INFORMATION ABOUT THE 2005 ANNUAL MEETING AND VOTING

The Annual Meeting

The Annual Meeting will be held on Tuesday, May 10, 2005 at 8:30 a.m. local time at The Ritz-Carlton, Tysons Corner, 1700 Tysons Boulevard, McLean, Virginia 22102.

This Proxy Solicitation

We are sending you this Proxy Statement because our Board of Trustees is seeking a proxy to vote your common shares at the Annual Meeting. This Proxy Statement is intended to assist you in deciding how to vote your common shares. On April 4, 2005, we began mailing this Proxy Statement to all shareholders who, according to our shareholder records, owned common shares at the close of business on March 1, 2005. Our preferred shareholders are not entitled to receive notice of, or to vote at, the Annual Meeting.

We are paying the cost of requesting these proxies. Our Trustees, officers and employees may request proxies in person or by telephone, mail, facsimile or letter. We will reimburse brokers and other nominees their reasonable out-of-pocket expenses for forwarding proxy materials to beneficial owners of our common shares.

If you and other residents at your mailing address own common shares in street name, your broker or bank may have sent you a notice that your household will receive only one Proxy Statement and Annual Report to Shareholders for each company in which you hold common shares through that broker or bank. This practice of sending only one copy of proxy materials is known as householding. If you did not respond that you did not want to participate in householding, you were deemed to have consented to the process. If the foregoing procedures apply to you, your broker has sent one copy of our Proxy Statement and Annual Report to Shareholders to your address. You may revoke your consent to householding at any time by contacting your broker, or if your common shares are not held by a broker or bank, by sending your name and account number to our transfer agent, American Stock Transfer & Trust Company (AST), 59 Maiden Lane, New York, NY 10038, Attn: Shareholder Services, or by contacting AST via email at info@amstock.com. The revocation of your consent to householding will be effective 30 days following its receipt. In any event, if you did not receive an individual copy of this Proxy Statement or our Annual Report to Shareholders, we will send a copy to you if you address your written request to or call our transfer agent, as referenced above, phone number 1-800-937-5449. If you are receiving multiple copies of our Proxy Statement and Annual Report to Shareholders, you may request householding by contacting our transfer agent in the same manner.

Voting Your Shares

You have one vote for each of our common shares that you owned of record at the close of business on March 1, 2005. The number of common shares you own (and may vote at the Annual Meeting) is listed on the enclosed proxy card.

You may vote your common shares at the Annual Meeting either in person or by proxy. To vote in person, you must attend the Annual Meeting and obtain and submit a ballot. Ballots for voting in person will be available at the Annual Meeting. To vote by proxy, you must complete and return the enclosed proxy card. By completing and returning the proxy card, you will be directing the persons designated on the proxy card to vote your common shares at the Annual Meeting in accordance with the instructions you give on the proxy card.

If you decide to vote by proxy, your proxy card will be valid only if you sign, date and return it before the Annual Meeting.

If you complete the proxy card but do not provide the voting instructions, then your shares will be voted **FOR** each of the Trustees identified on the proxy card and **FOR** ratification of the selection of Ernst & Young LLP as our independent auditors for the 2005 fiscal year.

Revoking Your Proxy

If you decide to change your vote, you may revoke your proxy at any time before it is voted. You may revoke your proxy in any one of three ways:

You may notify our Secretary in writing that you wish to revoke your proxy.

You may submit a proxy dated later than your original proxy.

You may attend the Annual Meeting and vote by ballot. Merely attending the Annual Meeting will not by itself revoke a proxy; you must obtain a ballot and vote your common shares to revoke the proxy.

Vote Required for Approval

Proposal 1: Election of Nine Trustees The nine nominees for Trustee who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee on your proxy card, your vote will not count either for or against the nominee.

Proposal 2: Ratification of Selection of Independent Auditors The affirmative vote of a majority of the votes cast at the Annual Meeting is required to ratify the selection of independent auditors. If you abstain from voting, your abstention will not count as a vote cast for or against the proposal.

YOUR VOTE AT THE ANNUAL MEETING IS VERY IMPORTANT TO US.

Broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which such broker or nominee is not empowered by the beneficial owner of the stock to vote on a particular proposal) with respect to the election of Trustees and the ratification of selection of independent auditors will have no effect on the outcome of the vote on these proposals.

Quorum. On the record date for the Annual Meeting, March 1, 2005, there were 43,681,878 common shares issued and outstanding. A quorum must be present at the Annual Meeting in order to transact business. A quorum will be present if 21,631,480 common shares are represented at the Annual Meeting, either in person (by the shareholders) or by proxy. If a quorum is not present, a vote cannot occur. In deciding whether a quorum is present, abstentions and any broker non-votes will be counted as shares that are represented at the Annual Meeting.

Additional Information

Our Annual Report to Shareholders for the fiscal year ended December 31, 2004, including consolidated financial statements, is being mailed to all shareholders entitled to vote at the Annual Meeting together with this Proxy Statement. The Annual Report does not constitute a part of the proxy solicitation material. The Annual Report tells you how to get additional information about us.

PROPOSALS TO BE PRESENTED AT THE ANNUAL MEETING

We will present the following two proposals at the Annual Meeting. We have described in this proxy statement all the proposals that we expect will be made at the Annual Meeting. If a shareholder or we properly present any other proposal to the meeting after February 16, 2005, we will, to the extent permitted by applicable law, use your proxy to vote your shares on the proposal in our best judgment.

1. Election of Trustees

Our Board of Trustees currently consists of nine Trustees. One of our current Board Members, John E. Anderson, has decided not to stand for re-election. The nominees for election to the Board of Trustees are:

Thomas D. Eckert
Craig L. Fuller
Paul M. Higbee
William E. Hogle
David B. Kay
R. Michael McCullough
John J. Pohanka
Robert M. Rosenthal
Vincent A. Sheehy

Each Trustee will be elected to serve for a one-year term, or until his replacement is elected and qualifies, or until his earlier resignation or removal. All but one of the nine nominees are presently members of the Board of Trustees and have consented to serve as a Trustee if re-elected. More detailed information about each of the nominees is available in the section of this booklet titled "The Board of Trustees," which begins on page 6.

If any of the nominees cannot serve for any reason, the Board of Trustees may designate a substitute nominee or nominees. If a substitute is nominated, we will vote all valid proxies for the election of the substitute nominee or nominees. The Board of Trustees may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board. Proxies for the Annual Meeting may not be voted for more than nine nominees.

The Board of Trustees unanimously recommends that you vote FOR these Trustees.

2. Ratification of Appointment of Ernst & Young LLP as Independent Auditors

Ernst & Young LLP has served as our independent auditor since May 23, 2002. The Audit Committee currently believes that we should continue our relationship with Ernst & Young LLP and have appointed Ernst & Young LLP to continue as our independent auditors for the fiscal year ending December 31, 2005. In the event that the shareholders do not ratify this appointment by the requisite vote, the Audit Committee will reconsider its appointment of Ernst & Young LLP.

One or more representatives of Ernst & Young LLP will be available at the Annual Meeting to answer your questions and make a statement if they desire.

Board of Trustees

General. We are currently managed by a nine-member Board of Trustees. The Board has adopted a set of corporate governance guidelines, which, along with the written charters for our Board committees described below, provide the framework for the Board's governance of Capital Automotive. Our corporate governance guidelines are available on our website at www.capitalautomotive.com, and are available in print to any shareholder who requests them.

Independence and Composition. Our Amended and Restated Declaration of Trust, as amended, which we refer to as the Declaration, and the National Association of Securities Dealers listing standards, which we refer to as the NASD listing standards, each require that a majority of our Board of Trustees are independent, as that term is defined in our Declaration and the NASD listing standards.

The Board of Trustees, upon the recommendation of the Nominating and Corporate Governance Committee (the Nominating Committee), has determined that Messrs. Fuller, Higbee, Hogle, Kay, McCullough, Pohanka and Sheehy, representing a majority of our Board of Trustees, are independent as that term is defined in the NASD listing standards and our Declaration.

Meetings and Attendance. The Board of Trustees met eight times in the fiscal year ended December 31, 2004. Each of the current nominees currently serving on the Board of Trustees attended at least 75% of the aggregate of the total number of meetings of (i) the Board of Trustees and (ii) the committees of the Board of Trustees that he was eligible to attend. Our corporate governance guidelines provide that it is the responsibility of individual Trustees to make themselves available on a consistent basis to attend scheduled and special Board meetings as well as the annual shareholder meeting. All of our nine Trustees as of May 11, 2004 attended the 2004 annual shareholder meeting. In addition, non-management members of the Board of Trustees met in executive session four times in the fiscal year ended December 31, 2004. Pursuant to our corporate governance guidelines, Mr. Pohanka presides over these executive sessions.

Shareholder Communications. The Board of Trustees has adopted a process whereby our shareholders can send communication to us. This process is described in detail on our website at www.capitalautomotive.com.

Audit Committee

General. The Board of Trustees has established an Audit Committee, which is governed by a written charter, a copy of which is available on our website at www.capitalautomotive.com, and is available in print to any shareholder who requests it. Among the duties, powers and responsibilities of the Audit Committee, as provided in the Audit Committee charter, are to:

- have sole power and authority concerning the engagement and fees of independent auditors;
- review with the independent auditors the plans and results of the audit engagement;
- pre-approve all audit services and permitted non-audit services provided by the independent auditors;
- review the independence of the independent auditors;
- review the adequacy of our internal control over financial reporting; and
- review accounting, auditing and financial reporting matters with our independent auditors and management.

Meetings. The Audit Committee met 11 times in the fiscal year ended December 31, 2004. In 2004, and currently Messrs. Hogle, McCullough and Sheehy are the members of the Audit Committee, with Mr. McCullough serving as Chairman. On February 17, 2005, the Board of Trustees ratified the recommen-

dition of the Nominating Committee, and approved the following Audit Committee assignments commencing on May 10, 2005: Messrs. Hogle, Kay, McCullough and Sheehy, with Mr. McCullough serving as Chairman.

Independence and Composition. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934 (the Exchange Act) and the rules and regulations promulgated by the Securities and Exchange Commission thereunder, and the NASD listing standards. The Board of Trustees, ratified the recommendation of the Nominating Committee, and determined that all current and nominated members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NASD listing standards, including but not limited to the requirement that all members of the Audit Committee consist of independent members. The Board, upon modification of the recommendation of the Nominating Committee, also determined that Mr. David B. Kay is an audit committee financial expert as that term is defined in the Exchange Act.

Nominating and Corporate Governance Committee

General. The Board of Trustees has established the Nominating Committee, which is governed by a written charter, a copy of which is available on our website at www.capitalautomotive.com, and is available in print to any shareholder who requests it. As provided in the Nominating Committee charter, the Nominating Committee:

identifies and recommends to the Board of Trustees individuals to stand for election and re-election to the Board at our annual meeting of shareholders and to fill vacancies that may arise from time to time;

develops and makes recommendations to the Board for the creation and ongoing review and revision of a set of effective corporate governance principles that promote our competent and ethical operation and a policy governing ethical business conduct of our employees and Trustees; and

makes recommendations to the Board of Trustees as to the structure and membership of committees of the Board of Trustees.

Selection of Trustee Nominees. Our corporate governance guidelines provide that the Nominating Committee endeavor to identify individuals to serve on the Board who have expertise that is useful to us and complementary to the background, skills and experience of other Board members. The Nominating Committee's assessment of the composition of the Board includes: (a) skills business and management experience, real estate experience, accounting experience, finance and capital markets experience, and an understanding of corporate governance regulations and public policy matters, (b) characteristics ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition diversity, age and public-company experience. The principal qualification for a Trustee is the ability to act in the best interests of the Company and its shareholders.

The Nominating Committee considers Trustee nominees directly recommended by shareholders. In accordance with the Company's Second Amended and Restated Bylaws, as amended, which we refer to as the Bylaws, and the Exchange Act, any proposal from shareholders regarding possible Trustee candidates to be elected at a future annual meeting must be received by Capital Automotive REIT at 8270 Greensboro Drive, Suite 950, McLean, Virginia 22102, Attn: Secretary and General Counsel, not less than 120 calendar days before the date of the Company's proxy statement released to our shareholders in connection with the previous year's annual meeting of shareholders.

Please note that any shareholder nomination must comply with all of the requirements of Rule 14a-8 under the Exchange Act, which addresses when a company must include a shareholder's proposal in its proxy statement and identify the proposal in its form of proxy for an annual or special meeting of the shareholders. In addition, any proposals must include the following:

the name and address of the shareholder submitting the proposal, as it appears on our shareholder records, and of the beneficial owner thereof;

the number of each class of our common shares of beneficial interest that are owned beneficially and of record by the shareholder and the beneficial owner;

a description of all arrangements or understandings between the shareholder and the Trustee nominee and any other person pursuant to which the nomination is to be made by the shareholder; and

all information relating to the Trustee nominee that is required to be disclosed in solicitations of proxies for election of Trustees in an election contest, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a Trustee nominee and to serving as a Trustee if elected).

The Nominating Committee will evaluate Trustee candidates recommended by shareholders in the same manner that it evaluates Trustee candidates recommended by our Trustees, management or employees.

Independence and Composition. The NASD listing standards require that the Nominating Committee consist solely of independent Trustees. The Board of Trustees, upon the recommendation of the Nominating Committee, has determined that all current and nominated members of the Nominating Committee are independent as that term is defined in the NASD listing standards.

Meetings. The Nominating Committee met once during the fiscal year ended December 31, 2004. In fiscal year 2004 and currently, Messrs. Anderson, Fuller, and Pohanka are the members of the Nominating Committee, with Mr. Anderson serving as Chairman. On February 17, 2005, the Board of Trustees, upon the recommendation of the Nominating Committee, approved the following Nominating Committee assignments commencing on May 10, 2005: Messrs. Fuller, Hogle and Pohanka, with Mr. Hogle serving as Chairman.

Executive Compensation Committee

General. The Board of Trustees has established an Executive Compensation Committee (the Compensation Committee), which is governed by a written charter, a copy of which is available on our website at www.capitalautomotive.com, and is available in print to any shareholder who requests it. The Compensation Committee is responsible for:

approving and evaluating the compensation plans, policies and programs for our executive officers and Trustees;

approving all awards to any employees and Trustees under our equity incentive plan; and

evaluating the performance of the CEO and other executive officers.

Independence and Composition. The NASD listing standards require that the Compensation Committee consist solely of independent Trustees. The Board of Trustees, upon the recommendation of the Nominating Committee, has determined that all current and nominated members of the Compensation Committee are independent as that term is defined in the NASD listing standards.

Meetings. The Compensation Committee met three times in the fiscal year ended December 31, 2004. In fiscal year 2004 and currently, Messrs. Fuller, Higbee and Hogle are members of the Compensation Committee, with Mr. Fuller serving as Chairman. On February 17, 2005, the Board of Trustees, upon modification of the recommendation of the Nominating Committee, approved the following Compensation Committee assignments commencing on May 10, 2005: Messrs. Fuller and Higbee, with Mr. Fuller serving as Chairman. Mr. Pohanka serves as a non-voting advisory member.

Code of Business Conduct

Our Trustees, as well as our officers and employees, are also governed by our code of business conduct, a copy of which is available on our website at www.capitalautomotive.com, and is available in print to any shareholder who requests it. Amendments to, or waivers from, a provision of the code of business conduct that applies to our Trustees or executive officers will be posted to our website within five business days following the date of the amendment or waiver.

Compensation of Trustees

We pay our Trustees who are not employees a \$35,000 annual fee for their services as Trustees. Each Trustee also is paid a \$1,000 fee for each Board meeting attended and a \$500 fee for each Committee meeting attended. The Chairman of the Board of Trustees receives an additional \$10,000 annual fee, and the Chairman of the Audit Committee receives an additional \$5,000 annual fee, each for their services as chairman. These fees are all paid quarterly. In addition to cash compensation, the Compensation Committee has expressed its intention that a portion of annual Trustee compensation be in the form of equity. Therefore, on January 19, 2005, under the Capital Automotive Group Second Amended and Restated 1998 Equity Incentive Plan, which we refer to as the Plan, the Compensation Committee approved a grant of options to purchase 5,000 common shares to each non-employee Trustee. The exercise price for these grants was \$33.40, which was the fair market value of the common shares on the date of the grant. One-third of the options will vest on July 19, 2005, another one-third will vest on January 19, 2006, and the remaining one-third will vest on January 19, 2007. The options will be forfeited to the extent they are not exercisable when a Trustee resigns or fails to be re-elected as a Trustee.

In addition, under the Plan, upon election or appointment to the Board of Trustees, each non-employee Trustee also receives an initial grant of options to purchase 15,000 common shares. The exercise price for these grants is equal to the fair market value of the common shares on the date of grant. One-third of the options will vest six months after the date of grant, another one-third will vest on the first anniversary of the date of grant, and the remaining one-third will vest on the second anniversary of the date of grant. Options will be forfeited to the extent they are not exercisable when a Trustee resigns or fails to be re-elected as a Trustee.

We have also established a Deferred Compensation and Stock Plan for Trustees, which permits non-employee Trustees to elect to defer receipt of their annual retainer, meeting fees and committee chairman fees. The deferred fees are credited to either a cash or phantom share account or combination of both, at the option of the Trustee. At the time specified in each Trustee's deferred fee agreement, amounts credited to a cash account shall be paid in cash and phantom shares credited to a Trustee's phantom share account shall, at our option, be (i) converted into common shares and issued to the Trustee, or (ii) paid to the Trustee in cash in an amount equal to the fair market value of the phantom shares. In 2004, we did not distribute any amounts under this plan. The following table sets forth fees deferred into common shares under the Deferred Compensation and Stock Plan for Trustees in 2004:

Number of Common Shares Credited to Deferred Phantom Share Account

Name	During the Year Ended 12/31/2004	Total (as of 12/31/04)
John E. Anderson	1,105	1,105
William E. Hoglund	1,211	1,211
John J. Pohanka	1,440	1,440

(1) Other annual compensation for each named officer totaled less than \$50,000 and 10% of the total of annual salary and bonus reported for such named officer.

(2) Includes cash portion of annual bonus earned. See Footnote 3 below for portion of executive officers' annual bonus used to purchase phantom shares.

(3) Includes phantom shares credited in lieu of bonus and restricted stock granted, both for performance in the year indicated. Since annual performance of our officers usually cannot be measured until the end of a year, the

phantom shares and restricted stock are typically granted in January of the following year. The restricted stock and phantom shares shown as long-term compensation for 2004, 2003 and 2002 was granted on January 19, 2005, January 22, 2004 and January 15, 2003, respectively. The grant of restricted stock included in 2002 will vest on January 15, 2008, except for Ms. Clements' restricted stock, one-half of which will vest on January 15, 2006 and the remaining half will vest on January 15, 2008. The grant of restricted stock included in 2003 will vest on January 22, 2009. The grant of restricted stock included in 2004 will vest on January 19, 2010. Prior to vesting, executive officers may make a one-time election to defer receipt of the common shares to a future date, provided that the deferred common shares will be distributed to the employee prior to such time, upon the occurrence of certain events, including a change in control of the Company, certain terminations of employment and the employee's death and disability. A holder of restricted stock does not have dispositive or voting power with respect to the restricted stock, but does receive dividends paid on the restricted stock. As presented in the table above, the dollar value of the restricted stock awarded was calculated based on the closing market price of the common shares on the Nasdaq National Market on the date of award, net of the consideration paid by the executive officers of \$.01 per restricted share awarded.

Our Phantom Share Purchase Program requires mandatory and authorizes voluntary purchases of phantom shares upon the deferral of a portion of the executive officers' annual bonus. Under this program, unless otherwise approved by the Compensation Committee, 20% of any annual bonus otherwise payable to an executive officer must be deferred under the Program and the executive officer may elect to defer up to an additional 30% of any annual bonus otherwise payable to him or her. The phantom shares are credited at a price equal to 80% of the fair market value of our common shares on the date of grant. The phantom shares awarded upon the deferral of a portion of annual bonuses generally are paid on the third anniversary from the date of grant. On such date, the phantom shares will be paid to the employee in the form of common shares or, if mutually agreed to between the employee and us, cash. Notwithstanding the foregoing, certain employees can elect to defer payment of the phantom shares to either (i) a later date or (ii) the date the employee terminates employment with the Company or the first January 15 following termination of employment. If the employee's employment with the Company is terminated before the payment date, the employee will be paid the lesser of (i) the amount of the annual bonus deferred or (ii) an amount equal to the number of the phantom shares multiplied by the fair market value of the common shares underlying the phantom shares on the termination date. A holder of phantom shares does not have dispositive or voting power with respect to the phantom shares. However, a holder of phantom shares receives dividend equivalents with respect to the phantom shares that are equal to the value of any dividends paid with respect to our common shares. As presented in the table above, the dollar value of the phantom shares awarded upon the deferral of a portion of annual bonuses was calculated based on the closing market price of the common shares on the Nasdaq National Market on the date of award.

The following table lists the number and dollar value of the restricted stock and phantom shares held by the named officers (excluding restricted stock and phantom shares acquired upon deferral of dividend equivalents, or restricted stock that the person has agreed to defer receipt of until a later date pursuant to a written agreement with us) as of December 31, 2004, including 118,263 restricted shares and 11,791 phantom shares granted to executive officers in January 2005 for performance in 2004.

The following table lists, for each named officer, the percentage of such named officer's annual bonus for 2004, 2003 and 2002 deferred towards the purchase of phantom shares and the number of phantom shares actually purchased.

Employment Agreements

The Partnership has entered into employment agreements with Messrs. Eckert, Kay, Weaver, Ferriero and Ms. Clements. Each agreement currently terminates on January 1, 2007 and provides that the executive officer agrees to devote his full business time to the operation of the Partnership. Each employment agreement permits us to terminate the executive officer's employment with appropriate notice for or without cause.

In general, cause is defined to include:

engaging in dishonesty relating materially to performance of services or obligations contained in the employment agreement;

conviction of, or pleading guilty or no contest to, any misdemeanor (other than minor infractions) involving fraud, breach of trust, misappropriation or other similar activity or any felony;

performance of duties in a grossly negligent manner; or

willful breach of the employment agreement in a manner materially injurious to us.

In addition, executives may resign for good reason, which is generally defined to include:

our failure to comply with such agreement's material terms;

the substantial diminution of responsibilities and duties or, for Mr. Eckert, his involuntary departure from the Board of Trustees;

relocation of our headquarters outside the Washington, D.C., metropolitan area; or

a change of control.

In general terms, a change of control occurs:

if a person, entity or group (with certain exceptions) acquires more than 40% of our then-outstanding voting securities;

if we merge into another entity (unless our prior shareholders have at least 60% of the combined voting power of the securities in the merged entity); or

upon our shareholders approving our liquidation or dissolution or upon the sale or disposition of substantially all of our assets.

Under the employment agreements, if an executive officer's employment ends for any reason, we will pay accrued salary, bonuses already determined, and other existing obligations. If a change of control occurs, we terminate the executive officer's employment without cause or the executive officer resigns for good reason, all of the share options, restricted shares and phantom shares held by the executive officer before such event occurs will become fully vested, and we will be obligated to pay the executive officer:

premiums for the period for group health coverage, if any, to which the executive officer is entitled by law; and

a *pro rata* annual bonus for the year of termination.

If we terminate the executive officer's employment without cause or the executive officer resigns for good reason, we will be obligated to pay the executive officer a lump-sum payment equal to 24 months' salary. If a change of control occurs, we will be obligated to pay the executive officer a lump-sum payment of three times the sum of the executive officer's annual salary plus the most recently established target bonus.

If an employment agreement is not renewed by us on or before January 1, 2007, and we at any time thereafter terminate an executive officer's employment without cause or the executive officer resigns for good reason:

any unvested restricted shares granted prior to or during the executive officer's employment through January 1, 2007 and held by the executive officer before his termination of employment will become vested to the extent of the ratio of the number of days that the executive officer has been employed by the Partnership or Capital Automotive since the date the restricted shares were granted and the total number of days of employment otherwise required for the restricted shares to fully vest (determined separately for each grant); and

any phantom shares granted prior to or during the executive officer's employment through January 1, 2007 and credited to the executive officer before the executive officer's termination of employment will become vested to the extent of the ratio of the number of days that the executive officer had been employed by the Partnership or Capital Automotive since the date the phantom shares were granted and the total number of days of employment otherwise required for the phantom shares to fully vest (determined separately to each grant).

While employed and for a two-year period after employment, Messrs. Eckert, Kay, Weaver, Ferriero, and Ms. Clements have agreed:

not to compete with us by working with or investing in any enterprise that invests primarily in automobile dealerships or automotive-related properties or that provides real estate financing to automobile dealerships or automotive-related businesses; and

not to solicit or endeavor to entice away any of our employees, consultants, contractors or subcontractors, or any lessee or prospective lessee of our properties or properties we are actively considering acquiring.

EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Philosophy. The goal of the Executive Compensation Committee (the Compensation Committee) is to design and administer an executive compensation program to (i) attract and retain qualified executive officers, (ii) reward executive officers for superior performance in achieving our business objectives and enhancing shareholder value, (iii) align the executive officers' interests with those of the shareholders, and (iv) provide incentives for the creation of long-term shareholder value. The key elements of executive compensation are base salary, annual incentive and performance bonuses, and share-based compensation grants. The Compensation Committee reviews and approves our policies and practices regarding executive compensation, including (a) base salary levels, (b) incentive compensation plans and related performance awards, and (c) long-term equity incentives, including awards of restricted shares, phantom shares and common share options. For 2004, the Compensation Committee placed significant emphasis on forms of compensation designed to create a significant and meaningful long-term incentive tied to our long-term growth, financial success, and increasing shareholder value. Our executives receive compensation for their services to both the Partnership and Capital Automotive.

Base Salary Levels. We believe that our base salary levels are reasonably related to the base salary levels of executive officers of comparable real estate investment trusts and other real estate companies. We set base salaries and determined other compensation for 2004 based on those factors. We also believe that the current base salary levels of

our executive officers take into account the unique talents and skills of our executive officers. All executive officers employment agreements have set floors on base salary and other elements of compensation for their contract terms, but the Compensation Committee can increase the base salary at any point. We expect that any such increases will take into account such factors as individual past performance, changes in responsibilities, changes in pay levels of companies deemed comparable by the Compensation Committee, and inflation. The Compensation Committee, however, intends to reward executive officers for their achievements primarily through bonus awards and long-term incentive compensation, as discussed below.

Bonus Awards. We use performance bonuses to reflect the level of involvement and success of our executive officers in advancing corporate goals. The awards earned depend on the extent to which our performance objectives and the individual s performance objectives are achieved. Our objectives consist of operating, strategic and financial goals that are considered to be critical to our fundamental long-term goal of building shareholder value. For fiscal year 2004, these objectives were: (i) achievement of targeted Funds from Operations (as defined below) per share; (ii) attainment of a superior funds from operations multiple and total shareholder return as compared to our peer group; (iii) effective execution of our business strategy; (iv) continued achievement of property acquisitions goals; and (v) progress in certain financial and

administrative activities. In addition, we maintain a Phantom Share Purchase Program (described in greater detail below), under which executive officers defer a portion of their annual bonuses through mandatory and voluntary purchases of phantom shares. This program further aligns the executive officers' interests with those of the shareholders and provides incentives for the creation of long-term shareholder value. The Compensation Committee awarded \$1,575,000 in bonuses to named officers for fiscal year 2004, of which \$315,000 was deferred towards the purchase of phantom shares.

The National Association of Real Estate Investment Trusts (NAREIT) developed Funds from Operations, commonly referred to as FFO, as a relative non-GAAP financial measure of performance and liquidity of an equity REIT in order to recognize that income-producing real estate historically has not depreciated on the basis determined under accounting principles generally accepted in the United States, commonly referred to as GAAP. FFO, as defined under the revised definition adopted in April 2002 by NAREIT and as presented by us, is net income, computed in accordance with GAAP, plus depreciation and amortization of assets unique to the real estate industry, plus minority interest related to income from continuing operations and income from discontinued operations, and excluding gains from the sales of property, and after adjustments for unconsolidated partnerships and joint ventures. FFO does not represent cash flows from operating activities in accordance with GAAP (which, unlike FFO, generally reflects all cash effects of transactions and other events in the determination of net income) and should not be considered an alternative to net income as an indication of our performance or to cash flow as a measure of liquidity or ability to make distributions. We consider FFO a meaningful, additional measure of operating performance because it primarily excludes the assumption that the value of the real estate assets diminishes predictably over time, which is contrary to what we believe occurs with our assets, and because industry analysts have accepted it as a performance measure. Comparison of our presentation of FFO, using the NAREIT definition, to similarly titled measures for other REITs may not necessarily be meaningful due to possible differences in the application of the NAREIT definition used by such REITs.

Long-Term Incentive Compensation. The Compensation Committee believes that the use of equity incentives aligns the interest of executive officers with those of shareholders and promotes long-term shareholder value better than cash compensation alone. The Capital Automotive Group Second Amended and Restated 1998 Equity Incentive Plan, which we refer to as the Plan, provides for grants to Plan participants, including executive officers, of restricted shares, phantom shares, stock appreciation rights, which we refer to as SARs, nonqualified stock options, which we refer to as NQSOs, and incentive stock options, which we refer to as ISOs. The Compensation Committee administers the Plan and approves the awards granted to participants, the type and terms of the awards, the schedule for exercisability or non-forfeitability, the time and conditions for expiration of the awards, and the form of payment upon exercise. The Compensation Committee may make determinations under the Plan that are not uniform as to the participants and that may or may not consider whether participants are similarly situated. The Compensation Committee will continue to look at the total compensation package for each executive officer, and the policies underlying our long-term compensation goals when granting awards under the Plan.

The restricted share and phantom share grants for 2004 performance reflect our compensation philosophy of placing greater emphasis on the long-term compensation component of the compensation program. The Committee believes that such restricted shares align the interests of the executive officers with that of the shareholders by encouraging both share appreciation and dividend growth while at the same time promoting employee retention. On January 19, 2005, the Compensation Committee awarded 118,263 restricted shares to executive officers. These restricted shares will vest on January 19, 2010. The Compensation Committee did not grant SARs, NQSOs or ISOs to executive officers as part of the long-term compensation earned for performance in fiscal year 2004.

In addition, we maintain a Phantom Share Purchase Program that, unless the Compensation Committee determines otherwise, requires mandatory and authorizes voluntary purchases of phantom shares upon the deferral of a portion of an executive officer's annual bonus. Pursuant to this Program, 20% of any annual bonus otherwise payable to an executive officer must be deferred under the Program and the executive officer may elect to defer up to an additional 30% of any annual bonus otherwise payable to him or her. The phantom shares are purchased at a price equal to 80% of the fair market value of our common shares on the

date of grant. Phantom shares generally are paid on the third anniversary from the date of grant. Notwithstanding the foregoing, certain employees can elect to defer payment of the phantom shares to either (i) a later date or (ii) the date the employee terminates employment with the Company or the first January 15 following termination of employment. All of the officers deferred 20% of their 2004 annual bonuses. On January 19, 2005, 11,791 phantom shares were purchased by executive officers under the program.

Compensation of the Chief Executive Officer. The Compensation Committee uses the same procedures described above in setting the annual salary, bonus and long-term incentive compensation of the Chief Executive Officer. In 2004, Mr. Eckert received a base salary of \$450,000 and, as described above, the Compensation Committee approved a 2004 bonus award of \$550,000, 20% of which was deferred towards the purchase of 4,117 phantom shares on January 19, 2005. The Compensation Committee also approved the grant of 47,904 restricted shares to Mr. Eckert in January 2005 for performance in 2004. In doing so, the Compensation Committee considered our successful execution of performance goals, such as achievement of superior growth of funds from operations as compared to our peer group, and similarly, high total shareholder return for the past one, three and five year periods as compared to our peer group, and additional subjective factors such as Mr. Eckert's conception and execution of a successful strategic plan, continued success in acquiring a solid portfolio of automotive dealership properties, maintaining a stable and creditworthy tenant base and income stream, retaining a team of highly-qualified professionals, as well as maintaining overall shareholder confidence.

Compensation Deduction Limit. The Securities and Exchange Commission requires that this report comment on our policy with respect to a special rule under the tax laws, Section 162(m) of the Internal Revenue Code of 1986. That section can limit the deductibility on a Subchapter C corporation's federal income tax return of compensation of \$1.0 million to any of the executive officers. Most public companies are Subchapter C corporations, but we are not, so we describe the difference below.

A company can deduct compensation (including from exercising options) outside that limit if it pays the compensation under a plan that its shareholders approve and that is performance-related and non-discretionary. Option exercises are typically deductible under such a plan if granted with exercise prices at or above the market price when granted. The Compensation Committee's policy with respect to this section is to make every reasonable effort to ensure that compensation complies with Section 162(m), while simultaneously providing our executives with the proper incentives to remain with the Company. We note that Section 162(m) does not affect the Company as directly as it does Subchapter C corporations, because we do not ordinarily pay taxes. Instead, if employees receive compensation under a plan that does not comply with Section 162(m), we might not be able to deduct all of the compensation income from those purchases. That loss of deduction could increase the amount that we must distribute to our shareholders, which might mean we would need to borrow to make distributions. Given the way we administer the incentive plan, we think it is unlikely that this result will occur. We did not pay any compensation with respect to 2004 that would be outside the limits of Section 162(m).

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission (SEC), nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we incorporate it by specific reference.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor. Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor.

Prior to engagement of the independent auditor for the next year's audit, management will submit to the Audit Committee for approval an aggregate of services expected to be rendered during that year for the services listed in the table located on p. 4 above in the *Fiscal 2004 and 2003 Audit Firm Fee Summary*.

Prior to engagement, the Audit Committee pre-approves these services by types of service. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

Pursuant to our Audit Committee Charter, the Audit Committee may delegate, and has on occasion during 2004, delegated, pre-approval authority to the chairman of the Audit Committee, who shall promptly advise the remaining members of the Audit Committee of such approval at the next regularly scheduled meeting.

Review and Discussions with Management and the Independent Auditor. The Audit Committee reviewed and discussed with management and Ernst & Young LLP, our independent auditor, our audited financial statements for the fiscal year ended December 31, 2004, management's assessment of the effectiveness of the company's internal control over financial reporting and Ernst & Young LLP's evaluation of the Company's internal control over financial reporting. The Audit Committee has also discussed with Ernst & Young LLP the matters required to be disclosed by Statement on Auditing Standards (SAS) No. 61, as amended by SAS No. 90, which includes, among other items, matters related to the conduct of the audit of our financial statements.

The Audit Committee has also received written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, as amended (which relates to the auditor's independence from us), and has discussed with Ernst & Young LLP their independence from us. The Audit Committee has determined that the provision of audit related and tax services by Ernst & Young LLP during 2004 is compatible with maintaining Ernst & Young LLP's independence.

Conclusion. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Trustees that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004 for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 1, 2004, we or our subsidiaries, including the Partnership and its subsidiaries, continued to be a party to transactions described in the following paragraphs involving a Trustee, an executive officer or a 5% or greater shareholder (on a fully converted basis). Management believes that such transactions were on terms that were materially no less favorable than those that could have been obtained in comparable transactions with unaffiliated parties. In the aggregate, these related transactions accounted for approximately 6.5% of our rental revenue (including any rental revenue reclassified to discontinued operations) for the year ended December 31, 2004.

In connection with this acquisition, an existing lease for the property dated August 19, 1999 was assumed by Sheehy Waldorf, Inc. from another tenant of the Company. During the first quarter of 2004, we consented to the assignment by Sheehy Auto Stores, Inc. of a lease to an unrelated third-party assignee. The assignee has been the operator of the dealership since we acquired the property in 1998. At the time of the assignment, the annualized rental payments derived from this lease totaled approximately \$354,000. Because we approved the new credit under the lease as assigned, this assignment released Sheehy Auto Stores, Inc. of any liability under the lease, including the payment of rent. The Audit Committee and the Board of Trustees approved the transaction.
