Private Placement

Stock Purchase Agreement

On November 10, 2017, the Issuer entered into a Stock Purchase Agreement (the “Purchase Agreement”) with PW Partners. Pursuant to the Purchase Agreement, the Issuer sold to PW Partners on behalf of its designated client, the Purchaser’s Designee, 418,169 Shares at a purchase price of \$3.50 per Share, resulting in aggregate gross proceeds to the Issuer of \$1,463,591.50 (the “Private Placement”). The Purchase Agreement provides further that PW Partners has assigned its rights under the Purchase Agreement to the Purchaser’s Designee; provided, however, that PW Partners retains its obligations under the Purchase Agreement. While the 418,169 Shares are held for the benefit of the Purchaser’s Designee in a Managed Account managed by PW Partners, PW Partners retains the right to vote such Shares under the managed account agreement. This voting right may be revoked at any time by the Purchaser’s Designee.

In addition, pursuant to the Purchase Agreement and in connection with a proposed Rights Offering (as described below), PW Partners (a) agreed to not exercise rights in excess of the rights attributable to its pro rata share of Shares held as of the date of the Purchase Agreement and (b) will be obligated to purchase any Unsubscribed Shares (as described below) in the Rights Offering if it fails to enter into the Standby Purchase Agreement (as described below) or to fulfill its obligations pursuant to the Standby Purchase Agreement.

Also pursuant to the Purchase Agreement, the Issuer agreed to take the necessary steps to cause the Board of Directors of the Issuer (the “Board”) to (a) appoint a mutually acceptable nominee selected by PW Partners (the “PW Director”), who shall be an independent director, to serve on the Board until the 2018 Annual Meeting of Shareholders (the “2018 Annual Meeting”), (b) nominate the PW Director for election to the Board at the 2018 Annual Meeting for a term of office expiring at the 2019 Annual Meeting of Shareholders, (c) recommend, and reflect such recommendation in the Issuer’s definitive proxy statement in connection with the 2018 Annual Meeting, that the shareholders of the Issuer vote to elect the PW Director to the Board at the 2018 Annual Meeting, and (d) solicit, obtain proxies in favor of and otherwise support the election of the PW Director to the Board at the 2018 Annual Meeting, in a manner no less favorable than the manner in which the Issuer supports other nominees for election at the 2018 Annual Meeting. The managed account agreement between PW Partners and the Purchaser’s Designee provides that PW Partners will recommend Peter Haeg, an affiliate of the Purchaser’s Designee, as the PW Director.

On or about the date of this Schedule 13D, the FS Group is filing a Schedule 13D report with respect to its beneficial ownership of Shares. The Shares reported in the FS Group’s Schedule 13D consist of the 418,169 Shares held in the Managed Account for the benefit of the Purchaser’s Designee as a result of the FS Group having dispositive power over such Shares. Because of their shared beneficial ownership of such Shares, the Reporting Persons and the FS Group may together be considered a “group” for purposes of Rule 13d-1. The Reporting Persons disclaim beneficial ownership of any Shares held by the FS Group other than the 418,169 Shares and disclaim the existence of any such Section 13(d) “group”.

CUSIP NO. 307068106

Registration Rights Agreement

In connection with the Purchase Agreement, the Issuer entered into a registration rights agreement with PW Partners on November 10, 2017 (the "Registration Rights Agreement") pursuant to which the Issuer has agreed to register, upon certain terms described below, the Shares issued to the Purchaser's Designee pursuant to the Purchase Agreement, the Shares acquired pursuant to the Standby Purchase Agreement (described below), and any Shares issued as a dividend or other distribution with respect to, or in exchange for or in replacement of such Shares (the "Registrable Securities").

Pursuant to the Registration Rights Agreement, upon the written request of holders of more than 50% of the Registrable Securities delivered no sooner than six months after the Registration Rights Agreement execution date, the Issuer agreed (a) to file with the U.S. Securities and Exchange Commission (the "Commission") as promptly as practicable, but in no event later than 90 days after the date of such written request, a shelf registration for delayed or continuous offerings of Registrable Securities in market transactions on Form S-3 (the "Shelf Registration") and (b) to cause the Shelf Registration to be declared effective by the Commission as soon thereafter as practicable. The Issuer is required to use its commercially reasonable efforts to keep such Shelf Registration continuously effective and usable for resale of Registrable Securities until the earlier of (i) the second anniversary of the date of the Registration Rights Agreement; (ii) the date on which all Registrable Securities have been distributed to the public either pursuant to a registration statement, Rule 144 or sold in a private transaction in which the transferor's registration rights are not assigned; or (iii) otherwise until there are no longer any Registrable Securities.

The Registration Rights Agreement also provides for certain piggyback registration rights for holders of Registrable Securities; however, so long as a Shelf Registration is on file and effective, then, subject to the terms and conditions of the Registration Rights Agreement, the Issuer shall have no obligation to allow participation in such piggyback registration rights.

In the event of an underwritten offering in which the underwriter recommends that marketing factors require a limitation of the number of Shares to be underwritten, the Registration Rights Agreement provides that the number of Shares included in the underwriting shall be allocated as follows: first, to the Issuer; second, to the holders of Registrable Securities and Wexford Capital LP (the beneficial owner of approximately 19.2% of the outstanding Shares) on a pro rata basis based on the total number of Registrable Securities proposed to be sold held by the holders of Registrable Securities and the total number of Shares proposed to be sold by Wexford Capital LP; and third, among any other shareholders of the Issuer having rights to register securities in connection with such registration on a pro rata basis based on the total number of Shares proposed to be sold in the offering held by such other shareholders.

CUSIP NO. 307068106

Other Terms

The Purchase Agreement and the Registration Rights Agreement contain ordinary and customary provisions for agreements and documents of this nature, such as representations and warranties (for which PW Partners is obligated both on behalf of itself and the Purchaser's Designee), covenants and indemnification obligations, as applicable. In addition, the Purchase Agreement provides, as conditions to closing, that the Issuer deliver the Registration Rights Agreement and the employment agreement with Mr. Crivello (as described below).

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to describe all of the terms and provisions thereof and are qualified in their entirety by reference to the Purchase Agreement and the Registration Rights Agreement, which are referenced as exhibits hereto and are incorporated herein by reference.

Rights Offering: Standby Purchase Agreement

Rights Offering

As described in the Purchase Agreement, the Issuer has expressed its intent to commence a rights offering (the "Rights Offering") as soon as practicable and pursuant to which the Issuer shall distribute, at no charge to each of its holders of Shares as of a record date to be set by the Board (the "Stockholders"), non-transferable rights to subscribe for and purchase each Stockholder's respective pro rata amount (the "Basic Subscription Privilege") of newly-issued Shares at a price per Share to be determined by the Board (the "Subscription Price"), with the total aggregate amount being offered not to exceed \$5,536,408.50 (the "Offering Amount"). Each holder of such rights who exercises such holder's Basic Subscription Privilege will be entitled to subscribe for additional Shares to the extent they are available, at the Subscription Price (the "Over-Subscription Privilege").

Standby Purchase Agreement

Pursuant to the Purchase Agreement, if the Issuer commences the Rights Offering, PW Partners has agreed to enter into a Standby Purchase Agreement, effective at or prior to the commencement of the Rights Offering, with the Issuer (the "Standby Purchase Agreement"). The Standby Purchase Agreement will provide that PW Partners will (a) exercise its Basic Subscription Privilege and (b) purchase in a private placement separate from the Rights Offering, at the Subscription Price and subject to the terms and conditions of the Standby Purchase Agreement, any Shares that are not subscribed for in the Rights Offering pursuant to the Stockholders' exercise of their rights (the "Unsubscribed Shares"). The aggregate amount PW Partners will agree to purchase, including the exercise of the Basic Subscription Privilege and the purchase of any Unsubscribed Shares, will not exceed the Offering Amount.

Consummation of the Standby Purchase Agreement will be subject to usual and customary closing conditions, including the consummation of the Rights Offering. PW Partners may terminate the Standby Purchase Agreement upon any suspension of trading in the Shares by The Nasdaq Stock Market, any suspension of payments with respect to banks in the United States or a declaration of war or national emergency, or if the Issuer materially breaches any of its representations, warranties, covenants or obligations under the Standby Purchase Agreement and fails to cure such breach within five business days of receiving written notice.

The foregoing description of the Standby Purchase Agreement does not purport to describe all of the terms and provisions thereof and is qualified in its entirety by reference to the Standby Purchase Agreement, which is referenced as an exhibit hereto and is incorporated herein by reference.

CUSIP NO. 307068106

Appointment of Jeffery Crivello as CEO

The Issuer appointed Mr. Crivello as the Chief Executive Officer of the Issuer as a condition to the closing of the Private Placement.

Mr. Crivello's employment with the Issuer will be governed by a three-year employment agreement (the "Employment Agreement") which was delivered in connection with the closing of the Private Placement and effective as of November 14, 2017. Under the Employment Agreement, Mr. Crivello is entitled to receive an annual base salary and is eligible for annual bonus compensation in the form of Shares, which amount shall be determined based on the 30-day volume weighted average price of the Shares meeting or exceeding certain established targets.

Pursuant to the Employment Agreement, on November 14, 2017, the Issuer granted to Mr. Crivello a 90,000 Share non-qualified stock option that will vest in equal monthly installments over two years (the "Stock Option"). The Stock Option will have an exercise price equal to the closing price of the Shares as of November 14, 2017.

Pursuant to the Employment Agreement, Mr. Crivello agreed to customary non-competition and non-solicitation provisions, including a covenant that, in the event Mr. Crivello's relationship with PW Partners conflicts with or is inconsistent with his obligations to the Issuer, Mr. Crivello's primary duty shall be to the Issuer and to the extent that a conflict arises, he shall promptly notify the Board of such conflict.

The foregoing description of the Employment Agreement does not purport to describe all of the terms and provisions thereof and is qualified in its entirety by reference to the Employment Agreement, which is referenced as an exhibit hereto and is incorporated herein by reference.
