Item 5. Other Events

On October 31, 2000, Baldwin Technology Company, Inc. ("Baldwin or the Company") entered into a \$35,000,000 Revolving Credit Facility (the "Credit Facility") with Fleet National Bank and First Union National Bank (collectively the "Banks"), which had an original scheduled maturity date of October 31, 2003. The Credit Facility consisted of a \$25,000,000 Revolving credit line (the "Revolver") and a \$10,000,000 credit line to be utilized for acquisitions, (the "Acquisition Line"). On January 28, 2002, following the divestiture of the roll handling group, the Credit Facility was amended (the "Amended Credit Facility"),

which included the removal of the Acquisition Line, a reduction in the Revolver to \$21,000,000, subject to a borrowing base, (the "Amended Revolver") and a change in the maturity date to October 1, 2002. In addition, \$4,000,000 of the Amended Revolver was converted into a term loan (the "Term Loan"), which matured on June 28, 2002. The Banks had initially granted a forbearance of the collection of the indebtedness until August 12, 2002. This agreement has been renegotiated and grants the Company an extension of the forbearance period until October 1, 2002 in order to allow the Company additional time to complete alternative financing.

The Company is currently negotiating with a number of alternative lenders to obtain a new credit facility with one or more of these alternative lenders. However, if alternative financing sources are not available, management will take additional actions to meet liquidity needs.

Item 7. Financial Statements and Exhibits.
