APPROVAL OF EMPLOYEE STOCK PURCHASE PLAN

General

On September 28, 2001, our board of directors approved the "United Rentals, Inc. Employee Stock Purchase Plan." This plan offers eligible employees the opportunity to purchase shares of our common stock, through payroll deductions, at a price that is 15% lower than the market price. We have adopted this plan in order to encourage our employees to purchase our common stock. We believe that employees who are also equity owners have an additional incentive to work for the success of our company.

The board's approval of the plan was conditioned on our obtaining stockholder approval for the plan. We are asking you to approve the plan at the meeting. If you approve the plan, the plan will be effective as of January 1, 2002.

We have summarized below certain key provisions of the plan. This summary may not contain all the information that is important to you. Before you decide how to vote, you should review the entire plan. A copy of the plan is included as Appendix A.

Shares Available

The maximum number of shares of our common stock that may be sold under the plan is 2,000,000, subject to adjustment for certain specified changes in our capital structure. Shares sold by us under the plan may be from any proper source, including newly issued shares, treasury shares or shares purchased by us on the open market.

Eligibility

The plan is open to eligible employees of our company and each subsidiary of our company that is designated by the plan administrator to participate in the plan. Eligibility to participate in the plan during each calendar year is determined at the beginning of such year. Each employee that, as of the beginning of the calendar year, has been employed by us for at least one year is eligible to participate in the plan during such calendar year, except as described in the following paragraph.

The following persons are not eligible to participate in the plan:

- . each employee that is both; (1) an executive officer or director of our company or other person that is subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934 and (2) a "highly compensated employee" within the meaning of section 424(q) of the Internal Revenue Code (generally any employee that receives compensation in excess of \$85,000 per annum);

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

- . any employee that (i) owns (or has the contractual right to acquire) 5% or more of the total combined voting power or value of the stock of our company or (ii) would own (or have the contractual right to acquire) such amount if he participated in the plan and purchased the maximum number of shares he was eligible to purchase during the year for which eligibility is being determined.

Our non-employee directors are not eligible to participate in the plan because the plan is only open to employees. Our other directors and our executive officers are not currently eligible, and are not expected to become eligible, to participate in the plan based on the first exclusion from eligibility described in the preceding paragraph.

Payroll Deductions

Each employee that participates in the plan must authorize us to make regular deductions from the compensation (as defined in the plan) payable to such employee. The employee specifies the percentage of compensation to be deducted. However, the percentage may not exceed 15%. The employee may change the specified percentage twice each calendar year.

3

We will maintain a payroll deduction account for each employee that participates in the plan. We will use this account to keep track of the amounts deducted from the employee's compensation. This account is a bookkeeping account. This means that we will not actually segregate the funds that are deducted and that these funds can be used for our general corporate purposes.

Purchases of Stock Under the Plan

The funds in each participant's payroll deduction account will be used to purchase shares of our common stock as follows:

Timing of Purchases. Purchases of common stock under the plan will be made twice each calendar year. The purchase dates will generally be June 30 and December 31 of each year.

Purchase Price. The purchase price for shares acquired pursuant to the plan will be 85% of the lower of: (i) the closing price for our common stock on the New York Stock Exchange on the purchase date or (ii) such closing price on the first trading day of the calendar year in which the purchase takes place.

Maximum Number of Shares. The maximum number of shares that a participant may purchase each calendar year is equal to the number obtained by dividing \$25,000 by the closing price for our common stock on the New York Stock Exchange on the first trading day of the calendar year.

Administration

The plan will operate in accordance with the procedures and guidelines set forth in the plan. The plan will be administered by our board or a committee appointed by the board.

Amendment and Termination of Plan

The board of directors may, in its discretion, terminate the plan or amend it in any respect. However, if stockholder approval of any such amendment is

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

required by section 423 of the Internal Revenue Code, the amendment will not be effective without such approval.

Federal Income Tax Consequences

The plan is intended to qualify as an "employee stock purchase plan" under the provisions of Sections 421 and 423 of the Internal Revenue Code. Under these provisions, no income will be taxable to a participant under federal income tax laws as a result of purchasing, or having the right to purchase, shares under the plan. As summarized below, a participant may become liable for federal income tax upon disposition of shares acquired under the plan. The character of any gain or loss upon disposition will depend upon how long the shares have been held by the participant.

The plan is structured so that the stock acquired each calendar year by a participant will be treated as having been acquired pursuant to an option ("Option") granted on the first trading day of the calendar year. If a participant disposes of the common stock acquired by an exercise of an Option more than two years after the grant date of the Option, the participant must recognize as ordinary income at the time of such disposition an amount equal to the lesser of (a) the excess of the fair market value of the shares on the date of such disposition over the purchase price for the shares, or (b) 15% of the fair market value of the common stock at the time the Option was granted. Any further gain upon such disposition will be deemed a long-term capital gain. The same treatment applies if the participant dies at any time while owning the shares, resulting in ordinary income being included in the participant's gross estate for the taxable year closing with the participant's death. If the shares are sold

4

and the sales price is less than the purchase price for the shares, there is no ordinary income and the participant has a capital loss for the difference between the sales price and the exercise price.

If the shares are sold or disposed of (including by way of gift) before the expiration of the two-year holding period described above, the excess of the fair market value of the shares on the purchase date over the purchase price will be treated as ordinary income to the participant at the time of disposition. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gratuitous transfer of the shares is made. The balance of any gain will be treated as capital gain and will be deemed a long-term capital gain if the shares have been held more than one year. Even if the shares are sold for less than their fair market value measured as of the purchase date, the same amount of ordinary income is attributed to a participant and a capital loss is recognized equal to the difference between the purchase price and the fair market value of the shares on the purchase date.

The amount of any ordinary income recognized under the rules described above, added to the purchase price of the shares, determines the tax basis of the shares for the purpose of determining capital gain or loss on a sale or exchange of the shares (except in the case of death, where the fair market value on the date of death or the alternative valuation date will be the tax basis of the shares).

A disposition includes any transfer of legal title, such as transfer by sale, exchange or gift, but it does not include a transfer into joint ownership with right of survivorship if the participant remains one of the joint owners, a pledge or a transfer by bequest or inheritance or an exchange of stock in a

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

tax-free reorganization.

There are no federal income tax consequences to our company by reason of the sale of shares pursuant to the plan or the grant or exercise of Options relating thereto. We would not be entitled to a deduction for amounts taxed as ordinary income to a participant, except to the extent that ordinary income must be reported by a participant upon disposition of shares before the expiration of the holding period described above. Participants are required to notify us of any disposition of shares purchased under the plan within two years from the date of grant of the Option relating to such purchase.

The foregoing discussion is not a complete description of the federal income tax aspects of participation in the plan. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes or foreign laws (if a participant is working abroad) that may be applicable. Each participant should review applicable tax rules and regulations or consult a tax advisor.

Section 401(a) of the Code is not applicable to the Plan.

Vote Required

Approval of the plan requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the matter. (For purposes of the foregoing, each share of Series C Preferred will be treated as the equivalent of 40 shares and each share of D-1 Preferred will be treated as the equivalent of 33 1/3 shares.) Abstentions will have the same effect as a vote against approving the plan.

The board of directors recommends that you vote FOR approval of the plan.

Certain Agreements Relating to Securities Held By Officers

Prior to our initial public offering, certain executive officers and other

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

employees of our company purchased our common stock (and in certain cases warrants) from us in private placements. All shares of our common stock and warrants purchased by the executive officers and other employees of our company prior to our initial public offering (and any shares of our common stock acquired upon exercise of such warrants) are referred to as the "Private Placement Securities."

Each holder of Private Placement Securities (other than Mr. Jacobs and Mr. Hicks) has entered into an agreement with our company and Mr. Jacobs that provides that (1) if Mr. Jacobs sells any Private Placement Securities that he beneficially owns in a commercial, non-charitable transaction, then Mr. Jacobs is required to use his best efforts to sell (and has the right to sell subject to certain exceptions) on behalf of such holder a pro rata portion of such holder's Private Placement Securities at the then prevailing prices, and (2) except for sales that may be required to be made as aforesaid, the holder shall not (without our prior written consent) sell or otherwise dispose of the Private Placement Securities owned by such holder (subject to certain exceptions for charitable gifts). The foregoing provisions of the agreements terminate, depending on the individual, in either September or October 2002.

Each holder of Private Placement Securities (other than Mr. Jacobs and Mr. Hicks) has also agreed pursuant to such agreements that we, in our sole discretion, may, prior to September 1, 2005, repurchase the Private Placement Securities owned by such holder in the event that such holder breaches any agreement with us or acts adversely to the interest of our company. The amount to be paid by us in the event of a repurchase will be equal to (1) in the case of Messrs. Milne and Nolan, \$9.125 per share of common stock and \$0.625 per warrant plus an amount representing a 4% annual return on such amounts from the date on which such securities were purchased and (2) in the case of any other holder of Private Placement Securities, the amount originally paid by such holder for such securities plus an amount representing a 10% annual return on such amount.

ARTICLE III

Eligibility

3.1. Subject to Section 3.2, all employees of the Company and all employees of any Designated Subsidiary are eligible to participate in any offering of options to purchase Common Stock under the Plan, provided that: (i) they have been employed by the Company or a Designated Subsidiary for at least one year; and (ii) they are employees of the Company or a Designated Subsidiary on the first day of the Offering Period.

3.2 Notwithstanding Section 3.1, an employee may not be granted an option hereunder if such employee (i) is a Highly Compensated Employee subject to reporting under Section 16(a) of the Securities Exchange Act of 1934; or (ii) immediately after the option is granted, owns 5% or more of the total combined voting power or value of the stock of the Company or any subsidiary. For purposes of the preceding sentence, the attribution rules of Code section 424(d) will apply in determining the stock ownership of an employee, and all stock which the employee has a contractual right to purchase will be treated as stock owned by the employee.

ARTICLE IV

Participation

4.1 Payroll Deductions.

(a) An employee who is expected to be eligible to participate in the Plan on any Offering Commencement Date may participate in such Offering Period by completing and forwarding a payroll

A-2

deduction authorization form to the Company at least 14 days prior to the applicable Offering Period Commencement Date. The form will authorize a regular payroll deduction from the Compensation received by the employee during the Offering Period. The Company will maintain payroll deduction accounts for all participating employees who submit payroll deduction authorization forms.

(b) With respect to any Offering Period under this Plan, an eligible employee may authorize a payroll deduction in any whole number percentage up to a maximum of 15% of the Compensation he or she receives during the Offering Period or such shorter period during which deductions from payroll are made.

(c) Unless an employee files a new form or withdraws from the Plan, the employee's deductions and purchases will continue at the same rate for future Offering Periods under the Plan as long as the Plan remains in effect.

4.2 Limits on Payroll Deductions. No employee may be granted an option which permits his or her rights to purchase Common Stock under this Plan and any other stock purchase plan of the Company and its subsidiaries, to accrue at a rate which exceeds \$25,000 of the fair market value of such Common Stock (determined at the Offering Commencement Date of the Offering Period) for each calendar year in which the option is outstanding at any time.

4.3 Changes to Payroll Deductions. An employee may increase, decrease or

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

discontinue his or her payroll deduction twice during any Offering Period by filing a new payroll deduction authorization form. If an employee elects to discontinue payroll deductions during an Offering Period, but does not elect to withdraw funds from the Plan pursuant to subsection (e) below, funds deducted prior to the election to discontinue will be applied to the purchase of Common Stock on the Exercise Date.

4.4 Withdrawal of Payroll Deductions. An employee may, on any one occasion during an Offering Period and for any reason, withdraw all or part of the balance accumulated in the employee's payroll deduction account. Any such withdrawal must be effected prior to the close of business on the last day of the Offering Period. If the employee withdraws all of such balance, the employee will thereby withdraw from participation in the Offering and may not begin participation again during the remainder of the Offering Period. Any employee withdrawing all or part of such balance may participate in any subsequent Offering Period in accordance with terms and conditions established by the Administrator.

4.5 Interest on Payroll Deductions. Interest will not be paid on any employee payroll deduction accounts, except to the extent that the Administrator, in its sole discretion, elects to credit such accounts with interest at such per annum rate as it may from time to time determine.

ARTICLE V

Purchase of Shares

5.1 Grant of Options. On the Offering Commencement Date, the Administrator will grant to each employee who is then eligible to participate in the Plan an option to purchase such number of shares of Common Stock of the Company reserved for the purposes of the Plan as does not exceed the number of shares determined by dividing (i) \$25,000 by (ii) the Closing Price of Common Stock on the Offering Commencement Date, or such other number of shares as the Administrator may determine. The option may be exercised in whole or in part on either of the Exercise Dates during that Offering Period.

5.2 Exercising Options.

(a) Each employee who continues to be a participant in the Plan on an Exercise Date will be deemed to have exercised his or her option at the Option Price on such date and will be deemed to

A-3

have purchased from the Company the number of shares of Common Stock reserved for the purpose of the Plan that his or her accumulated payroll deductions on such Exercise Date will purchase.

(b) (1) In the event of a participating employee's termination of employment prior to the Exercise Date (whether as a result of the employee's voluntary or involuntary termination, retirement, death or otherwise), no payroll deduction will be taken from any pay due and owing to the employee and the balance in the employee's payroll deduction account will be paid to the employee or, in the event of the employee's death, (a) to a beneficiary previously designated in a revocable notice signed by the employee (with any spousal consent required under state law) or (b) in the absence of such a designated beneficiary, to the executor or administrator of the employee's estate or (c) if no such executor or administrator has been appointed to the knowledge of the Company, to such other person(s) as the Company may, in its discretion, designate.

(2) If, prior to the last Trading Day of an Offering Period, the Designated Subsidiary by which an employee is employed will cease to be a subsidiary of the Company, or if the employee is transferred to a subsidiary of the Company that is not a Designated Subsidiary, the employee will be deemed to have terminated employment for the purposes of this Plan.

5.3 Issuance of Shares. As soon as practicable following the end of each Offering Period, certificates representing shares of Common Stock purchased under the Plan on the Exercise Date shall be issued in the street name of a brokerage firm, bank or other nominee holder designated by the employee.

5.4 Notice of Tax Law Compliance. Each employee agrees, by entering the Plan, to promptly give the Company notice of any disposition of shares purchased under the Plan where such disposition occurs within two years after the date of grant of the option pursuant to which such shares were purchased or one year after the transfer of such share to the employee, so that the Company may take appropriate income tax deductions with respect to such transfer and otherwise comply with applicable federal, state and local income tax laws.

ARTICLE VI

Effect of Corporate Transactions

6.1 Continuity of Control. In the event of a merger or consolidation of the Company where there is Continuity of Control, the holder of each outstanding option will be entitled to receive at the next Exercise Date the securities or property which a holder of one share of the Common Stock was entitled to at the time of such merger or consolidation. The Administrator will take such steps in connection with such merger or consolidation as the Administrator deem necessary to assure that the provisions of this Section 6.1 will be applicable.

6.2 No Continuity of Control. In the event of a merger or consolidation of the Company which does not involve Continuity of Control, or a sale of all or substantially all of the assets of the Company while unexercised options remain outstanding under the Plan, (i) subject to the provisions of clauses (ii) and (iii), after the effective date of such transaction, each holder of an outstanding option will be entitled, upon exercise of such option, to receive in lieu of shares of Common Stock, shares of such stock or other securities as the holders of shares of Common Stock received pursuant to the terms of such transaction; or (ii) all outstanding options may be canceled by the Administrator as of a date prior to the effective date of any such transaction and all payroll deductions will be paid out to the participating employees; or (iii) all outstanding options may be canceled by the Administrator as of the effective date of any such transaction, provided that notice of such cancellation will be given to each holder of an option, and each holder of an option will have the right to exercise such option in full based on payroll deductions then credited to his account as of a date determined by the Administrator, which date will not be less than 10 days preceding the effective date of such transaction.

ARTICLE VII

Amendment and Termination

7.1 Amendment of the Plan. The Board of Directors of the Company may at any time, and from time to time, amend this Plan in any respect, except that if the approval of any such amendment by the stockholders of the Company is required by Code section 423, such amendment will not be effected without such approval.

7.2 Change in Offering or Purchase Periods. The Administrator will have the power to change the duration of the Offering Period or Purchase Period (including the commencement and termination

A-5

date thereof) with respect to future Offerings without shareholder approval if such change is announced at least 15 days prior to the scheduled beginning of the first Offering Period or Purchase Period to be affected thereafter.

7.3 Termination of the Plan. The Board of Directors of the Company may terminate the Plan at any time and for any reason or for no reason, provided that such termination shall not impair any rights of participating employees that have vested at the time of termination.

ARTICLE VIII

Administration

8.1 Administrator. The Plan will be administered by the Administrator, which has authority to make rules and regulations for the administration of the Plan and its interpretation and decisions with regard thereto will be final and conclusive.

8.2 Costs of Plan. The Company will pay all costs of administering the Plan, including the costs of brokerage fees, commissions and expenses, if any, for acquiring shares to be purchased under the Plan. All costs related to the employee's sale of shares acquired under the Plan will be borne by the employee.

ARTICLE IX

Miscellaneous

9.1 Optionees Not Stockholders. Neither the granting of an option to an employee nor the deductions from pay will constitute such employee a stockholder of the shares of Common Stock covered by an option under this Plan until such shares have been purchased by and issued to such employee.

9.2 Rights Not Transferable. Rights under this Plan are not transferable by a participating employee other than by will or the laws of descent and distribution, and are exercisable during the employee's lifetime only by the employee.

9.3 Adjustment in Case of Changes Affecting Common Stock. In the event of a subdivision of outstanding shares of Common Stock, or the payment of a dividend in Common Stock, the number of shares approved for this Plan and the share limitations hereunder will be increased proportionately, and such other adjustment will be made as may be deemed equitable by the Administrator. In the event of any other change affecting the Common Stock, such adjustment will be made as may be deemed equitable by the Administrator to give proper effect to such event.

9.4 Insufficient Shares. In the event that the total number of shares of Common Stock specified in elections to be purchased under any Offering plus the number of shares purchased under previous Offerings under this Plan exceeds the maximum number of shares issuable under this Plan, the Administrator will allot the shares then available on a pro rata basis.

Edgar Filing: UNITED RENTALS INC /DE - Form PRES14A

9.5 Securities Laws. The Company's obligation to sell and deliver Common Stock under this Plan is subject to listing on a national stock exchange or quotation on Nasdaq and the approval of all governmental authorities required in connection with the authorization, issuance or sale of such stock.

9.6 Governing Law. The Plan will be governed by the laws of the State of Delaware except to the extent that such law is preempted by federal law.

A-6

9.7 Rule 16b-3 Compliance. The Plan is intended to comply with the provisions of Rule 16b-3(c) promulgated under the Securities Exchange Act of 1934 as a "tax conditioned stock purchase plan." Any provision inconsistent with such Rule will be inoperative to the extent it conflicts with Rule 16b-3(c).
