## **PROXY STATEMENT**

**ANNUAL MEETING OF STOCKHOLDERS, June 17, 2008**

### **GENERAL INFORMATION**

This Proxy Statement is being mailed to stockholders of Virco Mfg. Corporation, a Delaware corporation (the Company), on or about May 19, 2008, in connection with the solicitation by the Board of Directors of proxies to be used at the 2008 Annual Meeting of Stockholders (the Annual Meeting) of the Company to be held on Tuesday, June 17, 2008, at 10:00 a.m. Pacific Time at 2027 Harpers Way, Torrance, CA 90501, and any and all adjournments and postponements thereof.

The cost of preparing, assembling and mailing the Notice of the Annual Meeting, Proxy Statement and form of proxy and the solicitation of proxies will be paid by the Company. Proxies may be solicited in person or by telephone, telegraph, e-mail or other electronic means by personnel of the Company who will not receive any additional compensation for such solicitation. The Company will pay brokers or other persons holding stock in their names or the names of their nominees for the expenses of forwarding soliciting material to their principals.

### **RECORD DATE AND VOTING**

The close of business on May 5, 2008, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. On that date there were 14,428,662 shares of the Company's common stock, par value \$.01 per share (Common Stock), outstanding. All voting rights are vested exclusively in the holders of the Company's Common Stock. Each share of Common Stock is entitled to one vote on any matter that may be presented for consideration and action by the stockholders, except that as to the election of directors, stockholders may cumulate their votes. Because three directors are to be elected, cumulative voting means that each stockholder may cast a number of votes equal to three times the number of shares actually owned. That number of votes may be cast for one nominee, divided equally among each of the nominees or divided among the nominees in any other manner.

In all matters other than the election of directors, the affirmative vote of the majority of shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the subject matter will be the act of the stockholders. Directors will be elected by a plurality of the votes of the Common Stock present in person or represented by proxy at the Annual Meeting. Abstentions will be treated as the equivalent of a negative vote for the purpose of determining whether a proposal other than the election of directors has been adopted and will have no effect for the purpose of determining whether a director has been elected. Broker non-votes are not counted for the purpose of determining the votes cast on a proposal.

Each proxy received will be voted for management's nominees for election as directors and in accordance with the recommendations of the Board of Directors contained in this Proxy Statement, unless the stockholder otherwise directs in his or her proxy. Where the stockholder has appropriately directed how the proxy is to be voted, it will be voted according to his or her direction. Stockholders wishing to cumulate their votes should make an explicit

statement of the intent to cumulate votes by so indicating in writing on the proxy card. Stockholders holding shares beneficially in street name who wish to cumulate votes should contact their broker, trustee or nominee. Cumulative voting applies only to the election of directors. For all other matters, each share of Common Stock outstanding as of the close of business on the record date is entitled to one vote.

Any stockholder has the power to revoke his or her proxy at any time before it is voted at the Annual Meeting by submitting written notice of revocation to the Secretary of the Company at the Company's principal executive offices located at 2027 Harpers Way, Torrance, California 90501 by appearing at the Annual Meeting and voting in person or by filing a duly executed proxy bearing a later date, either in person at the Annual Meeting, via the Internet, by telephone, or by mail. Please consult the instructions included with your proxy card.

**PROPOSAL 1****ELECTION OF DIRECTORS**

The Certificate of Incorporation of the Company provides for the division of the Board of Directors into three classes as nearly equal in number as possible. In accordance with the Certificate of Incorporation, the Board of Directors has nominated Donald S. Friesz, Glen D. Parish, and James R. Wilburn to serve as Class II directors on the Board of Directors with a term expiring at the 2011 Annual Meeting.

It is intended that the proxies solicited by this Proxy Statement will be voted in favor of the election of Messrs. Friesz, Parish, and Wilburn, unless authority to do so is withheld. Should any of such nominees be unable to serve as a director or should any additional vacancy occur before the election (which events are not anticipated), proxies may be voted for a substitute nominee selected by the Board of Directors or the authorized number of directors may be reduced. If for any reason the authorized number of directors is reduced, the proxies will be voted, in the absence of instructions to the contrary, for the election of the remaining nominees named in this Proxy Statement. In the event that any person other than the nominees named below should be nominated for election as a director, the proxies may be voted cumulatively for less than all of the nominees.

The following table sets forth certain information with respect to each of the nominees, as well as each of the six continuing directors. **The Board of Directors recommends that you vote FOR the election of the Class II nominees.**

## **BOARD COMMITTEES, MEETINGS & COMPENSATION**

### **Meetings and Compensation**

Each director of the Company serving in fiscal 2007 attended at least 75% of the fiscal 2007 meetings of the Board of Directors and each committee on which he served. The Board of Directors held six meetings in fiscal 2007. The Board of Directors has determined that the following directors, who constitute a majority of the Board of Directors, are independent directors as defined by the NASDAQ Stock Exchange listing standards: Messrs. Friesz, Moyer, Montgomery, Patrick, Wilburn, and Schulte. Directors who are also officers of the Company receive no additional compensation for their services as directors. The non-employee director compensation program provides for an annual retainer of \$50,000, of which (i) 75% is paid in cash in equal quarterly installments and (ii) 25% is paid in the form of restricted stock grants, granted on the date of the Annual Meeting. In addition, each non-employee director who serves as a lead director or a chair or member of a Board Committee also receives an additional annual retainer for such services. The lead director receives \$20,000 in cash per year. Retainers for committee members are as follows: Audit Committee chair \$7,500, Audit Committee member \$4,500, Corporate Governance/Nominating Committee chair \$5,000, Corporate Governance/Nominating Committee member \$3,000, Compensation Committee chair \$5,000, and Compensation Committee member \$3,000. Directors are also reimbursed for travel and related expenses incurred for attending meetings. The Company has established a pension plan for non-employee directors who have served as such for at least 10 years, providing for a series of quarterly payments (equal to the portion paid to the non-employee director's annual service fee) for such director's lifetime following the date on which such director ceases to be a director for any reason other than death. Effective December 31, 2003, the Company froze all future benefit accruals under the pension plan.

### **Audit Committee**

The Board of Directors has a standing Audit Committee that in fiscal 2007 was composed of Messrs. Schulte (Chair), Friesz, Moyer and Patrick. The Audit Committee held three on-site meetings and four telephonic meetings in fiscal 2007. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. The functions of the

Audit Committee include: reviewing the financial statements of the Company; reviewing the scope of the annual audit by the Company's independent auditors; and reviewing the audit reports rendered by such independent auditors. Among other things, the Audit Committee is directly responsible for: the appointment, compensation, retention and oversight of the independent auditors; reviewing the independent auditors' qualifications and independence; reviewing the plans and results of the audit engagement with the independent auditors; approving professional services provided by the independent auditors and approving financial reporting principles and policies; considering the range of audit and non-audit fees; reviewing the adequacy of the Company's internal accounting controls; and working to ensure the integrity of financial

information supplied to stockholders. The Audit Committee also has the other responsibilities enumerated in its charter, and examines and considers additional matters as it deems appropriate. The Audit Committee's charter is available on the Company's website at [www.virco.com](http://www.virco.com). Each of the Audit Committee members is an independent director as defined by the listing standards of the NASDAQ Stock Exchange. The Board of Directors has determined that Mr. Schulte, who is the chair of the Audit Committee, qualifies as an audit committee financial expert, as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934 (the Exchange Act). The Board reevaluates the composition of the Audit Committee on an annual basis to ensure that its composition remains in the best interests of the Company and its stockholders.

### **Compensation Committee**

The Board of Directors has a standing Compensation Committee that in fiscal 2007 was composed of Messrs. Moyer (Chair), Patrick, Montgomery and Wilburn, all of whom are independent directors as defined in the listing standards of the NASDAQ Stock Exchange. The function of this Committee is, among other things, to make recommendations to the Board regarding changes in salaries and benefits. The Compensation Committee held two on-site meetings in fiscal 2007. The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available on the Company's website at [www.virco.com](http://www.virco.com).

### **Corporate Governance/Nominating Committee**

The Board of Directors has a standing Corporate Governance/Nominating Committee which is comprised of Messrs. Montgomery (Chair), Friesz, Schulte, Patrick, Moyer and Wilburn, all of whom are independent directors as defined in the listing standards of the NASDAQ Stock Exchange. During fiscal 2007, the Corporate Governance/Nominating Committee held two meetings in executive sessions outside the presence of management and intends to hold at least two such meetings in fiscal 2008 as well.

The Corporate Governance/Nominating Committee's function is to identify and recommend from time to time candidates for nomination for election as directors of the Company. Candidates may come to the attention of the Corporate Governance/Nominating Committee through members of the Board of Directors, stockholders or other persons. Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. Candidates are evaluated at regular or special meetings, and may be considered at any point during the year, depending on the Company's needs. The Corporate Governance/Nominating Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available to stockholders on the Company's website, at [www.virco.com](http://www.virco.com). In evaluating nominations, the Corporate Governance/Nominating Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board of Directors activities and the absence of potential conflicts with the Company's interests. The Corporate Governance/Nominating Committee has not established any specific minimum qualification standards for nominees to the Board of Directors, although from time to time the Corporate Governance/Nominating Committee may identify certain skills or attributes (e.g., financial experience, business experience) as being particularly desirable to meet specific Board of Director needs that may arise. To nominate a prospective nominee for the Corporate Governance/Nominating Committee's consideration, you may submit, in accordance with the Company's Bylaws, a candidate's name and qualifications to the Company's Corporate Secretary at 2027 Harpers Way, Torrance, California 90501.

### **Communications with the Board of Directors**

Any stockholder interested in communicating with individual members of the Board of Directors, the Board of Directors as a whole, any of the committees of the Board or the independent directors as a group may send written communications to the Board of Directors, any committee of the Board of Directors or any director or directors of the

Company at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary. Communications received in writing are forwarded to the Board of Directors, committee or individual director or directors to whom the communication is directed, unless, at his discretion, the Secretary determines that the communication is of a commercial or frivolous nature, is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is otherwise inappropriate for the Board of Directors consideration. In such cases, such

correspondence may be forwarded elsewhere in the Company for review and possible response. The Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. Directors are expected to attend the Annual Meeting. Last year all of the directors attended the Annual Meeting. The independent directors hold two regularly scheduled executive session meetings each fiscal year outside the presence of management as well as additional meetings as are necessary. Mr. Moyer currently functions as the lead independent director. The lead independent director position rotates among the independent directors periodically as determined by the independent directors.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### Objectives of the Compensation Program

The objectives of the Company's executive compensation program are to: 1) attract, motivate and retain highly qualified executives; 2) link total compensation to stockholder returns; 3) reflect individual contributions to the performance of the Company; 4) insure appropriate balance between long-term value creation and short-term performance by including equity as part of total compensation; 5) maintain internal fairness and morale by benchmarking executive compensation, including perquisites and non-cash benefits, against the aggregated average compensation and benefits of the Company's top 25 managers.

The Compensation Committee recommends and the Board approves the base salaries of the Company's Chief Executive Officer (the CEO), Chief Financial Officer (the CFO), and the three other most highly compensated executives. Throughout this Compensation Discussion & Analysis (CD&A), the CEO, CFO and three other most highly compensated executives are referred to collectively as the Named Executive Officers.

#### What the Compensation Program is Designed to Reward

The program is designed to support annual and long-term business goals that create profitable growth and long-term value for stockholders.

#### Elements of Compensation Program

The Company's executive compensation program consists of three main elements: 1) base salary, which is tied to individual job duties; 2) annual bonus plan cash incentives, which are mathematically linked to the Company's Annual Operating Plan, including pre-tax profit; and 3) long-term equity incentives, the value of which are contingent upon successful execution of the Company's multi-year strategic growth and market development initiatives. Ancillary benefits such as health insurance, retirement benefits, and an automobile allowance are also part of the executive compensation program. As with the three main elements of the program, these ancillary benefits are benchmarked against similar benefits provided to the Company's top 25 managers.

The combination of base salary, annual incentive, long-term incentive, and ancillary benefits is referred to as Total Compensation. The Company has established a target of market median for the Total Compensation of Named Executive Officers as determined by scale-, geography- and date-adjusted national compensation surveys from Wyatt Total Reward, Wyatt CQ Survey, Mercer Manufacturing Compensation Survey, Mercer Manufacturing Industry Market View, National Assoc. of Manufacturers, and Employers Group Research Services Survey.

All of these surveys are given equal weighting. The Company intentionally uses a broad comparison group for executive compensation because the competition for executive talent extends beyond the Company's direct competitors and industry. The Company believes that this breadth of executive compensation data, conservatively adjusted for firm size, geographic location and cost of living, and the age of the data, provides for the fairest and most equitable market median. The same method of establishing a market median total compensation target is used for the Company's top 25 managers.

In determining the final Total Compensation for Named Executive Officers, the Compensation Committee of the Board of Directors attempts to balance external equity as defined by market median, with internal equity as defined by the aggregated average Total Compensation for the Company's top 25 managers. It is the Company's belief that this approach to establishing Total Compensation for Named Executive Officers results in better teamwork and morale among the entire management team, thus linking executive and management compensation with short- and long-term value creation for stockholders.

**Base Salary**

Base salary is intended to reward Named Executive Officers and other employees for their roles within the Company and their performance in those roles. The Company determines the base salary range for a particular

position by evaluating 1) the duties, complexities and responsibilities of the position; 2) the level of experience required; and 3) the compensation for positions having similar scope and accountability within and outside the Company (through survey data as described above).

### **Annual Incentives**

The Named Executive Officers are eligible for annual cash incentives under the Company's Annual Bonus Plan, which is approved by the Board of Directors at the beginning of the Company's fiscal year as part of its Annual Operating Plan. To reward Named Executive Officers and other salaried managers for achieving the financial performance set forth in the Annual Operating Plan, the Board of Directors establishes a minimum level of financial performance and return to stockholders above which a cash bonus will be paid. For achieving the minimum threshold, the Named Executive Officers receive a cash bonus equal to 15% of their base salary. For achieving the target pre-tax earnings, Named Executive Officers receive a 35% cash bonus. The maximum possible cash bonus for Named Executive Officers is capped at 50% of base salary. The threshold, target and maximum bonus levels for each Named Executive Officer were determined by reference to the survey data and other factors described above.

For fiscal 2007, the threshold for receiving a minimum bonus was \$9,000,000 in pre-tax earnings, after accruing an earned bonus provision of approximately \$206,000 for the Named Executive Officers. The actual bonus payout for the Named Executive Officers for 2007, achieved by reaching \$12,192,000 in pre-tax earnings, was \$494,863. This cash bonus payout was equal to approximately 37% of each Named Executive Officers' base salary for fiscal 2007.

### **Long-Term Incentives**

The Company believes that the most powerful incentive to focus Named Executive Officers on long-term value creation is long-term ownership of Company stock. Under the Company's current long-term incentive program, Named Executive Officers and top managers receive periodic grants of Restricted Stock Units (RSUs). The Company uses RSUs rather than options because it has been the Company's experience that RSUs are more likely to result in a growing ownership position of Company stock and thereby align the interests of executives and stockholders. On the date of the 2007 Annual Meeting and Board of Directors meeting on June 19, 2007, each Named Executive Officer was granted 15,000 RSUs, vesting ratably over a five year period. The number of RSUs granted to each Named Executive Officer in 2007 was determined by reference to historical grant levels provided to Company executives, as well as the factors described above. Each Named Executive Officer received the same number of RSUs in order to foster internal pay equity and the Company's one-team management approach.

Grants of RSUs are typically approved at the Board of Directors meeting immediately following the Annual Meeting. The meeting dates are set well in advance and occur approximately two weeks following the release of the First Quarter results. Scheduling decisions are made without regard to anticipated earnings or other major announcements by the Company.

### **Other Compensation Elements**

*Perquisites* The Company provides Named Executive Officers with a Company automobile or cash allowance of \$22,800 per year. The Company does not provide Named Executive Officers with any other perquisites such as country club memberships and the Company does not own or lease an aircraft. Company-provided travel for executives is for business purposes only.

*Other Benefits* Executives participate in the same health, disability and life insurance programs as are provided to other Company employees. In addition, the Named Executive Officers participate in the Company's tax-qualified defined benefit pension plan (the Virco Mfg. Corporation Employee Retirement Plan) and nonqualified supplement

retirement plan (the VIP Retirement Plan). As more fully disclosed in the MD&A and Footnote 4 to the financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2008 ( Form 10K ), these retirement plans were frozen effective December 31, 2003, and additional benefit accruals for all Named Executive Officers ceased on that date.

### **Post-Employment and Other Events**

The Company does not have employment agreements with any of the Named Executive Officers, and is not obligated to provide termination pay or other severance benefits to any of its Named Executive Officers. In general, the benefits provided or available to Named Executive Officers upon retirement, death, disability or other termination of employment or upon the occurrence of a change-in-control event are the same as those provided or made available to salaried employees generally.

Pursuant to the 1997 and 2007 Stock Incentive Plans, vesting of all outstanding stock and option awards is accelerated upon a change-in-control. In addition, under the VIP Pension Plan, vesting of retirement benefits is accelerated upon the occurrence of a change-in-control or the death of the participant. These benefits are provided to salaried employees generally and are intended to ensure that management remains focused on stockholder value when evaluating strategic alternatives.

### **Tax Deductibility of Executive Compensation**

The Company seeks to structure its compensation arrangements to maximize the tax deductibility of all components of executive compensation unless the benefit of such deductibility is outweighed by the need for flexibility or the attainment of other corporate objectives. The Compensation Committee will continue to monitor issues concerning the deductibility of executive compensation and will take appropriate action if and when it is warranted. Since corporate objectives may not always be consistent with the requirements for full deductibility, the Compensation Committee is prepared, if it deems appropriate, to enter into compensation arrangements under which payments may not be fully deductible. Thus, deductibility will not be the sole factor used by the Compensation Committee in ascertaining appropriate levels or modes of compensation. In fiscal 2007, all compensation paid to executives was fully deductible; no executive officer exceeded the \$1 million limit under Section 162(m) of the Internal Revenue Code with regard to non-performance-based compensation.

### **Impact of Prior Compensation in Setting Elements of Compensation**

Prior compensation of the Named Executive Officers does not impact how the Company sets elements of current compensation. The Compensation Committee believes the competitive environment that the Company operates in mandates that current total compensation be set at levels sufficient to attract, motivate and retain top management, which requires the Company to set compensation amounts based on current Company and business conditions.

### **Executive Stock Ownership Guideline**

The Company has not adopted any executive stock ownership guidelines. While there are no guidelines, two of the Named Executive Officers, Robert A. Virtue and Douglas A. Virtue, own 2.2% and 4.1%, respectively, of the outstanding shares of the Company's Common Stock. Messrs. Virtue and Virtue are members of the Virtue Family and subject to the terms of the Virtue Family Agreement discussed in the Security Ownership section of this Proxy Statement. The Virtue Family owns approximately 40% of the Company's outstanding Common Stock.

### **Impact of Restatements that Retroactively Impact Financial Goals**

The Company has not restated or retroactively adjusted financial information that has impacted the financial statements or goals related to previous bonus or long-term award payouts. If financial results are significantly restated due to fraud or intentional misconduct, the Board will review any performance-based compensation paid to Named Executive Officers who are found to be personally responsible for the fraud or intentional misconduct that led to the restatement and may, to the extent permitted by applicable law, seek to recover amounts paid in excess of the amounts

that would have been paid based on the restated financial results.

**The Role of the Executives in Determining Compensation**

While the Compensation Committee is primarily responsible for reviewing and making determinations with respect to executive compensation, the CEO and Executive Vice President provide input and views with respect to

compensation for the other Named Executive Officers. The Compensation Committee believes that the CEO's and Executive Vice President's views are critical in determining the compensation of other Named Executive Officers because the CEO and Executive Vice President have day-to-day involvement with these Named Executive Officers and are in the best position to assess their performance, abilities, and contribution to the success of the Company.

### Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis for the year ended January 31, 2008, as required by Item 402(b) of Regulation S-K under the Exchange Act with management, and based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion & Analysis be included in this Proxy Statement.

#### COMPENSATION COMMITTEE

 Robert K. Montgomery  
 Dr. James R. Wilburn

*The above report of the Compensation Committee will not be deemed to be incorporated by reference into any filing by the Company under the Securities Act or the Exchange Act, except to the extent that the Company specifically incorporates it by reference.*

### Compensation Committee Interlocks and Insider Participation

During fiscal 2007, the Compensation Committee was comprised of Messrs. Moyer, Patrick, Montgomery, and Wilburn, none of whom is a current or former officer of the Company. Mr. Montgomery is a partner of the law firm Gibson, Dunn & Crutcher LLP, which has provided legal services to the Company. The Company expects that such law firm will continue to render legal services to the Company in the future. There are no interlocking board memberships between officers of the Company and any member of the Compensation Committee.

### Summary Compensation Table for Fiscal 2007

The table below sets forth the compensation awarded to, earned by, or paid to, each of the Named Executive Officers for Fiscal 2007 and 2006. The Company has no employment agreements with any of its executives. While employed, executives are entitled to base salary, participation in the executive compensation programs identified in the tables below and discussed in the CD&A and other benefits common to all employees. The performance-based conditions associated with the Bonus Plan as well as salary and bonus in proportion to total compensation are discussed in detail throughout the CD&A.

- (1) Reflects the vesting of 3,000 RSUs granted in June 2004 and the grant of RSUs in June 2007. The value on vesting of RSUs is calculated by multiplying the number of shares vested by the difference between the closing market price per share on the date of vesting less the \$0.01 par value of the share of Common Stock that is paid by the Named Executive Officer.
- (2) The amounts shown in this column are based on the same assumptions used in the preparation of the Company's 2007 financial statements, which are described in the MD&A and Footnote 4 to the financial statements contained in the Company's Form 10-K. The Pension Plans that Named Executive Officers participate in were frozen in 2003. The Named Executive Officers did not accrue any additional benefits during fiscal 2007. The change in pension amount includes the effect of a change in discount rate from 5.75% in fiscal 2006 to 6.00% in fiscal 2007, utilization of an updated table for receiving an undiscounted benefit, and the decrease in the discount period. For Robert A. Virtue, change in pension reflects adjustments to current and prior year balances to reflect retirement age greater than age 65. Due to the change in discount rates, the change in pension value for Doug Virtue decreased by \$154 and the change in pension value for Lori Swafford decreased by \$4,372.
- (3) The amounts shown in this column include automobile allowances, the value of personal use of a Company-provided vehicle, payments under a mortgage assistance plan that was terminated in May 2007, and medical insurance for domestic partners.

#### Grants of Plan-Based Awards for Fiscal 2007

The table below sets forth the grants of plan-based awards to the Named Executive Officers during fiscal 2007 under the Bonus Plan. Such awards include monetary compensation under the Bonus Plan and grants of RSUs in June 2007.

For the grant of 15,000 RSUs on June 17, 2007

to all Named Executive Officers, there are five remaining vesting dates: June 19, 2008, June 19, 2009, June 19, 2010, June 19, 2011, and June 19, 2012.

- (2) The amounts reported in this column were computed based on the fiscal year-end closing price of \$6.37 per share of common stock less the \$0.01 par value of the share of Common Stock that is paid by the Named Executive Officer.

**Option Exercises and Stock Vested for Fiscal 2007**

The following table sets forth information concerning the Named Executive Officers' exercise of stock options and vesting of RSUs during fiscal 2007.

**Pension Benefits for Fiscal 2007**

The following table sets forth information concerning the payments available under the Company's VIP Pension Plan and the Virco Mfg. Corporation Employee Retirement Plan, both of whose benefit accruals were frozen in 2003.

- (1) The amounts shown in this column are based on the same assumptions used in the preparation of the Company's fiscal 2007 financial statements, which are described in the MD&A and Footnote 4 to the financial statements of the Company's Form 10-K.
- (2) The Pension Plans that Executive Officers participate in were frozen in 2003. The Executive Officers did not accrue any additional benefits during 2007. The Change in Pension amount includes the effect of a change in discount rate from 5.75% in 2006 to 6.00% in 2007, utilization of an updated table for receiving an undiscounted benefit, and the decrease in the discount period. The first date at which a Named Executive Officer can receive an undiscounted benefit is at age 65. Robert Virtue deferred collection of pension benefits from age 65 to age 74 1/2. Mr. Virtue began receiving pension benefits in July 2007.

### Nonqualified Deferred Compensation for Fiscal 2007

The Company does not have a deferred compensation plan.

### Potential Payments upon Termination or Change-in-Control

As discussed in the CD&A above, the Company does not have employment agreements with any of the Named Executive Officers. Retirement, death, disability and change-in-control events do not trigger the payment of compensation to the Named Executive Officers that is not available to all salaried employees (including the amounts included in the Pension Benefits for Fiscal 2007 table). Named Executive Officers do not have a contractual right to receive severance benefits.

As noted in Post-Employment and Other Events, pursuant to the 1997 and 2007 Stock Incentive Plans, the vesting of all outstanding stock and options awards is accelerated upon a change-in-control. In addition, under the VIP Pension Plan, the vesting of retirement benefits is accelerated upon the occurrence of a change-in-control or the death of the participant. Change-in-control is defined by a party other than the members of the Virtue family accumulating 20% or more of the Company's Common Stock. The following table quantifies compensation that would be payable to the Named Executive Officers upon a change-in-control. The tables assume that the event occurred on the last business day of fiscal 2007.

### Value in Event of Change-in-Control with or without Employment Termination

Name and Position	Stock Awards

- (1) Represents the value of accelerating the vesting of RSUs not otherwise vested. The Value Realized on Vesting of RSUs is calculated by multiplying the number of shares vested by the difference between the closing market price on January 31, 2008, of \$6.37 less the \$0.01 par value of the share of Common Stock that is paid by the Named Executive Officer.

**DIRECTOR COMPENSATION**

The Company's non-employee directors receive an annual retainer of \$50,000 composed of 75% in the form of quarterly cash payments and 25% in the form of a restricted stock grant on the date of the Annual Meeting. Each non-employee director who serves as a lead director or as the Chair or member of a Board committee also receives an additional annual retainer for his or her services. The lead director receives \$20,000 per year. The Audit Committee Chair receives \$7,500 per year, and Audit Committee members receive \$4,500 per year. Chairs of the Compensation Committee and the Governance Committee each receive an additional \$5,000 and the members of these committees each receive \$3,000 per year. Directors are also reimbursed for travel and related expenses incurred to attend meetings. The Company has also established a pension plan for non-employee directors who have served as such for at least 10 years, providing for a series of quarterly payments (equal to the portion paid to the non-employee directors annual service fee) for such director's lifetime following the date on which such director ceases to be a director for any reason other than death. Effective December 31, 2003, the Company froze all future benefit accruals under the pension plan.

The Company's Guidelines with regard to Common Stock ownership by directors is for each director to own Common Stock with a market value of three times or more the annual cash retainer.

- (1) Cash fees include the cash portion of the annual retainer plus fees for serving as a lead director, committee chair, or committee member.
- (2) A grant of restricted stock representing 25% of the annual retainer is awarded on the day of the Annual Meeting. The fair market value of the stock grant for each director was \$12,500 at the date of grant. The non-employee directors have no outstanding equity awards other than this grant.
- (3) The Pension Plan that directors participate in was frozen in 2003. The Directors did not accrue any additional benefits during fiscal 2007. The Change in Pension value includes the effect of a change in discount rate from 5.75% in 2006 to 6.00% in fiscal 2007, and the decrease in the discount period. Due to the change in discount rates, the change in pension value for Donald S. Friesz decreased by \$6,827, the change in pension value for Donald A. Patrick decreased by \$5,661, and the change in pension value for James R. Wilburn decreased by \$7,219.

- (4) Messrs. Friesz and Parish are former officers of the Company. Other compensation consists of pension benefits earned as an employee of the Company and paid in retirement, and, in the case of Mr. Friesz, consulting fees in the amount of \$3,000.

**EMPLOYMENT CONTRACTS AND CHANGE OF CONTROL ARRANGEMENTS**

None of the Company's Named Executive Officers have employment or severance arrangements.

**CODE OF ETHICS**

The Company has adopted a Code of Ethics, which is applicable to its chief executive officer and senior financial officers, including the principal accounting officer. The Code of Ethics is available on the Company's website at [www.virco.com](http://www.virco.com). The Company intends to post amendments to or waivers under the Code of Ethics at this location on its website. Upon written request, the Company will provide a copy of the Code of Ethics free of charge. Requests should be directed to Virco Mfg. Corporation, 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Audit Committee, among its other duties and responsibilities, reviews and monitors all related party transactions and adopted the Company's Related Party Transaction Policies and Procedures (the Policy). The Board of Directors

has delegated to the Chair of the Audit Committee the authority to pre-approve or ratify (as applicable) any transaction with a related party in which the aggregate amount involved is expected to be less than \$250,000. A summary of each new transaction pre-approved by the Chair of the Audit Committee pursuant to this policy shall be provided to the Board of Directors for review at its next regularly scheduled meeting. Under the Policy, the Audit Committee is responsible for reviewing and approving transactions with a related party in which the aggregate amount is expected to exceed \$250,000, and both the Audit Committee and the Board of Directors are responsible for reviewing and approving transactions with a related party in which the aggregate amount is expected to equal or exceed \$500,000. If advance Audit Committee and/or Board of Directors approval is not feasible, then the transaction with the related party will be considered and, if the Audit Committee and/or Board of Directors determines it to be appropriate, ratified at the next regularly scheduled meeting. In determining whether to approve the entry into a transaction with a related party, the Audit Committee and/or Board of Directors as applicable will assess, among other factors it deems appropriate, whether the transaction is on terms no more favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction. If a transaction with a related party will be ongoing, the Audit Committee and/or Board of Directors may establish guidelines for the Company's management to follow in its dealings with such related party. Thereafter, the Audit Committee and/or Board of Directors as applicable, on at least an annual basis, will review and assess the relationship with the related party to determine whether the relationship is in compliance with the Policy and remains appropriate. No director shall participate in any discussion or approval of a

transaction for which he or she is a related party, except that this director shall provide all material information concerning the transaction to the Audit Committee and/or Board of Directors as applicable.

Robert K. Montgomery served in fiscal 2007 as a member of the Board of Directors of the Company. Mr. Montgomery is a partner of the law firm Gibson, Dunn & Crutcher LLP, which has provided legal services to the Company. The Company expects that such law firm will continue to render legal services to the Company.

In fiscal 2007, the Company paid approximately \$735,000 to Hedgehog Design, LLC, which provides product design and related services to the Company. Robert Mills, the sole member of Hedgehog Design, LLC, resides with Lori L. Swafford, Vice President of Legal Affairs for the Company.

In keeping with the Company's policy on Related Party Transactions, the Board and the Audit Committee have reviewed and ratified the terms and circumstances of the transactions with Mr. Mills and found them to be properly approved when initiated in 2002; in the best interests of the Company at the time, at present, and going forward; and no more favorable than terms offered and sums paid to similarly situated companies and individuals offering comparable services. As part of the review and ratification process, the product lines designed by Mr. Mills were evaluated for financial and market performance. It was determined that these product lines had and will likely continue to have a favorable impact on the Company's results.

#### **REPORT OF THE AUDIT COMMITTEE**

The Board of Directors has adopted a written charter for the Audit Committee, which is available on the Company's website at [www.virco.com](http://www.virco.com). The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States.

In this context, the Audit Committee has reviewed and discussed the audited financial statements included in the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2008, with management and the independent auditors, including their judgment of the quality and appropriateness of accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. In addition, the Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), SEC rules, and other applicable standards. In addition, the Audit Committee has received from the independent auditors the written disclosures, pursuant to the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence. The Audit Committee also reviewed and discussed with management its report on internal control over financial reporting and the related audit performed by the independent auditors which confirmed the effectiveness of the Company's internal control over financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be incorporated by reference in the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2008, for filing with the Securities and Exchange Commission.

### **RELATIONSHIP WITH INDEPENDENT AUDITORS**

Ernst & Young LLP was selected by the Audit Committee of the Board of Directors to audit the Company's financial statements for fiscal 2007. The Audit Committee is directly responsible for the engagement of the outside auditor. In making its determination, the Audit Committee reviewed both the audit scope and estimated audit fees for the coming year. Each professional service performed by Ernst & Young LLP during fiscal 2007 was reviewed, and the possible effect of such service on the independence of the firm was considered, by the Audit Committee. Representatives of Ernst & Young LLP will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The Audit Committee has adopted policies and procedures for pre-approving all audit services, audit-related services, tax services and non-audit services performed by Ernst & Young LLP. Specifically, the Audit Committee has pre-approved the use of Ernst & Young LLP for detailed, specific types of services within the following categories: annual audits, quarterly reviews and statutory audits, preparation of certain corporate tax returns, regulatory implementation and compliance and risk assessment guidance. In each case, the Audit Committee has also set specific annual ranges or limits on the amount of each category of services which the Company would obtain from Ernst & Young LLP, which limits and amounts are established periodically by the Audit Committee. Any proposed services exceeding these levels or amounts require specific pre-approval by the Audit Committee. The Audit Committee monitors the performance of all services provided by the independent auditor, to determine whether such services are in compliance with the Company's pre-approval policies and procedures.

### **Fees Paid to Ernst & Young LLP**

The following table shows the fees that the Company paid or accrued for the audit and other services provided by Ernst & Young LLP for fiscal years 2007 and 2006.

in connection with statutory and regulatory filings or engagements for those fiscal years.

*Audit-Related Fees.* Audit-related fees are those fees for services provided by the outside auditor that are reasonably related to the performance of the audit or review of the Company's financial statements and not included as audit fees. The services for the fees disclosed under this category include the audit of the Company's 401(k) and Qualified Pension Plans.

## PROPOSAL 2

### RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company's Audit Committee has selected Ernst & Young LLP, independent auditors, to audit its financial statements for the fiscal year ending January 31, 2009, and recommends that the stockholders vote for ratification of that appointment. The Company's Audit Committee has reviewed the professional services provided by Ernst & Young LLP, as described above, has considered the possible effect of such services on the independence of the firm, and has determined that such services have not affected Ernst & Young LLP's independence. Notwithstanding this selection, the Audit Committee, at its discretion, may direct the appointment of new auditors at any time during the fiscal year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders. If there is a negative vote on ratification, the Audit Committee will reconsider its selection.

The affirmative vote of a majority of the votes cast is required to ratify the Audit Committee's selection. In addition, the affirmative votes must represent at least a majority of the required quorum. If the stockholders reject the selection, the Board of Directors will reconsider its selection. **The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Ernst & Young LLP.**
