(Attach extra Sheets if Needed)

On March 31, 2009, Registrant entered into an Asset Purchase Agreement with Rackable Systems, Inc., under which Rackable agreed to purchase substantially all the operating assets of the Registrant. On April 1, 2009, Registrant and certain of its subsidiaries filed voluntary Chapter 11 petitions in the United States Bankruptcy Court

for the Southern District of New York (the “Court”), Case Number 09-11701. On April 30, 2009, the Court approved the Asset Purchase Agreement, as amended, and the transaction closed on May 8, 2009. The net proceeds of this transaction will be distributed for the benefit of the secured creditors of the Registrant. As previously announced, Registrant’s stockholders will not receive any proceeds in respect of this sale, nor are they expected to receive proceeds from any other transactions completed in the course of Registrant’s Chapter 11 proceedings.

On April 23, 2009, Registrant submitted a no-action letter to the staff of the Commission requesting relief that would permit it to terminate its registration and reporting requirements under the Securities Exchange Act of 1934. The request was based on the limited number of holders of its stock, the fact that Registrant had not issued any stock during the year other than in connection with the vesting of restricted stock units previously granted under employee equity incentive arrangements, the financial burden Registrant would incur to continue to prepare such reports, and the minimal benefit that ongoing reporting would provide to stockholders who would not receive any proceeds in respect of the Rackable transaction or otherwise. Registrant believed in good faith that its request for relief would be granted. On May 6, 2009, the staff informed Registrant that it would not grant the requested relief.

Registrant has not prepared financial statements for the quarter ended March 27, 2009 or otherwise assembled the information required to prepare its Quarterly Report on Form 10-Q for the quarter ended March 27, 2009, which was due on May 11, 2009. As a result of the closing of the Asset Purchase Agreement, the former management team and virtually all of the finance organization of the Registrant are no longer employed at the Registrant, and the Registrant’s overall staffing has been reduced to a skeleton group that is headed by a new chief restructuring officer tasked with overseeing the completion of the bankruptcy proceeding. As a result, Registrant will not be able without unreasonable effort and expense to file its Form 10-Q. Registrant will continue to file on Form 8-K the monthly operating reports that are filed with the Court.

PART IV — OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Reasonable estimates of the results cannot be made for the reasons described above.
