**Item 2.02. Results of Operation and Financial Condition**

On May 24, 2013, Foot Locker, Inc. issued a press release announcing its operating results for the first quarter of 2013. The release also includes a non-GAAP financial result of first quarter net income excluding \$1 million in transaction costs related to the pending acquisition of Runners Point Group, which the Company previously announced. The Company believes this non-GAAP financial result provides useful information to investors because it allows for a more direct comparison of the Company's performance for the first quarter 2013 to the Company's performance in the comparable prior-year period. The non-GAAP financial result is provided in addition to, and not as an alternative to, the Company's reported results prepared in accordance with GAAP. A reconciliation to GAAP is provided in the Condensed Consolidated Statements of Operations.

A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
