PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the Company) submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 20, 2006 will be entitled to one vote for each share of Common Stock registered in such shareholder's name. As of October 20, 2006, the Company had outstanding 6,227,335 shares of Common Stock. The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company's shareholders commencing on or about November 8, 2006.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time prior to the voting thereof by written notice of revocation given to the Secretary of the Company.

Unless otherwise directed, all proxies will be voted FOR the election of the individuals nominated to serve as director and FOR the other proposal. The directors will be elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the nominees receiving the two largest numbers of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast against a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

Director Whose Term

Expires At The Annual Meeting In 2008

Brian E. Dearing, 51; Mr. Dearing is the Chairman of the Board, President and Chief Executive Officer of the Company. He has been a director since 1995 and was elected Chairman of the Board of Directors in 1997. Prior to joining ARI in 1995, Mr. Dearing held a series of electronic commerce executive positions at Sterling Software, Inc. in the U.S. and in Europe. Prior to joining Sterling in 1990, Mr. Dearing held a number of marketing management positions in the EDI business of General Electric Information Services since 1986. Mr. Dearing holds a Masters Degree in Industrial Administration from Krannert School of Management at Purdue University and a BA in Political Science from Union College.

The Board of Directors held ten meetings in fiscal 2006. Each incumbent director attended 75 percent or more of the combined number of meetings of the Board and committees on which such director served, during the period for which he has been a director or served on the committee, except Mr. Weening. Directors are encouraged to attend the annual meeting of shareholders, but the Company has not adopted a formal policy requiring attendance at the annual meeting. Four of the Company's five directors attended the 2005 annual meeting of shareholders.

Table of Contents

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board of Directors. Nevertheless, efforts are made to ensure that the views of shareholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to shareholders on a timely basis. The Board of Directors believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board. However, shareholders wishing to formally communicate with the Board of Directors may send communications directly to ARI Network Services, Inc., Attention: Chairman, 11425 West Lake Park Drive, Suite 900, Milwaukee, Wisconsin 53224. The Chairman will review such communications and, if appropriate, forward such communications to other board members.

The Company's Board of Directors has established an audit committee which is currently composed of Mr. Bridge (chairman), Mr. Mortimore and Mr. Weening. The Board of Directors has adopted a written charter for the audit committee. Information regarding the functions performed by the audit committee, its membership, and the number of meetings held during fiscal 2006 is set forth in the Report of the Audit Committee, included in this annual proxy statement. The members of the audit committee are independent under the rules adopted by the NASD regarding the independence of audit committee members. The Board of Directors has determined that Mr. Bridge, Mr. Mortimore and Mr. Weening are each an audit committee financial expert and are each independent as those terms are defined under NASD listing standards.

The Company's Board of Directors has established a compensation committee that currently is composed of Mr. Bridge and Mr. Feierstein. The duties of the compensation committee are to approve all executive compensation, to administer the Company's 1991 Incentive Stock Option Plan, the 2000 Employee Stock Purchase Plan, the 1993 Director Stock Option Plan and the 2000 Stock Option Plan and to recommend director compensation for approval by the entire Board. The compensation committee met three times during fiscal 2006.

The Company's Board of Directors has not established a nominating committee, as decisions regarding Board membership are made by the full Board. Due to the small size of the Company's Board of Directors, as well as the recent lack of turnover in the Board of Directors, the Board has determined not to have a separate nominating committee. Likewise, the Board has not adopted a written charter governing director nominating decisions. Messrs. Bridge, Feierstein, Mortimore and Weening meet the NASD definition of independence as it would apply to a nominating committee, but Mr. Dearing does not because he is an executive officer of the Company.

The Board will consider candidates for director that are nominated by shareholders in accordance with the procedures set forth in the Company's by-laws. Under the by-laws, nominations, other than those made by the Board of Directors, must be made pursuant to timely notice in proper form to the secretary of the Company. To be timely, a shareholder's request to nominate a person for director, together with the written consent of such person to serve as a director, must be received by the secretary of the Company at the principal office not later than 90 days and not earlier than 150 days prior to the anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

The Board will consider proposed nominees whose names are submitted to it by shareholders. However, it does not have a formal process for that consideration because it believes that the informal consideration process has been adequate given the historical absence of shareholder proposals. The Board intends to review periodically whether a formal policy should be adopted.

The Board has generally identified nominees based upon suggestions by non-management directors, management members and/or shareholders. The Board considers factors important for potential members of the Board, including the individual's integrity, general business background and experience, experience with our industry, and the ability to serve on the Board. The Board does not evaluate proposed nominees differently based on who made the proposal.

For fiscal 2006 service, non-employee directors received an annual cash retainer of \$18,000 and options for 6,000 shares, which were granted on December 8, 2005. Audit committee members received an additional \$6,000 per year (\$8,000 for the chairman) and compensation committee members an additional \$2,500. The options have a 10-year term and have an exercise price equal to the fair market value of the stock on the date of grant. The options vest in two equal annual increments, commencing on July 31, 2006. The Board determined not to reduce Mr. Weening's compensation for fiscal 2006 despite his not attending 75% or more of the board and committee meetings.

Compensation for fiscal 2007 is currently the same as it was for fiscal 2006. The stock options are expected to be granted in December 2006 and vest in two equal annual increments, commencing on July 31, 2007.

Table of Contents**Code of Ethics**

ARI has adopted a code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. The code of ethics is designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest, compliance with applicable laws, and full, accurate, timely and understandable disclosure in reports we send to our shareholders or file with the SEC. Violations of the code of ethics are to be reported to the audit committee. A copy of the code of ethics may be obtained, without charge, by sending a request to ARI Network Services, Inc., Attention: Corporate Secretary, 11425 West Lake Park Drive, Suite 900, Milwaukee, Wisconsin 53224.

Table of Contents

(3) Mr. Horn's award was forfeited upon his resignation from the Company effective August 1, 2006.

The Company has entered into Change of Control Agreements ("Change of Control Agreements") with each of its executive officers. The Change of Control Agreements are intended to reduce the incentive for officers not to support a transaction that is beneficial to shareholders for fear that their employment would be terminated, retain the services of these officers and provide for continuity of management in the event of any Change of Control, as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a Change of Control, as defined below, the officer's employment is terminated without cause. For this purpose, terminated without cause is defined to include: (i) a significant reduction in the executive's compensation, duties, title or reporting responsibilities; (ii) a change in the executive's job location; or (iii) the termination by the officer of his employment for certain enumerated reasons. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer leaves ARI for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a Change of Control means any of the following events: the acquisition (other than from ARI) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of ARI's then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

CERTAIN TRANSACTIONS

On January 3, 2005, the Company entered into a consulting agreement with Ascent Partners, Inc. Under the agreement, Ascent provided consulting services at a rate of \$300 per hour, plus reimbursement for modeling expenses of approximately \$5,000. REPORT OF THE AUDIT COMMITTEE

The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors and to report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. A complete description of the Committee's duties is set forth in its charter.

In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Oversight Board (United States). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination and their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held five meetings during fiscal 2006.

In reliance on the views and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-KSB for the year ended July 31, 2006 for filing with the Securities and Exchange Commission. The Committee has also approved the selection of the Company's independent auditors.
