**Item 5.04 Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.**

On February 15, 2011 NCI Building Systems, Inc. (the Company) sent a notice to its directors and executive officers informing them of a temporary suspension of contributions to or transfers from another fund into the NCI Stock Fund within the NCI 401(k) Profit Sharing Plan (the Plan). This temporary suspension has been imposed due to the belief that purchases of the Company's common stock through the NCI Stock Fund in the Plan may have exceeded the number of shares that have been registered with the Securities and Exchange Commission. As a consequence, directors and executive officers of the Company will be subject to certain trading restrictions for the duration of this temporary suspension. A copy of the notice is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The class of equity securities subject to the blackout period is the Company's common stock, \$0.01 par value per share. The blackout period is scheduled to begin on February 15, 2011 and will end when contributions to or transfers from another fund into the NCI Stock Fund can resume. The Company intends to file a registration statement on Form S-8 to register shares of common stock for future transaction in the Plan as soon as practicable. During the blackout period, however, directors and executive officers will be prohibited from directly or indirectly purchasing, selling, acquiring or transferring any Company common stock or derivative security with respect to Company common stock acquired in connection with their service or employment as a director or executive officer of the Company, subject to certain limited exceptions.
