2002 PROXY STATEMENT

QUESTIONS AND ANSWERS

1. Q: WHAT IS A PROXY?

A: A proxy is a document, also referred to as a proxy card (which is enclosed), by which you authorize someone else to vote for you in the way that you want to vote. Comerica's Board of Directors is soliciting this proxy. You may also abstain from voting. All references in this proxy statement to "you" shall mean you, the shareholder, and to "yours" shall mean the shareholder's or shareholders', as appropriate.

2. Q: WHAT IS A PROXY STATEMENT?

A: A proxy statement is the document the United States Securities and Exchange Commission (the "SEC") requires to explain the matters on which you are asked to vote on the proxy card. This proxy statement and accompanying proxy card were first mailed to the shareholders on or after April 18, 2002.

3. Q: WHO CAN VOTE?

A: Only holders of Comerica's common stock at the close of business on March 27, 2002, the Record Date, can vote at the annual meeting. Each shareholder of record has one vote for each share of common stock owned, on each matter presented for a vote at the meeting.

4. Q: HOW CAN I VOTE?

A: You can vote in person, by telephone, by the internet, or by proxy. To vote by proxy, sign, date and return the enclosed proxy card. To vote by using the automated telephone voting system or the internet voting system, you must hold your shares in your name, and not in the name of a broker, dealer, bank or other third party, and you must follow the instructions on the enclosed proxy card. If you return your signed proxy card to Comerica before the annual meeting, the persons named as proxies on the card will vote your shares as you directed. You may revoke a proxy at any time before the proxy is exercised by:

- (1) giving written notice of revocation to the Corporate Secretary of Comerica at the address listed in the third paragraph of the Notice of Annual Meeting of Shareholders;
- (2) submitting another proxy that is properly signed and later dated;
- (3) voting in person at the meeting (but only if the shares are registered in Comerica's records in your name and not in the name of a broker, dealer, bank or other third party);
- (4) if you previously voted by telephone, by voting by telephone at a subsequent time; or
- (5) if you previously voted by the internet, by voting by the internet at a subsequent time.

5. Q: WHAT IS A QUORUM?

A: There were 178,735,252 shares of Comerica's common stock outstanding on the Record Date. A majority of the outstanding shares, or 89,367,627

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

shares, present or represented by proxy, constitutes a quorum. A quorum must exist to conduct business at the annual meeting.

6. Q: HOW DOES VOTING WORK?

A: If a quorum exists, each director must receive the favorable vote of a majority of the shares voted, excluding abstentions and broker non-votes.

A broker non-vote is a proxy a broker submits that does not indicate a vote for some or all the proposals because, under applicable regulations, the broker does not have discretionary voting authority on the proposals, and the broker did not receive your instructions as to how to vote on those proposals.

Comerica will vote properly executed proxies it receives prior to the meeting in the way you direct. If you do not specify instructions, the shares represented by those properly executed proxies will be voted to elect the nominees for Class III Directors. No other matters are currently scheduled to be presented at the meeting.

An independent third party acts as the inspector of the meeting and the tabulator of votes.

7. Q: WHO PAYS FOR THE COSTS OF THE MEETING?

A: Comerica pays the cost of preparing and printing the Proxy Statement and soliciting proxies. Comerica will solicit proxies primarily by mail, but may also solicit proxies personally and by telephone, the internet, facsimile or other means. Comerica will use the services of Georgeson & Company, Inc., a proxy solicitation firm, at a cost of \$9,000 plus out-of-pocket expenses and fees for any special services. Officers and regular employees of Comerica and its subsidiaries may also solicit proxies, but they will not receive additional compensation for soliciting proxies, nor will their efforts result in more than a minimal cost to Comerica. Comerica also will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding solicitation materials to beneficial owners of Comerica's common stock.

8. Q: WHEN ARE THE SHAREHOLDER PROPOSALS FOR THE 2003 ANNUAL MEETING DUE?

A: All shareholder proposals to be considered for inclusion in next year's proxy statement must comply with Comerica's bylaws and be submitted in writing to the Corporate Secretary, Comerica Incorporated, Comerica Tower at Detroit Center, 500 Woodward Avenue, MC 3391, Detroit, Michigan 48226, by December 19, 2002.

Under Comerica's bylaws, shareholders of Comerica must provide advance notice to Comerica if they wish to nominate persons for election as directors or propose items of business at an annual meeting of Comerica's shareholders. For the 2003 Annual Meeting of Shareholders, you must deliver this notice no later than the close of business on February 20, 2003 nor earlier than the close of business on January 21, 2003. If, however, Comerica moves the annual meeting of shareholders for a date (a "moved annual meeting date") that is more than 30 days before or more than 60 days after the date which is the one year anniversary of this year's annual meeting date (i.e. May 21, 2003), Comerica must receive your notice not earlier than the close of business on the 120th day prior to such moved annual meeting date and not later than the close of business on the later of the 90th day prior to such moved annual meeting date or the 10th day following the day on

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

which Comerica first made a public announcement of such moved annual meeting date. If Comerica increases the number of directors to be elected to the Board at the annual meeting and there is no public announcement naming all of the nominees for director or specifying the size of the

2

increased Board at least 100 days prior to the first anniversary of the immediately preceding year's annual meeting, then Comerica will consider your notice timely (but only with respect to nominees for any new positions created by such increase), if Comerica receives your notice not later than the close of business on the 10th day following the day on which Comerica first makes the public announcement of the increase in the number of directors.

3

ELECTION OF DIRECTORS

ELECTION OF DIRECTORS. Comerica's Board of Directors is divided into three classes, with each class of directors elected to a three-year term of office. There are currently 23 members of the Board of Directors.

At each annual meeting of shareholders, you elect one class of directors for a three-year term to succeed the class of directors whose term of office expires at that meeting. This year you are voting on seven candidates for the Class III Directors. Based on the recommendation of the Directors Committee, the Board has nominated the current Class III Directors for election: Joseph J. Buttigieg, III, J. Philip DiNapoli, Roger Fridholm, Wayne B. Lyon, Alfred A. Piergallini, Patricia M. Wallington and Gail L. Warden. Each of the nominees has consented to his or her nomination and has agreed to serve as a director of Comerica if elected.

If any director is unable to stand for re-election, Comerica may vote the shares to elect any substitute nominees recommended by the Directors Committee. If the Directors Committee does not recommend any substitute nominees, the number of directors to be elected at the annual meeting may be reduced by the number of nominees who are unable to serve.

Further information regarding the Board and these nominees begins directly below.

COMERICA'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THESE DIRECTORS.

In the event that the committee convenes, the committee's members are Comerica's Chairman, President and a minimum of five non-employee directors who are available at the time. The Executive Committee did not meet during 2001 because it was not necessary. The Board or other appropriate committees managed Comerica's business and affairs during 2001.

7

AUDIT AND LEGAL COMMITTEE. As provided in its written charter, this committee consists of members, who are outside directors and who meet the independence and experience requirements of applicable rules of the New York Stock Exchange. This committee is responsible for review and recommendations regarding Comerica's significant litigation, the review of programs and procedures designed to avoid conflicts of interest and to promote compliance with laws, regulations and corporate policy and the investigations of any suspected improprieties, as well as matters referred to in this Proxy Statement under "Audit and Legal Committee Report." The Audit and Legal Committee met four times in 2001.

COMPENSATION COMMITTEE. This committee establishes Comerica's executive compensation policies and programs, administers Comerica's 401(k), stock, incentive, pension and deferral plans and monitors compliance with laws and regulations applicable to the documentation and administration of Comerica's employee benefit plans. The Compensation Committee met six times in 2001.

Among its various duties, this committee reviews and recommends Board members, develops and administers performance criteria for members of the Board, and establishes the size of the Board, its committee structure and assignments, and the conduct and frequency of Board meetings. The committee also administers Comerica's Stock Option Plan for Non-Employee Directors and Comerica's Stock Option Plan for Non-Employee Directors of Comerica's affiliated banks. The Directors Committee met once during 2001.

PUBLIC RESPONSIBILITY COMMITTEE. This committee monitors Comerica's performance under the Community Reinvestment Act and Affirmative Action and Diversity programs. the operation and performance of common trust funds and collective funds. This committee also approves the designation of other banks not affiliated with Comerica as depositories of funds awaiting investment or other disposition. The Trust and Investment Committee met three times during 2001.

BOARD AND COMMITTEE MEETINGS. There were six regular and three special meetings of the Board and twenty-two meetings of the various committees of the Board during 2001. All director nominees and incumbent directors attended at least seventy-five percent of the aggregate number of meetings held by the Board and by all the committees of the Board on which the respective directors served.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee was a former officer or is a current officer or employee of Comerica or any of its subsidiaries. Eugene A. Miller, Chairman of Comerica, serves on the Organization and Compensation Committee of DTE Energy, Inc. Anthony F. Earley, Jr., a director of Comerica, is Chairman and Chief Executive Officer of DTE Energy, Inc. Ralph W. Babb, Jr., President and Chief Executive Officer of Comerica, serves on the Governance and

8

Executive Compensation Committee of Tecumseh Products Company. Todd W. Herrick, a director of Comerica, is President and Chief Executive Officer of Tecumseh Products Company.

COMPENSATION OF DIRECTORS

FEES. Directors who are employees of Comerica do not receive additional compensation for their service on the Board and its committees. During 2001, non-employee directors received an annual retainer of \$50,000. Comerica requires non-employee directors to defer at least fifty percent of their annual retainer under a deferred compensation plan. The compensation deferred earns a return based on the return of Comerica common stock. At the end of the deferral period, Comerica pays the deferred compensation to the directors in Comerica common stock. The chairman of each committee received an additional annual retainer of \$5,000. Comerica also reimburses directors for all expenses incurred for the purpose of attending Board and committee meetings.

STOCK OPTION PLAN. Comerica has a stock option plan for non-employee directors, under which a total of 375,000 shares of common stock may be issued as options. On the date of Comerica's annual meeting of shareholders, Comerica grants each non-employee director an option to purchase 2,500 shares of common stock of Comerica. The exercise price of each option is the fair market value of each share of common stock on the date the option is granted. Options become exercisable one year after the date of the grant and expire ten years after the grant date.

Comerica also has a stock option plan for non-employee directors of its affiliated banks (the "Bank Directors' Option Plan"), under which a total of 450,000 shares of common stock of Comerica may be issued as options. Any current Comerica director who previously was a non-employee director of an affiliated bank received options under the Bank Directors' Option Plan during the period that the non-employee director served on the board of the affiliated banks.

INSURANCE. Comerica provides a \$150,000 business travel, accidental death and dismemberment insurance benefit for each non-employee director and maintains directors' and officers' liability insurance policies with a total limit of \$60 million. The following companies participate: Federal Insurance Company (a member of the Chubb Group), Zurich Insurance Company and Liberty Mutual Insurance Company.

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

RETIREMENT PLANS FOR DIRECTORS

Until May 15, 1998, Comerica and Comerica Bank, its wholly-owned subsidiary, each had a retirement plan for non-employee directors who served at least five years on the Board. The plans terminated on May 15, 1998, and benefit accrual under the plans froze on the same date. Any non-employee director of either Comerica or Comerica Bank as of May 15, 1998 has vested benefits under the plans. Any director who becomes a non-employee director of either Comerica or Comerica Bank, on or after May 15, 1998, is not eligible to participate in the plans. The non-employee directors who became members of the Board of Comerica in the year 2001, but who became directors of Comerica Bank prior to May 15, 1998, are covered by the Comerica Bank retirement plan.

Benefits under the plan become payable when the director reaches age 65 or retires from the board, whichever occurs later. Payments may commence prior to the director's 65th birthday if he or she retires from the Board due to illness or disability.

Under the plans, Comerica or Comerica Bank, as appropriate, accrued one month of retirement income credit for each month of service as of May 15, 1998, up to a maximum of one hundred twenty months, on behalf of each eligible director. Upon retirement, an eligible director receives a monthly retirement benefit equal to one-twelfth of the annual retainer fee in effect for directors as

9

of May 15, 1998. The eligible director receives retirement benefits for the total number of months, as of May 15, 1998, the director has accrued retirement income credit, but payments terminate upon the director's death.

In addition, Comerica calculated the market value using the closing price of Comerica's common stock of \$57.30 per share on December 31, 2001. As of December 31, 2001, each of the named executive officers held the following number of shares of common stock ("restricted stock"), which the named executive officer may forfeit if he does not remain an employee for the term established by Comerica: Eugene A. Comerica pays the award to each of the named executive officers in cash and fifty percent of the award automatically is invested in shares of non-transferable common stock. If the participant defers the award, one hundred percent of deferred awards are deemed invested in Comerica common stock and are paid out in common stock. Executives may not transfer stock awarded through this program until the executive's employment with Comerica terminates ("non-transferable stock"). On March 26, 2002, each of the following named executive officers received non-transferable stock pursuant to his 2001 incentive award: Eugene A. Miller, 13,454 shares; Ralph W. - (1) Participants earn long-term awards under the Management Incentive Plan based upon Comerica's attainment of specified objectives established by the Compensation Committee in relation to Comerica's average return on common equity and earnings per share growth during the three year performance period. Comerica pays the award in cash and fifty percent of the award is automatically invested in non-transferable shares of Comerica's common stock, unless the participant defers the award. One hundred percent of the deferred awards are deemed invested in Comerica common stock and are paid out in common stock.
- (2) Each year Comerica determines the amount necessary to fund long-term awards under the Management Incentive Plan for the upcoming year. The maximum stated for each named executive officer represents the maximum amount which could be funded for each named executive based upon the achievement of the performance criteria under the plan and on such executive officer's organizational level and base salary. The Compensation Committee may use its discretion to reduce the payment to the named executive officer based on individual performance for the previous three performance years. As a result, an individual's award may be less than the maximum stated in the table above for the named executive officer.

DEFINED BENEFIT PENSION PLAN BENEFITS

Comerica maintains the Comerica Incorporated Retirement Plan (2000 Amendment and Restatement), a tax-qualified defined benefit pension plan (the "Pension Plan"). The Pension Plan is a consolidation of the former Manufacturers National Corporation Pension Plan (the "Manufacturers Plan") and the Comerica Incorporated Retirement Plan (the "Comerica Plan") and pension plans of other companies acquired by Comerica (the "Acquired Companies' Plans"). Participants who retire under the Pension Plan receive a pension based on a formula which takes into consideration final average compensation and years of service, including years of service credited under the Manufacturers Plan, the Comerica Plan or the Acquired Companies' Plan applicable to the former participants of these plans.

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

As of December 31, 2001, under the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), the maximum annual pension that any participant, including any named executive officer, may receive under a qualified defined benefit plan is \$140,000. The maximum annual compensation of any participant which Comerica can consider in computing a pension under a qualified plan is \$170,000. To the extent that Tables I, II and III reflect an annual pension greater than \$140,000, or compensation above \$170,000, Comerica will pay the participant, including any named executive officer, the additional amount under a non-qualified plan maintained by Comerica.

Table I below provides estimates of the amounts payable as an annual pension using various levels of final average compensation and years of service credited under the Pension Plan in 1994 and later years. Comerica calculated the amounts shown in Table I without applying the limitations under the Internal Revenue Code which are discussed above and which apply to the Pension Plan.

** Effective January 1, 2000, the Compensation Committee amended the Pension Plan to provide a funding mechanism for retirees terminating employment after January 1, 2000 to purchase additional health care insurance. This is a level benefit to all employees and is not based on final compensation. Instead, it provides \$3 per "point" for each year of service and age for those who retire prior to their normal social security retirement date, and \$1.50 per "point" for each year of service and age after their normal retirement age. Eligibility is based on the employee either being at age 60 with 10 years of service or at age 55 or later when an employee accumulates 80 points (for example, age 55 and 25 years of service, which would result in an annual payment of \$240 until the normal social security retirement date, and of \$120 thereafter).

last 10 years of employment.

The estimated years of service credited under the Pension Plan for each of the named executive officers as of April 18, 2002 are as follows: Eugene A. Miller, 35 years; John D. Lewis, 31.5 years; Ralph W. Babb, Jr., 6.8 years; Joseph J. Buttigieg, III, 30 years and John R. Beran, 6.9 years. The years of service credited to Messrs. Miller and Lewis include the following years of service credited under the Comerica Plan for which a past service pension is payable under the Pension Plan: Mr. Miller, 35 years; and Mr. Lewis, 23.5 years. The years of service credited to Mr. Buttigieg include the following years of service credited under the Manufacturers Plan for

19

which a past service pension is payable under the Pension Plan: Mr. Buttigieg, 21.5 years. In addition, Comerica has contractually agreed to pay Mr. Babb additional pension amounts to equalize the effects of his earlier departure with his previous employer. A description of Mr. Babb's agreement is described under the section captioned "Employment Contracts and Severance Agreements" in this Proxy Statement.

Under the Pension Plan, a participant who is unmarried at the time he or she retires generally receives a pension in the form of a straight life annuity, the annual amounts of which are listed in the tables above. A participant who is married at the time he or she retires generally receives a pension in the form of a joint and 50% survivor annuity, the amount of which is actuarially equivalent to the straight life annuity. The pension amounts appearing in the Pension Plan Tables assume that retirement will occur at the normal retirement age of 65.

EMPLOYMENT CONTRACTS AND SEVERANCE AGREEMENTS

EUGENE A. MILLER is a party to an employment agreement with Comerica. The agreement provides, unless Mr. Miller and Comerica agree otherwise, that Mr. Miller will serve as Chairman of the Board and Chief Executive Officer of Comerica through June 30, 1999. This agreement extended automatically to Mr. Miller's 65th birthday, which is on September 21, 2002. Mr. Miller voluntarily relinquished the title of President and Chief Executive Officer to Ralph W. Babb, Jr. effective January 1, 2002. The Change of Control Agreement, described below, supersedes this agreement if there is a change of control as defined in the Change of Control Agreement.

Mr. Miller has announced publicly his intention to retire in the month of his 65th birthday (September 2002). As of January 1, 2002, Mr. Miller continues to serve as Chairman of Comerica, but no longer serves as President and Chief Executive Officer. Mr. Babb serves in these positions and Comerica has announced that Mr. Babb will also serve as Chairman upon Mr. Miller's retirement.

During the term of his employment agreement, Comerica pays Mr. Miller a base salary and annual bonus payments in amounts determined by the Compensation Committee as commensurate with his position and performance. He also is eligible for option grants and restricted stock awards under Comerica's Long-Term Incentive Plan. These grants and awards also will be commensurate with his position and performance. In addition, Mr. Miller is eligible to participate in all of Comerica's executive compensation plans for senior executives which are in effect during the term of the employment agreement and in any employee benefit plans which Comerica maintains.

If Comerica terminates Mr. Miller's employment without cause, or Mr. Miller resigns for good reason, or Comerica causes Mr. Miller's employment agreement to expire prior to his 65th birthday, Mr. Miller will receive the following

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

principal benefits:

- three times his annual base salary plus an amount equal to his average annual bonus during the three-year period prior to the termination of his employment, which will be paid in quarterly installments over a three-year period;
- accelerated vesting of any unexercised stock options;
- the early lapse of restrictions on previously awarded shares of restricted stock;
- continuation of health and accident insurance coverages for Mr. Miller and his wife for their lifetimes unless Mr. Miller receives comparable coverages from another source;
- continuation of his life insurance coverage for three years; and
- commencing at the end of the three year payment period referred to above, a payment in the form elected by Mr. Miller under Comerica's defined benefit pension plan and excess

20

benefit plan, in an amount equal to the excess of (a) the retirement benefits Mr. Miller would have received under the plans if he continued to work until age 65, over (b) the retirement benefits he actually accrued under the plans.

If Mr. Miller's employment is terminated less than three years before his 65th birthday, Comerica will pro-rate the amount payable in connection with his salary for the time period remaining until he reaches age 65. If Mr. Miller's employment terminates for any of the reasons referred to above, the employment agreement also provides that Comerica will use its best efforts, subject to the fiduciary duties of the Board, to nominate Mr. Miller as a director for the remainder of his life or until he reaches the mandatory retirement age for members of the Board.

If Mr. Miller retires, resigns without a good reason, or if his employment terminates because of disability or death, or if Comerica terminates Mr. Miller's employment for cause, Mr. Miller will receive his annual base salary to the date of termination, and fringe benefits and life, health, disability and accident insurance to the date of termination.

If any payment to Mr. Miller under the employment agreement is subject to an excise tax under Section 4999 of the Internal Revenue Code, Mr. Miller will receive an additional payment so that the amount he receives equals the amount he would receive under the agreement if an excise tax was not imposed.

RALPH W. BABB, JR. is a party to a Supplemental Pension and Retiree Medical Agreement with Comerica. Comerica will provide Mr. Babb with a supplemental pension to equalize the effect his earlier departure from his previous employer had on his pension. In addition, Comerica will provide Mr. Babb and his spouse with retiree medical and accidental insurance coverage for his or her lifetime on a basis no less favorable than such benefits are provided to them as of the date of the agreement.

CHANGE OF CONTROL AGREEMENTS

Each named executive officer is a party to a change of control employment agreement with Comerica. These agreements become effective only in the event of

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

a change of control as defined in the agreement.

The agreement is for an initial three-year period (the "Agreement Period"), commencing on the date the executive and Comerica sign the agreement, and is extended automatically at the end of each year for an additional one year unless Comerica delivers written notice to the named executive officer, at least sixty days prior to the annual renewal date, that his agreement will not be extended. Comerica intends that the Agreement Period will always be three years.

If a change of control of Comerica occurs during the Agreement Period, the employment period begins and Comerica will continue the executive's employment for a period of thirty months from the date of the change of control. During this employment period:

- The executive's position and duties will be at least commensurate with the most significant duties held by him during the 120 day period prior to the date of a change of control.
- Comerica will assign the executive an office at the location where he was employed on the date the change of control occurred or an office less than 60 miles from such office.
- Each executive will receive a monthly base salary equal to or greater than the highest monthly base salary he earned from Comerica during the twelve month period prior to the date of the change of control, and an annual cash bonus at least equal to the highest bonus he earned during any of the last three fiscal years prior to the date the change of control occurred. (Comerica will annualize the amount of the bonus earned by the executive during any of these years if the executive was not employed by Comerica for the entire three-year period.)

21

- The executive also will be eligible to receive annual salary increases and to participate in all of Comerica's executive compensation plans and employee benefit plans, including health, accident, disability and life insurance benefit plans, at least equal to the most favorable of those plans which were in effect at any time during the 120 day period preceding the effective date of his agreement.

If the executive dies or becomes disabled during the employment period, he or his beneficiary will receive accrued obligations, including salary, pro rata bonus, deferred compensation and vacation pay, and death or disability benefits.

The agreement also provides severance benefits to the executive if Comerica terminates his employment for a reason other than cause or disability or if he resigns for good reason during the employment period. Good reason under the agreement includes termination of the agreement by the executive for any reason during the 30-day period immediately following the first anniversary of the change of control. If the executive becomes entitled to receive severance benefits under his agreement, he will receive in addition to other benefits:

- any unpaid base salary through the date of termination;
- a proportionate bonus based upon the highest annual bonus he earned during any of the last three fiscal years prior to the effective date of his agreement or during the most recently completed fiscal year;
- an amount equal to three times his annual base salary;
- an amount equal to three times the highest annual bonus he earned during

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

any of the last three fiscal years prior to the effective date of his agreement or during the most recently completed fiscal year;

- payment under Comerica's defined benefit pension plan and any excess benefit plan in which he participates, in an amount equal to the excess of: (a) the retirement benefits he would receive under the plans if he continued to receive service credit for three years after the date his employment was terminated, over (b) the retirement benefits he actually accrued under the plans;
- continuation of health, accident, disability and life insurance benefits for three years after his employment terminates, unless he becomes eligible to receive comparable benefits during the three-year period; and
- payment of any legal fees and expenses reasonably incurred by him to enforce his rights under the agreement.

If the Internal Revenue Service subjects any payment to the executive under the change of control employment agreement to an excise tax under Section 4999 of the Internal Revenue Code, the executive will receive an additional payment so that the amount he receives equals the amount he would receive under the agreement if an excise tax was not imposed. However, this additional payment will not be made to the executive unless the payment exceeds 110% of the payments that could have been made to him without the imposition of an excise tax.

The executive will also receive any benefits he may have under any other agreement with, or benefit plan or arrangement of, Comerica.

COMPENSATION COMMITTEE REPORT

Comerica establishes the annual compensation for the Chairman and its President and Chief Executive Officer based on the recommendation of the Compensation Committee to the Board of Directors. The Compensation Committee reviews and approves the annual compensation for Comerica's Vice Chairmen, Executive Vice Presidents, and other officers of the management team based on the recommendations of management. All members of this committee are non-employee directors.

COMPENSATION PHILOSOPHY

Comerica designed its compensation program to attract, motivate, reward and retain superior executive talent. The program emphasizes performance-based compensation and encourages long-term strategic decision making.

The principal components of the executive compensation program are base salaries, annual and long-term management incentive awards and long-term stock incentive awards.

In determining appropriate levels of compensation for the Chairman, President

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

and Chief Executive Officer, Vice Chairmen, Executive Vice Presidents, and other officers of the management team, the Compensation Committee evaluates: (1) individual performance, and (2) Comerica's performance and compensation levels in relation to its "peer group," currently consisting of 18 bank holding companies, which the Compensation Committee has determined are comparably structured relative to business focus and size. The "peer group" may change from year to year depending on changes in the marketplace and Comerica's business and strategic focus.

As a member of the Keefe-50 Bank Index, key competitors in our "peer group" are included in the Keefe-50 Bank Index used below in Comerica's performance graph.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Comerica's Board of Directors relies upon its Chief Executive Officer to provide effective leadership and execute a successful business plan for the entire organization. Other key measures of the Chief Executive Officer's performance include development of the senior managers of Comerica and their leadership role in their communities.

Subject to the Board's approval of his annual compensation, the Compensation Committee established Mr. Miller's 2001 base salary, management incentive award, stock option grants and restricted stock awards in amounts commensurate with his performance and position. This is done in accordance with Comerica's compensation philosophy described above and in accordance with the terms of Mr. Miller's employment agreement discussed in this Proxy Statement under the heading "Employment Contracts and Severance Agreements."

BASE SALARIES

In the fourth quarter of 2000, Comerica's Compensation Committee, with assistance from an outside compensation consultant, conducted a review of the competitiveness of Comerica's executive compensation program. The Compensation Committee adjusts salaries to an

23

appropriate level based on performance and contribution to the organization's success, and accordingly, adjusted Mr. Miller's base salary to bring it to a competitive level.

MANAGEMENT INCENTIVE PLAN

Comerica maintains a Management Incentive Plan for executive officers which provides for incentives driven by Comerica's return on equity and earnings per share growth in relation to Comerica's "peer group."

Accordingly, the 2001 management incentive awards for the named executive officers including Mr. Miller, were based on Comerica's 2001 adjusted return on equity of 18.03 percent, which placed Comerica at number five among its "peer group," and Comerica's adjusted earnings per share growth of 6.96 percent which placed Comerica at number ten among its "peer group." For all senior officers, except the named executive officers, a portion of the annual incentive funding under the Management Incentive Plan is tied to the achievement of non-financial goals, determined by the Compensation Committee at the beginning of each performance period.

Upon determination of Comerica's performance in relation to the "peer group," the Compensation Committee established a pool of awards for distribution under the incentive plan. The distribution of individual awards to the executive officers and the other participants in the program is based on corporate

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

performance, individual performance and individual levels of responsibility within Comerica.

Mr. Miller's 2001 annual award under the Management Incentive Plan reflects Comerica's return on equity performance and earnings per share growth, which is calibrated based on Comerica's performance and comparison to the "peer group." Mr. Miller's award under the plan is also subject to the terms of his employment agreement.

To reward consistently achieved performance over a three year period, the Management Incentive Plan provides for an additional award to be paid based on Comerica's average return on equity and earnings per share growth for the most recent three year period relative to its "peer group." The three year earnings per share growth component will be phased in over a three year period. For 2001, three year return on equity is weighted ninety percent and annual earnings per share growth is weighted ten percent. Comerica pays the award to each of the named executive officers in cash and fifty percent of the award automatically is invested in shares of non-transferable common stock. If the senior officer defers the award, one hundred percent of deferred awards are deemed invested in Comerica common stock and are paid out in common stock. Comerica attaches a non-transferability restriction to the stock grant which precludes the recipient from disposing of the stock prior to retirement or other termination of employment. The stock portion of the three year award serves to further align the interests of Comerica's senior officers with those of the shareholders.

Comerica's adjusted average return on equity of 19.66 percent for the three year period from 1999 through 2001 ranked third among the "peer group." Comerica's adjusted average earnings per share growth of 6.96 percent ranked tenth among the "peer group."

STOCK-BASED AWARDS

Comerica's key officers and employees, including all of its named executive officers, are eligible to receive stock-based awards under Comerica's Long-Term Incentive Plan. The plan's objective is to align the interests of Comerica's key officers and employees with those of its shareholders.

Awards in 2001 consisted of stock option grants with exercise prices equal to the fair market value of Comerica's common stock on the grant date. Because executives and other employees receive value from stock option grants only in the event of stock price appreciation, the Compensation Committee believes stock options are a strong incentive to improve long term financial performance and increase shareholder value.

24

Grants of stock options to the named executive officers, including Mr. Miller, are allocated from a pool of options which is created each year based on: (1) Comerica's overall performance, and (2) a percentage of each officer's base salary. Each named executive officer's grant from the stock pool is based on the Compensation Committee's assessment of his or her individual performance, levels of responsibility and contributions to Comerica.

STOCK OWNERSHIP GUIDELINES

Comerica has stock ownership guidelines which encourage senior officers to own a significant number of shares of Comerica's common stock. The stock ownership targets require Comerica's senior officers to own a number of shares with a value equal to the senior officer's annual base salary times a certain multiple. Comerica encourages its senior officers to achieve the targeted stock ownership levels within five years of being promoted to the applicable senior officer position. As of December 31, 2001, the Chairman, President and Chief Executive

Edgar Filing: COMERICA INC /NEW/ - Form DEF 14A

Officer, Vice Chairmen and all Executive Vice Presidents met their respective stock ownership targets.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

The Compensation Committee's objective is to structure Comerica's executive compensation programs to maximize the deductibility of executive compensation under the Internal Revenue Code. However, the Compensation Committee reserves the right in the exercise of its business judgment to establish appropriate compensation levels for executive officers that may exceed the limits on tax deductibility established under Section 162(m) of the Internal Revenue Code.

AUDIT AND LEGAL COMMITTEE REPORT

The Audit and Legal Committee (the "Audit Committee") oversees Comerica's financial reporting process on behalf of the Board of Directors and is comprised of all outside directors who are independent within the meaning of, and meet the experience requirements of, the applicable rules of the New York Stock Exchange. Management has primary responsibility for the financial statements, reporting processes and system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements included in Comerica's Annual Report on Form 10-K with management and the independent auditor, including a discussion of the quality, not just the acceptability, of the accounting principles, reasonableness of significant judgments, and clarity of disclosures in the financial statements.

In the performance of its oversight function, the Audit Committee reviewed with the independent auditor such matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States, including Statement on Auditing Standards

26

No. 61, Communication With Audit Committees. Further, the Audit Committee has received and reviewed the written disclosures and the letter from the independent auditor required by Independence Standard No. 1, Independence Discussions With Audit Committee, as amended, by the Independence Standards Board. In addition, the Audit Committee discussed with the independent auditors their independence from management and Comerica, and reviewed and considered whether the provision of non-audit services and receipt of certain compensation by the independent auditors are compatible with maintaining the auditors' independence.

In reliance on the reviews and discussions referred to above and such other considerations as the Audit Committee determined to be appropriate, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in Comerica's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the SEC.

The Audit Committee has recommended, and the Board of Directors has approved, the selection of Ernst & Young LLP ("Ernst & Young") as Comerica's independent auditor.

SHAREHOLDER PROPOSALS

If you would like Comerica to consider a proposal for inclusion in Comerica's Proxy Statement for the 2003 Annual Meeting of Shareholders, you must ensure that Comerica receives the proposal no later than December 19, 2002, and that you have complied with Comerica's bylaws. Proposals must comply with applicable laws and regulations and you must mail the proposal to Comerica by certified or registered mail to the Corporate Secretary, Comerica Incorporated, Comerica Tower at Detroit Center, 500 Woodward Avenue, MC 3391, Detroit, Michigan 48226.

Under Comerica's bylaws, shareholders of Comerica must provide advance notice to Comerica if they wish to nominate persons for election as directors or propose items of business at an annual meeting of Comerica's shareholders. For the 2003 Annual Meeting of Shareholders, you must deliver this notice no later than the close of business on February 20, 2003 nor earlier than the close of business on January 21, 2003. If, however, Comerica moves the annual meeting of shareholders for a date (a "moved annual meeting date") that is more than 30 days before or more than 60 days after the date which is the one year anniversary of this year's annual meeting date (i.e. May 21, 2003), Comerica must receive your notice not earlier than the close of business on the 120th day prior to such moved annual meeting date and not later than the close of business on the later of the 90th day prior to such moved annual meeting date or the 10th day following the day on which Comerica first made a public announcement of such moved annual meeting date. If Comerica increases the number of directors to be elected to the Board at the annual meeting and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board at least 100 days prior to the first anniversary of the immediately preceding year's annual meeting, then Comerica will consider your notice timely (but only with respect to nominees for any new positions created by such increase), if Comerica receives your notice not later than the close of business on the 10th day following the day on which Comerica first makes the public announcement of the increase in the number of directors.

In the case of a special meeting of shareholders called for the purpose of electing directors, your written notice must be delivered not later than the close of business on the 10th day following the day on which Comerica mails notice or makes public disclosure of the date of the special meeting, whichever occurs first. You may receive a copy of Comerica's bylaws specifying the advance notice requirements by making a written request to the Corporate Secretary of Comerica.
