Item 1.01 Entry into a Material Definitive Agreement.

On August 27, 2007, Inverness Medical Innovations, Inc., a Delaware corporation (Inverness), Milano Acquisition Corp., a Delaware corporation and wholly owned subsidiary of Inverness, and Matritech, Inc., a Delaware corporation (Matritech), entered into an Asset Purchase Agreement (the Asset Purchase Agreement), pursuant to which Inverness has agreed to acquire substantially all of the assets of Matritech (the Asset Purchase).

The completion of the Asset Purchase is subject to various closing conditions, including obtaining the approval of Matritech shareholders.

At the closing of the Asset Purchase (the Closing), Inverness will issue shares of its common stock to Matritech having an aggregate market value of \$36 million (based on the weighted average closing price of Inverness common stock for the consecutive 10-trading day period ending on the second trading day immediately preceding the Closing). In addition, Inverness has agreed to pay up to an additional \$2 million to Matritech in the event that the revenue generated by the assets to be acquired in the Asset Purchase meets or exceeds targets specified in the Asset Purchase Agreement during the twelve-month period beginning with the first full calendar month following the Closing. Inverness may make the additional payment, if any, in cash or Inverness common stock.

If the Asset Purchase Agreement is terminated under certain circumstances specified in the Asset Purchase Agreement, Matritech will be required to pay Inverness a termination fee of \$1.08 million.

The Boards of Directors of Inverness and Matritech have approved the Asset Purchase and the Asset Purchase Agreement.

The foregoing description of the Asset Purchase Agreement is qualified in its entirety by reference to the full text of the Asset Purchase Agreement. A copy of the Asset Purchase Agreement is attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Asset Purchase Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Inverness or Matritech. In particular, the assertions embodied in the representations and warranties contained in the Asset Purchase Agreement are qualified by information in confidential disclosure schedules provided by Inverness and Matritech to each other in connection with the signing of the Asset Purchase Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Asset Purchase Agreement.
