This proxy statement is expected to be made available to shareholders on or before March 19, 2010. Oriental Financial Group Inc. is sometimes hereinafter referred to as we, us, our company or the Group.

Each proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with the instructions contained therein. If no contrary instructions are given by you, each proxy received will be voted for the matters described below. Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by: (i) filing with the Secretary of the Board of Directors written notice thereof (addressed to: Secretary of the Board of Directors, Oriental Financial Group Inc., P.O. Box 195115, San Juan, Puerto Rico 00919-5115); (ii) submitting a duly executed proxy bearing a later date; or (iii) by appearing in person at the annual meeting and giving the Secretary notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the annual meeting, including any adjournment or postponement thereof, and will not be used for any other purpose.

Each proxy solicited hereby also confers discretionary authority on our Board of Directors to vote the proxy with respect to: (i) the approval of the minutes of the last annual meeting of shareholders; (ii) the election of any person as director if any nominee is unable to serve or, for good cause, will not serve; (iii) matters incident to the conduct of the annual meeting; and (iv) such other matters as may properly come before the annual meeting. Except with respect to procedural matters incident to the conduct of the annual meeting, we are not aware of any business that may properly come before the meeting other than those matters described in this proxy statement. However, if any other matters should properly come before the annual meeting, it is intended that proxies solicited hereby will be voted with respect to those other matters in accordance with the judgment of the persons voting the proxies.

It is important that your shares be represented regardless of the number you own. Even if you plan to be present, you are urged to complete, sign, date and return, promptly, the enclosed proxy card in the envelope provided. Remember that you may also vote by telephone or over the Internet. The instructions for voting by telephone or over the Internet are set forth in the proxy card. If you attend the meeting, you may vote either in person or by your proxy. Any proxy given may be revoked by you in writing or in person at any time prior to the exercise thereof. If you plan to attend the meeting, you must show at the entrance to the meeting proof of ownership of our shares of common stock, such as a broker's statement showing the shares held by you, and a proper identification card. If your shares are not registered in your own name and you plan to attend the meeting and vote your shares in person, you must contact your broker or agent in whose name your shares are registered to obtain a broker's proxy issued in your name and bring it to the meeting in order to vote.

To avoid delays in ballot taking and counting, and in order to ensure that your proxy is voted in accordance with your wishes, compliance with the following instructions is respectfully requested: when signing a proxy as attorney, executor, administrator, trustee, guardian, authorized officer of a corporation, or on behalf of a minor, please give full title. **SOLICITATION OF PROXIES**

The cost of solicitation of proxies will be borne by us. We will also reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in sending proxy materials to the beneficial owners of our shares of common stock. In addition to solicitations by mail, our directors, officers and employees, including those of our subsidiaries, may solicit proxies personally, by telephone or otherwise without additional compensation.

We have retained Georgeson Inc., an independent proxy solicitation firm ( Georgeson ), to assist us in soliciting proxies from our shareholders. We will pay Georgeson a fee of approximately \$9,500 as compensation for its services and will reimburse it for out-of-pocket expenses.

**VOTING STOCK OUTSTANDING AND VOTE REQUIRED FOR APPROVAL**

Only holders of our shares of common stock of record at the close of business on March 5, 2010 (the Voting Record Date ) will be entitled to vote at the annual meeting. The total number of our shares of common stock outstanding on the Voting Record Date and eligible to cast votes at the annual meeting is 24,241,239. On the Voting Record Date, we had outstanding 1,340,000 shares of 7.125% Noncumulative Monthly Income Preferred Stock, Series A, \$1.00 par value per share (the Series A Preferred Stock ) and 1,380,000 shares of 7.0% Noncumulative Monthly Income Preferred Stock, Series B, \$1.00 par value per share (the Series B Preferred Stock ). The shares of Series A Preferred Stock and Series B Preferred Stock are not entitled to vote at the annual meeting.

The presence, either in person or by proxy, of at least a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the annual meeting. We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. Votes cast by proxy will be counted by Broadridge Financial Solutions, Inc., an independent third party. For purposes of determining quorum, abstentions and broker non-votes will be treated as shares that are present and entitled to vote. A broker non-vote results when a broker or nominee has expressly indicated that it does not have discretionary authority to vote on a particular matter. Action with respect to Proposal 1, Election of Directors, will be taken by a plurality (that is, a majority of the votes cast) of the shares present in person or represented by proxy at the annual meeting and entitled to vote. Therefore, abstentions and broker non-votes will not have an effect on the election of directors. With respect to this proposal, each holder of shares of common stock has the right to cumulate his or her votes as described below under the heading Cumulative Voting in the Election of Directors. Action with respect to Proposal 2,

Replenishment of Shares Reserved for Issuance under the Omnibus Performance Incentive Plan, Proposal 3, Amendment to the Omnibus Performance Incentive Plan, and Proposal 5, Ratification of Selection of Independent Auditors, will be taken by a majority of the shares present in person or represented by proxy at the annual meeting and entitled to vote. Action with respect to Proposal 4, Amendment to Article Fourth of Certificate of Incorporation, will be taken by a majority of the outstanding shares entitled to vote at the annual meeting. Therefore, as to Proposals 2 through 5, abstentions and broker non-votes will have the same effect as a vote against the proposal.

**PROPOSAL 1: ELECTION OF DIRECTORS**

Our by-laws provide that the Board of Directors shall consist of such number of directors as shall be fixed from time to time by resolution of the Board. The number of directors, as established by resolution, is presently eleven. Our articles of incorporation and by-laws also provide that the Board of Directors shall be divided into three classes of directors as nearly equal in number as possible. The members of each class are to be elected for a term of three years and until their successors are duly elected and qualified. Only one class of directors is to be elected annually.

**Table of Contents**

There are no arrangements or understandings between us and any person pursuant to which such person has been elected as a director. No director is related to any of our directors or executive officers, by blood, marriage or adoption (excluding those that are more remote than first cousin).

José J. Gil de Lamadrid, José Rafael Fernández and Maricarmen Aponte have been nominated as directors for a three-year term expiring in 2013. Set forth below is certain information with respect to such nominees.

*José J. Gil de Lamadrid, C.P.A. (Age 54)* Director of the Group since 2005 (including term as a director of Oriental Bank and Trust) and Chairman of our Board of Directors since 2006. He is also a non-voting ex officio member of all the committees of our Board of Directors and Chairman of the Boards of Directors of the Group's principal subsidiaries, including Oriental Bank and Trust, Oriental Financial Services Corp., Oriental Insurance Inc., and Caribbean Pension Consultants, Inc. From January 2005 to October 2006, he served as the Chairman of our Audit Committee. Mr. Gil de Lamadrid is a Certified Public Accountant with significant experience in administration and international public accounting. He occupied several leadership positions, including office managing partner, of an international accounting firm, where he worked from 1976 to 2003. During this time, he served for three years at the firm's executive offices in New York. He was a member of the Board of Directors and Audit Committee of Great American Life Assurance Company of Puerto Rico from September 2003 to January 2005, and several not-for-profit organizations throughout the years. Mr. Gil de Lamadrid has been an instructor at several international and local seminars on corporate accounting and business administration. Since 2003, he is the co-owner of Office Zone, Inc., a family-owned private business that distributes office supplies in Puerto Rico.

Our Corporate Governance and Nominating Committee has recommended Mr. Gil de Lamadrid as a nominee, and our Board of Directors has concluded that he should continue to serve as a director of the Group. The Board based its conclusion on his leadership and accomplishments as the Non-Executive Chairman of our Board and his extensive experience spanning 33 years in international public accounting and providing accounting and business consulting services to financial services companies, including banks, investment companies and insurance companies. Additionally, his prior service as a director and audit committee member of a subsidiary of a publicly traded financial services company and as managing partner of the Puerto Rico office of an international accounting firm make him exceptionally qualified to continue to lead the Board in overseeing its functions and business objectives. Moreover, his independence of thought and judgment at the policy-making level has contributed to the achievement of our long-term goals.

*José Rafael Fernández (Age 46)* President, Chief Executive Officer and Director of the Group since 2004 (including term as a director of Oriental Bank and Trust) and Vice Chairman of our Board of Directors. He is also the Vice Chairman of the Boards of Directors and President of the Group's principal subsidiaries, including Oriental Bank and Trust, Oriental Financial Services Corp., and Oriental Insurance Inc. Also, he is the Vice Chairman of the Board of Directors of Caribbean Pension Consultants, Inc., the Group's stateside subsidiary. Since joining the Group in 1991, Mr. Fernández has managed each of the Group's core businesses, including playing a major role in the Group becoming a leader in trust and retirement services in Puerto Rico. Previously, Mr. Fernández was an investment executive at various United States and international investment and wealth management firms. He holds a Bachelor of Science degree from the University of Notre Dame and a Masters of Business Administration from the University of Michigan. He and his wife chair the Puerto Rico Center for Social Concerns, a local non-profit organization that recruits volunteers from the University of Notre Dame to work in poor communities in Puerto Rico. Mr. Fernandez is also a member of the Advisory Committee of the University of Notre Dame's Mendoza Business School. He also serves as a trustee of Sacred Heart University in Santurce, Puerto Rico, and as a director on the boards of the Puerto Rico Manufacturers Association and of the Puerto Rico Conservation Trust.

Our Corporate Governance and Nominating Committee has recommended Mr. Fernández as a nominee, and our Board of Directors has concluded that he should continue to serve as a director of the Group. The Board based its conclusion on his extensive knowledge and experience of the Group's business and operations, his 25 years of experience in the financial services industry, and his instrumental role in our continued success. Under his leadership, we have achieved important business goals. As our CEO and Vice Chairman, Mr. Fernández has consistently demonstrated an ability to exercise sound judgment and prudent management skills. Furthermore, his

**Table of Contents**

active involvement in community and civic affairs represent an ethical character that we seek in our leaders and company culture.

*Maricarmen Aponte, Esq. (Age 63)* Director of the Group since 2005 (including term as a director of Oriental Bank and Trust) and Vice Chairperson of the Compensation Committee. As the Executive Director of the Puerto Rico Federal Affairs Administration in Washington, D.C., from 2001 through 2004, she was a member of the Cabinet of the Governor of Puerto Rico. She previously served as a director of the Group (including Oriental Bank and Trust) from 1998 to 2001. She is a Vice Chair of the Board of Directors of the National Alliance for Hispanic Health. Ms. Aponte has practiced law in Washington, D.C. for over two decades, and is presently a strategic consultant to a national television network, the Hispanic Information and Telecommunications Network (HITN), in New York.

Our Corporate Governance and Nominating Committee has recommended Ms. Aponte as a nominee, and our Board of Directors has concluded that she should continue to serve as a director of the Group. The Board based its conclusion on her broad expertise in government affairs, law and business management. These skills are important for the Group to identify legal and regulatory risks and business opportunities presented by the political and regulatory environment both at the federal and local level.

If any person named as a nominee is unable or unwilling to stand for election at the time of the annual meeting, the proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, the Board knows of no reason why any of the nominees listed above may not be able to serve as director if elected.

**The Board of Directors Recommends  
that Shareholders Vote For this Proposal.**

**CUMULATIVE VOTING IN THE ELECTION OF DIRECTORS**

Pursuant to our by-laws, holders of our shares of common stock have the right to cumulate their votes at annual meetings in which more than one director is being elected. Cumulative voting entitles each holder of common stock to a number of votes equal to the number of shares of common stock held by him or her multiplied by the number of directors to be elected. As a holder of our shares of common stock, you may cast all or any number of such votes for one nominee or distribute such votes among any two or more nominees as you desire. Thus, for example, for the election of the three nominees being considered at this annual meeting, a shareholder owning 1,000 shares of our common stock is entitled to 3,000 votes, and may distribute such votes equally among the nominees for election, cast them for the election of only one of such nominees, or otherwise distribute such votes as he or she desires.

In the absence of any express indication that the shares to be voted should be cumulated in a particular fashion, the votes represented by executed proxies will be distributed equally among the three nominees designated by our Board of Directors or in such other fashion as will most likely ensure the election of all the nominees.

### **BOARD INDEPENDENCE, LEADERSHIP STRUCTURE AND RISK OVERSIGHT**

Except for José Rafael Fernández, who is our President and CEO, all of our directors are independent pursuant to the corporate governance listing standards adopted by the New York Stock Exchange ( NYSE ) for companies listed thereon. Our Board of Directors has adopted standards and definitions to assist it in the evaluation of the independence of its members. The standards and definitions adopted by the Board describe various types of relationships that could potentially exist between a director and the Group and sets thresholds at which such relationships would be deemed to be material. If no relationship or transaction exists that would disqualify a director from being independent under such standards and definitions, and no other relationships or transactions exist of a type not specifically mentioned therein that, in the Board's opinion taking into account all facts and circumstances, would impair a director's ability to exercise his or her independent judgment, the Board will deem such director to be independent. Such standards and definitions are available on our website at [www.orientalfg.com](http://www.orientalfg.com).

Our corporate leadership structure entails a split in the roles of the Chairman of the Board and the CEO. The position of Board Chairman is held by Mr. Gil de Lamadrid, an independent director, whereas the position of CEO is held by Mr. Fernández. We believe that the separation of the Chairman and CEO positions is the most appropriate structure for our company because it (i) promotes a balance of power; (ii) provides a more effective channel for our Board of Directors to express its views on management; (iii) provides our CEO with more independent guidance and feedback on his performance; and (iv) allows our Board of Directors to more effectively monitor corporate governance and fulfill regulatory requirements. Moreover, such split allows our CEO to focus on leading our company, while our Chairman can focus on leading the Board.

**Table of Contents**

Our Board of Directors, the Audit Committee and management's Asset and Liability Management Committee (the ALCO Committee) are actively involved in overseeing the management of the risks involved in our business and operations. In order to appropriately discharge their risk oversight function, the Board and the Audit Committee have access to senior management and the right to consult with and retain independent legal and other advisors at our expense pursuant to our Corporate Governance Guidelines. The Board and the Audit Committee also regularly meet with and receive written reports from senior management, including the Senior Risk Manager. Moreover, the ALCO Committee has responsibility for overseeing the management of our assets and liabilities to balance our risk exposures. The principal objective of this committee is to enhance profitability while maintaining appropriate levels of liquidity and interest rate risks. In this regard, it assists and reports to the Board in connection with the monitoring and oversight of such risks and the implementation of the investment policies and objectives adopted by the Board.

**BOARD MEETINGS**

Our Board of Directors held twelve meetings in 2009. No incumbent director attended fewer than 75% of the Board meetings held in that year. Board members are required to attend our annual meeting of shareholders. All Board members then in office attended last year's meeting.

**EXECUTIVE MEETINGS OF NON-MANAGEMENT DIRECTORS**

Our Board of Directors holds regular meetings of non-management directors (that is, directors who are not executive officers of the Group) to promote open discussions and better communication among such directors. José J. Gil de Lamadrid, the Chairman of the Board, has been chosen to preside at such meetings.

**BOARD COMMITTEES**

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee.

The Audit Committee assists our Board of Directors in its oversight of our financial reporting process, internal controls, and regulatory compliance, and meets regularly without management's presence. It fulfills its oversight responsibilities by reviewing: (a) the integrity of the financial reports and other financial information provided by us to any governmental or regulatory body or to the public; (b) our systems of internal controls regarding finance, accounting, legal compliance, and ethics that management and our Board of Directors have established; and (c) our auditing, accounting, and financial reporting processes generally. The members of this Committee are Nelson García, Chairman, Pedro Morazzani, Vice Chairman, and Francisco Arriví. Our Board of Directors has determined that each member of this Committee is financially literate and has designated Nelson García and Pedro Morazzani as audit committee financial experts, as such term is defined in Item 407(d)(5) of SEC Regulation S-K. It met eleven times in 2009.

The Audit Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at [www.orientalfg.com](http://www.orientalfg.com). This Committee is composed entirely of independent directors as required by the NYSE and the SEC.

The Compensation Committee discharges the responsibilities of our Board of Directors relating to compensation of our directors and executive officers, and meets regularly without management's presence. Its general responsibilities are: (a) reviewing and approving corporate goals and objectives relevant to the compensation of the CEO; (b) evaluating the CEO's performance in light of those goals and objectives; (c) making recommendations to our Board of Directors with respect to CEO, director, and executive officer compensation, incentives compensation plans and equity-based plans; (d) producing a Committee report on executive

compensation; and (e) conducting an annual performance evaluation of itself. This Committee also administers our equity-based compensation plan and is given absolute discretion to, among other things, construe and interpret the plan; to prescribe, amend and rescind rules and regulations relating to the plan; to select the persons to whom plan awards will be given; to determine the number of shares subject to each plan award; and to determine the terms and conditions to which each plan award is subject. The members of this Committee are Pedro Morazzani, Chairman, Maricarmen Aponte, Vice Chairperson, Francisco Arriví and Rafael Machargo Chardón. It met six times in 2009.

The Compensation Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at [www.orientalfg.com](http://www.orientalfg.com). This Committee is composed entirely of independent directors as required by the NYSE.

The Corporate Governance and Nominating Committee assists our Board of Directors by: (a) identifying individuals qualified to become directors consistent with criteria approved by the Board; (b) selecting or recommending that the Board select the director nominees for the next annual meeting of shareholders; (c) developing and recommending to the Board a set of corporate governance principles applicable to us that are consistent with sound corporate governance practices and in compliance with applicable legal, regulatory, or other requirements; (d) monitoring and reviewing any other corporate governance matters which the Board may refer to this Committee; and (e) overseeing the evaluation of the Board and management. It meets regularly without management's presence. The members of this Committee are Juan Carlos Aguayo, Chairman, Julian Inclán, Vice Chairman, and Pablo I. Altieri. It met six times in 2009.

The Corporate Governance and Nominating Committee operates pursuant to a written charter that has been approved and adopted by our Board of Directors, a current copy of which is available on our website at [www.orientalfg.com](http://www.orientalfg.com). This Committee is composed entirely of independent directors as required by the NYSE.

Pursuant to our by-laws, no nominations for directors, except those made by our Board of Directors upon the recommendation of the Corporate Governance and Nominating Committee, will be voted upon at the annual meeting unless other nominations by shareholders are made in writing, together with the nominee's qualifications for service and evidence of his or her willingness to serve on our Board of Directors, and delivered to the Secretary of the Board at least 120 days prior to the anniversary date of the mailing of proxy materials in connection with last year's annual meeting. Ballots bearing the names of all of the persons nominated by our Board of Directors and by shareholders, if properly made, will be provided for use at the annual meeting. The Corporate Governance and Nominating Committee has not established any specific, minimum qualifications that it believes must be met by a nominee recommended by such committee for a position on our Board of Directors. The Committee instead considers general factors, including, without limitation, the candidate's experience with other businesses and organizations, the interplay of such experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any of its committees.

The Corporate Governance and Nominating Committee generally identifies qualified candidates on the basis of recommendations made by existing directors or management. There are no differences in the manner in which the Committee evaluates nominees for director based on whether the nominee is recommended by a shareholder. The Committee will consider potential nominees by management, shareholders or other members of the Board, and develop and evaluate information from a variety of sources regarding the potential nominee before making a decision.

Pursuant to its charter, the Corporate Governance and Nominating Committee considers diversity, among other factors such as competencies, experience, age and other appropriate qualities, to determine which candidates it recommends to the Board for approval as nominees. The Committee focuses mainly on achieving a balance of experience on the Board that represents a cross-section of the local community, including directors with experience in the public and private sector, experience in the medical, legal and accounting professions, and experience in a variety of industries relevant to our business needs.

**PROPOSAL 2: REPLENISHMENT OF SHARES RESERVED FOR ISSUANCE UNDER THE OMNIBUS PERFORMANCE INCENTIVE PLAN**

Our Board of Directors has unanimously adopted a resolution to submit to a vote of our shareholders a proposal to replenish the number of shares reserved for issuance under the Amended and Restated 2007 Omnibus Performance Incentive Plan (the Omnibus Plan ). The aggregate number of shares of our common stock originally reserved for issuance thereunder is 550,000. As of March 2, 2010, awards representing 420,807 shares have been issued and are outstanding subject to vesting and other requirements. Therefore, the amount currently available for awards under the Omnibus Plan is 129,193. If approved by our shareholders at the annual meeting, this proposal will replenish 420,807 shares to the Omnibus Plan, bringing the total number of shares reserved for issuance back to 550,000. We believe that replenishing this amount of shares under the Omnibus Plan is necessary to continue to meet our objectives of attracting, motivating and retaining directors, officers and key employees.

**The Board of Directors Recommends  
 that Shareholders Vote For this Proposal.**

**PROPOSAL 3: AMENDMENT TO THE OMNIBUS PERFORMANCE INCENTIVE PLAN**

Our Board of Directors has unanimously adopted a resolution to submit to a vote of our shareholders a proposal to amend the Omnibus Plan, pursuant to Article XI thereof, to grant the Compensation Committee the discretionary authority to accelerate the exercise or vesting schedules of any option, stock appreciation right, restricted stock, or restricted unit awarded to non-employee directors. vesting schedules of any performance share or performance unit awarded to a non-employee director. The Board believes that this amendment will give us more flexibility to attract and retain our non-employee directors.

In order to have a document clearly expressing all amendments to the Omnibus Plan, including the amendment proposed herein, attached to this proxy statement as Appendix A is the Second Amended and Restated 2007 Omnibus Performance Incentive Plan.

**The Board of Directors Recommends  
that Shareholders Vote For this Proposal.**

**DESCRIPTION OF THE OMNIBUS PERFORMANCE INCENTIVE PLAN**

*The following summary of the terms and conditions of the Omnibus Plan is qualified in its entirety by reference to the full text of the Omnibus Plan, which, as amended and restated, is attached to this proxy statement as Appendix A.*

**General**

On June 27, 2007, our shareholders formally adopted the Omnibus Plan, which was amended and restated on June 18, 2008. The Omnibus Plan provides for equity-based compensation incentives through the grant of stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalents, as well as equity-based performance awards. The purpose of the Omnibus Plan is to provide flexibility for us to attract, retain and motivate directors, officers, and key employees through the grant of awards based on performance and to adjust our compensation practices to the best compensation practice and corporate governance trends as they develop from time to time. The Omnibus Plan is further intended to motivate high levels of individual performance coupled with increased shareholder returns. Therefore, awards under the Omnibus Plan (each, an Award ) are intended to be based upon the recipient's individual performance, level of responsibility, and potential to make significant contributions to us. Generally, the Omnibus Plan will terminate as of (a) the date when no more of our shares of common stock (the Common Stock ) are available for issuance under the Omnibus Plan, or, if earlier, (b) the date our Omnibus Plan is terminated by our Board of Directors.

**Description of the Plan**

The Compensation Committee of the Board, or such other committee as the Board may designate (the Committee ), administers the Omnibus Plan. The Committee must consist exclusively of two or more members, each of whom must be an independent director under the corporate governance listing standards of the NYSE.

The Committee has full authority to interpret and administer the Omnibus Plan in order to carry out its provisions and purposes. The Committee has the authority to determine those persons eligible to receive Awards, to establish the terms and conditions of any Awards, and to accelerate the exercise or vesting schedule of any Award. The Committee may delegate, subject to such terms or conditions or guidelines as it shall determine, to any employee or group of employees any portion of its authority and powers under the Omnibus Plan with respect to participants who are not directors or executive officers subject to the reporting requirements under Section 16(a) of the Securities Exchange Act of 1934. Only the Committee may exercise authority in respect of Awards granted to such participants. The Committee may also condition the grant of any Award on entering into a written agreement containing covenants not to compete, not to solicit our employees and customers, and not to disclose confidential information.

**Table of Contents****Eligibility**

Awards may be made to any individual who is our employee (including each officer) and to any of our nonemployee directors, including employees, officers and nonemployee directors of our subsidiaries.

**Types of Awards**

The Omnibus Plan provides for grants of incentive stock options ( ISOs ) qualifying for special tax treatment under Section 422 of the U.S. Internal Revenue Code of 1986, as amended (the U.S. Code ), qualified stock options ( QSOs ) qualifying for special tax treatment under Section 1046 of the Puerto Rico Internal Revenue Code of 1994, as amended (the Puerto Rico Code ), nonstatutory stock options ( Nonstatutory Options, and together with ISOs and QSOs, Options ), stock appreciation rights ( SARs ), restricted stock units ( Restricted Units ), restricted stock ( Restricted Stock ), dividend equivalents ( Dividend Equivalents ), performance units ( Performance Units ) and performance shares ( Performance Shares ), whether granted singly, in combination or in tandem, pursuant to which Common Stock or cash may be delivered to the Award recipient.

**Shares Subject to the Omnibus Plan**

The maximum number of shares of Common Stock issuable under the Omnibus Plan is 550,000. To the extent that any shares of Common Stock subject to an Award are not issued because the Award expires without having been exercised, is cancelled, terminated, forfeited or is settled without issuance of Common Stock (including, but not limited to, shares tendered to exercise outstanding Options, shares tendered or withheld for taxes on Awards or shares issued in connection with a Restricted Stock or Restricted Unit Award that are subsequently forfeited), such shares will be available again for grants of Awards under the Omnibus Plan. The shares to be delivered under the Omnibus Plan may consist, in whole or in part, of Common Stock purchased by us for the purpose of such Awards, treasury Common Stock or authorized but unissued Common Stock not reserved for any other purpose.

**Options**

Options entitle the recipient to purchase shares of Common Stock at the exercise price specified by the Committee in the recipient's Option agreement. The Omnibus Plan permits the grant of ISOs, QSOs and Nonstatutory Options. The Committee will generally determine the terms and conditions of all Options granted; provided, however, that, generally, Options must be granted with an exercise price at least equal to the fair market value of a share of Common Stock on the date of grant. Options shall not be exercisable for more than 10 years after the date of grant (except in the event of death) and no Option that is intended to be an ISO or a QSO may be granted after the tenth anniversary of the date the Omnibus Plan was approved by the Board. Options will become exercisable as determined by the Committee, and the Committee may establish performance-based criteria for the exercisability of any Option. For purposes of the Omnibus Plan, fair market value generally means, on any given date, the price of the last trade in the Common Stock on such date on the NYSE (or if not listed on the NYSE, on such other national securities exchange or recognized quotation system on which trading prices of the Common Stock are then listed or quoted). If there are no trades on the relevant date, the fair market value for that date means the closing price on the immediately preceding date on which Common Stock transactions were reported.

Except as a result of an adjustment event, the Committee does not have the power or authority to reduce the exercise price of any outstanding Option or to grant any new Options in substitution for or upon the cancellation of Options previously granted, which would have the effect of reducing the exercise price of any outstanding option.

**Stock Appreciation Rights (SARs)**

A SAR is a contractual right granted to the participant to receive, either in cash or Common Stock, an amount equal to the appreciation of one share of Common Stock from the date of grant. SARs may be granted as freestanding Awards or in tandem with other types of grants. Unless the Committee otherwise determines, the terms and conditions applicable to (i) SARs granted in tandem with Options will be substantially identical to the terms and

**Table of Contents**

conditions applicable to the tandem Options, and (ii) freestanding SARs will be substantially identical to the terms and conditions that would have been applicable were the grant of the SARs a grant of Options. SARs that are granted in tandem with an Option may only be exercised upon surrender of the right to exercise such Option for an equivalent number of shares. The Committee may cap any SAR payable in cash.

**Restricted Stock, Restricted Units and Dividend Equivalents**

The Omnibus Plan provides for the grant of Restricted Stock, Restricted Units and Dividend Equivalents, which are converted to shares of Common Stock upon the lapse of restrictions. The Committee may, in its discretion, pay the value of Restricted Units and Dividend Equivalents in Common Stock, cash or a combination of both.

A share of Restricted Stock is a share of Common Stock that is subject to certain transfer restrictions and forfeiture provisions for a period of time as specified by the Committee in the recipient's Award agreement. A Restricted Unit is an unfunded, unsecured right (which is subject to forfeiture and transfer restrictions) to receive a share of Common Stock at the end of a period of time specified by the Committee in the recipient's Award agreement. A Dividend Equivalent represents an unfunded and unsecured promise to pay an amount equal to all or any portion of the regular cash dividends that would be paid on a specified number of shares of Common Stock if such shares were owned by the Award recipient. Dividend Equivalents may be granted in connection with a grant of Restricted Units, Options, SARs and/or Performance Shares.

The restrictions on Restricted Stock and Restricted Units will lapse on such date as is determined by the Committee. Generally, a participant will, subject to any restrictions and conditions specified by the Committee, have all the rights of a shareholder with respect to shares of Restricted Stock, including but not limited to, the right to vote and the right to receive dividends. A participant will not have the rights of a shareholder with respect to Restricted Units or Dividend Equivalents.

**Performance Units**

At the discretion of the Committee, awards of Performance Units, payable in cash, Common Stock, or a combination of cash and Common Stock, may be made to participants. Performance cycles are generally multiple years, where performance may be measured by objective criteria other than the appreciation or depreciation of Common Stock value.

**Performance Shares**

The Committee also has the discretion to grant Performance Shares which are Awards of units denominated in Common Stock. The number of such units is determined over the performance period based on the satisfaction of performance goals. Awards of Performance Shares are payable in Common Stock.

**Treatment of Awards on Termination of Employment or Service as a Nonemployee Director**

The Omnibus Plan contains guidelines for the treatment of Awards upon a participant's termination of employment or service as a nonemployee director, which the Committee may determine not to follow. Such provisions are generally as follows:

**Resignation.** If a participant voluntarily terminates employment, his or her outstanding Options, SARs, Restricted Stock, Restricted Units, Performance Units, Performance Shares and associated Dividend Equivalents granted but not yet exercised by the participant are forfeited as of the date of such resignation, and are not thereafter exercisable or payable, unless otherwise determined by the Committee.

**Termination for Cause.** If a participant's employment is terminated for cause, all his or her outstanding Options, SARs, Restricted Stock, Restricted Units, Performance Units, Performance Shares and associated Dividend

**Table of Contents**

Equivalents are forfeited at the time of such termination, and the Committee may require that the participant disgorge any profit, gain or benefit from any such Award exercised up to 12 months prior to the participant's termination.

For purposes of the Omnibus Plan, cause includes dishonesty, fraud or misrepresentation; inability to obtain or retain appropriate licenses; violation of any rule or regulation of any regulatory agency or self-regulatory organization, or of any of our policies; commission of a crime; breach of a written covenant or agreement not to misuse property or information; or any act or omission detrimental to the conduct of our business in any way.

Termination of Service as a Nonemployee Director. Unless otherwise determined by the Committee, if a participant's service as a nonemployee director is terminated for reasons other than for cause, all his or her outstanding Restricted Stock, Restricted Units, Performance Units, Performance Shares and associated Dividend Equivalents will be adjusted so that he or she receives a payment calculated as follows: (i) the number of such Awards granted will be calculated by multiplying the grant by a fraction, the numerator of which is the number of full months in the applicable vesting period or performance cycle during which he or she was a nonemployee director and the denominator of which is the number of months in the applicable vesting period or performance cycle (with a partial month worked counted as a full month if he or she is an active nonemployee director for 15 days or more in that month), and (ii) the resulting number of such Awards will be considered vested and payment will be made to him or her based on such pro-rated Award. If the Awards consist of Options or SARs, any such Options or SARs which are exercisable on the date of the nonemployee director's termination may be exercised at any time prior to the earlier to occur of (i) the expiration date of the Options or SARs, or (ii) such date following his or her termination as the Committee determines at the time of grant.

If a participant's service as a nonemployee director is terminated for cause, all his or her outstanding Options, SARs, Restricted Stock, Restricted Units, Performance Units, Performance Shares and associated Dividend Equivalents are forfeited at the time of such termination, and the Committee may require that the participant disgorge any profit, gain or benefit from any such Award exercised up to 12 months prior to the participant's termination.

Death or Disability. The Omnibus Plan also has provisions for the treatment of Awards following termination of a participant's employment due to death, disability or for other reasons, which do not provide for automatic vesting upon any such event.

**Non-Transferability of Awards**

Generally, no Awards granted under the Omnibus Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

**Adjustment in Capitalization**

If an adjustment event occurs, the Committee, in its discretion, will adjust proportionately (i) the aggregate number of shares of Common Stock available for Awards, (ii) the aggregate limitations on the number of shares that may be awarded as a particular type of Award or that may be awarded to any particular participant in any particular period, and (iii) the aggregate number of shares subject to outstanding Awards and the respective exercise prices or base prices applicable to outstanding Awards. For purposes of the Omnibus Plan, adjustment event means any stock dividend, stock split or share combination of, or extraordinary cash dividend on, the Common Stock or recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, dissolution, liquidation, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar event affecting the Common Stock. To the extent deemed equitable and appropriate by the Committee, and subject to any required action by our shareholders, with respect to any adjustment event that is a merger, consolidation, reorganization, liquidation, dissolution or similar transaction, any Award granted under the Omnibus Plan shall be deemed to pertain to the securities and other property, including

**Table of Contents**

cash, which a holder of the number of shares of Common Stock covered by the Award would have been entitled to receive in connection with such an adjustment event.

Any shares of stock or cash or other property received with respect to any Restricted Stock Award or Restricted Unit Award as a result of any adjustment event or any distribution of property will (except in the case of a change of control or as otherwise provided by the Committee) be subject to the same terms, conditions and restrictions as are applicable to such shares of Restricted Stock or Restricted Units.

**Change of Control**

Upon the occurrence of a change of control, each outstanding Option and SAR shall become fully exercisable and all restrictions on outstanding Restricted Stock and Restricted Units will lapse. In addition, any Performance Unit Awards and Performance Share Awards outstanding will be paid in full at target. Such payments will be made in cash within 30 days of the change of control. The Committee may, in its discretion, provide for cancellation of each Option, SAR, Restricted Stock and Restricted Stock Unit in exchange for a cash payment per share based upon the change of control price. This change of control price is the highest share price paid in conjunction with any transaction resulting in a change of control (as determined in good faith by the Committee if any part of the offered price is payable other than in cash). Notwithstanding the forgoing, no acceleration of vesting or exercisability, cancellation, cash payment or other settlement may occur with respect to any Option, SAR, Restricted Stock, Restricted Unit, Performance Unit Award or Performance Share Award if the Committee reasonably determines in good faith prior to the change of control that such Awards will be honored or assumed or equitable replacement awards will be made by a successor employer immediately following the change of control and that such Awards will vest and payments will be made if a participant is involuntarily terminated without cause.

For purposes of the Omnibus Plan, change of control will be deemed to have occurred if: (i) any person (within the meaning of Section 3(a)(9) of the Securities Exchange Act of 1934) other than by the Group, its subsidiaries or any employee benefit plan of the Group or its subsidiaries acquires direct or indirect ownership of 50% or more of the combined voting power of the then outstanding securities of the Group as a result of a tender or exchange offer, open market purchases, privately negotiated purchases or otherwise; or (ii) the shareholders of the Group approve (A) any consolidation or merger of the Group in which the Group is not the surviving corporation (other than a merger of the Group in which the holders of Common Stock immediately prior to the merger have the same or substantially the same proportionate ownership of the surviving corporation immediately after the merger), or (B) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Group to an entity which is not a wholly-owned subsidiary of the Group.

**Amendment**

Our Board of Directors may, at any time amend, modify, suspend or terminate the Omnibus Plan, in whole or in part, without notice to or the consent of any participant or employee; provided, however, that any amendment which would (i) increase the number of shares available for issuance under the Omnibus Plan, (ii) lower the minimum exercise price at which an Option (or the base price at which a SAR may be granted), (iii) change the individual Award limits, or (iv) require shareholder approval under NYSE rules, will be subject to the approval of our shareholders. No amendment, modification or termination of the Omnibus Plan may in any manner adversely affect any Award theretofore granted under the Omnibus Plan, without the consent of the participant. However, for purposes of this provision, any payments made in accordance with the change of control provision described above, other accelerations of payments under the Omnibus Plan, or any decision by the Committee to limit participation or other features of the Omnibus Plan prospectively, will not be deemed an adverse amendment of the Omnibus Plan.

**Table of Contents****No Limitation on Compensation; Scope of Liabilities**

Nothing in the Omnibus Plan limits our right to establish other plans if and to the extent permitted by applicable law. Our liability including that of our subsidiaries, under the Omnibus Plan is limited to the obligations expressly set forth in the Omnibus Plan.

**Tax Implications for Certain Awards**

The following is a brief description of the Puerto Rico and U.S. federal income tax consequences generally arising with respect to the grant of Options and SARs under the Omnibus Plan.

**Puerto Rico Code.** A recipient of a QSO does not recognize income for Puerto Rico income tax purposes at the time of the grant of an option. In addition, no income for Puerto Rico income tax purposes is recognized at the time a QSO is exercised. On a subsequent sale or exchange of the shares acquired pursuant to the exercise of a QSO, the optionee may have taxable long-term or short-term capital gain or loss for Puerto Rico income tax purposes, depending on whether the shares were held for more than six months, measured by the difference between the amount realized on the disposition of such shares on his or her tax basis in such shares. Tax basis for Puerto Rico income tax purposes will, in general, be the amount paid for the shares. We will not be entitled to a business expense deduction in respect of the grant of the option, the exercise thereof or the disposition of the shares.

With respect to a Nonstatutory Option, a recipient of a Nonstatutory Option does not recognize income for Puerto Rico income tax purposes at the time of grant of the Nonstatutory Option. The difference between the fair market value of the shares of stock on the date of exercise and the stock option exercise price generally will be treated as compensation income for Puerto Rico income tax purposes upon exercise, and we will be entitled to a deduction for Puerto Rico income tax purposes in the amount of income so recognized by the optionee. Upon a subsequent disposition of the shares, the difference between the amount received by the optionee and the fair market value of the shares of stock on the option exercise date will be treated as long or short-term capital gain or loss for Puerto Rico income tax purposes, depending on whether the shares were held for more than six months.

For Puerto Rico income tax purposes, SARs will not result in taxable income to the recipient of a tax deduction for us at the time of grant. The exercise of SARs will generally result in compensation in the amount of the cash payment taxable as ordinary income for Puerto Rico income tax purposes to the employee. We may generally claim a tax deduction for Puerto Rico income tax purposes in the amount of any cash paid.

**Federal Tax Consequences.** We and all of our operating subsidiaries, except Caribbean Pension Consultants, Inc., are organized under the laws of the Commonwealth of Puerto Rico and, at the present time, are not directly engaged in any trade or business in the United States (the Non-U.S. Taxpayers). Accordingly, the Non-U.S. Taxpayers are subject generally to a flat 30% federal income tax on their fixed or determinable, annual or periodic income, if any, from sources within the United States. The Non-U.S. Taxpayers would only be entitled to claim deductions in computing their U.S. income tax liability to the extent such deductions were directly related to any income effectively connected with the conduct of a trade or business in the United States. Because the Non-U.S. Taxpayers are not engaged in the conduct of a trade or business in the United States, the limitations imposed by Section 162(m) of the U.S. Code for compensation to certain highly paid executives should not limit the tax deductions available to the Non-U.S. Taxpayers under the Omnibus Plan for federal income tax purposes.

Caribbean Pension Consultants, Inc. and any other subsidiary organized under the laws of any state of the United States (the U.S. Taxpayer) generally will be entitled to a tax deduction for federal income tax purposes equal to the amount recognized as ordinary income by the recipient in connection with the exercise of a Nonstatutory Option or SAR. The U.S. Taxpayer generally is not entitled to a tax deduction for federal income tax purposes with respect to any amount that represents a capital gain to a recipient or that represents compensation in excess of \$1 million paid to covered employees that is not qualified performance based compensation under Section 162(m) of the U.S. Code. Accordingly, the U.S. Taxpayer will not be entitled to any tax deduction for federal income tax purposes with respect to an ISO if the recipient holds the shares for the ISO holding periods prior

**Table of Contents**

to dispositions of the shares and may not be entitled to any deduction for federal income tax purposes with respect to certain Options or SARs that may be exercised by or granted to covered employees.

For purposes of the discussion below, some of the QSOs granted under the Omnibus Plan may also be treated as ISOs for purposes of Sections 421 and 422 of the U.S. Code.

**Residents of Puerto Rico.** Recipients of Options or SARs who are residents of Puerto Rico during the entire taxable year and perform services for us or our subsidiaries in Puerto Rico, will not have any gross income for federal income tax purposes either in respect of (1) the grant or the exercise of Options or (2) the grant of, or the receipt of cash payments upon exercise of, SARs.

**Non-Residents of Puerto Rico and Residents of Puerto Rico who Perform Services Outside Puerto Rico.** In general, an optionee who is a non-resident of Puerto Rico or a resident of Puerto Rico who performs services outside Puerto Rico, will not recognize taxable income for federal income tax purposes upon grant or exercise of an ISO and we and our subsidiaries will not be entitled to any business expense deduction for federal income tax purposes with respect to the grant or exercise of an ISO. However, upon the exercise of an ISO, the excess of the fair market value on the date of exercise of the shares received over the exercise price of the shares will be treated as an adjustment to alternative minimum taxable income for federal income tax purposes. In order for the exercise of an ISO to qualify for the foregoing tax treatment, the optionee generally must be an employee of our company or our subsidiaries (within the meaning of Section 422 of the U.S. Code) from the date the ISO is granted through the date three months before the date of exercise.

If the optionee has held the shares acquired upon exercise of an ISO for at least two years after the date of grant and for at least one year after the date of exercise, upon disposition of the shares by the optionee, the difference, if any, between the sales price of the shares and the exercise price of the Option will be treated as long-term capital gain or loss for federal income tax purposes. If the optionee does not satisfy these holding period requirements, the optionee will recognize ordinary income for federal income tax purposes at the time of the disposition of the shares, generally in an amount equal to excess of the fair market value of the shares at the time the Option was exercised over the exercise price of the Option. The balance of the gain realized, if any, will be long-term or short-term capital gain for federal income tax purposes, depending upon whether or not the shares were sold more than one year after the Option was exercised. If the optionee sells the shares prior to the satisfaction of the holding period requirements but at a price below the fair market value of the shares at the time the Option was exercised, the amount of ordinary income for federal income tax purposes will be limited to the amount realized on the sale over the exercise price of the Option. Subject to (1) any limitations imposed by Section 162(m) of the U.S. Code for federal income tax purposes, (2) the employee including such compensation in income for federal income tax purposes and (3) certain reporting requirements, we and our subsidiaries will be allowed a business expense deduction for federal income tax purposes to the extent the optionee recognized ordinary income. Upon any subsequent sale of the shares, the optionee will have taxable gain or loss for federal income tax purposes, measured by the difference between the amount realized on the disposition and the tax basis of the shares (generally, the amount paid for the shares plus the amount treated as ordinary income for federal income tax purposes at the time the Option was exercised).

In general, an optionee who is a non-resident of Puerto Rico or a resident of Puerto Rico who performs services outside of Puerto Rico, to whom a Nonstatutory Option is granted will recognize no income for federal income tax purposes at the time of the grant of the Option. Upon exercise of a Nonstatutory Option, an optionee will recognize ordinary income for federal income tax purposes in an amount equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the Option (or, if the optionee is subject to restrictions imposed by Section 16(b) of the Exchange Act, upon the lapse of those restrictions, unless the optionee makes a special election within 30 days after exercise to have income determined without regard to the restrictions). Subject to (1) any limitations imposed by Section 162(m) of the U.S. Code for federal income tax purposes, (2) the employee including such compensation in income for federal income tax purposes and (3) certain reporting requirements, we will be entitled to a tax deduction for federal income tax purposes in the same amount. Upon a subsequent sale of the shares, the optionee will have taxable gain or loss for federal income tax purposes, measured

**Table of Contents**

by the difference between the amount realized on the disposition and the tax basis of the shares (generally, the amount paid for the shares plus the amount treated as ordinary income for federal income tax purposes at the time the Option was exercised).

Upon exercise of a SAR, an optionee who is a non-resident of Puerto Rico or a resident of Puerto Rico who performs services outside Puerto Rico will recognize ordinary income for federal income tax purposes in an amount equal to the cash received on the exercise date. If it complies with applicable withholding requirements, we and our subsidiaries will be entitled to a business expense deduction for federal income tax purposes in the same amount and at the same time as the optionee recognizes ordinary income for federal income tax purposes.

Under the Omnibus Plan, upon the occurrence of certain change in control transactions involving our company, all options then outstanding under the Omnibus Plan become immediately exercisable. Under certain circumstances, compensation payments attributable to such Options may be treated as parachute payments under the U.S. Code, in which case a portion of such payments may be nondeductible to us for federal income tax purposes and the recipient may be subject to a 20% excise tax under the U.S. Code.

**Other Information**

On March 2, 2010, the closing price of the Common Stock was \$11.36.

**PROPOSAL 4: AMENDMENT TO ARTICLE FOURTH OF THE CERTIFICATE OF INCORPORATION**

Our Board of Directors recommends the amendment of Article Fourth of our Certificate of Incorporation in the manner shown in Appendix B hereto. The proposed amendment to Article Fourth would change the number of authorized shares of our common stock, par value \$1.00 per share, from 40,000,000 shares to 100,000,000 shares, and the authorized shares of our preferred stock, par value \$1.00 per share, from 5,000,000 shares to 10,000,000 shares. This change would be effective upon the date of filing of the amendment to the Certificate of Incorporation with the Department of State of the Commonwealth of Puerto Rico, unless our Board of Directors decides to abandon the proposed amendment.

The resolutions attached to this proxy statement as Appendix B will be submitted for adoption at this annual meeting. The affirmative vote of a majority of the outstanding shares of our common stock is necessary to adopt the proposed amendment to Article Fourth of our Certificate of Incorporation. Proxies will be voted for the resolutions unless otherwise instructed by our shareholders. Abstentions and shares not voted by brokers and other entities holding shares on behalf of beneficial owners will have the same effect as votes cast against the proposed amendment.

**Common Stock**

Our Board of Directors believes that it is in the best interest of our company and its shareholders that the we have a sufficient number of authorized but unissued shares of common stock available for possible use in future acquisition and expansion opportunities that may arise, for general corporate needs such as future stock dividends or stock splits, and for issuance in connection with existing and future equity-based plans, and for other proper purposes within the limitations of the law, as determined by our Board of Directors. We have no current plans to use our authorized but unissued shares of common stock for any particular purpose. Such shares would be available for issuance without further action by our shareholders, except as otherwise limited by applicable law.

The availability of the shares of common stock for issuance, without the delay and expense of obtaining the approval of our shareholders at a special meeting, will afford us greater flexibility and efficiency in acting upon proposed transactions. We have no plans to issue additional shares of common stock in the immediate future.

**Table of Contents**

If additional shares of common stock are issued by our company, it may potentially have an anti-takeover effect by making it more difficult to obtain shareholders' approval of various actions, such as a merger. Also, the issuance of additional shares of common stock may have a dilutive effect on earnings per share and equity, and may have a dilutive effect on the voting power of existing shareholders given that there are no preemptive rights. The terms of any common stock issuance will be determined by our Board of Directors, and will depend upon the reason for the issuance and largely on market conditions and other factors existing at the time. The increase in authorized shares of common stock has not been proposed in connection with any anti-takeover related purpose and our Board of Directors and management have no knowledge of any current efforts by anyone to obtain control of our company or to effect large accumulations of our common stock.

**Preferred Stock**

Our Board of Directors believes that it is in the best interest of our company and its shareholders that we have a sufficient number of authorized but unissued shares of preferred stock available for possible use in future acquisition and expansion opportunities that may arise, for general corporate needs, and for other proper purposes within the limitations of the law, as determined by our Board of Directors. We have no current plans to use our authorized but unissued shares of preferred stock for any particular purpose. Such shares would be available for issuance without further action by our shareholders, except as otherwise limited by applicable law.

The availability of the shares of preferred stock for issuance, without the delay and expense of obtaining the approval of our shareholders at a special meeting, will afford us greater flexibility and efficiency in acting upon proposed transactions. We have no plans to issue additional shares of preferred stock in the immediate future. The shares of preferred stock may be issued in one or more series from time to time for such corporate purposes and consideration as our Board of Directors may approve, and no further vote of our shareholders will be required except as may be required by applicable law or by a rule of a securities exchange applicable to our company. Our Board of Directors will have broad discretion with respect to designating and establishing the terms of each series of preferred stock prior to its issuance and may provide for each series:

voting rights, if any,

the number of shares constituting the series,

the dividend rate of such series, the conditions and dates upon which the dividends will be payable, the preference or relation which such dividend will bear to the dividends payable on any other class or classes or any other series of any class or classes of our capital stock, and whether such dividends will be cumulative or non-cumulative,

whether the shares of such series will be subject to redemption by us, and, if made subject to redemption, the times, prices and other terms and conditions of such redemption,

the rights of holders of the shares of such series upon the dissolution of, or upon the distribution of assets of, our company, which rights may be different in case of a voluntary dissolution than in the case of an involuntary dissolution,

sinking fund provisions, if any, for the redemption or purchase of shares,

the terms and conditions, if any, on which shares may be converted into or exchanged for shares of common stock or other capital stock or securities of our company, and

any other rights and preferences of the shares, to the full extent now or hereafter permitted by the laws of the Commonwealth of Puerto Rico.

**Table of Contents**

All shares of preferred stock which may be redeemed or retired by sinking fund payment, repurchased by us or converted into common stock will have the status of authorized and unissued shares of preferred stock and may be reissued by us as shares of the same or any other series, unless otherwise provided in the resolution of our Board of Directors creating such series.

Ownership of shares of preferred stock will not entitle the holder thereof to any preemptive rights to subscribe for or purchase any additional securities issued by us.

Upon the issuance of any series of preferred stock, the holders of shares of such series will have certain preferences over the holders of outstanding shares of common stock, depending upon the specific terms of such series designated by our Board of Directors. For example, the provisions of a particular series of preferred stock could prohibit the declaration and payment of dividends on the common stock until full dividends on all outstanding shares of such series for all past periods and for the current dividend period have been declared and paid by us or until we have set apart a sum sufficient for such payment. In addition, to the extent that preferred stock is made convertible into common stock, such conversion would result in dilution of the voting power and equity interest of holders of common stock.

In the event of our dissolution, liquidation or winding up, whether voluntary or involuntary, the holders of each series of the then outstanding preferred stock will be entitled to receive the amount fixed for such purpose by our Board of Directors together with all accumulated and unpaid dividends. Depending upon the consideration paid for any series of preferred stock and the liquidation preference of such series, the issuance thereof could result in a reduction in the assets available for distribution to the holders of common stock in the event of our liquidation.

The outstanding shares of any series of preferred stock, or any part thereof, which are by their terms redeemable, may be redeemed at any time at our option, subject to and in accordance with such terms and conditions as may be designated by our Board of Directors in creating such series. Subject to the terms and conditions established by the Board in creating the various series of preferred stock, we may redeem all or any part of the shares of any series of preferred stock without redeeming all or any part of the shares of any other series.

Preferred stock could be issued to delay or defeat a change in control of our company and, accordingly, under certain circumstances, could discourage transactions that might otherwise have a favorable effect on the price of the common stock. We do not currently expect to use the preferred stock for this purpose and the increase in authorized shares of preferred stock has not been proposed in connection with any anti-takeover related purpose.

that Shareholders Vote For this Proposal.**

**PROPOSAL 5: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of our Board of Directors intends to appoint KPMG LLP ( KPMG ) as our independent public auditors for the year ending December 31, 2010, and has further directed that the selection of such auditors be submitted for ratification by the shareholders at this annual meeting. KPMG has served as our independent public auditors since 2005. Neither our certificate of incorporation nor our by-laws require that our shareholders ratify the selection of our independent public auditors. If our shareholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain KPMG, but may nonetheless retain such firm. Even if the selection is ratified, the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in our best interest.

**Table of Contents**

KPMG will have representatives present at the annual meeting who will have an opportunity to make a brief statement if they desire to do so, and who will be available to respond to appropriate questions that may arise.

**COMPENSATION DISCUSSION AND ANALYSIS**

**Overview**

We are guided by the principle that our compensation program must not only promote our long-term success, but also provide significant rewards for outstanding financial performance while establishing clear consequences for under-performance. To this end, each element of compensation takes into account not only our competitive position and goals, but also each executive's individual performance, commitment and achievements.

**Compensation Philosophy and Objectives**

The compensation program for our Named Executive Officers ( NEOs ) is intended to reward achievements of individual and business performance objectives, and align such objectives with our corporate governance principles and the creation of shareholder value. It is also intended to attract and retain the most talented and effective executive team for us. Accordingly, the main objectives of our compensation program are to:

Attract and retain seasoned executives;

Reward superior performance and risk management at competitive levels;

Promote teamwork and collaboration;

Create long-term financial incentives; and

Increase stock ownership.

Our general philosophy for setting executive compensation is to increase base salary only in the case of promotions or as necessary in light of compensation data for comparable positions at peer group companies. Furthermore, a significant component of our compensation program for executives, including the NEOs, is incentive (variable) compensation that is tied to financial business results. Therefore, such compensation may vary depending on the level of achievement of specific performance measures linked to our business goals.

The Compensation Committee of our Board of Directors plays a key role in the development of our compensation program. It consists entirely of independent directors and operates under a written charter approved by our Board of Directors, which is publicly available at [www.orientalfg.com](http://www.orientalfg.com). Each meeting of the Compensation Committee has an agenda established in accordance with an annual calendar set by its Chairman in consultation with the Chairman of the Board, senior management and the committee members. Additional discussion topics related to external or internal events are added to the agenda from time to time as necessary. The Compensation Committee receives and reviews materials in advance of each of its meetings, including information on management's analyses and recommendations. As appropriate, it looks to our senior management and our human resources and internal audit departments for support in its work. While the Committee values input and advice from this and other sources, it meets from time to time in executive session without the presence of management and exercises its independent judgment in reaching its decisions and in making recommendations to our Board of Directors.

We are cognizant of the competitive environment in which we must compete for superior executive talent and seek to maintain a compensation strategy that is competitive in the financial services industry in Puerto Rico. In evaluating our compensation program and authorizing bonus or equity grants under this program, the Compensation Committee takes into account several factors, including total compensation package, individual and business performance, risk management, total compensation-related expense, and percentage of income allocated to compensation-related costs. In reaching its compensation recommendations to our Board of Directors, the Compensation Committee also considers the Watson Wyatt Puerto Rico Financial Institutions Compensation Survey

by Watson Wyatt Worldwide, Inc., a global consulting firm that specializes, among other things, in employee benefits.

**Compensation Consultant**

In 2009, at the request of our Compensation Committee, and pursuant to a request for proposal to which two consulting firms responded, we engaged Hewitt Associates LLC (Hewitt), an independent compensation consultant, to render a report on the compensation of our directors and of our Chief Executive Officer, Chief Investment Officer, Chief Financial Officer, and Chief Operating Officer as compared to the compensation of directors and executive officers in comparable positions at peer U.S. and Puerto Rico financial institutions. For its report to our Board of Directors, Hewitt selected the following U.S. companies with assets of \$5 billion to \$10 billion and whose boards of directors have a non-executive chairman: SVB Financial Group, Pacific Capital Bancorp., First Niagara Financial, Umpqua Holdings Corp., First Midwest Bancorp., Old National Bancorp., First Commonwealth Financial Corp., IberiaBank Corp., and Wesbanco. Hewitt also selected the following publicly-traded companies in Puerto Rico: Doral Financial Corp., EuroBancshares, Inc., First BanCorp., Popular, Inc., Santander BanCorp., and Triple-S Management Corporation. Hewitt provided other services to us in 2008 and 2009, principally in connection with the conduct of surveys to determine the level of engagement of our employees. Hewitt was paid \$19,018 in 2008 and \$34,182 in 2009 for such other services.

Among other things, Hewitt reported the following with respect to total cash compensation for our CEO, CIO, CFO and COO:

Name	Fiscal 2008 Total Cash Compensation (\$)	Position Against 50 <sup>th</sup> Percentile of Peer Groups in Relevant Markets	
		Puerto Rico	United States
José Rafael Fernández President & CEO	642,973	-28%	1%
Julio R. Micheo Senior Executive Vice President, Treasurer & CIO	554,350	-17%	33%
Norberto González Executive Vice President & CFO	373,115	-41%	22%
Ganesh Kumar Executive Vice President & COO	330,172	-5%	-4%

**Elements of Compensation**

To assure the appropriate mix of fixed versus variable compensation and focus on both short and long-term business performance, we have established four basic elements for our executive compensation program: base salary, annual cash bonus awards, long-term equity-based compensation, and change-in-control compensation. It is the Compensation Committee's intention that the compensation paid to our NEOs be deductible to our company for Puerto Rico income tax purposes, unless there are valid compensatory reasons for paying nondeductible amounts in order to ensure competitive levels of total compensation.

**Base Salary.** Base salary is generally designed to be competitive with comparable executive positions in peer group companies in the U.S. and Puerto Rico. However, each executive's actual salary varies based on the complexity and unique challenges of his or her position, individual skills, experience, background and performance. Watson Wyatt survey data for corporate executive salaries in Puerto Rico is also taken into consideration in

**Table of Contents**

determining any periodic increases. Base salaries for NEOs are reviewed at least annually by the Compensation Committee.

**Annual Cash Bonus Awards.** Except in the case of our Chief Executive Officer, whose annual cash bonus award is based solely on the attainment of company-wide performance targets and personal attributes and merits, our annual cash bonus awards reflect a combination of three key elements: level of attainment of business performance targets, individual performance ratings, and personal attributes and merits. Business performance targets consist of corporate targets and business unit targets. We maintain monthly performance scorecards for measuring financial, operational, and strategic results to determine the level of attainment of each executive's performance goals, and assign a weight to each performance measure, with the sum of the weights equal to 100%. The weight is the percentage of each executive's total bonus that will be based on that particular measure. Each target bonus is expressed as a percentage of the executive's base salary plus car allowance, if any.

**Long-Term Incentive Compensation.** Our long-term incentives are designed to ensure that executives have a continuing stake in our success and to encourage executives to focus on multi-year performance goals that will enhance the value of our franchise and capital stock. Such incentives are also designed to retain key executives, reward risk management, and link executive performance to the creation of franchise and shareholder value. Although we do not require that our NEOs own any minimum amount of our common stock, we believe that the way we compensate them aligns their interest sufficiently with that of our shareholders.

We have an Omnibus Performance Incentive Plan that provides for awards of stock options, restricted shares, restricted units, performance shares, performance units, stock appreciation rights, and dividend equivalent rights. The Compensation Committee has discretion to grant awards from time to time under the Plan, to determine the eligible individuals to whom awards will be granted, and to establish the terms and conditions of each award. We believe that the Plan reflects current trends at peer group companies and that it strengthens the link between executive performance and shareholder value.

**Change-in-Control Compensation.** An important objective of our compensation program is not only the recruitment of seasoned executives but also their retention and commitment to our long-term success. Therefore, to promote their retention and reduce any concerns that they may be adversely affected in the event of a change-in-control of the Group, we have entered into a change-in-control compensation agreement with each NEO, except José Gabriel Díaz, pursuant to which the executive is entitled to a cash payment equal to two times the sum of his or her annual base salary and last cash bonus if there is a change in control and as a result thereof or within one year thereafter his or her employment is terminated.

**Fringe Benefits and Allowances.** We provide several fringe benefits, including a defined contribution plan and healthcare coverage, to our NEOs. These benefits do not constitute a significant portion of the NEOs' total compensation package and are generally available to all of our employees. We also offer to our NEOs a non-qualified deferred compensation plan for the deferral of taxable income and certain allowances, including car allowance. Such allowances are offered on a case-by-case basis and are not intended to constitute a significant portion of the executive's compensation. Our non-qualified deferred compensation plan is more fully described on page 39 hereof. We provide these benefits to retain and attract an appropriate caliber of talent and recognize that other companies with which we compete for talent provide similar benefits to their officers and employees. Such benefits and allowances are reviewed annually by the Compensation Committee.

**Risk Assessment**

We believe that our approach to the setting of goals and targets with payouts at multiple levels of performance and the evaluation of annual performance results assist in mitigating excessive risk-taking that could harm our value or reward poor judgment by our executives. Several features of our compensation program reflect sound risk management practices. In this regard, we allocate compensation among base salary and short and long-term compensation target opportunities in such a way as to not encourage excessive risk-taking. Furthermore, although the performance measures that determine bonus and equity awards for certain business unit leaders are

**Table of Contents**

based in part on the goal achievements of their respective business units, the measures that determine payouts for all of our executives include company-wide metrics. Such metrics are given greater weight in the case of NEOs. This is based on our belief that applying company-wide metrics encourages decision-making that is consistent with our philosophy and that is in the best long-term interests of our company and our shareholders as a whole. Moreover, the mix of equity awards in our incentive program that includes full value awards, such as restricted stock units, also mitigates risk. Finally, the multi-year vesting of our equity awards properly accounts for the time horizon of risk.

**Determination of Compensation Decisions**

Our decision-making process for determining executive compensation begins with a review of our strategic objectives and business plans. We then consider the scope of responsibilities of each executive, the compensation of similar executives at peer group companies, and the relationship between pay and performance. We further evaluate whether our compensation program meets our goals by monitoring the performance and retention of our executives.

The Compensation Committee is responsible for establishing the compensation of our CEO and for making recommendations to our Board of Directors with respect to our compensation program. In order for the Compensation Committee to perform its functions, the following process for determining executive compensation is followed:

**Determining Goals.** Prior to the beginning of the year, senior executives and department or division heads meet and discuss goals for our company in the upcoming year. At the beginning of such year, the Board reviews and approves an annual budget for our company as a whole and for our banking subsidiary. The Compensation Committee then reviews and assesses performance goals and makes recommendations about the proposed design of the annual bonus awards. These goals include minimum performance thresholds that must be met to earn any bonus awards, as well as performance levels required to achieve maximum payouts. Performance goals are established for each department or division of our company and for certain executives.

The establishment of performance goals and the review of the level of achievement of such goals play an essential role in the determination of performance awards. On a monthly basis during the course of the year, senior management and our Board of Directors review our actual financial performance against the goals set for the year. In addition, our Board of Directors receives monthly reports detailing our actual financial performance compared to these goals. Such reports are discussed in each monthly Board meeting.

**Determining Executive Compensation.** Our method of determining compensation for each NEO varies from case to case based on a discretionary but objective determination of what is appropriate in light of several factors, such as the scope, complexity and degree of challenge of each executive's responsibilities, as well as his or her performance, skills and experience. Our Board of Directors and the Compensation Committee also take into account other relevant factors in making compensation decisions or recommendations for the NEOs, including salary data for comparable positions at peer group companies in Puerto Rico and the U.S., and compensation levels at our company.

On a quarterly basis, department or division heads assess their progress against the goals set for the year and at the end of the year evaluate their results. These self-assessments are reviewed by the CEO who together with our Human Resources Department undertakes an evaluation of each executive's performance based, in part, on objective measures set forth in the performance scorecard. The CEO considers the financial performance of our company, the performance of each department or division, and the individual performance of each executive relative to the goals set for the year. In the interest of fairness, he may also consider subjective or non-formulaic factors.

The Compensation Committee annually reviews the performance evaluations of each executive and evaluates the compensatory recommendations provided by our management in order to make its own recommendations to our Board of Directors. Although the Compensation Committee is not obligated to follow any specific recommendation or formula, it generally takes the same formula-based approach in making its own

**Table of Contents**

recommendations. At different times throughout the year, upon the recommendation of the CEO or otherwise, the Compensation Committee may grant equity awards to executives and/or directors.

**Determining CEO Compensation.** As set forth in its charter, the Compensation Committee is responsible for determining and approving the compensation of the CEO. His compensation level is guided by the terms of his three-year employment agreement, as described on page 36 hereof. However, as provided in the CEO's employment agreement, the Compensation Committee has discretion to increase the CEO's salary after the first year, and to award an annual performance bonus that may be from zero up to 70% of his annual base salary and car allowance.

In conducting its annual evaluation of the CEO's performance, the Compensation Committee considers the CEO's contributions to the overall performance of our company, including his personal attributes and merits. It also reviews our key operating results along with the accomplishment of our key strategic initiatives and considers the standard of living in San Juan, Puerto Rico, where our main offices are located. As part of this process, the Compensation Committee reviews all relevant information or data, including the results of CEO's performance scorecard and compensation levels for chief executive officers at peer group companies. Furthermore, the Chairmen of our Board of Directors and Compensation Committee meet periodically with our CEO to discuss his performance. The progress results of these meetings are reported to our Board of Directors. The CEO does not participate in any decision regarding his compensation. Upon making any decision as to the CEO's compensation, the Compensation Committee reports it to our Board of Directors at the next regularly scheduled Board meeting.

**Analysis of Compensation Decisions**

In considering all of the previously mentioned factors and, particularly, our general philosophy of providing performance-based compensation and incentives, no salary increases were awarded in 2009 to the NEOs. Although the Watson Wyatt survey indicates that the average projected annual salary increase for 2010 is in the range of 2.54% to 3.00%, no salary increases were awarded for our NEOs in the current year, except for a 2% increase to Mr. Díaz to reward his individual performance as head of our Trust Department in light of a formal evaluation.

The table below shows the target bonus percentages approved by our Board of Directors for the NEOs in 2009, except for Mr. Fernández, who may receive up to 70% of his base salary pursuant to the terms of his employment agreement. Such target bonus percentages were raised in 2010 for the CIO, CFO and COO in light of our emphasis on performance results. Our Board of Directors also rewarded the CEO, CIO, CFO and COO with a one-time discretionary bonus in recognition of their contributions to our success by exceeding most of our corporate performance targets for 2009. In order to determine each NEO's performance bonus, the percentage listed below is multiplied by the executive's base salary plus car allowance, if any, which then is multiplied by the result of his or her performance scorecard. Our internal auditor verifies the accuracy of the performance scorecards.

Name	Target Bonus	Performance Score	2009		2010	
			Performance	Performance Bonus (\$)	Discretionary Bonus (\$)	Target Bonus
José Rafael Fernández	70%	100.0		371,000	100,000	70%
Julio R. Micheo	40%	108.5		216,920	35,000	50%
Norberto González	40%	97.4		126,251	30,000	50%
Ganesh Kumar	40%	100.3		105,273	30,000	50%
José Gabriel Díaz	30%	94.0		66,859		30%

The table below summarizes our 2009 company-wide metrics for measuring performance, including the weight assigned to each measure, the target amount, the actual performance result, and the percent of achievement of the target amount:

<b>Performance Measure</b>	<b>Weight (%)</b>	<b>Target (\$)</b>	<b>Actual (\$)</b>	<b>% of Target</b>
Earnings Per Share	25	2.18	0.75	34.40%*
Fee Income	30	28,462,653	30,268,316	106.34%
Non Interest Expense Control	20	79,108,450	83,377,565	94.88%
Core Assets Growth	10	1,261,750,360	1,140,176,112	90.36%
Loan Origination Volume	15	303,874,840	311,700,202	102.58%

\* The Board approved the Compensation Committee's recommendation to recognize the attainment of 100% of the target for the Earnings Per Share metric by adjusting such metric to discount the effect of year-end non-recurring strategic decisions to sell at a loss certain securities in our investment portfolio. These transactions occurred after the end of the fiscal year, but for accounting purposes were given recognition as of December 31, 2009.

Based on the Compensation Committee's recommendation of January 18, 2010, our Board of Directors approved on January 27, 2010, performance bonuses for our NEOs on account of several important factors, including our corporate performance measures set forth above and the following annual financial results:

Operations

Net interest income increased 17.6% to \$130.9 million, due to an improvement in the net interest margin to 2.14% from 1.86%, primarily reflecting lower cost of funds.

Core banking and financial service revenues increased 12.6% to \$30.2 million, primarily reflecting a \$6.0 million increase to \$9.7 million in mortgage banking activities.

Retail deposits, benefiting from expanded market share, grew 29.8% or \$323.0 million to \$1.4 billion, enabling the Group to reduce higher cost deposits.

Higher-cost brokered deposits decreased 60.8% or \$315.2 million, and other wholesale institutional deposits decreased 25.8% or \$47.6 million.

Total client assets managed increased 6.4% to \$3.1 billion with the opening of new trust, Keogh, 401K and wealth management accounts.

Investment Portfolio

Gains on sales of agency securities of \$78.3 million, gains on derivative activities of \$28.9 million, and gains on trading activities of \$12.6 million.

Capital

Stockholders' equity increased \$68.8 million or 26.3% to \$330.2 million, due to earnings retention and improved marked-to-market valuation of our investment portfolio.

**Table of Contents**

Tangible common equity (which consists of common equity less goodwill) to risk-weighted assets increased to 11.79% from 8.40%, and total equity to risk-weighted assets increased to 14.96% from 11.47%.

Our regulatory capital ratios remain well above the requirements for a well-capitalized institution.

On January 18, 2010, the Compensation Committee also approved equity awards to the NEOs for performance in 2009. The awards are as follows:

<b>Name</b>	<b>Restricted Units</b>	<b>Stock Options</b>	
		<b>Amount</b>	<b>Exercise Price (\$)</b>
José Rafael Fernández	3,500	31,700	11.50
Julio R. Micheo	1,100	10,100	11.50
Norberto González	1,100	10,100	11.50
Ganesh Kumar	1,100	10,100	11.50
José Gabriel Díaz	600	5,900	11.50

The Compensation Committee decided to grant such awards to continue its policy of providing long-term financial incentives and increasing stock ownership among our executives to align their interests with our shareholders. The actual amount awarded to each NEO was based on his or her percentage target for bonus awards. In making these awards, the Compensation Committee expects to continue to maintain our ability to retain key executives. Each award is subject to service conditions that must be met by the executive in order for the award to vest. Generally, each award has a vesting schedule of three to five years.

The following table presents the estimated cash compensation of the NEOs under their respective change-in-control compensation agreements (other than José Gabriel Díaz, with whom we have not entered into a change-in-control compensation agreement) based on their salaries and bonuses for 2009. No such payout has been required to date under any such agreement by our company.

<b>Name</b>	<b>Change-in-Control Cash Compensation (\$)</b>
José Rafael Fernández	1,471,000
Julio R. Micheo	1,191,920
Norberto González	756,251
Ganesh Kumar	660,273

**Table of Contents****Employment Agreement**

José Rafael Fernández, our President and CEO, entered into a three-year Employment Agreement with us on October 31, 2007. Mr. Fernández is also the Vice Chairman of our Board of Directors. The Employment Agreement became effective January 1, 2008, and replaced the employment agreement, dated April 4, 2005, between Mr. Fernández and us, which was then in effect.

As provided in the Employment Agreement, Mr. Fernández reports directly to our Board of Directors and has overall responsibility for our business and affairs. During the term of the Employment Agreement and in any election of directors in which Mr. Fernández's term as director is set to expire, the Board will nominate and recommend to our shareholders his election as a Board member. Pursuant to the Employment Agreement, he will be compensated as follows: (i) annual base salary of \$500,000, which may be increased by the Board's Compensation Committee after the first year; (ii) annual performance bonus that may be from zero up to 70% of his annual base salary, as determined by the Compensation Committee; (iii) annual car allowance of \$30,000; (iv) annual allowance of \$25,000 for expenses that in his judgment are reasonably appropriate for the performance of his duties as our President and Chief Executive Officer; (v) life insurance covering his life and having as beneficiary his estate or other beneficiaries; and (vi) a qualified stock option award for the purchase of 30,000 shares of common stock, and an award of 30,000 restricted stock units, both of which are one-time awards granted at the time of execution of the Employment Agreement and pursuant to the Omnibus Plan.

The Employment Agreement may be terminated by the Board for just cause (as such term is defined therein) at any time. In the event it is terminated for just cause, Mr. Fernández will have no right to compensation or other benefits for any period after such termination. However, if it is terminated by the Board other than for just cause and other than in connection with a change in control of us, or if Mr. Fernández terminates the Employment Agreement for good reason (as such term is defined therein), we will be required to pay him as severance, in lieu of any further salary payments for periods subsequent to the date of termination, a lump sum equal to the product of his base salary, bonus (equal to the highest cash bonus paid to him in any of the two years prior to the termination date), car allowance, and the value of any other benefits provided to him during the year in which the termination occurs, multiplied by two.

**Change-in-Control Compensation Agreements**

We have entered into Change-in-Control Compensation Agreements with José Rafael Fernández, Julio R. Micheo, Norberto González, Ganesh Kumar and Mari Evelyn Rodríguez. Each agreement remains in full force as long as the person is employed by us.

Under the agreements, the aforementioned persons are entitled to certain cash payment compensation in the event there is a change in control of the company and as a result thereof or within one year after the change in control, the person's employment is terminated by us or our successor in interest. The cash compensation will be an amount equal to two times the sum of such person's annual base salary at the time the termination of his or her employment occurs and his or her last cash bonus paid prior to the termination of his employment.

For purposes of the agreements, a change in control is deemed to have occurred if (i) any person or entity (including a group) acquires direct or indirect ownership of 50% or more of the combined voting power of our then outstanding common stock as a result of a tender or exchange offer, open market purchases, privately negotiated purchases or otherwise; or (ii) our shareholders approve (a) any consolidation or merger of our company in which we are not the surviving corporation (other than a merger in which the holders of our common stock immediately prior to the merger have the same or substantially the same proportionate ownership of the surviving corporation immediately after the merger), or (b) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of our assets to an entity which is not our wholly-owned subsidiary.

We offer our executive officers a non-qualified deferred compensation plan, where such executives are allowed to defer taxable income. The plan is not intended to meet the requirements of Section 1165 of the Puerto Rico Internal Revenue Code of 1994, as amended, and therefore, does not meet the funding, employee coverage, and other requirements which qualified retirement plans must satisfy thereunder.

However, the plan is intended to constitute an unfunded arrangement maintained primarily for the purposes of providing deferred compensation for a select group of management or highly compensated employees for purposes of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended, known as ERISA. Under the plan, the executive's current taxable income is reduced by the amount being deferred, which may be up to 100% of his or her salary and bonus. Funds contributed thereto can accumulate

without current income tax to the individual. Taxes are due when the funds are withdrawn at the then current income tax rate applicable to the individual, which may be lower than his or her current income tax bracket.

**Director Compensation**

Each director's compensation is generally designed to be competitive with comparable compensation paid to directors at peer group companies in Puerto Rico and the U.S. However, each director's actual compensation varies based on whether he or she occupies the chairmanship of our Board of Directors or any of its committees. It also varies depending on the number of meetings attended and on his or her membership in Board committees.

Except for José J. Gil de Lamadrid, Chairman of the Board, and José Rafael Fernández, President and CEO, each non-employee director receives an annual retainer of \$26,000, payable in equal monthly installments, plus a fee of \$1,000 for each Board meeting attended and \$500 for each committee meeting attended (other than a committee presided by any such director), except that for attending meetings of the Audit Committee the fee is \$850 per meeting. Furthermore, the Chairman of the Audit Committee receives an additional annual retainer of \$80,000 and the

Chairpersons of the Compensation Committee and the Corporate Governance and Nominations Committee each receives an additional annual retainer of \$12,000. Such retainers are payable in equal monthly installments.

**Table of Contents**

The Chairman of Board is compensated pursuant to the terms of the Non-Executive Chairman Agreement, which is described below under the subheading Non-Executive Chairman Agreement. The President and CEO, who is Vice Chairman of the Board, does not receive director's fees and is compensated exclusively pursuant to the Employment Agreement, which is described above under the subheading Employment Agreement.

**Non-Executive Chairman Agreement**

On July 1, 2009, we entered into a Non-Executive Chairman Agreement with José J. Gil de Lamadrid for a term of three years commencing on July 1, 2009 and ending on June 30, 2012, which sets forth his duties and responsibilities as Chairman of the Board. The agreement provides for payment to Mr. Gil de Lamadrid of: (i) an annual base fee of \$280,000, of which \$220,000 is payable in equal monthly installments and \$60,000 is payable not later than July 15 of each year; and (ii) an annual allowance of \$50,000 to cover certain costs and expenses incurred by him, including, among others, automobile expenses and membership fees for social and business clubs. It also provides for reimbursement of all reasonable travel and other expenses incurred by him in the performance of his duties under the agreement. It also requires us to provide him with office facilities, including all necessary secretarial services and suitable accommodations, and to grant him 5,000 restricted stock units on January 1 of each year, provided that such award would be increased or reduced accordingly so that the value on the date of the award does not exceed \$100,000 or is not less than \$50,000. Prior to the negotiation of such agreement, Mr. Gil de Lamadrid voluntarily terminated his change-in-control compensation agreement.

The agreement further provides that, during its term, our Board of Directors will nominate and recommend to the shareholders the election of Mr. Gil de Lamadrid as a director at any election of directors in which his term as director will expire, and, if elected, the Board of Directors will elect him to the position of Chairman.

The agreement may be terminated by our Board of Directors for cause (as termination for cause is defined therein) at any time. In the event it is terminated for cause, Mr. Gil de Lamadrid will have no right to compensation or other benefits for any period after such termination. However, if it is terminated by our Board of Directors other than for cause, or for his death or disability, we are required to pay him an amount equal to two times the sum of the annual base fee and allowance for the term of the agreement remaining after such termination.

The agreement contains provisions restricting Mr. Gil de Lamadrid's ability to engage or participate in, become a director of, or render advisory or other services to any firm or entity that competes with us or with our business. The agreement does not contain any provision restricting his right to compete against us upon termination of the agreement.

**INDEBTEDNESS OF MANAGEMENT**

Certain transactions involving loans and deposits were transacted in 2009 between our banking subsidiary, Oriental Bank and Trust, some of our directors and executive officers, including those of our other subsidiaries, and persons related to or affiliated with such persons. All such transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of uncollectability or other unfavorable features. At present, none of the loans to such directors and executive officers, including persons related to or affiliated with such persons, is non-performing.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Our Board of Directors recognizes that certain transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and, therefore, has adopted a Related Party Transactions Policy. For these purposes, a Related Party Transaction is defined as a transaction or series of similar transactions in which we are to be a participant and the amount involved exceeds \$120,000, and in which any Related Party has or will have a direct or indirect material interest. A Related Party is any of our directors or executive officers, any nominee for director, any beneficial owner of more than 5% of any class of our voting securities, and any immediate family member of any of the previously mentioned. The policy generally covers any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships between the Related Party and us. Related Party Transactions thereunder are approved or ratified by the Audit Committee or the disinterested members of our Board of Directors (other than employment or compensation arrangements, which are approved by the Compensation Committee or the disinterested members of our Board of Directors). Furthermore, the Audit Committee may approve or ratify a Related Party Transaction if (i) it finds that there is a compelling business reason to approve the transaction, taking into account all pertinent factors, (ii) it has been fully informed of any and all significant conflicts that may exist or otherwise arise on account of the transaction, and (iii) it reasonably believes that the transaction is beneficial for us and that we have adopted appropriate measures to manage the potential conflicts of interest. All Related Party

Code Section 1046, respectively. The date of grant of an Option under the Plan will be the date on which the Option is awarded by the Committee or, if so determined by the Committee, the date on which occurs any event (including, but not limited to, the completion of an individual or corporate Performance Goal) the occurrence of which is an express condition precedent to the grant of the Option. Subject to Section 5.4 of the Plan, the Committee shall determine the number of Options, if any, to be granted to the Participant. Each Option grant shall be evidenced by an Option agreement (in electronic or written form) that shall specify the type of Option granted, the exercise price, the duration of the Option, the number of shares of Common Stock to which the Option pertains, and such other terms and conditions as the Committee shall determine which are not inconsistent with the provisions of the Plan. Options may be granted in tandem with SARs (as described in more detail in Article VII of the Plan).

6.2. Exercise Price; No Repricing or Substitution of Options. Nonstatutory Stock Options, QSOs and ISOs granted pursuant to the Plan shall have an exercise price no less than the Fair Market Value of a share of Common Stock on the date the Option is granted. Except as a result of any Adjustment Event, the Committee shall not have the power or authority to reduce, whether through amendment or otherwise, the exercise price of any outstanding Option nor to grant any new Options or other Awards in substitution for or upon the cancellation of Options previously granted which shall have the effect of reducing the exercise price of any outstanding Option.

6.3. Exercise of Options. Each Option granted pursuant to the Plan shall become exercisable as determined by the Committee at the time of grant or at any time subsequent thereto; provided that the Committee may establish performance-based criteria for exercisability of any Option. Options may be exercised during the lifetime of an optionee only by that optionee. Subject to the provisions of this Article VI, once any portion of any Option has become exercisable it shall remain exercisable for its remaining term. Once exercisable, an Option may be exercised from time to time, in whole or in part, up to the total number of shares of Common Stock with respect to which it is then exercisable. The Committee shall determine the term of each Option granted, but in no event shall any such Option be exercisable for more than 10 years after the date on which it is granted.

6.4. Payment. The Committee shall establish procedures governing the exercise of Options. The Corporation may not make a loan to a Participant to facilitate such Participant's exercise of any of his Options or payment of taxes.

6.5. ISOs and QSOs. Notwithstanding anything to the contrary contained in the Plan, no Option that is intended to be an ISO or a QSO may be granted after the tenth anniversary of the Effective Date of the Plan. Furthermore, the aggregate Fair Market Value of the Common Stock with respect to which QSOs may be exercised for the first time by a Participant shall not exceed \$100,000. Except as may otherwise be provided for under the provisions of Article X of the Plan, no term of the Plan relating to ISOs or QSOs shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the ISO, QSO or the Plan under U.S. Code Section 422, or P.R. Code Section 1046, respectively, or without the consent of any Participant affected thereby, to disqualify any ISO or QSO under such Section 422 or Section 1046.

(c) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any Options granted to such Participant that are then not yet exercised shall be forfeited at the time of such termination and shall not be exercisable thereafter and the Committee may require that such Participant disgorge any profit, gain or other benefit received in respect of the exercise of any such Award for a period of up to twelve (12) months prior to the Participant's termination of employment for Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 6.6(c) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

(d) Due to Resignation. In the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Options granted to such Participant that are then not yet exercised shall be forfeited at the time of such termination and shall not be exercisable thereafter.

6.7 Termination of Service as a Non-Employee Director. Unless otherwise determined by the Committee at or subsequent to the date of grant, in the event a Participant's service as a Non-Employee Director shall terminate for reasons other than removal for Cause, any Options granted to such Participant which are exercisable on the date of the Participant's termination may be exercised by the Participant (or, in the event of the Participant's death after termination as a Non-Employee Director when the Option is exercisable pursuant to its terms, by the Participant's designated beneficiary, and if none is named, by the person determined in accordance with the requirements of Section 12.2 of the Plan), at any time prior to the earlier to occur of the (i) expiration date of the term of the Options or (ii) such date following the Participant's termination as the Committee shall determine at the time of grant. The Committee, in its sole discretion, may make Awards to Participants of Dividend Equivalents in connection with the grant of Restricted Units, Options, SARs and/or Performance Shares. Unless the Committee shall otherwise determine, the terms and conditions (including, without limitation, the vesting schedule applicable thereto and the impact of any termination of service on the Participant's rights with respect to the Dividend Equivalent) shall be substantially identical (to the extent possible taking into account the differences related to the character of the Dividend Equivalent) to the terms and conditions applicable to the associated Award.

8.3. Restrictions On Transferability. Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered by the Participant during the Restricted Period, except as hereinafter provided. Notwithstanding the foregoing, the Committee may permit (on such terms and conditions as it shall establish) shares of Restricted Stock and Restricted Units to be transferred during the Restricted Periods pursuant to Section 12.1 of the Plan, provided that any shares of Restricted Stock or Restricted Units so transferred shall remain subject to the provisions of this Article VIII.

8.4. Rights as a Shareholder. Except for the restrictions set forth herein and unless otherwise determined by the Committee, the Participant shall have all the rights of a shareholder with respect to such shares of Restricted Stock, including but not limited to, the right to vote and the right to receive dividends. A Participant shall not have any right, in respect of Restricted Units or Dividend Equivalents awarded pursuant to the Plan, to vote on any matter submitted to the Corporation's shareholders until such time as the shares of Common Stock attributable to such Restricted Units (and, if applicable, Dividend Equivalents) have been issued.

8.5. Restricted Period. The Restricted Period shall commence upon the date of grant by the Committee and shall lapse with respect to the shares of Restricted Stock or Restricted Units on such date as determined by the Committee at or subsequent to the date an Award of Restricted Stock or Restricted Units (including any Dividend Equivalents issued) is made to the Participant by the Committee, unless sooner terminated as otherwise provided herein.

8.6. Legending or Equivalent. To the extent that certificates are issued to a Participant in respect of shares of Restricted Stock awarded under the Plan (or in the event that such Restricted Stock are held electronically),

**Table of Contents**

such shares shall be registered in the name of the Participant and shall have such legends (or account restrictions) reflecting the restrictions of such Awards in such manner as the Committee may deem appropriate.

8.7. Termination of Employment. Unless the Committee shall otherwise determine at or subsequent to the date of grant:

(a) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any Restricted Stock or Restricted Units (including any associated Dividend Equivalents) granted to such Participant shall be forfeited at the time of such termination, and the Committee may require that such Participant disgorge any profit, gain or other benefit received in respect of the lapse of restrictions on any prior grant of Restricted Stock or Restricted Units (including any Dividend Equivalents) for a period of up to twelve (12) months prior to the Participant's termination of employment for Cause. For purposes of this Section 8.7, in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 8.7(a) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

(b) Due to Resignation. In the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Restricted Stock granted to such Participant and all Restricted Units (including any associated Dividend Equivalents) credited to such Participant shall be forfeited upon the Participant's termination of employment.

(c) Due to Any Other Reason. In the event a Participant's employment is terminated by the Corporation or any Affiliate for any other reason during the applicable vesting period, the Participant (or the Participant's estate or beneficiaries, if the participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of shares of Restricted Stock or Restricted Units granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the applicable vesting period during which the Participant was an active employee and the denominator of which is the number of months in the applicable vesting period (with a partial month worked counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Restricted Stock or Restricted Units shall be considered vested and payment of such pro-rated Awards is to be made to the Participant (or beneficiaries or estate, if the Participant subsequently dies) as soon as practicable after the Participant's termination of employment.

8.8. Termination of Service as a Non-Employee Director. Unless otherwise determined by the Committee at or subsequent to the date of grant, in the event a Participant's service as a Non-Employee Director shall terminate for reasons other than removal for Cause, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of shares of Restricted Stock or Restricted Units granted will be calculated by multiplying the grant by a fraction, the numerator of which is the number of full months in the applicable vesting period during which the Participant was an active Non-Employee Director and the denominator of which is the number of months in the applicable vesting period (with a partial month worked counted as a full month if the Participant is an active Non-Employee Director for 15 days or more in that month); and (ii) the resulting number of Restricted Stock or Restricted Units shall be considered vested and payment of such pro-rated Awards is to be made to the Participant (or beneficiaries or estate, if the Participant subsequently dies) as soon as practicable after the Participant's termination as a Non-Employee Director. In the event a Participant's service as a Non-Employee Director is terminated for Cause, any Restricted Stock or Restricted Units (including any associated Dividend Equivalents) granted to such Participant shall be forfeited at the time of such termination, and the Committee may require that such Participant disgorge any profit, gain or other benefit received in respect of the lapse of restrictions on any prior grant of Restricted Stock or Restricted Units (including any Dividend Equivalents) for a period of up to twelve (12) months prior to the Participant's termination for Cause. For purposes of this Section 8.8, in the event a Participant's service as a Non-Employee Director is terminated for Cause, the provisions of this Section 8.8 will apply notwithstanding any assertion (by the Participant or otherwise) of a termination for any other reason.

**Table of Contents**

8.9. Issuance of New Certificate or Equivalent: Settlement of Restricted Units and Dividend Equivalents. Upon the lapse of the Restricted Period with respect to any shares of Restricted Stock, such shares shall no longer be subject to the restrictions imposed under Section 8.3 of the Plan and the Corporation shall issue or have issued new share certificates (or remove any such restrictions that may have been established electronically) without the legend or equivalent described in Section 8.6 of the Plan in exchange for those previously issued. Upon the lapse of the Restricted Period with respect to any Restricted Units, the Corporation shall deliver to the Participant, or the Participant's beneficiary or estate, as provided in Section 12.2 of the Plan, one share of Common Stock for each Restricted Unit as to which restrictions have lapsed and any Dividend Equivalents credited with respect to any Restricted Units, and any interest thereon. The Committee may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only Common Stock and/or Dividend Equivalents. If a cash payment is made in lieu of delivering Common Stock for the Restricted Units, the amount of such cash payment for each share of Common Stock to which a Participant is entitled shall be equal to the Fair Market Value of the Common Stock on the date on which the Restricted Period lapsed with respect to the related Restricted Unit.

(iv) Termination of Service as a Non-Employee Director. In the event a Participant's service as a Non-Employee Director shall terminate for reasons other than removal for Cause, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (A) the number of Performance Units granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the Performance Cycle during which the Participant was an Non-Employee Director and the denominator of which is the number of months in the Performance Cycle (with a partial month worked counted as a full month if the Participant is an active Non-Employee Director for 15 days or more in that month); and (B) the resulting reduced number of Performance Units shall be considered vested and payment made to the Participant of a lump sum payment as soon as practicable of such pro-rated Performance Unit Award, calculated as if the target value or equivalent value for each Unit had, in fact, been achieved. In the event a Participant's service as a Non-Employee Director is terminated for Cause, any outstanding Performance Unit Awards shall be cancelled and the Committee may require that such Participant disgorge any profit, gain or other benefit received in respect of the payment of any prior Performance Unit Awards received within a period of twelve (12) months prior to the Participant's termination for Cause. For purposes of this Section 9.1(c)(iv), in the event a Participant's service as a Non-Employee Director is terminated for Cause, the provisions of this Section 9.1(c)(iv) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination for any other reason.

9.2. Performance Shares.

(a) General Description. At the discretion of the Committee, grants of Performance Share Awards may be made to Participants.

For purposes of this Section 9.2(c)(i), in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 9.2(c)(i) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

For purposes of this Section 9.2(c)(iv), in the event a Participant's service as a Non-Employee Director is terminated for Cause, the provisions of this Section 9.2(c)(iv) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination for any other reason.

**ARTICLE X**

**CHANGE OF CONTROL**

10.1. Accelerated Vesting and Payment of Awards. Subject to the provisions of Section 10.3 below, in the event of a Change of Control each Option and SAR then outstanding shall be fully exercisable regardless of the exercise schedule otherwise applicable to such Option and/or SAR, and the Restricted Period shall lapse as to each share of Restricted Stock and each Restricted Unit then outstanding. In connection with such a Change of Control, the Committee may, in its discretion, provide that each Option, SAR, Restricted Stock and/or Restricted Unit shall, upon the occurrence of such Change of Control, be cancelled in exchange for a payment per share/unit (the Settlement Payment) in an amount based on the Change of Control Price. Such Settlement Payment shall be in the form of cash.

10.2. Performance Unit Awards and Performance Share Awards. Subject to the provisions of Section 10.3, in the event of a Change of Control, (a) any outstanding Performance Unit Awards or Performance

Share Awards relating to Performance Cycles ending prior to the Change of Control which have been earned but not paid shall become immediately payable, (b) all then-in-progress Performance Cycles for Performance Unit Awards or Performance Share Awards that are outstanding shall end, and all Participants shall be deemed to have earned an award equal to the Participant's target award opportunity for the Performance Cycle in question, and (c) the Corporation shall pay all such Performance Unit Awards and Performance Share Awards as a Settlement Payment within thirty (30) days of such Change of Control, based on the Change of Control Price. Such Settlement Payment shall be in cash.

10.3. Alternative Awards. Notwithstanding Section 10.1 or 10.2, no cancellation, acceleration of exercisability, vesting, cash settlement or other payment shall occur with respect to any Option, SAR, Restricted Stock, Restricted Unit, Performance Unit and/or Performance Share if the Committee reasonably determines in good faith prior to the occurrence of a Change of Control that such Option, SAR, Restricted Stock, Restricted Unit, Performance Unit and/or Performance Share shall be honored or assumed, or new rights substituted therefore (such honored, assumed or substituted award hereinafter called an Alternative Award), by a Participant's employer (or the parent or an affiliate of such employer) immediately following the Change of Control; provided that any such Alternative Award must:

(a) be based on stock that is traded on an established securities market;

(b) provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Option, SAR, Restricted Stock, Restricted Unit, Performance Unit and/or Performance Share, including, but not limited to, an identical or better exercise or vesting schedules;

(c) have substantially equivalent value to such Option, SAR, Restricted Stock, Restricted Unit, Performance Unit and/or Performance Share (determined at the time of the Change in Control); and

(d) have terms and conditions which provide that in the event that the Participant's employment is involuntarily terminated for any reason other than for Cause, all of such Participant's Options, SARs, Restricted Stock, Performance Units and/or Performance Shares shall be deemed immediately and fully exercisable and/or all restrictions shall lapse, and shall be settled for a payment per each share of stock subject to the Alternative Award in cash, in immediately transferable, publicly traded securities, or in a combination thereof, in an amount equal to (i) the Fair Market Value of such stock on the date of the Participant's termination (with respect to any Restricted Stock and/or Restricted Units, (ii) the excess of the Fair Market Value of such stock on the date of the Participant's termination over the corresponding exercise or base price per share, if any (with respect to any Option and/or SARs), or (iii) the Participant's target award opportunity for the Performance Cycle in question (with respect to any Performance Units or Performance Shares).

**ARTICLE XI**

**AMENDMENT, MODIFICATION, AND TERMINATION OF PLAN**

11.1. General. The Board may, at any time and from time to time amend, modify, suspend, or terminate the Plan, in whole or in part, without notice to or the consent of any Participant or Eligible Individual; provided, however, that any amendment which would (i) increase the number of shares available for issuance under the Plan, (ii) lower the minimum exercise price at which an Option (or the base price at which a SAR) may be granted, (iii) change the individual Award limits, or (iv) require shareholder approval under NYSE rules or the rules of any other exchange where the Common Stock may then be traded, shall be subject to the approval of the Corporation's shareholders. No amendment, modification or termination of the Plan shall in any manner adversely affect any Award theretofore granted under the Plan, without the consent of the Participant, provided, however, that:

(a) any change pursuant to, and in accordance with the requirements of, Article X;

**Table of Contents**

(b) any acceleration of payments of amounts accrued under the Plan by action of the Committee or by operation of the Plan's terms; or

(c) any decision by the Committee to limit participation (or other features of the Plan) prospectively under the Plan shall not be deemed to violate this provision.

**ARTICLE XII  
MISCELLANEOUS PROVISIONS**

12.1. Transferability of Awards. No Awards granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. No transfer of an Award by will or by the laws of descent and distribution shall be effective to bind the Corporation unless the Corporation shall have been furnished with written notice thereof and a copy of the will and/or such other evidence as the Board or the Committee may determine necessary to establish the validity of the transfer.

12.2. Treatment of Any Outstanding Rights or Features Upon Participant's Death. Any Awards, rights or features remaining unexercised or unpaid at the Participant's death shall be paid to, or exercised by, the Participant's estate except where otherwise provided by law, or when done in accordance with other methods (including a beneficiary designation process) put in place by the Committee or a duly appointed designee from time to time. Except as otherwise provided herein, nothing in the Plan is intended or may be construed to give any person other than Participants any options, rights or remedies under the Plan.

12.3. Deferral of Payment. In the Award agreement or otherwise, the Committee may permit a Participant to elect, upon such terms and conditions as the Committee may establish, to defer receipt of payment of the Award. Notwithstanding anything else contained herein to the contrary, deferrals shall not be permitted hereunder in a way that will result in the Corporation or any Affiliate being required to recognize a financial accounting charge due to such deferral that is substantially greater than the charge, if any, that was associated with the underlying Award.

12.4. Awards in Substitution for Awards Granted By Other Companies. Awards may be granted under the Plan from time to time as replacements for awards (including, but not limited to, options, common stock, restricted stock, performance shares or performance units) held by employees of other companies who become employees of the Corporation or any affiliate as a result of a merger or consolidation of the employing Corporation with the Corporation, or such Affiliate, or the acquisition by the Corporation or an Affiliate of all or a portion of the assets of the employing Corporation. Shares issued in connection with such substitute Awards shall not reduce the number of shares of Common Stock issuable under Section 5.1 of the Plan.

12.5. No Guarantee of Employment or Participation. The existence of the Plan shall not be deemed to constitute a contract of employment between the Corporation or any Affiliate and any Eligible Individual or Participant, nor shall it constitute a right to remain in the employ of the Corporation or any Affiliate. The terms or existence of the Plan, as in effect at any time or from time to time, or any Award granted under the Plan, shall not interfere with or limit in any way the right of the Corporation or any Affiliate to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Corporation or any Affiliate. Except to the extent expressly selected by the Committee to be a Participant, no person (whether or not an Eligible Individual or a Participant) shall at any time have a right to be selected for (or additional) participation in the Plan, despite having previously participated in an incentive or bonus plan of the Corporation or an Affiliate.

12.6. Tax Withholding. The Corporation or an Affiliate shall have the right and power to deduct from all payments or distributions under the Plan, or require a Participant to remit to the Corporation promptly upon notification of the amount due, an amount (which may include shares of Common Stock) to satisfy any Puerto Rico, federal, state, local or foreign taxes or other obligations required by law to be withheld with respect thereto with respect to any Award. The Corporation may defer payments of cash or issuance or delivery of Common Stock until

**Table of Contents**

such withholding requirements are satisfied. The Committee may, in its discretion, permit a Participant to elect, subject to such conditions as the Committee shall impose, (a) to have shares of Common Stock otherwise issuable under the Plan withheld by the Corporation or (b) to deliver to the Corporation previously acquired shares of Common Stock (through actual tender or attestation), in either case for the greatest number of whole shares having a Fair Market Value on the date immediately preceding the date of exercise not in excess of the amount required to satisfy the withholding tax obligations.

12.7. **No Limitation on Compensation; Scope of Liabilities.** Nothing in the Plan shall be construed to limit the right of the Corporation to establish other plans if and to the extent permitted by applicable law. The liability of the Corporation or any Affiliate under the Plan is limited to the obligations expressly set forth in the Plan, and no term or provision of the Plan may be construed to impose any further or additional duties, obligations, or costs on the Corporation or any Affiliate not expressly set forth in the Plan.

12.8. **Requirements of Law.** The granting of Awards and the issuance of shares of Common Stock shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

12.9. **Term of Plan.** The Plan shall be effective upon the Effective Date. The Plan shall terminate on the earlier of (a) the termination of the Plan pursuant to Article XI, or (b) when no more shares of Common Stock are available for issuance of Awards under the Plan.

12.10. **Governing Law.** The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the Commonwealth of Puerto Rico without regard to principles of conflict of laws.

12.11. **Securities Law Compliance.** Instruments evidencing Awards may contain such other provisions, not inconsistent with the Plan, as the Committee deems advisable, including a requirement that the Participant represent to the Corporation in writing, when an Award is granted or when he receives shares with respect to such Award (or at such other time as the Committee deems appropriate) that he or she is accepting such Award, or receiving or acquiring such shares (unless they are then covered by an effective registration statement), for his own account for investment only and with no present intention to transfer, sell or otherwise dispose of such shares except such disposition by a legal representative as shall be required by will or the laws of any jurisdiction in winding up the estate of the Participant. Such shares shall be transferable, or may be sold or otherwise disposed of only if the proposed transfer, sale or other disposition shall be permissible pursuant to the Plan and if, in the opinion of counsel satisfactory to the Corporation, such transfer, sale or other disposition at such time will be in compliance with applicable securities laws.

12.12. **No Impact On Benefits.** Except as may be otherwise specifically provided for under any employee benefit plan, policy or program, Awards shall not be treated as compensation for purposes of calculating an Eligible Individual's right under any such plan, policy or program.

12.13. **No Constraint on Corporate Action.** Except as provided in Article XI, nothing contained in the Plan shall be construed to prevent the Corporation, or any affiliate, from taking any corporate action (including, but not limited to, the Corporation's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets) which is deemed by it to be appropriate, or in its best interest, whether or not such action would have an adverse effect on the Plan, or any Awards made under the Plan. No employee, beneficiary, or other person, shall have any claim against the Corporation or any of its Affiliates, as a result of any such action.

12.14. **Captions.** The headings and captions appearing herein are inserted only as a matter of convenience. They do not define, limit, construe, or describe the scope or intent of the provisions of the Plan.

OF THE CERTIFICATE OF INCORPORATION**

**RESOLVED**, that upon the filing of the certificate of amendment with the Secretary of State of the Commonwealth of Puerto Rico, Article Fourth of the Certificate of Incorporation of Oriental Financial Group Inc. (the Corporation ) be amended in its entirety so that it reads as follows:

FOURTH: The authorized capital of the Corporation shall be ONE HUNDRED TEN MILLION DOLLARS (\$110,000,000) represented by ONE HUNDRED MILLION (100,000,000) shares of common stock, \$1.00 par value per share, and TEN MILLION (10,000,000) shares of preferred stock, \$1.00 par value per share.
