Item 2.02 Results of Operations and Financial Condition

On July 14, 2008, Equity LifeStyle Properties, Inc. (the Company) issued a news release announcing its results of operations for the quarter and six months ended June 30, 2008. The information is furnished as Exhibit 99.1 to this report on Form 8-K. The information contained in this report on Form 8-K, including Exhibit 99.1, shall not be deemed filed with the Securities and Exchange Commission nor incorporated by reference in any registration statement filed by Equity LifeStyle Properties, Inc. under the Securities Act of 1933, as amended.

The press release attached to this Exhibit 99.1 to this Current Report on Form 8-K has been modified from the press release distributed last evening. There were two changes to the Manufactured Home Site Figures and Occupancy Averages table. Core Monthly Base Rent per Site for the quarter ended June 30, 2007 was changed to \$493 from \$499 and Core Monthly Base Rent per Site for the six months ended June 30, 2007 was changed to \$492 from \$498.

The Company hereby reconfirms previously issued guidance for its net income per share (fully diluted) and funds from operations per share (fully diluted) for the year ending December 31, 2008 of \$0.81- \$0.94 and \$3.15 \$3.30, respectively.

This news release includes certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used, words such as anticipate, expect, believe, project, intend, may be and similar words or phrases, or the negative thereof, unless the context requires otherwise, are intended to identify forward-looking statements. These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

in the age-qualified properties, home sales results could be impacted by the ability of potential homebuyers to sell their existing residences as well as by financial markets volatility;

in the all-age properties, results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing, and competition from alternative housing options including site-built single-family housing;

our ability to maintain rental rates and occupancy with respect to properties currently owned or pending acquisitions;

our assumptions about rental and home sales markets;

the completion of pending acquisitions and timing with respect thereto;

ability to obtain financing or refinance existing debt;

the effect of interest rates;

whether we will consolidate Privileged Access and the effects on our financials if we do so; and

other risks indicated from time to time in our filings with the Securities and Exchange Commission.

These forward-looking statements are based on management's present expectations and beliefs about future events. As with any projection or forecast, these statements are inherently susceptible to uncertainty and changes in circumstances. The Company is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements whether as a result of such changes, new information, subsequent events or otherwise.
