The Reporting Persons consider their equity position to be for investment purposes. Except as set forth in this Item 4, none of the Reporting Persons have any present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the willingness of the Issuer's management and Board of Directors to meet with and consider suggestions of the Reporting Persons, the Issuer's financial position and business strategy, the price levels of the shares of the Issuer's Common Stock, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate subject to compliance with applicable law, including, without limitation, communicating and meeting with other significant shareholders of the Issuer, making proposals to the Issuer concerning changes to the capitalization, organizational documents, ownership structure, management and/or board composition or operations of the Issuer, purchasing additional shares of the Issuer's Common Stock, selling some or all of their shares of the Issuer's Common Stock, making an offer to purchase the Issuer, encouraging the sale of the Issuer or other fundamental corporate
