdings and its subsidiaries (as compared to a 5% hurdle rate for all other limited partners) in order to determine the incentive reallocation to Biglari Capital, as general partner of The Lion Fund and The Lion Fund II, under their respective partnership agreements. The incentive reallocation to Biglari Capital is equal to 25% of the net profits allocated to the limited partners in excess of their applicable hurdle rate. The Shared Services Agreement runs for an initial five-year term, and automatically renews for successive five-year periods, unless terminated by either party effective at the end of the initial or renewed term, as applicable. The term of the Shared Services Agreement coincides with the lock-up period for the Company's investments in The Lion Fund and The Lion Fund II under their respective partnership agreements.

During the fiscal year ended September 25, 2013, the Company provided services for Biglari Capital under the Shared Services Agreement having an aggregate cost of \$101,057.

Investments in The Lion Fund and The Lion Fund II

During the fiscal year ended September 25, 2013, the Company contributed cash and securities owned by it with an aggregate value of \$377,635,972 in exchange for limited partner interests in The Lion Fund and The Lion Fund II. As of September 25, 2013, the Company's investments in The Lion Fund and The Lion Fund II had a net asset value of \$455,296,928. If the incentive reallocation were determined as of September 25, 2013, Biglari Capital would have received an incentive reallocation of approximately \$5.8 million. The incentive reallocation to be received by Biglari Capital under the terms of the partnership agreements of The Lion Fund and The Lion Fund II is determined as of December 31 of each year.

License Agreement

On January 11, 2013, the Company entered into a Trademark License Agreement (the "License Agreement") with Mr. Biglari. The License Agreement was unanimously approved by the Committee.

Under the License Agreement, Mr. Biglari granted to the Company an exclusive license to use the Biglari and Biglari Holdings names (the "Licensed Marks") in association with various products and services (collectively the "Products and Services"). Upon (a) the expiration of twenty years from the date of the License Agreement (subject to extension as provided in the License Agreement), (b) Mr. Biglari's death, (c) the termination of Mr. Biglari's employment by the Company for Cause (as defined in the License Agreement), or (d) Mr. Biglari's resignation from his employment with the Company absent an Involuntary Termination Event (as defined in the License Agreement), the Licensed Marks for the Products and Services will transfer from Mr. Biglari to the Company without any compensation if the Company is continuing to use the Licensed Marks in the ordinary course of its business. Otherwise, the rights will revert to Mr. Biglari.

The license provided under the License Agreement is royalty-free unless and until one of the following events occurs: (i) a Change of Control (as defined in the License Agreement) of the Company; (ii) the termination of Mr. Biglari's employment by the Company without Cause; or (iii) Mr. Biglari's resignation from his employment with the Company due to an Involuntary Termination Event (each, a "Triggering Event"). Following the occurrence of a Triggering Event, Mr. Biglari is entitled to receive a 2.5% royalty on "Revenues" with respect to the "Royalty Period." The royalty payment to Mr. Biglari does not apply to all revenues received by Biglari Holdings and its subsidiaries simply because the name of the public corporation is "Biglari Holdings," nor does it apply retrospectively (i.e., to revenues received with respect to the period prior to the Triggering Event). The royalty applies to revenues recorded by the Company on an accrual basis under GAAP, solely with respect to the defined period of time after the Triggering Event equal to the Royalty Period, from a covered Product, Service or business that (1) has used the Biglari Holdings or Biglari name at any time during the term of the License Agreement, whether prior to or after a Triggering Event, or (2) the Company has specifically identified, prior to a Triggering Event, will use the name Biglari or Biglari Holdings.

"Revenues" means all revenues received, on an accrual basis under GAAP, by the Company, its subsidiaries and affiliates from the following: (1) all Products and Services covered by the License Agreement bearing or associated with the names Biglari and Biglari Holdings at any time (whether prior to or after a Triggering Event). This category would include, without limitation, the use of Biglari or Biglari Holdings in the public name of a business providing any covered Product or Service; and (2) all covered Products, Services and businesses that the Company has specifically identified, prior to a Triggering Event, will bear, use or be associated with the name Biglari or Biglari Holdings.

The Committee unanimously approved the association of the Biglari name and mark with all of Steak n Shake's restaurants (including Company operated and franchised locations), products and brands. On May 14, 2013, the Company, Steak n Shake, LLC and Steak n Shake Enterprises, Inc. entered into a Trademark Sublicense Agreement in

connection therewith. Accordingly, revenues received by the Company, its subsidiaries and affiliates from Steak n Shake's restaurants, products and brands would come within the definition of Revenues for purposes of the License Agreement.

The “Royalty Period” is a defined period of time, after the Triggering Event, calculated as follows: (i) if, following three months after a Triggering Event, the Company or any of its subsidiaries or affiliates continues to use the Biglari or Biglari Holdings name in connection with any covered product or service, or continues to use Biglari as part of its corporate or public company name, then the “Royalty Period” will equal (a) the period of time during which the Company or any of its subsidiaries or affiliates continues any such use, plus (b) a period of time after the Company, its subsidiaries and affiliates have ceased all uses of the names Biglari and Biglari Holdings equal to the length of the term of the License Agreement prior to the Triggering Event, plus three years. As an example, if a Triggering Event occurs five years after the date of the License Agreement, and the Company ceases all uses of the Biglari and Biglari Holdings names two years after the Triggering Event, the Royalty Period will equal a total of ten years (the sum of two years after the Triggering Event during which the Biglari and Biglari Holdings names are being used, plus a period of time equal to the five years prior to the Triggering Event, plus three years); or (ii) if the Company, its subsidiaries and affiliates cease all uses of the Biglari and Biglari Holdings names within three months after a Triggering Event, then the “Royalty Period” will equal the length of the term of the License Agreement prior to the Triggering Event, plus three years. As an example, if a Triggering Event occurs five years after the date of the License Agreement, and the Company ceases all uses of the Biglari and Biglari Holdings names two months after the Triggering Event, the Royalty Period will equal a total of eight years (the sum of the period of time equal to the five years prior to the Triggering Event, plus three years). Notwithstanding the above methods of determining the Royalty Period, the minimum Royalty Period is five years after a Triggering Event.

Except as set forth above, there are no transactions that would be required to be disclosed pursuant to Item 404(a) of Regulation S-K promulgated under the Exchange Act.

Director Independence

The Board has determined that all of its members, other than Mr. Biglari and Dr. Cooley, are “independent” within the meaning of the listing standards of the New York Stock Exchange because none of them has, directly or indirectly, any material relationship with the Company. The Board has made these determinations after considering the following:

1. None of the independent directors is our officer or employee or an officer or employee of our subsidiaries or affiliates, nor has been such an officer or employee within the prior three years; further, no immediate family member of the independent directors is, or has been in the past three years, an executive officer of the Company.
2. None of the independent directors has received, nor has an immediate family member of such directors received, during any twelve month period in the last three years, more than \$120,000 in direct compensation from us, other than director and committee fees and pension or other forms of deferred compensation for prior service.
3. None of the independent directors or any member of their immediate family is or within the past five years has been affiliated with Deloitte & Touche LLP.
4. None of the independent directors or any member of their immediate families have within the last three years been employed as an executive officer of another company on whose compensation committee one of our present executive officers served.
5. None of the independent directors is a current employee or has an immediate family member who is a current executive officer of a company that in any of the last three fiscal years has done business with us in an amount in excess of \$1 million or 2% of such other company’s consolidated gross revenues.

6.

None of the independent directors serves as a director, trustee, executive officer or similar position of a charitable or non-profit organization to which, in any of the last three fiscal years, we or our subsidiaries made charitable contributions or payments in any single fiscal year in excess of \$1 million or 2% of the organization's consolidated gross revenues.

Pre-approval Policy

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditor and management are required to report periodically to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. In each of fiscal 2013 and 2012, the Audit Committee pre-approved the services reported above as audit-related services and Deloitte & Touche LLP did not provide any other services during such years.
