QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: ON WHAT AM I BEING ASKED TO VOTE?

A: You are being asked to vote to approve and adopt the merger agreement entered into between UPS and Fritz and the merger contemplated by the merger agreement. In the merger, VND Merger Sub, Inc., a newly formed, wholly owned subsidiary of UPS, will be merged with and into Fritz. After the merger is completed, Fritz, which will be the company surviving the merger, will be a wholly owned subsidiary of UPS.

Q: WHAT WILL I RECEIVE IN THE MERGER?

A: In the merger, each share of Fritz common stock will be exchanged for 0.2 of a share of UPS Class B common stock, a number that is referred to in this document as the exchange ratio. No fractional shares of UPS Class B common stock will be issued. You will receive cash for any fractional shares of UPS Class B common stock to which you would otherwise have been entitled as a result of the merger.

Q: WHY ARE UPS AND FRITZ PROPOSING THE MERGER?

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

A: Our companies are proposing the merger because, among other reasons, we believe Fritz's international freight forwarding and customs brokerage expertise and UPS' express carrier and package delivery strengths will generate significant cross-selling opportunities for the combined company. We believe the acquisition of Fritz will enable UPS to further expand its full range of domestic and international transportation, logistics and customs brokerage services.

Please read the more detailed description of our reasons for the merger starting on page .

Q: DOES FRITZ'S BOARD OF DIRECTORS SUPPORT THE MERGER?

A: Yes. Fritz's board of directors has unanimously determined that the merger is advisable and fair to, and in the best interests of, Fritz and its stockholders and recommends that Fritz stockholders vote FOR adoption of the merger agreement and approval of the merger.

Q: WHEN AND WHERE IS THE SPECIAL MEETING OF STOCKHOLDERS?

A: The special meeting will take place on Wednesday, May 23, 2001 at 10:30 a.m., local time, at the Bank of America Building, 51st Floor, 555 California Street, San Francisco, California.

Q: WHO CAN VOTE AT THE FRITZ SPECIAL MEETING OF STOCKHOLDERS?

A: You can vote at the Fritz special meeting if you owned shares of Fritz common stock at the close of business on Tuesday, April 10, 2001, a date that is referred to in this document as the record date. As of the close of business on that day, 36,813,344 shares of Fritz common stock were outstanding.

Q: WHAT VOTE IS REQUIRED TO ADOPT THE MERGER AGREEMENT AND APPROVE THE MERGER?

A: Adoption of the merger agreement and approval of the merger require the affirmative vote of the holders of a majority of the shares of Fritz common stock outstanding on the record date. Stockholders will have one vote for each share of Fritz common stock owned by them.

Q: ARE UPS'S STOCKHOLDERS REQUIRED TO APPROVE THE MERGER AGREEMENT AND THE MERGER?

A: No. UPS stockholders are not required to approve the merger agreement or the merger.

Q: WHAT DO I NEED TO DO NOW?

A: After carefully reading and considering the information contained in this proxy statement/prospectus, please complete and sign your proxy and return it in the enclosed return envelope as soon as possible, so that your shares may be represented at the Fritz special meeting. If you sign and send in your proxy and do not indicate how you

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

want to vote, your proxy will be counted as a vote in favor of adoption and approval of the merger agreement and the merger.

If you are a stockholder of record or are a participant in a Fritz stock plan, you may vote your shares via the Internet or by telephone by following the instructions accompanying your proxy card.

1

9

You may attend the Fritz special meeting and vote your shares in person rather than by proxy.

Q: IF MY SHARES ARE HELD IN THE NAME OF A BANK, BROKER OR OTHER FIDUCIARY, WILL THE BANK, BROKER OR OTHER FIDUCIARY VOTE MY SHARES FOR ME?

A: If your shares are held in the name of a bank, broker or other fiduciary, you should provide that person with instructions on how to vote your shares or you should request a proxy from that person to vote at the Fritz special meeting. If you do not provide your bank, broker or other fiduciary with instructions on how to vote your shares, your bank, broker or other fiduciary will not be permitted to vote your shares at the Fritz special meeting. Please check the voting form that you receive to see if you may vote via the Internet or by telephone.

Q: CAN I CHANGE MY VOTE AFTER I HAVE MAILED MY SIGNED PROXY?

A: Yes. You can change your vote at any time before your proxy is voted at the Fritz special meeting. You can do this in one of several ways. You can send a written notice stating that you would like to revoke your proxy, or you can complete and submit a new proxy. If you choose either of these two methods, you must submit your notice of revocation or your new proxy to Fritz at the address on the inside front cover of this proxy statement/prospectus. In addition, you can attend the Fritz special meeting and vote in person.

You may also revoke your proxy by calling the toll-free number on your proxy card or by voting through the Internet by following the instructions on your proxy card, even if you did not previously vote by either of these methods. If you wish to change your vote and your shares are held in the name of a bank, broker or other fiduciary whom you have directed to vote your shares, you should instruct that person to change your vote.

Q: WHAT HAPPENS IF I DO NOT VOTE?

A: Since the affirmative vote of the holders of a majority of the outstanding shares of Fritz common stock is required to adopt the merger agreement and approve the merger, a failure to send in your proxy or to vote at the special meeting or to instruct the bank, broker or other fiduciary in whose name your shares may be held, will have the same effect as a vote "against" the merger agreement and the merger.

Q: AM I ENTITLED TO APPRAISAL RIGHTS?

A: No. Fritz stockholders are not entitled to appraisal rights in connection with the merger.

Q: SHOULD I SEND IN MY FRITZ STOCK CERTIFICATES AT THIS TIME?

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

A: No. After we complete the merger, an exchange agent to be appointed in connection with the merger will send you written instructions for exchanging your Fritz stock certificates.

Q: WHEN DO YOU ANTICIPATE THAT THE MERGER WILL BE COMPLETED?

A: We are working to complete the merger in the second calendar quarter of 2001. We intend to complete the merger after the Fritz special meeting and after we have obtained the regulatory approvals necessary for the merger.

Q: WHO CAN HELP ANSWER MY QUESTIONS?

A: If you have any questions about the merger or if you need additional copies of this proxy statement/prospectus or the enclosed proxy, you should contact:

SUMMARY

This summary highlights selected information from this proxy statement/prospectus and may not contain all of the information that is important to you. To understand the merger fully and for a more complete description of the legal terms of the merger, you should read carefully this entire proxy statement/prospectus and the other documents to which we have referred you. See "Where You Can Find More Information" beginning on page 59. For a description of any material differences between the rights of Fritz stockholders and UPS stockholders, see "Comparison of Rights of UPS and Fritz Stockholders" beginning on page 52. We have included page references parenthetically to direct you to more complete descriptions of the topics presented in this summary.

GENERAL

THE COMPANIES (PAGE 16)

UNITED PARCEL SERVICE, INC.
55 Glenlake Parkway, N.E.
Atlanta, Georgia 30328
(404) 828-6000

UPS is the world's largest express carrier, the world's largest package delivery company and a leading global provider of specialized transportation and logistics services. In 2000, UPS delivered an average of more than 13.6 million pieces per day worldwide. Total revenue in 2000 was over \$29.7 billion.

FRITZ COMPANIES, INC.
706 Mission Street

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

San Francisco, California 94103
(415) 538-0444

Fritz is a specialist in providing global logistics services and related information services for importers and shippers worldwide. Fritz is primarily engaged in providing logistics management, international air and ocean freight forwarding, customs brokerage, and material management and distribution services. Fritz delivers comprehensive supply chain solutions to its customers worldwide by providing flexible door-to-door transportation and materials management using sophisticated information systems. Fritz also provides value-added services through logistics information as well as international and domestic movement of goods customarily provided by traditional freight forwarders. These services are designed to provide integrated global logistics solutions for customers to streamline their operations, improve their inventory management information and enhance their profitability and to provide customers with more efficient and effective international transportation strategies. The Fritz network is composed of highly trained professionals working in more than 400 locations in 120 countries.

WHAT YOU WILL RECEIVE IN THE MERGER (PAGE 30)

In the merger, each share of Fritz common stock will be exchanged for 0.2 of a share of UPS Class B common stock, a number that is referred to in this document as the exchange ratio. No fractional shares of UPS Class B common stock will be issued. You will receive cash for any fractional shares of UPS Class B common stock to which you otherwise would have been entitled as a result of the merger.

Because the exchange ratio is fixed and because the market price of the UPS Class B common stock will fluctuate, the market value of the stock that you receive when the merger is completed may be higher or lower than the market value of the same number of shares today. In addition, the market value of the shares that you receive in the merger may increase or decrease after the merger is completed.

THE MERGER AGREEMENT (PAGE 35)

The merger agreement is attached as Annex A to this proxy statement/prospectus. We encourage you to read the merger agreement carefully. It is the principal document governing the merger.

BOARD OF DIRECTORS AND MANAGEMENT AFTER THE MERGER (PAGE 28)

The UPS board of directors will remain unchanged after the completion of the merger. At the effective time of the merger, the members of the Fritz board of directors will be replaced by the members of the Board of Directors of VND Merger Sub, Inc., the wholly owned UPS subsidiary that is being merged into Fritz.

UPS and Fritz expect that Lynn C. Fritz, the current Chairman and Chief Executive Officer of Fritz, will be retained as a consultant to the combined company. Current management of Fritz is expected to remain in place, with oversight from UPS's Corporate Development Group.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER (PAGE 31)

The merger will generally be tax-free to holders of Fritz common stock for United States federal income tax purposes, except in the case of U.S. holders with respect to cash received for fractional shares of UPS Class B common stock.

TAX MATTERS ARE VERY COMPLICATED AND THE TAX CONSEQUENCES OF THE MERGER TO YOU WILL DEPEND ON THE FACTS OF YOUR OWN SITUATION. YOU SHOULD CONSULT YOUR OWN TAX ADVISOR FOR A FULL UNDERSTANDING OF THE TAX CONSEQUENCES OF THE MERGER TO YOU.

FRITZ BOARD OF DIRECTORS RECOMMENDATION (PAGE 22)

The Fritz board of directors has determined that the merger agreement and the merger are advisable, fair to and in the best interests of Fritz and its stockholders and unanimously recommends that Fritz stockholders vote FOR the approval of the merger and adoption of the merger agreement. To review the background of and reasons for the merger in greater detail, as well as the risks related to the merger, see pages 11 through 13 and 17 through 22.

FAIRNESS OPINION OF MORGAN STANLEY & CO. INCORPORATED (PAGE 22)

In deciding to approve the merger agreement and the merger, the Fritz board of directors considered the opinion of its financial advisor, Morgan Stanley & Co. Incorporated, dated as of January 9, 2001, that based upon and subject to the various considerations, limitations, and qualifications set forth in the written opinion, the exchange ratio, as set forth in the merger agreement, was fair, from a financial point of view, to the holders of Fritz common stock. The opinion is attached as Annex D to this proxy statement/prospectus. We encourage Fritz stockholders to read this opinion carefully in its entirety to understand the procedures followed, assumptions made, matters considered and limitations of the review undertaken.

INTERESTS OF FRITZ DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER (PAGE 27)

Fritz stockholders should note that Fritz directors and executive officers have interests in the merger that are different from, or in addition to, the interests of other Fritz stockholders. You should be aware of these interests because they may conflict with yours. If we complete the merger, seven Fritz executive officers will be entitled to severance payments, automatic vesting of all unvested, outstanding stock options, shares of restricted stock and any other similar securities owned by them as well as continued health coverage after termination of their employment. The indemnification arrangements for current Fritz directors and officers also will be continued, and UPS will maintain directors' and officers' insurance for those current Fritz directors and officers for at least six years following the merger.

THE SPECIAL MEETING (PAGE 14)

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

The special meeting of Fritz stockholders will be held at the Bank of America Building, 51st Floor, 555 California Street, San Francisco, California, at 10:30 a.m., local time, on Wednesday, May 23, 2001. At the Fritz special meeting, the Fritz stockholders will be asked to approve the merger and adopt the merger agreement.

RECORD DATE; VOTING POWER (PAGE 14)

Fritz stockholders are entitled to vote at the Fritz special meeting if they owned shares of Fritz common stock as of the close of business on Tuesday, April 10, 2001.

On the record date, there were 36,813,344 shares of Fritz common stock outstanding. Fritz stockholders will have one vote for each share of Fritz common stock that they owned on the Fritz record date.

VOTE REQUIRED (PAGE 14)

The affirmative vote of holders of shares of Fritz common stock representing a majority of all the votes entitled to vote at the Fritz special meeting is required to approve the merger and adopt the merger agreement. Fritz will count properly executed proxies marked "Abstain" for purposes of determining whether there is a quorum, but the shares represented by these proxies will not be voted at the special meeting.

VOTING BY DIRECTORS AND EXECUTIVE OFFICERS (PAGE 14)

On the Fritz record date, directors and officers of Fritz and their affiliates owned and were entitled to vote shares of Fritz common stock representing

4

12

approximately 37.2% of the aggregate voting power of Fritz common stock outstanding on that date. The directors and executive officers of Fritz have indicated that they intend to vote the Fritz common stock that they own for approval of the merger and the adoption of the merger agreement.

STOCKHOLDER OPTION AGREEMENTS (PAGE 49)

Lynn C. Fritz and some of his affiliates have entered into stockholder option agreements with UPS. These option agreements grant to UPS the right to purchase all of the shares of Fritz common stock currently owned by Mr. Fritz and these affiliates as well as any shares to be owned by them upon the exercise of stock options. As of the record date, Mr. Fritz and these affiliates beneficially owned a total of 13,471,787 shares of Fritz common stock, which

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

represented approximately 36.1% of the outstanding shares of Fritz common stock on that date.

Pursuant to the option agreements, Mr. Fritz and his affiliates agreed to vote all of the shares of Fritz common stock owned by them for the adoption of the merger agreement and approval of the merger or otherwise as directed by UPS.

UPS may not exercise the options until the occurrence of specifically defined extraordinary transactions (other than the merger) involving the sale or disposition of a substantial percentage of the assets of Fritz and its subsidiaries or of the combined voting power of Fritz and its subsidiaries.

A form of the stockholder option agreement is attached as Annex B to this proxy statement/prospectus.

FRITZ OPTION AGREEMENT (PAGE 46)

Fritz has entered into an option agreement with UPS that grants to UPS the right to purchase 3,707,609 shares of Fritz common stock. As of the date of the option agreement and assuming the issuance of the shares subject to the option, the number of shares of Fritz common stock purchasable by UPS from Fritz represented 10.1% of the outstanding shares of Fritz common stock. The option may be exercised by UPS if as a result of the termination of the merger agreement, Fritz is required to pay to UPS a termination fee.

The form of the Fritz option agreement is attached as Annex C to this proxy statement/prospectus.

RIGHTS PLAN (PAGE 56)

As required by the merger agreement, as of January 16, 2001, Fritz entered into a stockholder rights agreement that is intended to restrict acquisitions of Fritz common stock by any party (other than a person or group approved by the Fritz board of directors) to no more than 15% of the then-outstanding shares of Fritz common stock.

CONDITIONS TO THE COMPLETION OF THE MERGER (PAGE 43)

Fritz and UPS will complete the merger only if they satisfy or, in some cases, waive, several conditions.

For a description of the conditions to the completion of the merger, see "The Merger Agreement -- Conditions to the Completion of the Merger."

TERMINATION OF THE MERGER AGREEMENT (PAGE 44)

Fritz or UPS may terminate the merger agreement under various circumstances. In addition, in specific circumstances, Fritz may be required to pay to UPS a termination fee of \$13.5 million. For a more complete discussion, see "The Merger Agreement -- Termination."

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

STOCK OPTIONS (PAGE 36)

Upon the completion of the merger, each outstanding option to purchase shares of Fritz common stock granted under Fritz's stock option plans will become an option to purchase a number of shares of UPS Class A common stock equal to the number of shares of Fritz common stock that were subject to the option multiplied by 0.2, rounded down to the nearest whole number of shares of UPS Class A common stock, at an exercise price equal to the current exercise price divided by 0.2, rounded up to the nearest whole cent. Each of those options then will be subject to the same terms and conditions as were in effect immediately prior to the merger.

REGULATORY APPROVALS (PAGE 32)

Under the Hart-Scott-Rodino Act, the merger may not be completed until notification and report forms have been given and information furnished to the Federal Trade Commission and to the Antitrust Division of the U.S. Department of Justice and the specified waiting period has been terminated or has

5

13

expired. Early termination of the waiting period was granted on February 16, 2001.

The merger also is subject to the review of numerous foreign agencies, generally for antitrust reasons. Most of these agencies, require a filing to be made by Fritz and/or UPS before the effective date, but some of the filings are not required to be made until after the effective date. The waiting periods with respect to these filings vary.

LITIGATION (PAGE 33)

FedEx Corporation and Federal Express Corporation, a wholly owned subsidiary of FedEx Corporation (collectively, "FedEx"), have filed a lawsuit in a Tennessee court against Fritz, alleging that in the course of negotiating the merger, Fritz breached or is threatening to breach its obligations to FedEx not to disclose confidential information and trade secrets, and that the merger will result in the disclosure to UPS of FedEx trade secrets or confidential information. FedEx obtained without any notice to Fritz a temporary restraining order prohibiting disclosure of confidential FedEx information. FedEx subsequently filed an amended complaint asking the Court to block the merger between UPS and Fritz. UPS was not originally a party to this Tennessee lawsuit, but was later added by the Tennessee Court as a necessary party defendant. The Court issued an order on February 23, 2001 continuing the temporary restraining order but indicating that it would not block the proposed merger at that time. The Court directed Fritz to develop and submit to the Court a separation plan to protect the information that FedEx claims to be trade secrets after the merger with UPS, which Fritz has done. On March 20, 2001, the Court indicated that it would enter an order of temporary injunction requiring Fritz to implement some aspects of the Fritz separation plan, leaving open other issues with respect to the Fritz separation plan which the parties are to seek to resolve with a Special Master appointed by the Court. The Special Master has issued a report and recommendation to the Court, which has been placed under seal. The parties will have an opportunity to file objections regarding the recommendation. Fritz

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

denies that it has acted improperly or has caused any damage to FedEx and intends to vigorously defend the lawsuit. Fritz has also filed a counterclaim alleging breach of contract by FedEx.

While the Tennessee suit between FedEx and Fritz was proceeding, UPS filed a lawsuit in Georgia, joining FedEx and Fritz, seeking a judicial declaration that completion of the merger will not require Fritz to violate its agreement with FedEx. UPS has made clear that it does not seek or desire disclosure of any FedEx trade secret material. FedEx has appeared in the Georgia action and has moved to stay or dismiss the Georgia action. UPS intends to vigorously assert its position that the claims of FedEx seeking to block the merger are without merit.

For a more complete description of these lawsuits, see "The Merger -- Litigation."

EXPENSES (PAGE 45)

Each of Fritz and UPS has agreed to pay its own costs and expenses incurred in connection with the merger, except that UPS and Fritz have agreed to share equally the costs of filing, printing and mailing the registration statement and this proxy statement/prospectus (including SEC filing fees) and the filing fees for the premerger notification and report forms under the Hart-Scott-Rodino Act.

MARKET PRICE INFORMATION (PAGE 50)

On April 23, 2001, the most recent practicable trading day before the date of this proxy statement/prospectus, UPS Class B common stock closed at \$56.25 per share and Fritz common stock closed at \$10.98 per share.

DIVIDEND INFORMATION (PAGE 52)

The policy of UPS's board of directors is to declare dividends each year out of current earnings. (a) On May 30, 1995, Fritz completed its merger with Intertrans Corporation, which was accounted as a pooling of interests. In 1996, Fritz recorded additional merger and related costs of \$14.6 million which were incurred in association with the Intertrans merger.

COMPARATIVE PER SHARE DATA

The following table sets forth selected historical and pro forma per share data for UPS and historical and pro forma equivalent per share data for Fritz. The data presented below should be read in conjunction with the historical financial statements of UPS and Fritz that have been incorporated by reference in this document. Data for Fritz, which utilizes a May 31 fiscal year end, is presented for the 12 months ended November 30, 2000 to facilitate comparison with UPS data. The Fritz pro forma equivalent per share data was calculated by multiplying the UPS pro forma per share data by the exchange ratio of 0.2. The pro forma combined per share data may not be indicative of the operating results or financial position that would have occurred if the merger had been consummated at the beginning of the period indicated, and may not be indicative of future operating results or financial position.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement/prospectus, you should carefully consider the following risk factors in deciding whether to vote to adopt the merger agreement and approve the merger.

THE VALUE OF THE UPS CLASS B COMMON STOCK YOU RECEIVE IN THE MERGER MAY FLUCTUATE.

Upon completion of the merger, each share of Fritz common stock will be automatically converted into the right to receive 0.2 of a share of UPS Class B common stock. This exchange ratio is fixed and there will be no adjustment in the event of fluctuations in the market price of either Fritz common stock or UPS Class B common stock prior to the completion of the merger, and neither party is permitted to "walk away" from the merger because of changes in either party's stock price. As a result, the value of the shares you receive in the merger will not be known at the time you vote on the merger but will depend on the market price of UPS Class B common stock at the time of completion of the merger. If the market price of UPS Class B common stock goes up or down, the value of the shares you receive in the merger also will go up or down. The price of UPS Class B common stock may vary due to changes in the business, operations or prospects of UPS, market assessments of the merger, regulatory considerations, general market and economic conditions or other factors. No

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

prediction can be made as to the market prices of either Fritz common stock or UPS Class B common stock at any time.

THE NEED FOR GOVERNMENTAL APPROVALS MAY AFFECT THE DATE OF COMPLETION OF THE MERGER OR MAY DIMINISH THE BENEFITS OF THE MERGER.

The merger is conditioned upon, among other things, the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act (early termination was granted on February 16, 2001). In addition, filings with, notifications to and authorizations and approvals of, various governmental agencies in numerous other countries with respect to the merger relating primarily to antitrust issues must be made and received prior to the completion of the merger. Satisfying these regulatory requirements may affect the date of completion of the merger. In addition, you should be aware that, as in any large transaction, it is possible that, among other things, restrictions on the combined operations of Fritz and UPS, including divestitures, may be sought by governmental agencies as a condition to obtaining the required regulatory approvals. Such restrictions on operations and divestitures may diminish the benefits of the merger to UPS. Each of Fritz and UPS has a "walk away" right if a governmental agency conditions its authorization or approval upon a divestiture by UPS or the surviving corporation in the merger or on any other action that reasonably would be expected to impair UPS' ability to achieve in any material respect the overall benefits expected, as of the date of the merger agreement, to be realized from the completion of the merger.

UPS AND FRITZ MAY ENCOUNTER DIFFICULTIES IN INTEGRATING THEIR OPERATIONS OR UPS MAY NOT ACHIEVE ALL OF THE ANTICIPATED BENEFITS OF THE MERGER.

The merger involves the integration of two companies that have previously operated separately. The integration of UPS and Fritz will involve special risks and challenges, including those relating to:

- the retention of Fritz customers,
- the retention and assimilation of Fritz employees,
- the integration of the operations and systems of the two companies, and
- the fulfillment of Fritz's obligations to third parties.

The success of the merger will depend, in part, on UPS' ability to realize the anticipated cost savings and growth opportunities from integrating the businesses of Fritz with those of its own. The realization of these benefits may prove difficult. For example, some of Fritz's customers and strategic partners, such as Fritz customers competitive with UPS, may determine that the merger is detrimental to their relationships with Fritz and therefore may modify or terminate their relationships with Fritz. In addition, for example, Fritz's

11

19

obligations of confidentiality to third parties may delay or prevent full integration of Fritz and UPS. Even if UPS is able to integrate the business operations of Fritz successfully, there can be no assurance that this integration will result in the realization of the full benefits that UPS currently expects to result from this integration or that these benefits will be achieved within the anticipated time frame.

FRITZ OFFICERS AND DIRECTORS HAVE INTERESTS IN THE MERGER THAT DIFFER FROM THE INTERESTS OF OTHER FRITZ STOCKHOLDERS.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

The directors and executive officers of Fritz have interests in the merger that are different from, or are in addition to, yours. The interests of the directors and executive officers include rights to:

- indemnification, by the surviving company in the merger, of the same type as is currently provided pursuant to Fritz's certificate of incorporation and bylaws and pursuant to employment and indemnification agreements to which Fritz is a party; and
- continued coverage under directors' and officers' insurance for six years after the completion of the merger.

In addition, the interests of the executive officers include rights to:

- automatic vesting of outstanding unvested stock options, restricted stock and other securities granted under similar plans;
- severance payments; and
- continued group health coverage after termination of employment.

As a result of these interests, Fritz's directors and officers may be more likely to vote in favor of the proposal relating to the merger than if they did not hold these interests. In addition, Lynn C. Fritz has agreed to vote his shares of Fritz common stock in favor of the merger. Fritz stockholders should consider whether these interests may have influenced these directors and officers to support or recommend the merger.

FAILURE TO COMPLETE THE MERGER MAY NEGATIVELY IMPACT FRITZ'S STOCK PRICE, FUTURE BUSINESS AND OPERATIONS.

If the merger is not completed, Fritz may be subject to a number of material risks, including:

- in specific circumstances, Fritz may be required to pay UPS a termination fee of \$13.5 million,
- if Fritz is required to pay UPS a termination fee, UPS will also be entitled either to (i) exercise an option granted to UPS by Fritz to purchase 3,707,609 shares of Fritz common stock or (ii) receive a cash payment calculated based on the option exercise price and the price of Fritz common stock; exercise by UPS of this option will result in a decrease in the percentage of outstanding Fritz common stock currently held by Fritz stockholders,
- in specific circumstances, options granted to UPS by stockholders of Fritz to purchase an aggregate of 13,471,787 shares of Fritz common stock, together with any additional shares acquired by those stockholders before completion of the merger, may become exercisable and, if exercised separately or in conjunction with the option granted to UPS by Fritz, may depress Fritz's stock price and may make another business combination involving Fritz more difficult,
- the price of Fritz common stock may decline to the extent that the current price reflects a market assumption that the merger will be completed and that the merger will be favorable to Fritz stockholders, and
- the diversion of management attention from the day-to-day business of Fritz and the disruption to its employees and its relationships with its

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

customers and suppliers during the period before completion of the merger may adversely affect Fritz's business and operations.

12

20

If the merger is terminated and Fritz's board of directors determines to seek another merger or business combination, there can be no assurance that it will be able to find a partner willing to pay an equivalent or more attractive price than that which would be paid in the merger. In addition, while the merger agreement is in effect, subject to exceptions described below under the captions "Merger Agreement -- Covenants -- Fritz Stockholders' Meeting" and "Merger Agreement -- Covenants -- Fritz Board Recommendations", Fritz is prohibited from soliciting, initiating, encouraging or entering into specific extraordinary transactions, such as a merger, sale of assets or other business combination, with any third party.

THE PENDING LITIGATION BROUGHT BY FEDEX COULD RESULT IN THE MERGER BEING PROHIBITED OR SUBJECT TO ADVERSE CONDITIONS.

FedEx Corporation and a wholly owned subsidiary of FedEx filed a lawsuit against Fritz alleging that in the course of negotiating the merger, Fritz breached confidentiality obligations under two agreements between Fritz and FedEx. FedEx seeks unspecified damages and a temporary and permanent injunction against Fritz's completion of the merger. The Court prohibited Fritz from disclosing confidential FedEx information or otherwise breaching certain provisions of the agreements, and directed Fritz to submit a plan to provide protections against improper disclosure of FedEx confidential information, which Fritz did. The Court also appointed a Special Master and requested that it provide the Court with recommendations as to the implementation of such plan. The Special Master has issued a report and recommendation to the Court, which has been placed under seal. The parties will have an opportunity to file objections regarding the recommendation. As of the date of this prospectus, the Court has not rendered a decision. Although Fritz believes it has meritorious defenses and intends to vigorously defend the lawsuit, there can be no assurance that the Court will not ultimately issue an order enjoining or delaying the consummation of the merger, or imposing conditions on the merger that could be adverse to UPS and Fritz.

UPS has been joined as a party in this action and has filed a separate lawsuit in another court against FedEx, joining Fritz and seeking a judicial declaration that completion of the merger will not require Fritz to breach its agreements with FedEx. UPS has made clear that it does not seek or desire disclosure of any FedEx trade secret material. UPS intends to vigorously assert its position that the claims of FedEx seeking to block the merger are without merit. For a more detailed discussion of this litigation, please see "The Merger -- Litigation."

IF THE MERGER IS NOT COMPLETED, ANTITAKEOVER MEASURES IMPLEMENTED BY FRITZ MAY RESULT IN LESS ATTRACTIVE FUTURE OFFERS.

In connection with the execution of the merger agreement, Fritz implemented a rights plan. The rights plan has the antitakeover effect of causing substantial dilution to a person or group that attempts to acquire Fritz on terms not approved by Fritz's board of directors. This antitakeover measure could make Fritz less attractive to potential acquirors who otherwise might be

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

willing to pay a premium over the then-current market price of Fritz common stock in an acquisition.

THE SPECIAL MEETING

DATE, TIME AND PLACE OF THE SPECIAL MEETING; PURPOSE

This proxy statement/prospectus is being sent to you in connection with the solicitation of proxies for use at the special meeting of Fritz stockholders and at any adjournments or postponements of the special meeting. The special meeting of the Fritz stockholders will be held on Wednesday, May 23, 2001, at 10:30 a.m., local time, at the Bank of America Building, 51st Floor, 555 California Street, San Francisco, California. At the special meeting, Fritz stockholders will consider and vote on a proposal to adopt the merger agreement and approve the merger.

Fritz's board of directors has determined that the terms of the merger and the merger agreement are advisable, fair to, and in the best interests of, Fritz and its stockholders. Accordingly, Fritz's board of directors has approved the merger agreement and the merger and recommends that you vote FOR adoption of the merger agreement and approval of the merger.

Representatives of KPMG LLP, independent public accountants for Fritz, are expected to be present at the special meeting and to be available to respond to appropriate questions and will have an opportunity to make a statement if they choose to do so.

RECORD DATE, OUTSTANDING SHARES AND REQUIRED VOTE

Only holders of record of Fritz common stock at the close of business on April 10, 2001, which is referred to in this document as the record date, will be entitled to receive notice of and vote at the Fritz special meeting. Each share of Fritz common stock is entitled to one vote. As of the record date, there were 36,813,344 shares of Fritz common stock outstanding.

Holders of not less than a majority of the outstanding shares of Fritz common stock entitled to vote, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Fritz special meeting. The affirmative vote of the holders of a majority of the outstanding shares of Fritz common stock entitled to vote is required to approve the merger.

As of the record date, Lynn C. Fritz and his wife beneficially owned and were entitled to vote 13,471,787 shares of Fritz common stock (including employee stock options to purchase 526,666 shares exercisable within 60 days), constituting approximately 36.1% of the outstanding shares of Fritz common stock. As of the record date, Mr. Fritz, Mrs. Fritz and the other executive officers and directors of Fritz beneficially owned and were entitled to vote an aggregate of 13,996,661 shares of Fritz common stock (including employee stock options to purchase 792,172 shares exercisable within 60 days), constituting approximately 37.2% of Fritz common stock.

Pursuant to stockholder option agreements that Mr. Fritz and Mrs. Fritz each have entered into with UPS, the holders of record of the shares of Fritz

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

common stock beneficially owned by Mr. Fritz and Mrs. Fritz have agreed to vote all of their shares of Fritz common stock in favor of adoption of the merger agreement and approval of the merger, and have granted UPS a proxy to so vote their shares of Fritz common stock.

VOTING AND REVOCATION OF PROXIES

Shares represented by a proxy will be voted at the special meeting as specified in the proxy. Properly executed proxies that do not contain voting instructions will be voted "FOR" adoption of the merger agreement and approval of the merger.

Fritz will count properly executed proxies marked "Abstain" for purposes of determining whether there is a quorum, but the shares represented by these proxies will not be voted at the special meeting.

If your shares are held in an account at a brokerage firm or bank, you must instruct it how to vote your shares. If an executed proxy is returned by a broker or bank holding your shares that indicates that the broker or bank does not have discretionary authority to vote on the adoption and approval of the merger agreement, the shares will be considered present at the special meeting for determining the presence of a quorum, but will

14

THE MERGER

The following discussion describes the more important aspects of the merger and the material terms of the merger agreement. This description is qualified in its entirety by reference to the merger agreement. We encourage you to read carefully the merger agreement in its entirety, a copy of which is attached as Annex A.

RELATIONSHIP WITH FEDEX CORPORATION

A subsidiary of FedEx Corporation is Fritz's largest customs brokerage customer. Fritz renders services to FedEx pursuant to a Customs Brokerage Service Agreement, which covers three separate locations. The scheduled termination dates for the three locations are September 2005, February 2006 and September 2007, respectively. The agreement also provides for termination for convenience with various restrictions. In addition, FedEx has the right to terminate the Customs Brokerage Service Agreement if Fritz breaches the agreement and does not cure the breach within a notice period, or if there is a change of control of Fritz.

In connection with the review of strategic options available to Fritz discussed below under the caption "Background of the Merger," Fritz and FedEx engaged in a number of discussions during 2000 to explore the possibility of a business combination between Fritz and FedEx. These discussions did not result in agreement on price or any other terms.

From time to time, FedEx has expressed dissatisfaction to Fritz regarding the quality of the services provided to FedEx under the Customs Brokerage Service Agreement. On several occasions, FedEx indicated to Fritz that in view of its dissatisfaction with the services provided by Fritz, it believed that Fritz was in breach of the Customs Brokerage Service Agreement.

In view of the foregoing, the Board of Directors of Fritz placed a high priority on preserving and enhancing Fritz's relationship with FedEx. This objective was of particular importance in structuring the process for exploring the strategic options available to Fritz which is discussed below under the caption "Background of the Merger."

In late December 2000, FedEx indicated to Fritz that FedEx was exploring the possibility of terminating its existing commercial relationship with Fritz in the near term. At that time, representatives of FedEx and Fritz entered into discussions regarding a purchase of certain Fritz assets by FedEx. These discussions did not result in agreement on price or any other terms as reflected in the public complaint filed in Court by FedEx.

For discussion of litigation initiated by FedEx after execution of the

Merger Agreement, as well as related negotiations, see "The Merger -- Litigation."

BACKGROUND OF THE MERGER

In recent years, Fritz's board of directors has devoted significant attention to the implications for Fritz of changes in the industries in which Fritz operates, including, among others:

- the globalization of international trade,
- the increased complexity inherent in the transition from freight forwarding and customs brokerage to integrated logistics,
- the increasing level of investment in technology, information systems, distribution facilities and employee training required to remain competitive with the increased complexity of Fritz's business,
- recent strategic transactions in Fritz's industry, and
- the advantages associated with economies of scale and industry consolidation.

These considerations caused Fritz's board of directors to focus on the different strategic options available to Fritz, including on whether, over the long term, Fritz would be better positioned by combining with another company that would offer it additional resources, diversification and scale.

17

25

During 2000, representatives of Fritz engaged in discussions with a number of transportation and logistics companies regarding the possibility of business combination transactions. However, no agreements were reached.

On March 17, 2000, Fritz engaged Morgan Stanley & Co. Incorporated and Clark Capital Corporation to provide financial advice and assistance in connection with the possible transaction with FedEx. For a discussion of this possible transaction with FedEx, see "-- Relationship with FedEx Corporation" above. On September 6, 2000, this engagement was broadened to include financial advice and assistance in connection with potential strategic transactions with parties other than FedEx.

In early November 2000, a senior representative of UPS contacted representatives of Morgan Stanley to ascertain Fritz's interest in a possible strategic transaction. Thomas Delbrook, Vice President of Mergers and Acquisitions, and David Abney of UPS contacted Lynn Fritz about Fritz's willingness to engage in negotiations with UPS.

On November 10, 2000, Mr. Abney and Mr. Delbrook informed Mr. Fritz that they had authority to acquire a freight forwarder and asked Mr. Fritz if Fritz was interested in a strategic transaction. Mr. Fritz indicated that he was receptive to engaging in discussions with UPS regarding a possible strategic transaction. Thereafter, Mr. Fritz informally briefed individual directors, top management, representatives of Morgan Stanley and Clark Capital, and Fritz's outside counsel on these discussions. Mr. Fritz asked Graham Napier, President and Chief Operating Officer of Fritz, to arrange for the preparation of a confidentiality agreement and to work with Morgan Stanley, Clark Capital Corporation and UPS to commence with preliminary due diligence investigations.

On November 14, 2000, representatives of Fritz, UPS and their financial advisors held a conference call to discuss a possible business combination

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

between Fritz and UPS. During the call, the parties were introduced to the team members of Fritz and UPS and they discussed UPS' interest in Fritz, the status of the proposed confidentiality agreement, the anticipated due diligence process and the timing and logistics of such a transaction.

On November 17, 2000, Fritz entered into a confidentiality agreement with UPS.

On November 19, 2000, Fritz responded to an information request provided by UPS.

On November 20, 2000, the information provided pursuant to the information request was discussed preliminarily between representatives of UPS and Fritz.

On November 21, 2000, Fritz held a board meeting to consider UPS' interest in a potential strategic transaction with Fritz. Representatives of Fritz's financial advisors informed the board of the tentative schedule of meetings between the parties. Mr. Fritz advised that there had been no discussions of potential pricing of the transaction. Fritz's internal legal counsel informed the board of the measures taken to maintain the confidentiality of these discussions.

On November 21, 2000, Mr. Fritz met with Mr. Abney to discuss UPS' continued interest in a combination with Fritz.

On November 22, 2000, the Fritz and UPS management teams further discussed a schedule for an exchange of information.

On November 27, 2000, Fritz held a board meeting at which Mr. Fritz and Fritz's financial advisors briefed the Fritz board on the discussions that had been held thus far with UPS. Mr. Fritz indicated that top-level due diligence would be performed at the offices of Fritz's financial advisors on November 28, 2000 and that additional exchanges of information and discussions would likely take place during the balance of the week. Mr. Fritz informed the board that following a review of the preliminary due diligence by UPS, UPS' board likely would consider making an offer to acquire Fritz. Mr. Fritz expressed his personal belief to the board that UPS would make an ideal strategic partner but that Fritz should also continue to study proposed combinations with other companies and continue to pursue its business plan as a stand-alone company. The board discussed its interest in proceeding with UPS on a highly confidential basis and in a manner that would

18

26

avoid unnecessary disruption of Fritz's relationship with FedEx. The directors agreed that management of Fritz's relationship with FedEx was of utmost importance.

On November 29, 2000, Fritz held a board meeting at which Mr. Fritz and Fritz's financial advisors provided the directors with a summary of the recent preliminary due diligence session with UPS. The board discussed how best to manage the discussions with UPS and communications with FedEx.

On December 7, 2000, Fritz held a board meeting to further update the board members on the negotiations with UPS. Mr. Fritz described for the board UPS' logistics strategy and how a combination with Fritz would complement that strategy. Fritz's financial advisors discussed with the board issues relating to FedEx's relationship with Fritz and the potential impact of any changes to that relationship. Mr. Napier made a presentation to the board regarding Fritz's business plan and the results it could reasonably be expected to achieve as an independent entity. The board concluded by determining that it was in the best

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

interest of Fritz to continue its negotiations with UPS and management should seek to negotiate a transaction with a view to a high likelihood of closing in an expedited fashion.

On December 11, 2000, Mr. Fritz and Messrs. Abney and Delbrook of UPS discussed possible exchange ratios and other transaction terms.

On December 19, 2000, Mr. Fritz, Morgan Stanley and Clark Capital reported to the Fritz board on the status of UPS' due diligence review and UPS' high level of interest in finalizing the transaction terms. The board directed Fritz's outside counsel to begin drafting a merger agreement to be presented to UPS in the event UPS' proposed transaction terms were deemed to be acceptable to the board. Fritz's financial advisors discussed with the board other potential alliances based upon contacts initiated by Fritz's financial advisors and the issues associated with such alliances. The directors, after weighing the information provided by Fritz's financial advisors and the risks to Fritz in pursuing such potential alliances, instructed management to continue to pursue a transaction with UPS.

On December 21, 2000, Fritz conducted negotiations with UPS regarding the economic terms of a possible transaction. During those negotiations, representatives of UPS indicated a willingness to proceed with a tax-free stock-for-stock merger in which shares of UPS Class B common stock would be exchanged for shares of Fritz common stock. At a meeting held later the same day, the board and its financial and legal advisors discussed the possibility of a combination with UPS in light of Fritz's discussions with UPS to date. The board determined that it was in the best interests of Fritz to continue to pursue the possibility of a business combination with UPS and that management, together with Fritz's advisors, should negotiate with UPS with a view toward maturing the transaction. Counsel to Fritz reviewed the provisions of the merger agreement to be delivered to UPS by Fritz. Counsel to Fritz advised the board that the terms of the agreements should be viewed as proposals by Fritz to UPS that could be negotiated with UPS and approved by the board. The board instructed management to continue its negotiations with UPS.

During the period of December 21, 2000 through January 7, 2001, representatives of UPS pursued their due diligence investigations regarding Fritz. On January 3, 2001, counsel to UPS furnished counsel to Fritz with a new form of merger agreement. On January 3, 2001, representatives of UPS and Fritz commenced negotiations of the terms of a merger agreement.

On January 5, 2001, Fritz held a board meeting at which Mr. Fritz and Fritz's financial and legal advisors reviewed with the directors the status of negotiations with UPS. Fritz management discussed with the board key elements of UPS's due diligence activities and Fritz's due diligence review of UPS. Following this discussion, outside counsel to Fritz reviewed the terms of the proposed merger agreement and related stock option agreements, which had been drafted and proposed by counsel to UPS, and Morgan Stanley discussed the economic terms of the proposed transaction with the Fritz board. The directors agreed that the form of agreement proposed by UPS was not satisfactory and advised management as to the negotiating approach it should take with UPS. At the conclusion of the discussion, the directors determined that it was in the best interests of Fritz to continue to pursue a possible business combination with UPS and that management, together with Fritz's advisors, should continue to negotiate with UPS with a view towards maturing the

transaction on satisfactory terms or terminating the discussions prior to Fritz's announcement of quarterly earnings for its fiscal third quarter, which was scheduled to occur on January 16, 2001.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Following this meeting, representatives of UPS and Fritz continued to negotiate the transaction terms and the merger agreement and continued due diligence investigations.

On January 8, 2001, Mr. Delbrook and Mr. Fritz held a telephone conversation for the purpose of finalizing the exchange ratio. At the conclusion of the telephone conversation Mr. Delbrook proposed and Mr. Fritz agreed to recommend to the Fritz board an exchange ratio of 0.2 to 1.

On January 8, 2001, Fritz held a board meeting at which Mr. Fritz provided an update on the discussions with UPS and preliminary results of UPS due diligence of Fritz.

On January 9, 2001, the Fritz board held a telephonic meeting, which was also attended by Fritz's financial and legal advisors. During this meeting, legal counsel further reviewed the terms of the merger agreement, as revised, and Morgan Stanley presented the board the financial analysis that it had performed and delivered its opinion that, dated as of January 9, 2001, and subject to various considerations, limitations and qualifications set forth in the opinion, the exchange ratio pursuant to the merger agreement was fair from a financial point of view to the holders of Fritz common stock. Fritz's board then concluded its discussions of the merits of the transaction, approved the merger agreement and the transactions contemplated by the merger agreement and agreed to recommend the transaction to Fritz's stockholders.

Following this board meeting, the parties continued and then concluded their negotiations and executed the merger agreement and related documents on January 10, 2001. UPS and Fritz issued a joint press release announcing the transaction on January 10, 2001.

REASONS FOR THE MERGER

Fritz's board of directors has determined that the terms of the merger and the merger agreement are advisable, fair to, and in the best interests of, Fritz and its stockholders. Accordingly, Fritz's board of directors has approved the merger agreement and the completion of the merger and recommends that you vote for adoption of the merger agreement and approval of the merger.

In reaching its decision, Fritz's board of directors identified several potential benefits of the merger, the most important of which included:

- Fritz stockholders will become owners of UPS Class B common stock, which is a liquid and widely followed stock,
- Fritz stockholders will have the opportunity to participate in the potential for growth of the combined company after the merger,
- the acquisition of Fritz is expected to enable UPS to further expand its full range of domestic and international transportation, logistics and customs brokerage services,
- Fritz's international freight forwarding and customs brokerage expertise and UPS' express carrier and package delivery strengths are expected to generate significant cross-selling opportunities for the combined company,
- UPS' sales and marketing strengths could be a significant advantage to Fritz's business,
- the exchange ratio in the merger represented a premium of approximately 74% over the average closing price of Fritz common stock for the 30-day

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

trading period preceding January 10, 2001, the date of the signing of the merger agreement, and

- combining with UPS will alleviate the potential negative effects on Fritz's public stock price due to limited public float, and limited daily trading volume, and be afforded substantially increased trading liquidity for their investment.

20

28

Fritz's board of directors consulted with Fritz's senior management, as well as its legal and financial advisers, in reaching its decision to approve the merger. Among the factors considered by Fritz's board of directors in its deliberations were the following:

- historical information concerning UPS' and Fritz's respective financial performance, results of operations, assets, liabilities, operations, technology, management and competitive position, including public reports covering the most recent fiscal year and fiscal quarter for each company filed with the Securities and Exchange Commission,
- the complementary nature of the companies' services and possible synergies from combining UPS and Fritz, and the benefits to Fritz's customers created by the combination of the services offered by each company,
- Fritz's management's view of the financial condition, results of operations, assets, liabilities, businesses and prospects of UPS and Fritz after giving effect to the merger,
- current market conditions and historical trading information with respect to UPS Class B common stock and Fritz common stock,
- the terms and conditions of the merger agreement, including the expected tax-free treatment to Fritz stockholders,
- the analyses prepared by Morgan Stanley and presented to Fritz's board of directors and the written opinion of Morgan Stanley that, as of January 9, 2001 and based upon and subject to the various considerations, limitations and qualifications set forth in the written opinion, the exchange ratio, as set forth in the merger agreement, was fair, from a financial point of view, to holders of Fritz common stock, as described more fully beginning on page 22 and in the text of the fairness opinion attached to this document as Annex D.
- UPS's track record and the strength of its management team,
- uncertainties and challenges facing Fritz as a standalone company, including maintaining its relationships with FedEx and other large customers, making additional large investments in technology, strengthening the management team and accessing capital, and
- the terms of the merger agreement, including the ability of Fritz's board of directors, prior to the earlier of March 11, 2001 and the date of the special meeting of Fritz stockholders, to enter into discussions with another party in response to an unsolicited superior offer to the merger if Fritz's independent directors believed in good faith that such action was required in order to comply with its fiduciary obligations, the fee payable in the event that the merger agreement is terminated to enable

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Fritz to enter an acquisition agreement with a third party advancing such an offer, and the possible effect of such fee and the stockholder option agreements between UPS and Lynn Fritz and his affiliates on the likelihood that a third party would make such an offer.

Fritz's board of directors also identified and considered a variety of potential negative factors in its deliberations concerning the merger, including, but not limited to:

- the risk to Fritz stockholders that the value to be received in the merger could decline due to the fixed exchange ratio,
- the loss of control over the future operations of Fritz following the merger,
- the impact of the loss of Fritz's status as an independent company on Fritz stockholders, employees and clients,
- the risk that the potential benefits sought in the merger might not be fully realized, and

21

29

- the possibility that the merger might not be consummated and the potential adverse effects of the public announcement of the merger on Fritz's:
 - sales and operating results,
 - ability to attract and retain key employees,
 - overall competitive position, and
 - relationship with FedEx.

After due consideration, Fritz's board of directors determined that Fritz could avoid or mitigate some of these risks and that, overall, the risks associated with the proposed merger were outweighed by the potential benefits of the merger.

Fritz's board of directors does not intend the foregoing discussion of information and factors to be exhaustive, but believes the discussion to include all of the material factors that it considered. In view of the complexity and wide variety of information and factors, both positive and negative, that it considered, Fritz's board of directors did not find it practical to quantify or otherwise assign relative or specific weights to the factors considered. However, after taking into consideration all of the factors described above and the advice of its outside counsel and financial advisor, Fritz's board of directors concluded that the merger agreement and merger were advisable, fair to, and in the best interests of, Fritz and its stockholders and that Fritz should proceed with the merger.

RECOMMENDATION OF FRITZ'S BOARD OF DIRECTORS

Fritz's board of directors has determined that the terms of the merger and the merger agreement are advisable, fair to, and in the best interests of, Fritz and its stockholders. Accordingly, Fritz's board of directors has approved the merger agreement and the merger and recommends that you vote "FOR" adoption of the merger agreement and approval of the merger.

In addition, Morgan Stanley reviewed the implied exchange ratio that resulted when using Fritz's and UPS's per share value determined using present value of publicly available securities research analysts' price targets (described below).

IMPLIED EXCHANGE RATIO

Analyst Price Targets Analysis.....	0.112x
-------------------------------------	--------

Morgan Stanley noted that the exchange ratio implied by the terms of the merger agreement compared favorably to the period average exchange ratios and the implied exchange ratio listed above.

PRESENT VALUE OF RESEARCH ANALYST PRICE TARGETS

Morgan Stanley calculated Fritz's and UPS's present value of research analyst price targets by reviewing the 12-month price targets of selected publicly available securities research analysts for Fritz common stock and UPS Class B common stock and discounted those estimated prices to their present values. The range for the present value of such price targets of Fritz, as of January 8, 2001, was \$6.25 to \$8.04. The range for the present value of such price targets for UPS, as of January 8, 2001, was \$58.04 to \$69.64.

PRESENT VALUE OF POTENTIAL FUTURE STOCK PRICE

Morgan Stanley calculated Fritz's present value of potential future stock price by reviewing management's calendar year 2002 EPS estimate of Fritz multiplied by a range of current (as of January 8, 2001) and peak historical next twelve months price to earnings multiples and discounted those prices to their present values. The range for the present value of potential future stock price of Fritz, as of January 8, 2001, was \$7.00 to \$13.25.

ANALYSIS OF SELECTED PRECEDENT TRANSACTIONS

Using publicly available information, Morgan Stanley reviewed the terms of various announced, pending or completed industry transactions that were deemed generally comparable to the merger. Morgan Stanley compared publicly available financial and market statistics of precedent transactions to the merger. The following table presents as of January 8, 2001, the representative ranges from these transactions for each of the following ratios:

	LOW -----	MEDIAN -----	HIGH -----
Price to NTM Estimated Earnings.....	18.0x	20.0x	27.4x
Aggregate Value to LTM EBIT.....	10.0	17.9	36.1
Aggregate Value to LTM EBITDA.....	8.3	10.9	14.0

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Based on an analysis of the corresponding estimated earnings, EBIT and EBITDA for Fritz, which were based on estimates from Fritz management, Morgan Stanley estimated per share transaction values for Fritz

24

32

ranging from \$7.50 to \$13.00. Morgan Stanley noted that, as of January 8, 2001, the value to be received per Fritz common share based on the exchange ratio of 0.2 shares of UPS Class B common stock per share of Fritz common stock was \$12.21.

No transaction utilized as a comparison in the precedent transactions analysis is identical to the merger. In evaluating the precedent transactions, Morgan Stanley made judgments and assumptions regarding industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Fritz, including the impact of competition on Fritz and the industry in general, industry growth and the absence of any material adverse change in the financial condition and prospects of Fritz or the industry or in the financial markets in general. Mathematical analysis (such as determining the median) is not in itself a meaningful method of using comparable transaction data.

COMPARABLE COMPANY ANALYSIS

As part of its analysis, Morgan Stanley compared various financial information of Fritz with publicly available information for various non-asset and asset based logistics companies, including EGL, Inc., Expeditors International of Washington, Inc., C.H. Robinson Worldwide, Inc., Hub Group, Inc. and Landstar System, Inc.; United Parcel Service, Inc., TNT Post Group NV, Atlas Air, Inc., FedEx Corporation, Ryder System, Inc., CNF Inc. and Airborne, Inc. For this analysis, Morgan Stanley examined various financial ratios for these comparable companies based on publicly available information.

The following table presents, as of January 8, 2001, the low, high and median values for each of the following ratios with respect to all the logistics companies for which Morgan Stanley reviewed financial ratios:

	LOW ----	MEDIAN -----	HIGH -----
Share price to CY 2001 Estimated Earnings Per Share.....	8.1x	16.3x	31.0x
Share price to CY 2002 Estimated Earnings Per Share.....	7.0	13.7	26.3
Aggregate Value to LTM EBIT.....	7.2	12.5	22.8
Aggregate Value to LTM EBITDA.....	3.4	6.9	19.8

Based on an analysis of the comparable companies that Morgan Stanley reviewed, and the corresponding information for Fritz, which was based on estimates from Fritz management, Morgan Stanley estimated per share values for Fritz ranging from \$5.50 to \$11.50. The midpoint of this range was multiplied by estimated control premiums ranging from 30% to 50% to determine a transaction value range of \$11.00 to \$12.75 per Fritz common share.

No company utilized in the comparable company analysis is identical to Fritz. In evaluating the comparable companies, Morgan Stanley made judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

control of Fritz, including the impact of competition on the business of Fritz and the industry generally, industry growth and the absence of any material adverse change in the financial condition and prospects of Fritz or the industry or in the financial markets in general. Mathematical analysis, such as determining the average or median, is not in itself a meaningful method of using comparable company data.

COMPARATIVE STOCK PRICE PERFORMANCE

Morgan Stanley reviewed the recent stock price performance of Fritz and compared this performance with that of stock indices comprised of non-asset based logistics companies, asset based logistics companies and the S&P 500, respectively. DISCOUNTED CASH FLOW ANALYSIS

Morgan Stanley calculated Fritz's per share value using discounted cash flow analysis. In this analysis, Morgan Stanley performed a management case discounted cash flow analysis of Fritz based on certain financial projections

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

provided by the management of Fritz. Morgan Stanley also performed a conservative case discounted cash flow analysis of Fritz based on guidance from the management of Fritz. Morgan Stanley calculated unlevered free cash flow as the after-tax operating earnings excluding any interest income and interest expense plus depreciation and amortization, plus deferred taxes, plus or minus net changes in non-cash working capital, minus capital expenditures. Morgan Stanley calculated terminal year values by applying a range of perpetual growth rates of 4.0% to 6.0% for Fritz. The cash flow streams and terminal values were then discounted to present values using a discount rate of 11% (the average of a range of appropriate discount rates of 10-12%) for Fritz. This analysis implied a range of values for shares of Fritz common stock of \$8.50 to \$11.50 for the management case and \$4.50 to \$6.25 for the conservative case.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to a partial analysis or summary description. In arriving at its opinion, Morgan Stanley considered the results of all of its analyses as a whole and did not attribute any particular weight to any particular analysis or factor considered by it. Furthermore, Morgan Stanley believes that the summary provided and the analyses described above must be considered as a whole and that selecting any portion of its analyses without considering all analyses would create an incomplete view of the process underlying its analyses and opinion. In addition, Morgan Stanley may have given various analyses and factors more or less weight than other analyses and factors, and Morgan Stanley may have deemed various assumptions more or less probable than other assumptions, so that the ranges of valuations resulting from any particular analysis described above should not be taken to be Morgan Stanley's view of the actual value of Fritz.

In performing its analyses, Morgan Stanley made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Fritz. Any estimates contained in Morgan Stanley's analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by these estimates. These analyses were prepared solely as a part of Morgan Stanley's analysis of the fairness from a financial point of view of the exchange ratio to the holders of shares of Fritz common stock pursuant to the

26

34

merger agreement and were conducted in connection with the delivery of the Morgan Stanley opinion dated January 9, 2001 to the Fritz board of directors. Morgan Stanley's analyses do not purport to be appraisals of value or to reflect the prices at which Fritz might actually be sold or the price at which its securities might actually trade. In addition, as described above, the Morgan Stanley opinion was one of the many factors taken into consideration by the Fritz board of directors in making its determination to approve the merger. The exchange ratio and other terms of the merger agreement were determined through arm's length negotiations between Fritz and UPS and were approved by the Fritz board of directors. Morgan Stanley did not recommend any specific consideration or exchange ratio to Fritz or that any specific consideration or exchange ratio constituted the only appropriate consideration or exchange ratio for the merger. Consequently, the Morgan Stanley analyses as described above should not be viewed as determinative of the opinion of the Fritz board of directors with respect to the value of Fritz or of whether the Fritz board of directors would have been willing to agree to a different consideration or exchange ratio.

Morgan Stanley is an internationally recognized investment banking and advisory firm. As part of its investment banking and financial advisory business, Morgan Stanley is continuously involved in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated

underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. In the course of its trading brokerage and financing activities, Morgan Stanley or its affiliates may, at any time, hold long or short positions in, and buy and sell the debt or equity securities or senior loans of Fritz or UPS for its account or the account of its customers. Morgan Stanley and its affiliates have, in the past, provided financial advisory and/or financing services to Fritz and UPS and have received fees for the rendering of these services. Morgan Stanley may also provide investment banking services to UPS in the future.

Under the engagement letter dated March 16, 2000, and as amended on September 6, 2000, Morgan Stanley agreed to provide financial advisory services in connection with the merger, and Fritz agreed to pay Morgan Stanley a customary fee in connection therewith.

In addition, Fritz has agreed to reimburse Morgan Stanley for its expenses incurred in connection with its engagement and to indemnify Morgan Stanley and its affiliates, their respective directors, officers, agents and employees and each person, if any, controlling Morgan Stanley or any of its affiliates against various liabilities and expenses, including the fees of its legal counsel and certain liabilities under the federal securities laws, related to or arising out of Morgan Stanley's engagement.

INTERESTS OF FRITZ EXECUTIVE OFFICERS AND DIRECTORS IN THE MERGER

In considering the Fritz board of directors' recommendation that you vote "FOR" adoption of the merger agreement and approval of the merger, you should know that some of the Fritz directors and executive officers have interests in the merger that are different from, or in addition to, their interests as stockholders of Fritz generally. The Fritz board of directors was aware of these interests and considered them, among other matters, in making its recommendation.

Change of Control Agreements

Fritz has change of control agreements with each of Graham R.F. Napier, Ronald F. Dutt, Jan H. Raymond, Eugene E. Wojciechowski, Janice J. Washburn, Richard Gervais and John R. Skidmore. Consummation of the merger agreement will constitute a change of control under these agreements. Each of the agreements provides for a severance payment on termination of employment under the circumstances provided in the agreements. Such circumstances include termination by Fritz for any reason (other than cause or disability) or resignation by the employee for "Good Reason" within the thirty-six month period following the completion of the merger and a voluntary resignation by the executive officer during the thirty day period after the first full fiscal year following the change of control. Under the agreements, "Good Reason" means that the executive officer has incurred a material reduction in his or her title, authority, status or responsibility, has incurred one or more reductions in his or her total compensation, or has been notified that his or her principal place of work will be relocated by a distance of 75 miles or more.

27

35

The severance benefit under these agreements is equal to 2.5 times the executive officer's annual rate of base compensation in effect on the date of the employment termination (or if greater, the effective date of the change of control agreement) plus 2.5 times the target annual bonus for such executive officer.

In addition to severance payments, upon the effective date of a change of

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

control each executive officer listed above will become fully vested in all of his or her outstanding stock options, stock appreciation rights, restricted stock, phantom stock or similar plans or agreements of Fritz. Additionally, if any executive officer listed above is entitled to a severance payment, such executive officer also will become fully vested in all awards heretofore or hereafter granted to him or her under all stock options, stock appreciation rights, restricted stock, phantom stock or similar plans or agreements, regardless of any provisions in such plans or agreements that do not provide for full vesting or for earlier expiration of the award. As of the record date, the following executive officers held stock options subject to accelerated vesting under the change of control agreements:

NAME AND POSITION -----	NUMBER OF OPTIONS AS TO WHICH VESTING WILL ACCELERATE -----
Graham R. F. Napier President and Chief Operating Officer.....	356,806
Ronald F. Dutt Executive Vice President and Chief Financial Officer.....	16,900
Jan H. Raymond Executive Vice President, Secretary and General Counsel...	22,747
Eugene E. Wojciechowski Senior Vice President and Chief Information Officer.....	30,041
Richard Gervais Senior Vice President, North American Operations.....	16,500
Janice J. Washburn Vice President and Controller.....	9,934
John R. Skidmore Senior Vice President, Human Resources.....	1,635

Total.....	454,563 =====

Fritz will also pay for any group health continuation coverage that Fritz is otherwise required to offer under the Consolidated Omnibus Budget Reconciliation Act of 1986 for such executive officer.

Any payments or distributions made to or for the benefit of the above executive officers under these change of control agreements will be reduced, if necessary, to an amount that would result in no excise taxes being imposed under Internal Revenue Code section 4999.

Board of Directors and Management of Fritz After the Merger

At the effective time of the merger, the members of the Fritz board of directors will be replaced by the members of the Board of Directors of VND Merger Sub, Inc., the wholly owned UPS subsidiary that is being merged into Fritz.

UPS and Fritz expect that Lynn C. Fritz, the current Chairman and Chief Executive Officer of Fritz, will be retained as a consultant to the combined company. Current management of Fritz is expected to remain in place, with oversight from UPS's Corporate Development Group.

Stock Options

Following the completion of the merger, UPS will assume the obligations and rights of Fritz with respect to all outstanding options under Fritz's stock option plans. As a result, any stock options previously granted

28

36

with respect to Fritz common stock, including stock options granted to directors and executive officers of Fritz, will be exercisable for UPS Class A common stock on the same terms and conditions as under the Fritz plans, except that

- each such Fritz stock option will be exercisable (or will become exercisable in accordance with its terms) for that number of whole shares of UPS Class A common stock equal to the product of the number of shares of Fritz common stock that were issuable upon exercise of such Fritz stock option immediately prior to the effective time of the merger multiplied by the exchange ratio, rounded down to the nearest whole number of shares of UPS Class A common stock and
- the per share exercise price for UPS Class A common stock issuable upon exercise of such Fritz stock option will be equal to the quotient determined by dividing the exercise price per share of the Fritz common stock at which such Fritz stock option was exercisable immediately prior to the effective time of the merger by the exchange ratio, rounded up to the nearest whole cent.

401(k) Plan

Under Fritz's 401(k) retirement plan, all employer match accounts will become 100% vested upon termination of the plan following stockholder approval of the merger. Of Fritz's executive officers who participate in the plan, five are not currently fully vested in their employer match accounts. The aggregate value of the acceleration of the match for these five executive officers is approximately \$22,085.

Indemnification Rights

UPS has agreed that for a period of at least six years after the merger, all rights to indemnification by Fritz now existing in favor of present and former directors, officers, employees and agents of Fritz and any of its subsidiaries will survive. In addition, UPS has agreed that for a period of six years after the merger, it will maintain directors' and officers' liability insurance, if available, for the benefit of Fritz's directors and officers, to provide insurance coverage that will reimburse the directors and officers of Fritz with respect to claims against such directors and officers arising from facts or events that occurred before the merger. The coverage and policy limits will not be materially less favorable than the coverage provided by Fritz of the date of the merger agreement, subject to the cost of the insurance not exceeding 200 percent of the amount expended by Fritz for similar insurance on the date of the merger agreement. UPS will cause the corporation surviving the merger to honor and perform the obligations of Fritz with respect to rights of indemnification existing in favor of present and former directors, officers, employees and agents of Fritz pursuant to indemnification agreements and employment agreements in effect prior to the merger. From and after the effective time of the merger agreement, UPS will unconditionally guarantee the timely performance of all obligations of the surviving corporation of the merger with respect to the continuing indemnification of Fritz's directors, officers, employees and agents described in the merger agreement.

Tradami, Inc.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

On July 17, 2000, the Projects Committee of the board of directors of Fritz held a meeting at which Mr. Fritz presented a business opportunity relating to the proposed creation of a new internet start-up, to be named Tradami, Inc., which would focus on logistics for the emerging business-to-business internet exchanges and enterprise accounts. Mr. Fritz disclosed his conflict of interest to the Projects Committee and did not participate in the discussions or deliberations of the Projects Committee, except to describe the Tradami, Inc. business concept. The Projects Committee determined that given the cash position of Fritz, the capital needs of Tradami, Inc., the real risk that Tradami, Inc. would never be successful and the diversion of resources, Fritz should not commit cash to pursuing the corporate opportunity presented by the Tradami, Inc. idea and should permit Mr. Fritz to pursue the opportunity independently. Mr. Fritz volunteered that for no present cash investment, Fritz would be granted an initial 10% ownership interest in Tradami, Inc. following Mr. Fritz's investment of \$500,000 for a 90% ownership interest in Tradami, Inc., with a continuing right to maintain its 10% ownership level in the event that Fritz's cash position would allow and the prospects of Tradami, Inc. would justify the investment.

29

37

On July 24, 2000, Fritz held a board meeting at which, based on the recommendation of the Projects Committee, the board resolved that, except with respect to the initial ten percent (10%) ownership interest in Tradami, Inc., with zero cash investment, and Fritz's continuing right to maintain that percentage in future financings of Tradami, Inc., in the event Fritz's cash position permits and the prospects of Fritz justify such an investment, Fritz would waive the corporate opportunity regarding Tradami, Inc. The Fritz board also resolved that Mr. Fritz be allowed to pursue this new venture consistent with his duties to Fritz. Mr. Fritz did not participate in the board's discussion of and approval of resolutions concerning Tradami, Inc.

On November 30, 2000, Fritz agreed to sell 100% of the common stock of FCI Logistics Inc., a wholly owned subsidiary, to Tradami, Inc. Under terms of the sales agreement, Tradami, Inc. paid \$1,672,000 in cash. Fritz recognized a gain of \$532,000 on the sale.

Also on November 30, 2000, Fritz entered into a Services Agreement with Tradami, Inc. whereby Fritz agreed to provide services at competitive prices to customers of Tradami, Inc. In addition, under the Services Agreement, which has a term of five years, both parties agreed to enter into a License Agreement and a Co-Marketing Agreement by May 31, 2001. Under the proposed terms of the License Agreement, Tradami, Inc. would develop and license e-commerce technology, and Fritz would integrate its systems and operations with the Tradami platform and maintain and upgrade its systems after integration work is completed. Under the proposed terms of the Co-Marketing Agreement, Fritz and Tradami, Inc. would jointly market their services to potential and existing customers, and Fritz would provide Tradami, Inc. with competitive rates for its services and use of Fritz's global freight capacities.

UPS BOARD OF DIRECTORS

The UPS board of directors will remain unchanged after the merger.

STRUCTURE OF THE MERGER; MERGER CONSIDERATION

The merger agreement provides that, after its approval by the Fritz stockholders and the satisfaction or waiver of the other conditions to the merger, VND Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of UPS, will merge with and into Fritz. The separate corporate existence of the

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

VND will cease and Fritz will continue as the surviving corporation and as a wholly owned subsidiary of UPS.

In the merger, each share of Fritz common stock will be exchanged for 0.2 of a share of UPS Class B common stock, a number that is referred to in this document as the exchange ratio. No fractional shares of UPS Class B common stock will be issued. Instead, all fractional shares of UPS Class B common stock that a holder of Fritz common stock otherwise would be entitled to receive will be added together and, if a fractional share results from that summation, then that holder will receive for that fractional share, an amount in cash equal to the per share closing price of UPS Class B common stock quoted on the NYSE on the date of the closing, multiplied by the fraction of a share of UPS Class B common stock to which that holder otherwise would have been entitled.

We urge Fritz stockholders to obtain current market quotations for UPS Class B common stock. The market price of UPS common stock is likely to fluctuate between the date of this document and the date on which the merger is completed and thereafter. Because the number of shares of UPS Class B common stock to be received by Fritz stockholders in the merger is fixed and the market price of UPS Class B common stock is subject to fluctuation, the value of the shares of UPS Class B common stock that Fritz stockholders will receive in the merger may increase or decrease prior to and after the merger.

CONVERSION OF SHARES; PROCEDURES; EFFECTIVE TIME

The conversion of each share of Fritz common stock into UPS Class B common stock will occur automatically at the completion of the merger.

As soon as reasonably practicable after the completion of the merger, First Union National Bank, the exchange agent, will send a transmittal letter to each holder of record of Fritz common stock. The transmittal letter will contain instructions on how to obtain shares of UPS Class B common stock, and, if appropriate,

30

38

cash in exchange for shares of Fritz common stock. FRITZ STOCKHOLDERS SHOULD NOT SEND STOCK CERTIFICATES WITH THE ENCLOSED PROXY.

Holders of certificates previously representing Fritz common stock will not be paid dividends or other distributions declared or made with respect to shares of UPS common stock into which their Fritz common stock has been converted with a record date after the merger, and will not be paid cash for any fractional shares of UPS Class B common stock, until their certificates are surrendered to the exchange agent for exchange. After their certificates are surrendered, any unpaid dividends and any cash for fractional shares will be paid without interest.

None of UPS, the exchange agent or any other person will be liable to any former Fritz stockholder for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following discussion is a summary of the material anticipated U.S. federal income tax consequences of the merger to a Fritz stockholder who holds shares of Fritz common stock as a capital asset at the effective time of the merger. The discussion is based on laws, regulations, rulings and decisions in effect on the date hereof, all of which are subject to change (possibly with retroactive effect) and to differing interpretations. This discussion does not address all aspects of U.S. federal income taxation that may be relevant to particular holders in light of their personal circumstances or to holders

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

subject to special treatment under the Internal Revenue Code, including, without limitation, banks, tax-exempt organizations, insurance companies, dealers in securities or foreign currency, traders in securities that elect to mark to market, holders who received their Fritz common stock through the exercise of employee stock options or otherwise as compensation, holders who are not U.S. persons (as defined in Section 7701(a)(30) of the Internal Revenue Code) and holders who hold Fritz common stock as part of a hedge, straddle or conversion transaction. In addition, the discussion does not address any state, local or foreign tax consequences of the merger.

Each holder of Fritz common stock is urged to consult its tax advisor with respect to the particular tax consequences of the merger to such holder.

Tax Opinions

In the opinion of King & Spalding, counsel to UPS, subject to the assumptions, limitations, qualifications and other considerations described below under " -- Considerations with Respect to Opinions," the merger will be treated as a "reorganization" for U.S. federal income tax purposes within the meaning of Section 368(a) of the Internal Revenue Code.

The merger is conditioned upon counsel to UPS reaffirming their tax opinion by delivering a closing tax opinion to UPS and Fritz at the effective time of the merger. If UPS and Fritz are unable to obtain the closing tax opinion, UPS and Fritz are permitted under the merger agreement to waive the receipt of the closing tax opinion as a condition to the parties' obligation to consummate the merger. As of the date of this document, neither UPS nor Fritz intends to waive the receipt of the closing tax opinion as a condition to the consummation of the merger. If UPS and Fritz fail to obtain the closing tax opinion and decide to waive the condition to the consummation of the merger, they will resolicit the vote of their stockholders to approve the merger agreement.

In accordance with the tax opinion regarding the treatment of the merger as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code, and subject to the assumptions, limitations, qualifications and other considerations described below under "-- Considerations with Respect to Opinions," the anticipated U.S. federal income tax consequences of the merger can be summarized as follows: (1) no gain or loss will be recognized by UPS, the subsidiary or Fritz as a result of the merger; (2) no gain or loss will be recognized by the holders of Fritz common stock who exchange all of their shares of Fritz common stock in the merger solely for shares of UPS Class B common stock, except with respect to cash, if any, received in lieu of fractional shares of UPS Class B common stock; (3) the tax basis of the shares of UPS Class B common

31

39

stock received by a holder of Fritz common stock will be the same as the tax basis of the shares of Fritz common stock surrendered in exchange therefor (reduced by any amount allocable to a fractional share of UPS Class B common stock for which cash is received); (4) the holding period of the shares of UPS Class B common stock received in the merger by a holder of Fritz common stock (including a fractional share of UPS Class B common stock for which cash is received) will include the holding period of the shares of Fritz common stock surrendered in exchange therefor; and (5) cash received by a holder of Fritz common stock in lieu of a fractional share of UPS Class B common stock will be treated as received in exchange for the fractional share, and capital gain or loss will be recognized by the holder in an amount equal to the difference between the amount of cash received and the portion of the tax basis of the holder's shares of Fritz common stock allocable to the fractional interest.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Considerations with Respect to Opinions

The tax opinion, the closing tax opinion and the foregoing summary of the anticipated U.S. federal income tax consequences of the merger are based upon and are subject to assumptions, limitations and qualifications, including representations made by officers of Fritz, UPS and the subsidiary. If any of these representations or assumptions is inconsistent with the actual facts, the U.S. federal income tax consequences of the merger could be adversely affected. In addition, no ruling from the Internal Revenue Service with respect to the tax consequences of the merger has been, or will be, requested and the tax opinion and closing tax opinion are not binding on the Internal Revenue Service or the courts and do not preclude the Internal Revenue Service from adopting a contrary position and a court sustaining the position.

REGULATORY APPROVALS

The merger is subject to antitrust laws of the U.S. and numerous foreign jurisdictions.

UPS and Fritz each filed notification and report forms under the Hart-Scott Rodino Act with the FTC and the Antitrust Division. Early termination of the specified waiting period was granted on February 16, 2001.

The closing of the merger is conditioned on the receipt of the approval of regulatory authorities in specific foreign jurisdictions, including each approval that is required for the merger and the failure of which to obtain would be reasonably likely to have a material adverse effect on the business, operations, properties, condition (financial or otherwise), assets or liabilities of Fritz or UPS or to prevent or materially delay the performance by Fritz or UPS of any of their respective material obligations under the merger agreement or the consummation of the merger or the other transactions contemplated by the merger agreement. In addition, none of those approvals may result in the imposition of a condition that

- would be reasonably likely to have a material adverse effect on the business, operations, properties, condition (financial or otherwise), assets or liabilities of Fritz or UPS or to prevent or materially delay the performance by Fritz or UPS of any of their respective material obligations under the merger agreement or the consummation of the merger or the other transactions contemplated by the merger agreement or
- require UPS or the surviving corporation in the merger to make any divestitures, including any divestiture of the assets of UPS or Fritz, or to take any other action which would reasonably be expected to impair UPS's ability to achieve in any material respect the overall benefits expected, as of the date the merger agreement is executed, to be realized from the consummation of the merger.

The merger also is subject to the review of numerous foreign agencies generally for antitrust reasons. Most of these agencies require a filing to be made by Fritz and/or UPS before the effective date, but some of the filings are not required to be made until after the effective date. The waiting periods with respect to these filings vary. We expect that the merger will not violate any foreign antitrust laws and that all of the foreign antitrust regulatory authorities whose approval we must seek will approve the merger.

The merger will not proceed in the absence of the requisite regulatory approvals. At any time before or after the completion of the merger, the FTC or the Antitrust Division could take any action under the antitrust laws as either deems necessary or desirable in the public interest, including seeking to enjoin

the completion of

32

40

the merger or seeking the divestiture of substantial assets of UPS or Fritz. UPS and Fritz believe that the completion of the merger will not violate the antitrust laws. There can be no assurance, however, that these regulatory approvals will be obtained, and if the merger is approved, there can be no assurance as to the date of any of these approvals. There can also be no assurance that these approvals will not contain any adverse condition or requirement which causes the parties to abandon the merger because the approval fails to satisfy the conditions set forth in the merger agreement and described in this document. See "The Merger Agreement -- Conditions to the Merger." There can likewise be no assurance that the Antitrust Division will not challenge the merger, or if a challenge is made, as to the outcome thereof.

LITIGATION

On February 5, 2001, FedEx Corporation and Federal Express Corporation, a wholly owned subsidiary of FedEx Corporation (collectively, "FedEx"), filed a complaint and request for injunctive relief in the Shelby County Tennessee State Court against Fritz. The complaint alleges that in the course of negotiating the merger, Fritz has breached or is threatening to breach its obligations not to disclose confidential information and trade secrets under a mutual non-disclosure agreement and a separate customs brokerage service agreement between FedEx and Fritz. The FedEx complaint seeks unspecified damages and injunctive relief. UPS was not initially named as a party to this lawsuit by FedEx. On the day the complaint was filed, FedEx sought and obtained from the Court, without prior notice to Fritz, a temporary restraining order prohibiting Fritz from disclosing FedEx confidential information, or otherwise breaching certain provisions of the mutual non-disclosure agreement or customs brokerage service agreement.

On February 16, 2001, FedEx filed an amended complaint in the Tennessee lawsuit adding claims that the proposed merger between Fritz and UPS inevitably will result in the disclosure to UPS of FedEx trade secrets or confidential information. While not attempting to include UPS as a party, the amended complaint seeks a temporary and permanent injunction against Fritz's completion of the merger. On February 20, 2001, the Court entered a brief order joining UPS as a party defendant that is required for complete adjudication of the issues in the Tennessee lawsuit. On February 20, 2001, the Court issued an order, later entered as a written order on February 23, 2001, denying FedEx's motion for a temporary injunction against the merger. The Court continued until March 7, 2001, and then with the consent of the parties further extended to March 20, 2001, the temporary restraining order entered February 5, 2001, prohibiting disclosure of confidential FedEx information or otherwise breaching certain provisions of the mutual non-disclosure agreement or customs brokerage service agreement. The Court also directed Fritz to submit a plan to provide protections against improper disclosure of FedEx confidential information (the "Fritz Separation Plan"), which Fritz has done. While the temporary restraining order has technically expired, the Court has announced that it wishes to enter an order of temporary injunction requiring Fritz to implement certain portions of the Fritz Separation Plan submitted by Fritz. The Court has further directed that Fritz and FedEx resolve certain outstanding issues with respect to the Fritz Separation Plan with the guidance of the Special Master appointed by the Court. The Special Master has issued a report and recommendation to the Court, which has been placed under seal. The parties will have an opportunity to file objections regarding the recommendation.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Fritz believes it has meritorious defenses and intends to vigorously defend the lawsuit filed by FedEx. On March 22, 2001, Fritz filed an answer and counterclaim against FedEx alleging breach of contract and seeking damages and other remedies under the customs brokerage service agreement.

On February 19, 2001, before UPS was added by the Court as a party in the Tennessee litigation, UPS filed its own civil lawsuit in Superior Court of Fulton County Georgia, joining FedEx and Fritz. In the Georgia suit, UPS seeks a judicial declaration that completion of the merger will not require Fritz to violate its contractual promises not to disclose or misuse confidential or trade secret information belonging to FedEx. UPS has made clear that it does not seek or desire disclosure of any FedEx trade secret material. On February 27, 2001, FedEx appeared in the Georgia action and moved to stay or dismiss the Georgia action. Fritz has not yet filed a responsive pleading in the Georgia action.

UPS intends to vigorously assert its position that the claims of FedEx seeking to block the merger are without merit.

33

41

ACCOUNTING TREATMENT

UPS intends to account for the merger under the purchase method of accounting for business combinations. After the merger, the results of operations of Fritz will be included in the consolidated financial statements of UPS.

APPRAISAL RIGHTS

Under Delaware law, Fritz stockholders have no dissenters' or appraisal rights in connection with the merger.

RESALE OF UPS CLASS B COMMON STOCK

The merger agreement requires Fritz to deliver to UPS, prior to the closing of the transactions contemplated by the merger agreement, a letter identifying all persons who may be, as of the date the merger is submitted for approval by Fritz stockholders, an affiliate of Fritz. The merger agreement further requires Fritz to use commercially reasonable efforts to cause each person who is identified as an affiliate in that letter to deliver to UPS, on or prior to the completion of the merger, an executed letter agreement to the effect that the affiliate will not offer, sell or otherwise dispose of any of the shares of UPS Class B common stock issued to that affiliate in the merger or otherwise owned or acquired by that affiliate, in violation of the Securities Act.

All shares of UPS Class B common stock received by Fritz stockholders in the merger will be freely transferable, except that the shares of UPS Class B common stock received by persons who are deemed to be "affiliates" of Fritz under the Securities Act at the time of Fritz's special stockholders' meeting may resell those shares only in transactions permitted by Rule 145 under the Securities Act or as otherwise permitted under the Securities Act. Persons who may be affiliates of Fritz for those purposes generally include individuals or entities that control, are controlled by, or are under common control with, Fritz, and would not include stockholders who are not officers, directors or principal stockholders of Fritz.

This proxy statement/prospectus does not cover resales of UPS Class B common stock to be received by the stockholders of Fritz in the merger, and no person is authorized to make any use of this proxy statement/prospectus in connection with any such resale.

THE MERGER AGREEMENT

The following is a summary of the material terms of the merger agreement executed by Fritz, UPS and VND Merger Sub, Inc., a newly formed, wholly owned subsidiary of UPS, on January 10, 2001. This summary is qualified in its entirety by reference to the merger agreement, a copy of which is attached as Annex A to this proxy statement/prospectus and is incorporated by reference into this proxy statement/prospectus. We urge all stockholders are urged to read the merger agreement in its entirety for a more complete description of the terms and conditions of the merger.

THE MERGER

Structure of the Merger. At the effective time of the merger, VND will merge with and into Fritz. Fritz will be the surviving corporation and become a wholly owned subsidiary of UPS immediately after the merger. The merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code.

Effective Time of the Merger. The closing of the merger will occur within five business days after the satisfaction or waiver of the conditions described below under "--- Conditions to the Completion of the Merger". The merger will become effective upon the filing of a certificate of merger with the Delaware Secretary of State or at the time Fritz and UPS agree to specify in the certificate of merger. The filing of the certificate of merger will take place at the time of the closing of the merger.

Merger Consideration. Each share of Fritz common stock that is outstanding prior to the effective time (other than Fritz common stock already owned by UPS or VND and Fritz common stock owned as treasury stock by Fritz) will, at the effective time, be converted into the right to receive 0.2 shares of UPS Class B common stock.

UPS will not issue fractional shares in the merger. All fractional shares of UPS Class B common stock that a holder of Fritz common stock would otherwise be entitled to receive as a result of the merger will be aggregated, and if a fractional share results from that aggregation, that holder will be entitled to receive for that fractional share, an amount in cash determined by multiplying the per share closing price of UPS Class B common stock quoted on the NYSE on the date of the closing by the fraction of a share of UPS Class B common stock to which that holder would otherwise have been entitled.

The stockholder in whose name the certificates representing the UPS Class B common stock are issued will be paid any dividends that have become payable with respect to the UPS Class B common stock between the effective time and the time of the surrender of the certificate(s) representing shares of Fritz common stock, without interest. After the surrender, the stockholder will be paid any dividend on such UPS Class B common stock that has a record date after the effective time and before that surrender and a payment date after that surrender. In that case, the dividend payments will be made on the payment dates and without interest.

Cancellation of Shares. All shares of Fritz common stock (other than Fritz common stock already owned by UPS or VND and Fritz common stock owned as treasury stock by Fritz), when converted, will no longer be outstanding and will automatically be canceled and retired and will cease to exist, and each holder of a certificate representing those shares will cease to have any rights with respect thereto, except the right to receive UPS Class B common stock, cash for

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

fractional shares and any dividends or other distributions payable. Each share of Fritz common stock held by Fritz as treasury stock or owned by UPS or VND immediately prior to the effective time will be automatically canceled, and UPS will not exchange those shares for any securities of UPS or any other consideration.

Procedure for Surrender of Certificates. An exchange agent will be appointed to handle the exchange of Fritz stock certificates for UPS stock certificates and the payment of cash for fractional shares. Soon after the closing of the merger, the exchange agent will send a letter of transmittal, which is to be used to exchange Fritz stock certificates for UPS stock certificates, to each former Fritz stockholder of record. The letter of transmittal will contain instructions explaining the procedure for surrendering Fritz stock certificates. Fritz stockholders who surrender their stock certificates together with a properly completed letter of transmittal will

35

43

receive stock certificates representing the shares of UPS Class B common stock into which their shares of Fritz common stock have been converted in the merger.

TREATMENT OF STOCK OPTIONS

At the effective time of the merger, the right to purchase shares of Fritz common stock pursuant to each outstanding option granted under the Fritz stock option plans will become the right to purchase a number of shares of UPS Class A common stock equal to the number of shares of Fritz common stock that were subject to the option multiplied by 0.2, rounded down to the nearest whole number of shares of UPS Class A common stock, at an exercise price equal to the current exercise price divided by 0.2, rounded up to the nearest whole cent. Each of those options will then be subject to the same terms and conditions as were in effect immediately prior to the merger.

TRANSFERS

After the effective time, the stock transfer books of Fritz will be closed and thereafter there will be no further registration of transfers of shares of common stock on the records of Fritz. If, after the effective time, certificates representing Fritz common stock are presented to the surviving corporation in the merger, these certificates, when accompanied by proper documentation, will be exchanged for UPS Class B common stock, cash and dividends or distributions payable, as appropriate, in accordance with the merger agreement.

LOST, STOLEN OR DESTROYED CERTIFICATES

In the event any certificate representing Fritz common stock is lost, stolen or destroyed, upon the making of an affidavit of that fact by the stockholder claiming that certificate to be lost, stolen or destroyed and, if required by UPS or the surviving corporation, the posting by that stockholder of a bond in a reasonable amount as UPS or the surviving corporation may direct as an indemnity against any claim that may be made against it with respect to that certificate, the exchange agent will issue in exchange for that lost, stolen or destroyed certificate Class B common stock, cash and dividends payable which that stockholder is entitled to receive pursuant to the merger agreement.

Conduct of Fritz's Business Pending the Merger. Fritz has agreed that each of Fritz and its subsidiaries between January 10, 2001 and the effective time will (unless UPS otherwise approves, in writing) take or refrain from taking certain actions, including agreements to:

- conduct its businesses in the ordinary course of business and in a manner consistent with prior practice;

- not sell, license, mortgage or otherwise encumber or subject to any lien or otherwise dispose of any material properties or assets, other than in the ordinary course of business consistent with past practice; and
- not commit or agree to take any of the actions described above as negative covenants.

Access To Information; Confidentiality. From the signing of the merger agreement to the closing of the merger, Fritz has agreed, and has agreed to cause its representatives, to afford the representatives of UPS and VND reasonable access at all reasonable times to the officers, employees, agents, properties, offices and other facilities, books and records of Fritz and its subsidiaries, and has agreed to furnish UPS and VND with all financial, operating and other data and information as UPS and Sub, through their representatives, may reasonably request. In complying with such reasonable requests, Fritz will not provide information that would breach any confidentiality obligations owed by Fritz to third parties. UPS has agreed to remain subject to the terms of a confidentiality agreement with Fritz dated November 10, 2000. The parties have agreed that no investigation pursuant to this covenant will affect any representation or warranty in the merger agreement of any party or any condition to the obligations of the parties. Fritz has agreed to cooperate in UPS' determination and calculation of the tax basis of Fritz's subsidiaries.

Notification of Certain Matters. Fritz has agreed to give prompt notice to UPS, and UPS has agreed to give prompt notice to Fritz, of (1) the occurrence, or nonoccurrence, of any event which would be likely to cause any representation or warranty contained in the merger agreement to be untrue or inaccurate and (2) any failure by that party (or Sub, in the case of UPS) to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it.

Fritz Stockholders' Meeting. Subject to its obligations in connection with a tender or exchange offer pursuant to Rules 14d-9 and 14e-2 of the Securities Exchange Act and its fiduciary duties, Fritz's Board of Directors has agreed to recommend the approval of the merger and the merger agreement to Fritz's stockholders. Subject to the requirements of Rules 14d-9 and 14e-2 of the Securities Exchange Act, the fiduciary duties of Fritz's Board of Directors and the termination of the merger agreement due to the failure to obtain the approval of Fritz's stockholders, Fritz has agreed that those obligations will not be affected by the

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

any "acquisition proposal". An "acquisition proposal" is any bona fide proposal or offer from any person relating to any direct or indirect acquisition or purchase of 20% or more of the assets of Fritz and its subsidiaries, taken as a whole, or 20% or more of the combined voting power of the shares of Fritz's common stock, any tender offer or exchange offer that if consummated would result in any person beneficially owning 20% or more of the combined voting power of the shares of Fritz's common stock, or any merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Fritz or any of its subsidiaries in which the other party thereto or its stockholders will own 20% or more of the combined voting power of the parent entity resulting from any of those transactions, other than the transactions contemplated by the merger agreement.

Fritz Board Recommendations. Except pursuant to disclosure obligations under Rules 14d-9 and 14e-2 of the Securities Exchange Act, as required by fiduciary obligations and in the case of termination of the merger agreement due to the failure to obtain the approval of the Fritz's stockholders, neither Fritz's Board of Directors nor any of its committees is permitted to:

- withdraw, or propose publicly to withdraw, in a manner adverse to UPS, its approval or recommendation of the merger or the merger agreement;
- subject to the requirements of Rules 14d-9 and 14e-2 of the Securities Exchange Act and its fiduciary duties, modify, or propose publicly to modify in a manner adverse to UPS, its approval or recommendation;
- approve or recommend, or propose publicly to approve or recommend, any acquisition proposal; or
- approve or recommend or propose to approve or recommend, or execute or enter into any letter of intent, agreement in principle, merger agreement, acquisition agreement, option agreement or other similar agreement related to any acquisition proposal.

Notwithstanding the foregoing, before the earlier of March 11, 2001 and the date of the special meeting of Fritz's stockholders, Fritz's Board of Directors was permitted to modify or propose publicly to modify, in a manner adverse to UPS, its approval or recommendation of the merger or the merger agreement in response to a "superior proposal" as long as Fritz's Board of Directors:

- was not then in breach of its non-solicitation obligations under the merger agreement,
- determined that action, based upon the written advice of independent outside legal counsel, was required to comply with its fiduciary duties to Fritz's stockholders under applicable law, and
- provided UPS with at least 72 hours advance written notice of its decision to take that action.

A "superior proposal" is any proposal made by a third party relating to any direct or indirect acquisition or purchase of all or substantially all of the assets of Fritz and its subsidiaries, taken as a whole, or 100% of the combined voting power of the shares of Fritz's common stock, or any tender offer or exchange offer that if consummated would result in any person beneficially owning 100% or more of the combined voting power of the shares of Fritz's common stock and otherwise on terms which Fritz's Board of Directors determines in its good faith judgment (based upon the advice of a financial advisor of nationally recognized reputation) -- taking into account the person making the proposal and the legal, financial, regulatory and other aspects of the proposal deemed appropriate by Fritz's Board of Directors -- is:

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

- more favorable from a financial point of view than the merger to Fritz's stockholders taken as a whole,
- is reasonably capable of being completed, and
- for which financing, to the extent required, is then committed or is capable of being obtained by that third party.

Indemnification. UPS has agreed to cause the surviving corporation and its successors and assigns for at least six years after the effective time, to indemnify and hold harmless each present and former director, officer, employee and agent of Fritz and any of its subsidiaries in accordance with Fritz's certificate of incorporation and bylaws and indemnification and employment agreements to which Fritz and any of those

39

47

persons are parties. UPS and Fritz have agreed that any claims for indemnification will survive, whether or not those claims will have been finally adjudicated or settled, as long as Fritz and UPS have received written notice prior to the sixth anniversary of the effective time.

UPS has agreed to cause the surviving corporation and its successors and assigns for a period of six years after the effective time, to maintain Fritz's current directors' and officers' liability insurance policies or insurance policies comparable thereto with respect to matters occurring prior to the effective time. However, the surviving corporation and its successors and assigns will not be obligated to pay annual premiums for that insurance in excess of 200% of the current annual premiums paid by Fritz for the existing coverage prior to the merger. If the annual premiums of that insurance coverage exceed that amount, UPS will cause the surviving corporation and its successors and assigns to provide coverage available for a cost equal to 200% of those current annual premiums.

If the surviving corporation of the merger (1) consolidates with or merges into any other person and the other person is the continuing or surviving corporation or entity of that consolidation or merger or (2) transfers all or substantially all of its properties and assets to any person, then proper provision will be made so that the successors and assigns of the surviving corporation of the merger will assume the obligations set forth with respect to the continuing indemnification of Fritz's directors, officers, employees and agents described in the merger agreement.

From and after the effective time, UPS will unconditionally guarantee the timely performance of all obligations of the surviving corporation of the merger with respect to the continuing indemnification of Fritz's directors, officers, employees and agents described in the merger agreement.

Stockholder Litigation. Fritz has agreed to give UPS the opportunity to participate in the defense or settlement of any stockholder litigation against Fritz and its directors relating to the transactions contemplated by the merger agreement or the merger. However, no settlement will be agreed without UPS's consent, which consent will not be unreasonably withheld and, to the extent UPS seeks Fritz's cooperation in the defense or settlement of litigation, UPS will enter into an appropriate joint defense agreement with Fritz.

Acquisition Proposals. Fritz has agreed not to, and to cause its subsidiaries and its representatives not to, directly or indirectly through another person:

- solicit, initiate or encourage (including by way of furnishing information) or otherwise take any action to facilitate, the making of

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

any proposal that constitutes an acquisition proposal, or

- participate in any discussions or negotiations regarding, any proposal that constitutes, or may reasonably be expected to lead to, any acquisition proposal.

If at any time prior to the earlier of March 11, 2001 and the date of the special meeting of Fritz's stockholders, Fritz's Board of Directors, in exercise of its fiduciary duties, had reasonably determined in good faith, based upon the written advice of independent outside legal counsel, that it was required to do so to comply with its fiduciary duties to Fritz's stockholders under applicable law, Fritz's Board of Directors and its representatives had the ability, in response to a superior proposal that did not result in a breach of the covenant described above, and subject to providing contemporaneous notice of its decision to take that action to UPS, to:

- furnish information with respect to Fritz and its subsidiaries to any person making a superior proposal pursuant to a customary confidentiality agreement, and
- participate in discussions or negotiations regarding the superior proposal.
- In that instance, Fritz agreed to provide immediate oral and written notice to UPS of:
- the receipt of the acquisition proposal or any inquiry which could reasonably be expected to lead to an acquisition proposal,
- the material terms and conditions of the acquisition proposal or inquiry, and
- the identity of the person or entity making the acquisition proposal or inquiry.

40

48

- Fritz further agreed to continue to keep UPS informed of the status and details of the acquisition proposal or inquiry, as well as any related discussions or negotiations permitted pursuant to the covenant described above.

Further Assurances. Subject to the terms and conditions of the merger agreement, each of Fritz, UPS and VND has agreed to use its commercially reasonable efforts to:

- take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable laws to consummate the merger and the other transactions contemplated by the merger agreement as soon as practicable after January 10, 2001; and
- obtain and maintain all approvals, consents, waivers, registrations, permits, authorizations, clearances and other confirmations required to be obtained from any third party and/or any governmental entity that are necessary, proper or advisable to consummate the merger and the transactions contemplated by the merger agreement.

In furtherance and not in limitation of the foregoing, each of Fritz, UPS and VND has agreed to make as promptly as practicable, to the extent it has not already done so:

- an appropriate filing of a Notification and Report Form pursuant to the

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Hart-Scott-Rodino Antitrust Improvements Act with respect to the transactions contemplated by the merger agreement (which filing was made on January 18, 2001), and

- all necessary filings with other governmental entities relating to the merger, and, in each case, to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to law and to use its commercially reasonable efforts to cause the expiration or termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act, which occurred on February 16, 2001, and the receipt of the approvals required by law as soon as practicable.

Notwithstanding the foregoing, nothing in the covenant described above will require, or be deemed to require, UPS to agree to or effect any divestiture (including divestitures of assets of UPS or Fritz) or take any other action which would reasonably be expected to impair UPS' ability to achieve in any material respect the overall benefits expected, as of January 10, 2001, to be realized from the consummation of the merger.

If any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by the merger agreement as violative of any regulatory law, or if any statute, rule, regulation, executive order, decree, injunction or administrative order is enacted, entered, promulgated or enforced by a governmental entity which would make the merger or the transactions contemplated by the merger agreement illegal or would otherwise prohibit or materially impair or delay the consummation of the merger or the transactions contemplated by the merger agreement, each of UPS and Fritz has agreed to cooperate in all respects with each other and use its commercially reasonable efforts to contest and resist any action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other action or order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the merger or the transactions contemplated by the merger agreement and to have that statute, rule, regulation, executive order, decree, injunction or administrative order repealed, rescinded or made inapplicable. Notwithstanding any provision of the merger agreement to the contrary, neither UPS nor the surviving corporation will be required under the terms of the merger agreement to dispose of or hold separate all or any portion of the businesses or assets of UPS or any of its subsidiaries or of Fritz or any of its subsidiaries to remedy or otherwise address the concerns (whether or not formally expressed) of any governmental entity under the Hart-Scott-Rodino Antitrust Improvements Act or any other antitrust statute or regulation.

UPS has agreed:

- to take all actions necessary to ensure that no antitakeover statute or similar statute or regulation is or becomes operative with respect to the merger agreement, the merger, the option agreements to which UPS and each of Fritz and specific stockholders of Fritz are parties or any other transactions contemplated by the merger agreement, and

41

49

- that if any antitakeover statute or similar statute or regulation of any jurisdiction is or becomes operative with respect to the merger agreement, the merger, the option agreements to which UPS and each of Fritz and specific stockholders of Fritz are parties or any other transaction contemplated by the merger agreement, take all actions necessary to ensure that the merger agreement, the merger and any other transactions contemplated by the merger agreement and those option

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

agreements may be consummated as promptly as practicable on the terms contemplated by the merger agreement and those option agreements and otherwise to minimize the effect of that statute or regulation on the merger and the other transactions contemplated by the merger agreement.

NYSE Listing. UPS has agreed to use commercially reasonable efforts to cause to be approved for listing on the NYSE, subject to official notice of issuance, a sufficient number of shares of UPS Class B common stock to be issued in the merger. In addition, if the merger is completed, Fritz common stock will cease to be listed on the Nasdaq national market system and Fritz will cease to file periodic reports required by the Securities and Exchange Act of 1934.

Tax Treatment. Each of Fritz and UPS has agreed to use reasonable efforts to cause the merger to qualify as a "reorganization" under the provisions of Section 368(a) of the Internal Revenue Code and to obtain an opinion from UPS' legal counsel with respect to that qualification, including the execution of the letters of representation containing representations that are customarily given in similar merger transactions, updated as necessary. Fritz and UPS have agreed to treat the UPS Class B common stock received in the merger by Fritz's stockholders as property permitted to be received by Section 354 of the Internal Revenue Code without the recognition of gain. Each of UPS and Fritz has agreed to, and has agreed to cause its affiliates to, vigorously and in good faith defend all challenges to the treatment of the reorganization as described in this covenant. Each of UPS and Fritz has agreed that if it becomes aware of any fact or circumstance that is reasonably likely to prevent the merger from qualifying as a reorganization described in Section 368(a) of the Internal Revenue Code, it will promptly notify the other party in writing.

Fritz has agreed not to waive any statute of limitations in respect of taxes or to agree to any extension of time beyond 90 days with respect to a tax assessment or deficiency without the consent of UPS.

Undertaking of UPS. Under the merger agreement, UPS will perform, or cause to be performed, when due all obligations of VND under the merger agreement, and, following the closing, of the surviving corporation.

Director Resignations. Fritz has agreed to cause to be delivered to UPS resignations of all the directors of Fritz and its subsidiaries to be effective upon the consummation of the merger. Fritz has further agreed to cause its directors, prior to resignation, to appoint new directors nominated by UPS to fill those vacancies.

Company Affiliates. Fritz has agreed to deliver to UPS a letter identifying all persons who are, at the time the merger is submitted to a vote of Fritz's stockholders, Fritz's affiliates for purposes of Rule 145 under the Securities Act. Fritz has also agreed to use its commercially reasonable efforts to cause each person who is identified as a possible affiliate in that letter to deliver to UPS on or prior to the effective time an affiliate letter. UPS will be entitled to place legends on any certificates of UPS Class B common stock issued to possible affiliates to restrict transfer of those shares.

Purchase of Fritz Stock. Fritz has agreed not to prohibit UPS or any of its affiliates from purchasing its shares of capital stock or entering into option, lock-up, voting or proxy agreements or any other similar agreements with respect to Fritz's capital stock at any time prior to the consummation of the merger.

Rights Plan. Fritz has entered into a rights agreement, dated as of January 16, 2001, between Fritz and Mellon Investor Services LLC, as rights agent. For a description of the rights agreement, see "Comparison of Rights of

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

UPS and Fritz Stockholders -- Rights Plan" below.

Employee Matters. UPS and Fritz have agreed to take all commercially reasonable action as is necessary, including action under the relevant Fritz stock plan, to effect the provision regarding the treatment of stock options as described above under "-- Treatment of Stock Options".

42

50

CONDITIONS TO THE COMPLETION OF THE MERGER

Conditions to the Obligations of Each Party. The respective obligations of UPS, VND and Fritz to effect the merger are subject to the satisfaction of the following conditions, unless waived in writing by all parties:

- the approval and adoption of the merger agreement and the merger by the affirmative vote of the holders of shares representing a majority of the shares of Fritz common stock entitled to vote;
- receipt of all consents, authorizations, orders and approvals of (or filings or registrations with) any governmental entity and of parties to contracts or other agreements to which any of Fritz or UPS (or their respective subsidiaries) is a party, or by which either is bound, in each case, as required in connection with the execution, delivery and performance of the merger agreement, subject to specific materiality exceptions and the absence of the imposition of specific conditions;
- the expiration or termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act and any other regulatory law;
- the absence of any law, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) which is then in effect, making illegal, materially restricting or in any way preventing or prohibiting the merger;
- the receipt by UPS and Fritz of the tax opinion from legal counsel to UPS with respect to the qualification of the merger as a tax-free reorganization;
- the authorization, subject to official notice of issuance, for listing on the NYSE of the shares of UPS Class B common stock to be issued pursuant to the merger agreement;
- the SEC having declared effective the registration statement relating to the issuance of shares of UPS Class B common stock in the merger and the absence of a stop order suspending the effectiveness of that registration statement and of proceedings initiated or threatened by the SEC for that purpose;
- the other party's representations and warranties, subject to specific materiality exceptions, being true and correct as of January 10, 2001 and as of the effective time and the receipt of officers' certificates to that effect;
- the performance in all material respects by the other party of its obligations under the merger agreement and the receipt of officers' certificates to that effect; and
- the absence of any change, condition, event or development that has resulted in, or would reasonably be expected to result in a material

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

adverse effect on the other party.

Additional Conditions to Obligations of UPS and VND to Effect the Merger. The obligations of UPS and VND to effect the merger are further subject to satisfaction or waiver at or prior to the effective time of the following conditions:

- the receipt by UPS of an affiliate letter from each affiliate identified in accordance with the merger agreement (with respect to which Fritz will use its commercially reasonable efforts to obtain such letters from such affiliates);
- the absence of a threatened or pending suit, investigation, action or other proceeding against UPS, Fritz or any of Fritz's subsidiaries before any governmental entity, subject to specific materiality exceptions; and
- the absence of any orders restricting Fritz or UPS from conducting its business as now being conducted, subject to specific materiality exceptions.

43

51

TERMINATION

Termination. The merger agreement may be terminated and the merger may be abandoned at any time prior to the effective time:

- by mutual written consent duly authorized by the Boards of Directors of UPS and Fritz;
- by any of UPS, VND or Fritz if any court of competent jurisdiction or other governmental entity has issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting the merger and that order, decree, ruling or other action has become final and nonappealable; provided, however, that the party terminating the merger agreement has used all commercially reasonable efforts to have that order, decree, ruling or action vacated;
- by any of UPS, VND or Fritz if the merger has not been consummated on or before November 30, 2001; provided, however, that the right to terminate the merger agreement is not available to any party whose failure to fulfill any obligation under the merger agreement has been the primary cause of, or resulted in, the failure to consummate the merger on or before that date;
- by UPS if Fritz's Board of Directors modifies or proposes publicly to modify, in a manner adverse to UPS, its approval or recommendation of the merger or the merger agreement in response to a superior proposal;
- by any of UPS, VND or Fritz, if the approval and adoption of the merger agreement and the merger by the affirmative vote of the holders of shares representing a majority of the shares of Fritz common stock entitled to vote has not been obtained;
- by UPS or Sub, if (1) Fritz fails to satisfy the conditions to obligations of UPS and VND to effect the merger and that failure has not been waived by UPS and VND or (2) Fritz breaches any of the representations and warranties made by it in the merger agreement, subject to specific materiality exceptions, and that breach is not capable of being cured, is not cured in all material respects within ten days of written notification to Fritz from UPS, is not waived by UPS or

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

VND or is not subject to reasonable assurances from Fritz to be cured in all material respects on or before the effective time; or

- by Fritz, if (1) UPS or VND fails to satisfy the conditions to obligations of Fritz to effect the merger and that failure has not been waived by Fritz or (2) UPS or VND breaches any of the representations and warranties made by it in the merger agreement, subject to specific materiality exceptions, and that breach is not capable of being cured, is not cured in all material respects within ten days of written notification to UPS from Fritz, is not waived by Fritz or is not subject to reasonable assurances from UPS or VND to be cured in all material respects on or before the effective time.

Notwithstanding anything else contained in the merger agreement, the right to terminate the merger agreement is not available to any party that is in material breach of its obligations under the merger agreement or whose failure to fulfill its obligations or to comply with its covenants under the merger agreement has been the cause of, or resulted in, the failure to satisfy any condition to the obligations of the other party under the merger agreement.

Effect of Termination. Upon the termination of the merger agreement, the merger agreement will have no further effect, except as specifically provided in the merger agreement. There will be no liability on the part of any party upon termination of the merger agreement, except as otherwise provided in the merger agreement.

If UPS exercises its right to terminate the merger agreement because Fritz's Board of Directors modifies or proposes publicly to modify, in a manner adverse to UPS, its approval or recommendation of the merger or the merger agreement in response to a superior proposal, Fritz has agreed to pay to UPS \$13.5 million, as liquidated damages and not as a penalty, to reimburse UPS for its time, expense and lost opportunity costs of pursuing the merger, upon entering into any agreement relating to that acquisition proposal.

If within nine months after termination of the merger agreement, Fritz enters into any agreement relating to, or consummates, an acquisition proposal with a person other than UPS or Sub, then immediately upon

44

52

entering into that agreement, Fritz has agreed to pay to UPS upon demand \$13.5 million, as liquidated damages and not as a penalty, to reimburse UPS for its time, expense and lost opportunity costs of pursuing the merger. However, that amount will not be payable if Fritz has already been obligated to make a payment as described in the above paragraph or if Fritz has terminated the merger agreement due to a breach by UPS or VND of any of its covenants or other obligations under the merger agreement, subject to specific materiality exceptions.

If Fritz fails promptly to pay to UPS owed liquidated damages, Fritz has agreed to pay the costs and expenses (including reasonable legal fees and expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken by UPS to collect payment, together with interest on the amount of any unpaid fee or obligation at the publicly announced prime rate of Citibank, N.A. in effect from time to time from the date the fee or obligation was required to be paid.

AMENDMENT AND WAIVER

Amendments. The merger agreement may not be amended except by action taken or authorized by the board of directors of each of the parties set forth in a written instrument signed on behalf of each of the parties. However, after

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

approval of the merger by Fritz's stockholders, no amendment may be made without the further approval of Fritz's stockholders if that further approval is required by law or the rules of any relevant stock exchange or other trading system.

Waiver. At any time prior to the effective time, any party, by action taken by its board of directors, may:

- extend the time for the performance of any of the covenants, obligations or other acts of any other party, or
- waive any inaccuracy of any representations or warranties or compliance with any of the agreements, covenants or conditions of any other party or with any conditions to its own obligations.

Any agreement on the part of a party to an extension or waiver will be valid only if set forth in a written instrument signed on behalf of that party by its duly authorized officer.

FEES AND EXPENSES

Subject to amounts owed with respect to liquidated damages triggered by the termination of the merger agreement, each party has agreed to pay its own costs and expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement, except that UPS and Fritz have agreed to share the costs and expenses incurred in connection with the filing, printing and mailing of the registration statement and this proxy statement/prospectus (including SEC filing fees) and the filing fees for the premerger notification and report forms under the Hart-Scott-Rodino Antitrust Improvements Act.

STOCK OPTION AGREEMENT

The following is a summary of the material terms of the stock option agreement entered into by Fritz and UPS. This summary is qualified in its entirety by reference to the stock option agreement, a copy of which is attached as Annex B to this proxy statement/prospectus and is incorporated by reference into this proxy statement/prospectus. All stockholders are urged to read the stock option agreement in its entirety for a more complete description of the terms and conditions of the Fritz stock option.

GENERAL

Concurrently with the execution of the merger agreement, UPS and Fritz entered into a stock option agreement pursuant to which Fritz granted to UPS an option to purchase 3,707,609 shares of Fritz common stock to be issued and outstanding at the time of the purchase of those shares by UPS.

EXERCISE OF THE FRITZ STOCK OPTION

UPS may exercise the Fritz stock option only with respect to all of the subject option shares at any time after a termination fee becomes payable to UPS. The triggers of a termination fee are described above in "The Merger Agreement -- Termination -- Effect of Termination". UPS may only exercise the Fritz stock option if there are no governmental restraints prohibiting its exercise and any necessary prior notification or approval of any governmental entity has been made or obtained.

EXERCISE PRICE OF THE OPTION SHARES

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

The exercise price per option share equals the lower of:

- 0.2 multiplied by the average (rounded to the nearest 1/10,000) of the volume weighted averages (rounded to the nearest 1/10,000) of the trading prices of UPS Class B common stock on the New York Stock Exchange, as reported by Bloomberg Financial Markets (or such other source as the parties will agree in writing), for the ten trading days immediately before the date UPS gives to Fritz notice of its intent to exercise the Fritz stock option; and
- the average closing price per share of Fritz common stock for the ten trading day period ending on the date that is two trading days prior to the first date on which an acquisition proposal is publicly made or has otherwise become publicly known or any person has publicly announced an intention to make an acquisition proposal.

CASH EXERCISE NOTICE

If the Fritz stock option becomes exercisable, UPS may, as to all or a portion of the subject option shares, elect to receive a cash payment. To the extent UPS elects to receive a cash payment instead of option shares, UPS' right to purchase those option shares will terminate. The cash to be paid to UPS would be equal to the spread multiplied by the number of option shares subject to UPS' election. The spread is the excess over the exercise price per option share of the average closing price of UPS Class B common stock for the ten trading days beginning on the twelfth trading day immediately before the Fritz stock option closing date.

LISTING AND REGISTRATION RIGHTS

If the Fritz stock option becomes exercisable, Fritz will apply to list the option shares on the Nasdaq National Market and will use its reasonable efforts to have those shares listed as promptly as practicable. If UPS exercises the Fritz stock option, it will have specific registration rights, subject to certain restrictions, with respect to the option shares for a period of two years. The registration rights allow UPS to require that Fritz use its commercially reasonable efforts to register the option shares UPS purchases.

46

54

REPURCHASE OPTION

Upon the request of UPS to Fritz to register the option shares purchased by UPS, Fritz has the option, within ten trading days after receiving the request to register those option shares, to purchase all or any part of the registrable option shares for cash at the repurchase price. The repurchase price per share equals the product of:

- the number of registrable option shares to be purchased by Fritz; and
- the per share average closing sale price of Fritz common stock on the Nasdaq National Market for the 20 trading days immediately before the date of the request to register the option shares by UPS.

MAXIMUM AMOUNT REALIZABLE BY UPS

The total profit, as defined below, that UPS is permitted to receive upon exercise of the option will not exceed \$22.5 million. If the total profit of UPS would otherwise exceed this amount, UPS may, at its sole election:

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

- reduce the number of option shares subject to the Fritz stock option;
- deliver to Fritz for cancellation option shares previously purchased by it;
- pay cash to Fritz; or
- accept any combination of the above,
- so that UPS' actually realized profit does not exceed \$22.5 million after taking into account these actions.

Total profit means the aggregate, before taxes, of the following:

- the amounts received by UPS as a result of a cash exercise election;
- the amounts received by UPS as a result of a repurchase election by Fritz, less the aggregate exercise price paid by UPS for the registrable option shares subject to the repurchase election;
- the amounts received by UPS from the sale of option shares to an unaffiliated party, less the aggregate exercise price paid by UPS for those option shares; and
- the cash amount actually received by UPS in payment of the termination fee under the merger agreement, less any repayment described in the above paragraph.

The stock option agreement also provides that UPS may not exercise the Fritz stock option for a number of option shares that would, as of the date of the exercise notice to Fritz, result in a notional total profit, as defined below, that exceeds \$22.5 million. For purposes of the stock option agreement, the notional total profit with respect to the option shares for which UPS may propose to exercise the Fritz stock option granted to it means the total profit received by UPS determined as of the date UPS notifies Fritz of its intent to exercise the Fritz stock option and assuming that the option shares, together with all other option shares held by UPS and its affiliates as of that date, were sold for cash at the closing market price on the Nasdaq National Market on the preceding trading day.

TERMINATION OF THE STOCK OPTION AGREEMENT

The Fritz stock option terminates upon the earliest to occur of the following:

- the completion of the merger;
- nine months after a termination fee becomes payable under the merger agreement; and
- the termination of the merger agreement in circumstances which do not require the payment of a termination fee; provided that, if a termination fee becomes payable after that date, then the Fritz stock option becomes effective again and continues in effect until the later of nine months following the time

a termination fee becomes payable and the expiration of the period in which UPS has a right to receive a termination fee.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Even if the Fritz stock option is terminated, UPS will continue to have the right to purchase option shares if it has exercised that right before the termination of the Fritz stock option.

STOCKHOLDER OPTION AGREEMENTS

The following is a summary of the material terms of the stockholder option agreements entered into by UPS and each of Lynn C. Fritz, the Lynn C. Fritz 1999 Grantor Retained Annuity Trust, Tamara Fritz and the Tamara Fritz 1999 Grantor Retained Annuity Trust. This summary is qualified in its entirety by reference to the stockholder option agreements, the form of which is attached as Annex C to this proxy statement/prospectus and is incorporated by reference into this proxy statement/prospectus. All stockholders are urged to read the stockholder option agreements in their entirety for a more complete description of the terms and conditions of the stockholder stock options.

GENERAL

Concurrently with the execution of the merger agreement, UPS entered into a stockholder option agreement with each of Lynn C. Fritz, the Lynn C. Fritz 1999 Grantor Retained Annuity Trust, Tamara Fritz and the Tamara Fritz 1999 Grantor Retained Annuity Trust pursuant to which these stockholders granted to UPS options to purchase all of the shares of Fritz common stock then held by them as well as any shares of Fritz common stock that are held by them in the future as a result of the exercise of any stock options. As of the record date, these stockholders owned an aggregate of 13,471,787 shares of Fritz common stock.

EXERCISE OF THE STOCKHOLDER STOCK OPTION

UPS may exercise the stockholder stock options only with respect to all of the subject option shares upon the occurrence of any of the following events:

- any person commences, or files a registration statement with respect to, a tender offer or exchange offer that would result in that person owning or controlling 20% or more of the then outstanding Fritz common stock;
- Fritz, without the prior written consent of UPS, authorizes, recommends, proposes or enters into, or publicly announces any of those intentions with respect to, an agreement with any person (other than UPS and any subsidiary of UPS) to effect a business combination or joint venture involving the acquisition by any person or group (other than UPS, any subsidiary of UPS and any person or group that as of the date of the stockholder option agreements beneficially owns or has the right to acquire 15% or more of Fritz common stock) acquiring or having the right to acquire beneficial ownership of 15% or more of the then outstanding Fritz common stock or any group is formed which beneficially owns or has the right to beneficially own 15% or more of the then outstanding Fritz common stock;
- Fritz, without the prior written consent of UPS, authorizes, recommends, proposes or enters into, or publicly announces any of those intentions with respect to, an agreement with any person (other than UPS and any subsidiary of UPS) to transfer 20% or more of the consolidated assets of Fritz and its subsidiaries or 20% or more of the voting power of Fritz;
- Fritz, without the prior written consent of UPS, violates its nonsolicitation covenants under the merger agreement as described above

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

in "The Merger Agreement -- Acquisition Proposals";

- any person or group (other than UPS, any subsidiary of UPS and any person or group that as of the date of the stockholder option agreements beneficially owns or has the right to acquire 15% or more of Fritz common stock) acquires or has the right to acquire beneficial ownership of 15% or more of the then outstanding Fritz common stock or any group is formed which beneficially owns or has the right to beneficially own 15% or more of the then outstanding Fritz common stock; and
- any person (other than UPS) makes an acquisition proposal to Fritz and that acquisition proposal is publicly announced.

UPS may only exercise these stock options if there are no governmental restraints prohibiting their exercise and any necessary prior notification or approval of any governmental entity has been made or obtained.

49

57

EXERCISE PRICE OF THE OPTION SHARES

The exercise price per option share equals 0.2 multiplied by the average (rounded to the nearest 1/10,000) of the volume weighted averages (rounded to the nearest 1/10,000) of the trading prices of UPS Class B common stock on the New York Stock Exchange, as reported by Bloomberg Financial Markets (or such other source as the parties will agree in writing), for the ten trading days immediately before the date UPS gives to the applicable stockholder notice of its intent to exercise the stockholder stock option. As additional consideration, UPS will pay to the applicable stockholder any property or cash amounts received by UPS in excess of the aggregate exercise price if UPS sells or disposes of the option shares within the 6 month period following the closing of those option shares.

VOTING OF THE OPTION SHARES

Each stockholder has appointed UPS as its proxy to vote the option shares. With respect to the merger proposal, UPS will vote the option shares in favor of the merger agreement and the merger or, if UPS does not so vote, then the holders of those options shares will, upon the request of UPS, vote them in favor of the merger agreement and the merger. With respect to other issues brought before the stockholders of Fritz, UPS will vote the option shares or the holders of the option shares will, upon the request of UPS, vote them as directed by UPS.

TERMINATION OF THE STOCKHOLDER OPTION AGREEMENTS

The stockholder stock options terminate upon the earlier to occur of the following:

UPS' written notice of termination to the holder of the option shares; and the termination of the merger agreement in accordance with its terms, except that, if

- any of the events that trigger the exercise of the stockholder stock options occur;
- Fritz's Board of Directors modifies or proposes publicly to modify, in a manner adverse to UPS, its approval or recommendation of the merger or the merger agreement in response to a superior proposal; or
- Fritz materially breaches any of its covenants or other obligations under

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

the merger agreement and that breach is not capable of being cured, is not cured in all material respects within ten days of written notification to Fritz from UPS, is not waived by UPS or VND or is not subject to reasonable assurances from Fritz to be cured in all material respects on or before the effective time,

then the stockholder stock options will continue in effect for an additional nine months after that date.

AMENDMENTS TO THE STOCKHOLDER OPTION AGREEMENTS

On April 9, 2001, the stockholders and UPS entered into amendments to modify the stockholder option agreements. The amendments permit the transfer of shares of Fritz common stock among the stockholders while causing those transferred shares to continue to be subject to the same terms and conditions as set forth in the stockholder option agreements.

COMPARATIVE STOCK PRICES AND DIVIDENDS

The following table sets forth for the fiscal quarters indicated the high and low sales prices per share of UPS Class B common stock as reported on the New York Stock Exchange, and for Fritz common stock as reported on the Nasdaq National Market. On January 9, 2001, the last full trading day before UPS and Fritz signed the merger agreement and announced the proposed merger, Fritz common stock closed at \$7.03 per share, and UPS Class B common stock closed at \$61.00 per share. On April 23, 2001, the most recent practicable date before the date of this document, Fritz common stock closed at \$10.98 per share and UPS Class B common stock closed at \$56.25 per share. decrease before and after the merger. You are urged to obtain current market quotations for UPS Class B common stock and Fritz common stock. UPS Class B common stock is listed on the New York Stock Exchange under the symbol "UPS." Fritz common stock is listed on the Nasdaq National Market under the symbol "FRTZ." Before November 10, 1999, UPS common stock was not listed on a securities exchange and was not sold in the organized over-the-counter markets. Before November 10, 1999, UPS would notify its shareowners periodically of its willingness to purchase a limited number of shares at specified prices determined by the Board of Directors. In determining the share price, the Board would consider a variety of factors, including past and current earnings, earnings estimates, the ratio of UPS common stock to debt of UPS, other factors affecting the business and long-range prospects of UPS, and general economic conditions, as well as opinions furnished from time to time by investment counselors acting as independent appraisers.

The policy of UPS's board of directors is to declare dividends each year out of current earnings. The declaration of future dividends is subject to the discretion of the UPS board of directors in light of all relevant facts, including earnings, general business conditions and working capital requirements. UPS declared dividends of \$0.68 per share in 2000. In the merger agreement, Fritz agreed that, until the merger is completed or the merger agreement is terminated, Fritz will not declare or pay any dividends or distributions on its capital stock, except for dividends by a wholly owned subsidiary of Fritz to Fritz or to another wholly owned subsidiary of Fritz.

Under Section 203, a corporation's bylaws or certificate of incorporation may exclude a corporation from the restrictions imposed by the Section. Neither the bylaws nor the certificate of incorporation of UPS contains such a provision.

See the description in this summary under "UPS" for a description of the provisions of the state anti- takeover statute under Section 203 of the Delaware General Corporation Law. Neither the bylaws nor the certificate of incorporation of Fritz contains a provision excluding Fritz from the restrictions imposed by Section 203.

INDEMNIFICATION/LIMITATION OF LIABILITY

Under Delaware law, a corporation may indemnify any person made a party or threatened to be made a party to any type of proceeding because he or she is or was an officer, director, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with such proceeding if:

- he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and
- in the case of a criminal proceeding, he or she had no reasonable cause to believe that his or her conduct was unlawful.

However, no indemnification is permitted if the person is adjudged to be liable to the corporation, unless the Court of Chancery or the court in which the action was brought determines that the person is entitled to indemnity.

Prior to indemnifying an individual, a determination must be made that such person has met the applicable standard of conduct. Such determination shall be

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

made, with respect to a person who is a director or officer at the time of such determination, by:

- a majority vote of the directors who are not parties to such proceeding, even though less than a quorum;
- by a committee of such directors designated by majority vote of such directors, even though less than a quorum;
- if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion; or
- by the stockholders.

Under Delaware law, a corporation may advance expenses incurred in such proceeding to directors and officers as long as any director or officer receiving an advance undertakes to repay the amounts advanced if it is ultimately determined that such director or officer was not entitled to be indemnified.

The UPS bylaws provide that UPS will indemnify its directors and officers to the fullest extent authorized by the Delaware General Corporation Law, subject to limited exceptions. UPS is also expressly authorized to carry directors' and officers' insurance providing indemnification for directors, officers and certain employees for some liabilities.

The Delaware General Corporation Law authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties, except for any liability:

- for breach of duty of loyalty,
- for acts or omissions not in good faith or involving intentional misconduct or knowing violation of law,
- under Section 174 of the Delaware General Corporation Law (relating to unlawful payments of dividends or unlawful purchases or redemptions of stock), or
- for transactions from which the director derived an improper personal benefit.

The UPS certificate of incorporation includes a provision that eliminates the personal liability of directors for monetary damages for breach of fiduciary duties, subject to the exceptions under the Delaware General Corporation Law.

These limitation of liability and indemnification provisions may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of affected to the extent UPS pays the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

The Fritz bylaws authorize indemnification of Fritz officers and directors to the fullest extent permitted by Delaware law. Fritz is also expressly authorized to carry directors' and officers' insurance providing indemnification for directors, officers and certain employees for some liabilities.

RIGHTS PLAN

UPS

UPS has not adopted a rights plan.

Fritz

As required by the merger agreement, Fritz has entered into a rights agreement, dated as of January 16, 2001, between Fritz and Mellon Investor Services LLC, as rights agent, and the Fritz board has authorized and declared a dividend of one preferred share purchase right for each share of Fritz common stock outstanding on January 29, 2001.

The preferred share purchase rights are exercisable only if a person or group (other than specific persons including Lynn C. Fritz and his family and affiliates) acquires beneficial ownership of 15% or more of Fritz common stock or commences, or announces an intention to make, a tender or exchange offer upon the completion of which that person or group would beneficially own 15% or more of Fritz common stock. When it becomes exercisable, each right initially entitles the holder of the right to purchase one one-thousandth of a share of Fritz Junior Participating Preferred Stock. Further, upon acquisition by a person or group of 15% or more of Fritz common stock, each right entitles the holder of the right to purchase shares of Fritz common stock having a value equal to two times the purchase price under the right. In specific circumstances, each rights also entitles the holder of the right to purchase shares of common stock of an acquiring company.

The effect of the exercise of the rights is to cause substantial dilution to a person or group (other than a person or group approved by the Fritz board) that attempts to acquire 15% or more of the voting power of Fritz common stock without conditioning the acquisition on a substantial number of rights being acquired or the redemption by the Fritz board of the rights.

The rights will expire at the earlier of the completion of the merger and the close of business on February 1, 2010, unless earlier redeemed by Fritz. The rights agreement does not apply to the transactions contemplated by the merger agreement.

For a more complete description of the rights agreement, see Fritz's Form 8-A filed with the SEC on January 19, 2001.

Generally, all shares of UPS common stock have the same relative rights, preferences and limitations, except as follows:

- Class A-1 common stock, Class A-2 common stock and Class A-3 common stock may be reclassified as a single class of common stock; and
- Shares of Class A-1 common stock, Class A-2 common stock and Class A-3 common stock may be converted at any time by the holder into an equal number of shares of Class B common stock and, if transferred to certain transferees, are automatically converted into shares of Class B common stock immediately upon transfer.

Dividends may be paid on UPS common stock out of funds legally available for dividends, when and if declared by UPS's board of directors, provided that, in the case of a distribution of UPS common stock, each class of common stock receives a distribution of only shares of the same class of common stock. For example, only shares of Class A-1 common stock may be paid or distributed with respect to Class A-1 common stock.

Holders of UPS common stock are entitled to share ratably in any dividends and in any assets available for distribution on liquidation, dissolution or winding-up, subject, if preferred stock of UPS is then outstanding, to any preferential rights of such preferred stock. As promptly as practicable (and in any event within five business days) after the satisfaction or waiver of the conditions set forth in Article VII hereof, the parties hereto shall cause the Merger to be consummated by filing the Certificate of Merger with the Secretary of State of the State of Delaware and by making all other filings or recordings required under the DGCL in connection with the Merger, in such form as is required by, and executed in accordance with the relevant provisions of, the DGCL. (c) No certificate or scrip representing fractional shares of Parent Class B Common Stock shall be issued upon the surrender for exchange of Certificates, and such fractional share interests will not entitle the owner thereof to vote or to any rights as a stockholder of the Parent. All fractional shares of Parent Class B Common Stock that a holder of Company Common Stock would otherwise be entitled to receive as a result of the Merger shall be aggregated and if a fractional share results from such aggregation, such holder shall be entitled to receive, in lieu thereof, an amount in cash determined by multiplying (i) the per share closing price of Parent Class B Common Stock quoted on the NYSE on the date of the Closing by (ii) the fraction of a share of Parent Class B Common Stock to which such holder would otherwise have been entitled. The Parent shall timely make available to the Exchange Agent any cash necessary to make payments in lieu of fractional shares as aforesaid. (d) If a certificate for Parent Class B Common Stock is to be sent to a Person other than the Person in whose name the Certificates for shares of Company Common Stock surrendered for exchange are registered, it shall be a condition of the exchange that the Person requesting such exchange shall pay to the Exchange Agent any transfer or other taxes required by reason of the delivery of such Certificate to a Person other than the registered holder of the Certificate surrendered, or shall establish to the satisfaction of the Exchange Agent that such tax has been paid or is not applicable.

(e) The cash paid and shares of Parent Class B Common Stock issued upon the surrender of Certificates in accordance with the terms hereof shall be deemed to have been paid and issued in full satisfaction of all rights pertaining to such shares of Company Common Stock.

The Company has furnished or made available to the Parent true and complete copies of the certificate of incorporation, bylaws or comparable organizational documents of each Subsidiary, each as amended to date. Such organizational documents are in full force and effect, and no Subsidiary is in violation of any provision therein.

Section 4.6. Required Filings and Consents. The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company will not, require any consent, approval, authorization or permit of, or filing with or notification to, any Governmental Entity, except (i) for applicable requirements, if any, of the Securities Act, the Exchange Act, or state securities laws or "blue sky" laws and filing and recordation of appropriate merger documents as required by the DGCL, (ii) for those required by the HSR Act, (iii) where failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not reasonably be expected to prevent or materially delay consummation of the Merger or otherwise prevent or materially delay the Company from performing its material obligations under this Agreement, and would not otherwise reasonably be expected to have individually or in the aggregate, a Company Material Adverse Effect and (iv) for those which have heretofore been obtained by the Company.

Section 4.7. Compliance. Except as disclosed in the Company Reports filed by the Company with the SEC prior to the date of this Agreement, the businesses of the Company and the Subsidiaries are not being conducted in violation of any law, ordinance, regulation, judgment, order, decree, writ, injunction, license or permit of any Governmental Entity, except for violations which have not had, and would not reasonably be expected to have, individually or in the aggregate a Company Material Adverse Effect. No investigation or review by any Governmental Entity with respect to the Company or any Subsidiary is pending or, to the knowledge of the Company threatened, nor has any Governmental Entity indicated to the Company or any Subsidiary an intention to conduct the same in each case other than those the outcome of which have not had, and would not reasonably be expected to have, either individually or in the aggregate, a Company Material Adverse Effect.

Section 4.8. Litigation. Except as set forth in the Company Disclosure Letter, there is no claim, suit, action, proceeding or investigation pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any Subsidiary which, either individually or in the aggregate, has had, or would be reasonably expected to have, a Company Material Adverse Effect, nor is there any judgment, decree, injunction, rule or order of any Governmental Entity or arbitrator, outstanding against the Company or any Subsidiary, either individually or in the aggregate, which has had, or would be reasonably expected to have, a Company Material Adverse Effect.

(c) There are no liabilities of the Company or any of the Subsidiaries of any kind whatsoever, whether or not accrued and whether or not contingent or absolute, that are material to the Company and the Subsidiaries, taken as a whole, other than (i) liabilities disclosed or provided for in the consolidated balance sheet of the Company and the Subsidiaries at May 31, 2000, including the notes thereto, (ii) liabilities disclosed in the Company Reports, (iii) liabilities incurred on behalf of the Company under this Agreement and the contemplated Merger, and (iv) liabilities incurred in the ordinary course of business consistent with past practice since May 31, 2000, none of which in the case of clause (iv) are, individually or in the aggregate, reasonably likely to have a Company Material Adverse Effect.

All Taxes owed by any of the Company and the Subsidiaries (whether or not shown on any Tax Return) have been paid, except where the failure to pay such Taxes does not exceed, in the aggregate, \$250,000. None of the Company and the Subsidiaries currently is the beneficiary of any extension of time within which to file any Tax Return. No claim has ever been made by an authority in a jurisdiction where the Company or any Subsidiary does not file Tax Returns that it is or may be subject to taxation in that jurisdiction. There are no security interests on any of the assets of any of the Company and the Subsidiaries that arose in connection with any failure (or alleged failure) to pay any Tax.

(b) Each of the Company and the Subsidiaries has withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid or owing to any employee, independent contractor, creditor, stockholder or other third party, except where the failure to pay such Taxes does not exceed, in the aggregate, \$50,000.

(c) There is no audit, dispute or claim concerning any Tax liability of any of the Company or the Subsidiaries either (i) claimed or raised by any authority in writing or (ii) as to which any of the directors, officers and employees responsible for Tax matters of the Company and the Subsidiaries has knowledge based upon personal contact with any agent of such authority. The Company Disclosure Letter lists all United States domestic income, franchise, sales, use, business license, and personal property Tax Returns filed with respect to any of the Company and the Subsidiaries for the current taxable periods, indicates those Tax Returns that have been audited, and indicates those Tax Returns that currently are the subject of audit. The Company and the Subsidiaries have provided to the Parent access to correct and complete copies of all income Tax Returns, examination reports, and statements of deficiencies assessed against or agreed to by any of the Company and the Subsidiaries since the taxable year ended May 31, 1998 with respect to federal and state income Tax Returns, since the taxable year ended May 31, 1996 with respect to federal income Tax notice of deficiencies, since the taxable year ended May 31, 1995 with respect to federal income Tax audit reports and since the taxable year ended May 31, 1996 with respect to federal income Tax closing documents.

(e) None of the Company and the Subsidiaries has filed a consent under Section 341(f) of the Code concerning collapsible corporations. None of the Company and the Subsidiaries has made any payments, is obligated to make any payments, or is a party to any agreement that under certain circumstances could obligate it to make any payments that will not be deductible under Sections 280G and 162(m) of the Code. None of the Company and the Subsidiaries has been a United States real property holding corporation within the meaning of Section 897(c)(2) of the Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Code. None of the Company and the Subsidiaries (A) has been a member of an affiliated group filing a consolidated federal income Tax Return (other than a group the common parent of which was the Company) or (B) has knowledge of any liability for the Taxes of any Person (other than any of the Company and the Subsidiaries) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, by contract, or otherwise.

(f) The Company Disclosure Letter sets forth the following information with respect to each of the Company and the Subsidiaries as of the most recent practicable date: (i) the amount of any excess loss account; (ii) the amount of any net operating loss, net capital loss, unused investment or other credit, unused foreign tax, or excess charitable contribution allocable to the Company or the Subsidiaries; and (iii) the amount of any deferred gain or loss allocable to the Company or the Subsidiaries arising out of any deferred intercompany transaction.

(g) The unpaid Taxes of the Company and the Subsidiaries did not, as of August 31, 2000, exceed the reserve for Tax liability (rather than any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the face of the balance sheet (disregarding any notes thereto) included in the Company's unaudited interim financial statements as of and for the three months ended August 31, 2000 included in the Form 10-Q as filed with the SEC.

personal properties and assets used by them in the conduct of their business, except where the absence of such ownership or leasehold interest could not individually or in the aggregate have a Company Material Adverse Effect. Each of the Company and the Subsidiaries has on hand the items of Customer Inventory it is required to have on hand pursuant to the terms and conditions of the applicable agreement between the Company and its customers subject to immaterial shrinkage. Neither the Company nor any of the Subsidiaries has any legal obligation, absolute or contingent, to any other Person to sell or otherwise dispose of any of its tangible personal properties or assets with an individual value of \$500,000 or an aggregate value in excess of \$1,000,000.

The Company Disclosure Letter sets forth a true, correct and complete list of all real property owned by the Company or a Subsidiary at any time during the past three years and a true and correct list of all real property leased by each of the Company and the Subsidiaries identifying with respect to each lease of such real property the date of, the parties to, and any amendments, modifications, extensions or other supplements to such lease. Each of the real properties owned by the Company or any Subsidiary as of the date hereof or leased by the Company or any of its Subsidiaries and in either case listed in the Company Disclosure Letter, and each building and improvement located thereon, is, and has at all times been, in compliance with all applicable federal, state and local laws, rules, regulations, ordinances and statutes, including those relating to zoning, building, land use, health and safety, fire, air sanitation and noise control except as would not have a material impact on the Company's ability to maintain its operations at such real property. The improvements on the real properties owned by the Company as of the date hereof or leased by the Company and in either case listed in the Company Disclosure Letter are adequate and suitable for the purposes for which they are presently being used. Since January 1, 2000, neither the Company nor any Subsidiary has sent or received any written notice of any material default under any of the leases of real property to which it is party. Neither the Company nor any Subsidiary has breached or is in default in any material respect under any covenant, agreement, term or condition of or contained in any material lease of real property to which it is a party and there has not occurred any event that with the lapse of time or the giving of notice or both would constitute such a default or breach.

(c) neither the Company nor any Subsidiary has entered into or agreed to, or does it contemplate entering into any consent decree or order, and neither the Company nor any Subsidiary is subject to any judgment, decree or judicial or administrative order relating to compliance with, or the cleanup of Hazardous Materials under, any applicable Environmental Laws;

Further, each Company Benefit Plan intended to be "qualified" within the meaning of Section 401(a) of the Code and the trusts maintained thereunder that are intended to be exempt from taxation under Section 501(a) of the Code has received a favorable determination or other letter indicating that it is so qualified, or is otherwise within the remedial amendment period under Section 401(b) of the Code and revenue rulings, procedures, announcements or notices of the Internal Revenue Service.

(k) No insurance policy or any other contract or agreement affecting any Company Benefit Plan requires or permits a retroactive increase in premiums or payments due thereunder.

(m) The Company or a Subsidiary has the right under the terms of each Company Benefit Plan and under Applicable Benefit Law to amend, revise, merge or terminate such plan (or its participation in such plan) or transfer the assets of such plan to another arrangement, plan or fund at any time exclusively by action of the Company or such Subsidiary, and no additional contributions would be required to properly effect such termination.

(n) Except as disclosed in the Company Disclosure Letter, the execution, delivery and performance of, and consummation of the transactions contemplated by, this Agreement will not (i) entitle any current or former employee, director, officer, consultant, independent contractors, contingent worker or leased employee (or any of their dependents, spouses or beneficiaries) of the Company or any Subsidiary to severance pay, unemployment compensation or any other payment, (ii) accelerate the time of payment or vesting or (iii) increase the amount of compensation due any such individual.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

(c) The Company shall cooperate in Parent's determination and calculation of Subsidiaries' tax basis.

Section 6.3. Notification of Certain Matters. The Company shall give prompt notice to the Parent, and the Parent shall give prompt notice to the Company, of (i) the occurrence, or nonoccurrence, of any event which would be likely to cause any representation or warranty contained in this Agreement to be untrue or inaccurate and (ii) any failure by such party (or the Buyer, in the case of the Parent) to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section 6.3 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice. If any event or matter arises after the date of this Agreement which, if existing or occurring at the date of this Agreement, would have been required to be set forth or described in the Company Disclosure Letter or which is necessary to correct any information in the Company Disclosure Letter which has been rendered inaccurate thereby, then the Company shall promptly supplement, or amend, and deliver to the Parent the Company Disclosure Letter which it has delivered pursuant to this Agreement.

Section 6.4. Company Stockholders' Meeting. The Company shall, as promptly as practicable following the execution of this Agreement, duly call, give notice of, convene and hold the Stockholders' Meeting for the purpose of obtaining the Required Vote with respect to the Merger and this Agreement, shall use its reasonable best efforts to solicit the approval of this Agreement by the Required Vote (regardless of whether the Board of Directors of the Company modifies its recommendation of the Merger and this Agreement) and, subject to Section 6.5, the Board of Directors of the Company shall recommend the approval of this Agreement by the Company Stockholders. Without limiting the generality of the foregoing but subject to its rights pursuant to Sections 6.5 and 8.1(e), the Company agrees that its obligations pursuant to the first sentence of this Section 6.4 shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Acquisition Proposal.

Section 6.5. Board Recommendations.

(a) Neither the Board of Directors of the Company nor any committee thereof shall (i) withdraw, or propose publicly to withdraw, in a manner adverse to the Parent, the approval or recommendation of such Board of Directors or such committee of the Merger or this Agreement, (ii) subject to Section 6.5(b), modify, or propose publicly to modify in a manner adverse to the Parent, the approval or recommendation of such Board of Directors or such committee of the Merger or this Agreement, (iii) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal or (iv) approve or recommend or propose to approve or recommend, or execute or enter into any Acquisition Agreement related to any Acquisition Proposal. Notwithstanding the foregoing, if, prior to the date that is the earlier of the 60th day following the date of execution of this Agreement and the date of the Stockholders' Meeting, in response to a Superior Proposal that did not result from a breach of Section 6.9, the Board of Directors of the Company, in exercise of its fiduciary duties, reasonably determines in good faith, based upon the written advice of independent outside legal counsel, that the

the approval or recommendation of the Merger or this Agreement by the Board of Directors of the Company.

(b) Nothing contained in this Section 6.5 or any other provision hereof shall prohibit the Company or the Board of Directors of the Company from (A) taking and disclosing to the Company Stockholders pursuant to Rules 14d-9 and 14e-2 promulgated under the Exchange Act a position with respect to a tender or exchange offer by a third party, which is consistent with its obligations hereunder or (B) making such disclosure to the Company Stockholders as, in the reasonable good faith judgment of the Board of Directors of the Company, after receiving advice from independent outside legal counsel, is consistent with its obligations hereunder and is required by applicable law; provided, that the Company may not, except as provided by this Section 6.5, modify, or propose publicly to modify, in a manner adverse to the Parent, the approval or recommendation of such Board of Directors of the Merger or this Agreement or approve or recommend an Acquisition Proposal, or propose publicly to approve or recommend an Acquisition Proposal.

Section 6.6. Stockholder Litigation. The Company shall give the Parent the opportunity to participate in the defense or settlement of any stockholder Litigation against the Company and its directors relating to the transactions contemplated by this Agreement or the Merger; provided, however, that no such settlement shall be agreed to without the Parent's consent, which consent will not be unreasonably withheld; and, provided, further, that to the extent Parent seeks Company's cooperation in the defense or settlement of such Litigation, Parent shall enter into an appropriate joint defense agreement with the Company.

Section 6.7. Indemnification.

(a) It is understood and agreed that all rights to indemnification by the Company now existing in favor of the Indemnified Parties shall survive the Merger and the Parent shall (i) cause the Surviving Corporation to continue in full force and effect for a period of at least six years from the Effective Time and (ii) perform, or cause the Surviving Corporation to perform, in a timely manner, the Surviving Corporation's obligation with respect thereto. The Parent and the Buyer agree that any claims for indemnification hereunder as to which they have received written notice prior to the sixth anniversary of the Effective Time shall survive, whether or not such claims shall have been finally adjudicated or settled.

(b) The Parent shall cause the Surviving Corporation to, and the Surviving Corporation shall, maintain in effect for six years from the Effective Time, if available, the D&O Insurance (provided that the Surviving Corporation may substitute therefor policies of at least the same coverage containing terms and conditions which are not materially less favorable) with respect to matters occurring prior to the Effective Time; provided, however, that in no event shall the Surviving Corporation be required to expend pursuant to this Section 6.7(b) more than an amount per year equal to two hundred percent (200%) of current annual premiums paid by the Company for such insurance. In the event that, but for the proviso to the immediately preceding sentence, the Surviving Corporation would be required to expend more than two hundred percent (200%) of current annual premiums, the Surviving Corporation shall obtain the maximum amount of such insurance obtainable by payment of annual premiums equal to two hundred percent (200%) of current annual premiums. If the Surviving Corporation elects to reduce the amount of insurance coverage pursuant to the preceding sentence, it will furnish to the officers and directors currently covered by such D&O Insurance reasonable notice of such reduction in coverage and shall, to the extent additional coverage is available, afford such Persons the opportunity to pay such additional premiums as may be necessary to maintain the existing level of D&O Insurance coverage. Parent shall cause

the Surviving Corporation to honor and perform the obligations of the Company with respect to rights of indemnification existing in favor of the Indemnified Parties pursuant to indemnification agreements and employment agreements with the Company's directors and officers existing on or before the Effective Time and which are set forth on the Company Disclosure Schedule.

(c) If the Surviving Corporation or any of its successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Surviving Corporation shall assume the obligations set forth in this Section 6.7.

(d) From and after the Effective Time, Parent shall unconditionally guarantee the timely performance of all obligations of the Surviving Corporation under this Section 6.7.

(e) The provisions of this Section 6.7 are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party, his or her heirs and his or her representatives.

Section 6.8. Public Announcements. The Parent and the Company shall consult with each other before issuing any press release or otherwise making any public statements with respect to this Agreement or the Merger and shall not issue any such press release or make any such public statement prior to such consultation, except as may be required by Law or any listing agreement with a national securities exchange or trading system to which the Parent or the Company is a party.

Section 6.9. Acquisition Proposals. The Company shall not, nor shall it authorize or permit any of the Subsidiaries or Representatives of the Company to, directly or indirectly through another Person, (a) solicit, initiate or encourage (including by way of furnishing information) or otherwise take any action to facilitate, the making of any proposal that constitutes an Acquisition Proposal or (b) participate in any discussions or negotiations regarding, any proposal that constitutes, or may reasonably be expected to lead to, any Acquisition Proposal; provided, however, that if, at any time prior to the date that is the earlier of the 60th day following the date of execution of this Agreement and the date of the Stockholders' Meeting, the Board of Directors of the Company, in exercise of its fiduciary duties, reasonably determines in good faith, based upon the written advice of independent outside legal counsel, that the Board of Directors of the Company is required to do so to comply with its fiduciary duties to the Company Stockholders under applicable Law, the Board of Directors of the Company and its Representatives may, in response to a Superior Proposal that did not result in a breach of this Section 6.9, and subject to providing contemporaneous notice of its decision to take such action to the Parent, (i) furnish information with respect to the Company and the Subsidiaries to any Person making a Superior Proposal pursuant to a customary confidentiality agreement and (ii) participate in discussions or negotiations regarding such Superior Proposal. The Company shall provide immediate oral and written notice to the Parent of (a) the receipt of any such Acquisition Proposal or any inquiry which could reasonably be expected to lead to any Acquisition Proposal, (b) the material terms and conditions of such Acquisition Proposal or inquiry, and (c) the identity of such Person or entity making any such Acquisition Proposal or inquiry. The Company shall continue to keep the Parent informed of the status and details of any such Acquisition Proposal or inquiry, as well as any related discussions or negotiations permitted under this Section 6.9.

Section 6.10. Proxy Statement/Prospectus. As promptly as practicable following the date hereof, the Parent and the Company shall jointly prepare and file with the SEC preliminary proxy materials and any amendments or supplements thereof which shall constitute the proxy statement/prospectus (such proxy statement/prospectus, and any amendments or supplements thereto, the "Proxy Statement/Prospectus") and the Parent shall prepare and file with the SEC the Form S-4 and take any action required to be taken under applicable state securities laws with respect to the issuance of Parent Class B Common Stock in the Merger in which the Proxy Statement/Prospectus will be included as a prospectus. The Form S-4 and the Proxy Statement/Prospectus shall comply as to form in all material respects with the applicable provisions of the Securities Act and the Exchange Act. Each of the Parent and the Company shall use all reasonable efforts to have the Form S-4 declared effective under the Securities Act as promptly as practicable after filing it with the SEC and to keep the Form S-4 effective as long as is necessary to consummate the Merger. The Parties shall promptly provide copies, consult with each other and prepare written responses with respect to any written comments received from the SEC with respect to the Form S-4 and the Proxy Statement/Prospectus and promptly advise the other party of any oral comments received from the SEC. The Parent agrees that none of the information supplied or to be supplied by the Parent for inclusion or incorporation by reference in the

Proxy Statement/Prospectus and each amendment or supplement thereto, at the time of mailing thereof and at the time of the Stockholders' Meeting, will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The Company agrees that none of the information supplied or to be supplied by the Company for inclusion or incorporation by reference in the Proxy Statement/Prospectus and each amendment or supplement thereto, at the time of mailing thereof and at the time of the Stockholders' Meeting, will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. For purposes of the foregoing, it is understood and agreed that information concerning or related to the Parent will be deemed to have been supplied by the Parent and information concerning or related to the Company and the Stockholders' Meeting shall be deemed to have been supplied by the Company.

Section 6.11. Further Assurances.

(a) Subject to the terms and conditions of this Agreement, each party hereto will use its commercially reasonable efforts to (i) take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate the Merger and the other transactions contemplated by this Agreement as soon as practicable after the date hereof and (ii) obtain and maintain all approvals, consents, waivers, registrations, permits, authorizations, clearances and other confirmations required to be obtained from any third party and/or any Governmental Entity that are necessary, proper or advisable to consummate the Merger and the transactions contemplated hereby (each a "Necessary Approval"). In furtherance and not in limitation of the foregoing, each party hereto agrees to make as promptly as practicable, to the extent it has not already done so, (i) an appropriate filing of a Notification and Report Form pursuant to the HSR Act with respect to the transactions contemplated hereby (which filing shall be made in any event within five Business Days of the date hereof), and (ii) all necessary filings with other Governmental Entities relating to the Merger, and, in

Notwithstanding the foregoing, nothing in this Section 6.11 shall require, or be deemed to require, the Parent to agree to or effect any divestiture (including divestitures of assets of the Parent or the Company) or take any other action which would reasonably be expected to impair the Parent's ability to achieve in any material respect the overall benefits expected, as of the date hereof, to be realized from the consummation of the Merger.

(b) Each of the Parent and the Company shall, in connection with the efforts referenced in Section 6.11(a) to obtain all Necessary Approvals, use its commercially reasonable efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party, (ii) promptly inform the other party of any communication received by such party from, or given by such party to, the FTC or any other Governmental Entity and of any material communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby, and (iii) permit the other party to review any communications given by it to the FTC or any such other Governmental Entity or, in connection with any proceeding by a private party, with any other Person.

(c) In furtherance and not in limitation of the covenants of the parties contained in Sections 6.11(a) and 6.11(b), if any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by this Agreement as violative of any Regulatory Law (as hereinafter defined), or if any statute, rule, regulation, executive order, decree, injunction or administrative order is enacted, entered, promulgated or enforced by a Governmental Entity which would make the Merger or the transactions contemplated hereby illegal or would otherwise prohibit or materially impair or delay the consummation of the Merger

A-38

106

or the transactions contemplated hereby, each of the Parent and the Company shall cooperate in all respects with each other and use its respective commercially reasonable efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other action or order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the Merger or the transactions contemplated by this Agreement and to have such statute, rule, regulation, executive order, decree, injunction or administrative order repealed, rescinded or made inapplicable. Notwithstanding any provision of this Agreement to the contrary, neither the Parent nor the Surviving Corporation shall be required under the terms of this Agreement to dispose of or hold separate all or any portion of the businesses or assets of the Parent or any of its subsidiaries or of the Company or any Subsidiary in order to remedy or otherwise address the concerns (whether or not formally expressed) of any Governmental Entity under the HSR Act or any other antitrust statute or regulation.

(d) In connection with, and without limiting the foregoing, the Company shall (i) take all actions necessary to ensure that no antitakeover statute or similar statute or regulation is or becomes operative with respect to this Agreement, the Merger, the Option Agreements or any other

(e) Each party hereto agrees to consider efficient integration of business operations. Each party hereto further agrees to cooperate with each other in connection with efficiently integrating the business operations.

Section 6.12. NYSE Listing. The Parent will use commercially reasonable efforts to cause to be approved for listing on the NYSE, subject to official notice of issuance, a sufficient number of shares of Parent Class B Common Stock to be issued in the Merger.

Section 6.13. Tax Treatment.

(a) Each of the Parent and the Company and their respective subsidiaries shall use reasonable efforts to cause the Merger to qualify as a "reorganization" under the provisions of Section 368(a) of the Code and to obtain the opinion of counsel referred to in Section 7.1(f), including the execution of the letters of representation containing representations that are customarily given in similar merger transactions, updated as necessary. The Company and the Parent (and their subsidiaries) shall treat the Parent Class B Common Stock received in the Merger by Company Stockholders as property permitted to be received by Section 354 of the Code without the recognition of gain. Each of the Company and the Parent covenants and agrees to, and agrees to cause its affiliates to, vigorously and in good faith defend all challenges to the treatment of the reorganization as described in this Section 6.13. Each of the Company and the Parent agrees that if it becomes aware of any such fact or circumstance that is reasonably likely to prevent the Merger from qualifying as a reorganization described in Section 368(a) of the Code, it will promptly notify the other party in writing.

(b) The Parent, in its sole discretion, may make an election under Section 338 of the Code, in which case the Company will cooperate in facilitating such election, and shall grant all consents, waivers and authorizations necessary to effect such election by the Parent.

(c) The Company and the Subsidiaries will not waive any statute of limitations in respect of Taxes or agree to any extension of time beyond 90 days with respect to a Tax assessment or deficiency without the consent of the Parent.

Section 6.15. Director Resignations. Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Section 6.16. Company Affiliates. The Company shall deliver to the Parent a letter identifying all Persons who are, at the time the Merger is submitted to a vote of the stockholders of the Company, Affiliates of the Company for purposes of Rule 145 under the Securities Act. The Company shall use its commercially reasonable efforts to cause each Person who is identified as a possible Affiliate in such letter to deliver to the Parent on or prior to the Effective Time an Affiliate Letter. The Parent shall be entitled to place legends on any certificates of Parent Class B Common Stock issued to such possible Affiliates to restrict transfer of such shares.

Section 6.17. Purchase of Company Stock. Section 6.19. Employee Matters.

(a) The Company shall (i) take all commercially reasonable actions necessary to correct any compliance deficiencies identified to the Company by the Parent with respect to any Company Employee Benefit Plan in a manner reasonably satisfactory to the Parent and provide evidence reasonably satisfactory to the Parent of such corrections; (ii) take all appropriate corporate action to cease, effective upon Closing, all benefit accruals under and terminate the Fritz Companies, Inc. Salary Investment and Retirement Plan; (iii) take all appropriate corporate action to terminate, effective prior to the Closing, the Fritz Companies, Inc. Employee Stock Purchase Plan ("Company Employee Stock Purchase Plan") and all outstanding options under such plan; and (iv) take all appropriate action to prevent any adjustment of stock options under any Company Stock Plan or under the Company Employee Stock Purchase Plan in anticipation of the transactions contemplated by this Agreement (other than as expressly described in this Agreement).

(b) The Company will provide to the Parent as promptly as practicable after the date hereof (and in any event, for individuals employed in the United States within 30 days hereof and for all other individuals within 45 days hereof) a true and complete list of all of the (a) officers, (b) employees (whether full-time, part-time or otherwise) and (c) consultants or independent contractors of each of the Company and the Subsidiaries, in each case, specifying, by individual, their position, annual salary, hourly wages, consulting or other independent contractor fees, date of birth, date of hire, social security number, home address, work location, length of service, hours of service, tax withholding history for the current calendar year, other amounts paid, benefits provided and any other information

(e) The Company will provide to the Parent as promptly as practicable after the date hereof (and in any event within 30 days hereof) a true and complete list of each employee who as of the date hereof is eligible to request FMLA leave and the amount of FMLA leave utilized by each such employee during the current leave year; each employee who prior to the date hereof has requested FMLA leave to commence on or after the date hereof , his or her job title and description, salary and benefits; a description of the leave requested; and a copy of all notices provided to such employee regarding that leave.

(d) Early termination shall have been granted or applicable waiting periods shall have expired under the HSR Act and any other Regulatory Law that imposes such waiting period.

(e) No Governmental Entity shall have enacted, issued, promulgated, enforced or entered any law, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) which is then in effect and has the effect of making illegal, materially restricting or in any way preventing or prohibiting the Merger.

(g) The shares of Parent Class B Common Stock to be issued pursuant to this Agreement shall have been authorized for listing on the NYSE, subject to official notice of issuance.

Section 7.2. Conditions to Obligations of Parent and Buyer to Effect the Merger. The obligations of the Parent and the Buyer to effect the Merger are further subject to satisfaction or waiver at or prior to the Effective Time of the following conditions:

(a) (i) The representations and warranties of the Company in this Agreement that are qualified by Company Material Adverse Effect shall be true and correct as so qualified in all respects as of the date of this Agreement and as of the Effective Time, and (ii) the representations and warranties of the Company in this Agreement that are not qualified by Company Material Adverse Effect shall be true and correct in all respects as of the date of this Agreement and as of the Effective Time, except in the case of this clause (ii), where the failure of such representations and warranties to be so true and correct would not have, individually or in the aggregate, a Company Material Adverse Effect.

(b) The Company shall have performed in all material respects all covenants and agreements required to be performed by it under this Agreement at or prior to the Closing.

(c) The Company shall furnish the Parent with a certificate of its appropriate officers as to compliance with the conditions set forth in Sections 7.2(a) and (b).

(d) The Parent shall have received an Affiliate Letter from each Affiliate in accordance with Section 6.16.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

other relief from any such party, in connection with this Agreement or the consummation of the transactions contemplated hereby or thereby which would in any such case, individually or in the aggregate, have a Parent Material Adverse Effect or a Company Material Adverse Effect, or (ii) any orders restricting the Company or any Subsidiary or the Parent from conducting its business as now being conducted which, individually or in the aggregate, would have a Company Material Adverse Effect or a Parent Material Adverse Effect.

(f) There shall not have occurred any change, condition, event or development that has resulted in a Company Material Adverse Effect.

Section 7.3. Conditions to Obligations of Company to Effect the Merger. The obligations of the Company to effect the Merger are further subject to satisfaction or waiver at or prior to the Effective Time of the following conditions:

(a) (i) The representations and warranties of the Parent and the Buyer in this Agreement that are qualified by Parent Material Adverse Effect shall be true and correct as so qualified in all respects as of the date of this Agreement and as of the Effective Time, and (ii) the representations and warranties of the Parent and the Buyer in this Agreement that are not qualified by Parent Material Adverse Effect shall be true and correct in all respects as of the date of this Agreement and as of the Effective Time, except in the case of this clause (ii), where the failure of such representations and warranties to be so true and correct would not have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) The Parent and the Buyer each shall have performed in all material respects all covenants and agreements required to be performed by them under this Agreement at or prior to the Closing.

(c) The Parent shall furnish the Company with a certificate of its appropriate officers as to compliance with the conditions set forth in Sections 7.3(a) and (b).

TERMINATION, AMENDMENT AND WAIVER

Section 8.1. Termination. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after approval of matters presented in connection with the Merger by the Company Stockholders:

(a) By mutual written consent duly authorized by the Boards of Directors of the Parent and the Company;

(b) By any of the Parent, the Buyer or the Company if any court of competent jurisdiction or other Governmental Entity shall have issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting the Merger and such order, decree, ruling or other action shall have become final and nonappealable; provided however, that the party terminating this Agreement pursuant to this Section 8.1(b) shall have used all commercially reasonable efforts to have such

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

order, decree, ruling or action vacated;

(c) By any of the Parent, the Buyer or the Company if the Merger shall not have been consummated on or before November 30, 2001; provided, however, that the right to terminate this Agreement under this Section 8.1(c) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the primary cause of, or resulted in, the failure to consummate the Merger on or before such date;

(d) By the Parent if the Board of Directors of the Company takes any of the actions set forth in the second sentence of Section 6.5(a);

(e) By any of the Company, the Parent or the Buyer, if the approval of the Company Stockholders required for consummation of the Merger shall not have been obtained by reason of the failure to obtain the Required Vote at the Stockholders' Meeting or at any adjournment or postponement thereof;

(f) By the Parent or the Buyer, if (i) any of the conditions set forth in Section 7.2 shall have become incapable of fulfillment and shall not have been waived by the Parent and the Buyer, (ii) the Company shall breach in any material respect any of its covenants or other obligations hereunder or (iii) the Company shall breach (A) the representations or warranties hereunder that are qualified by Company Material Adverse Effect or (B) the representations and warranties hereunder that are not qualified by Company Material Adverse Effect where, for purposes of this clause (B), such breach, individually or in the aggregate, has a Company Material Adverse Effect. The foregoing notwithstanding, if in the case of clauses (ii) or (iii), the breach giving rise to the right of termination is capable of being cured, neither Parent nor Buyer shall exercise its right of termination with respect to such breach unless within ten days after written notice of such breach to the Company from the Parent, such breach shall not have been cured in all material respects or waived by the Parent or the Buyer and the Company shall not have provided reasonable assurance to the Parent and the Buyer that such breach will be cured in all material respects on or before the Effective Time; or

(g) By the Company, if (i) any of the conditions set forth in Section 7.3 shall have become incapable of fulfillment and shall not have been waived by the Company, (ii) the Parent or the Buyer shall breach in any material respect any of its covenants or other obligations hereunder or (iii) the Parent or the Buyer shall breach (A) the representations or warranties hereunder that are qualified by Parent Material Adverse Effect or (B) the representations and warranties hereunder that are not qualified by Parent Material Adverse Effect where, for purposes of this clause (B), such breach, individually or in the aggregate, has a Parent Material Adverse Effect. The foregoing notwithstanding, if in the case of clauses (ii) or (iii), the breach giving rise to the right of termination is capable of being cured, the Company shall not exercise its right of termination with respect to such breach unless within ten days after written notice of such breach to the Parent from the Company, such breach shall not have been cured in all material respects or waived by the Company and the Parent or the Buyer, as the case may be, shall not

A-44

112

have provided reasonable assurance to the Company that such breach will be cured in all material respects on or before the Effective Time.

Notwithstanding anything else contained in this Agreement, the right to terminate this Agreement under this Section 8.1 shall not be available to any party that (i) is in material breach of its obligations hereunder or (ii) whose

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

failure to fulfill its obligations or to comply with its covenants under this Agreement has been the cause of, or resulted in, the failure to satisfy any condition to the obligations of either party hereunder.

Section 8.2. Effect of Termination.

(a) In the event of the termination of this Agreement pursuant to Section 8.1 hereof, this Agreement shall forthwith be terminated and have no further effect except as specifically provided herein and in Section 9.10 and, except as provided in this Section 8.2 and in Section 9.11, there shall be no liability on the part of any party hereto, provided that nothing herein shall relieve any party from liability for any willful breach hereof.

(b) If the Parent exercises its right to terminate this Agreement under Section 8.1(d), the Company shall pay to the Parent the Termination Fee, payable in same-day funds, as liquidated damages and not as a penalty to reimburse the Parent for its time, expense and lost opportunity costs of pursuing the Merger, upon entering into any agreement relating to such Acquisition Proposal.

(c) If within nine months after termination of this Agreement, the Company shall enter into any agreement relating to, or consummate, an Acquisition Proposal with a Person other than the Parent or the Buyer, then immediately upon entering into such agreement, the Company shall pay to the Parent upon demand the Termination Fee, payable in same-day funds, as liquidated damages and not as a penalty, to reimburse the Parent for its time, expense and lost opportunity costs of pursuing the Merger; provided that no such amount shall be payable if the Termination Fee shall have become payable or have been paid in accordance with Section 8.2(b) of this Agreement or if this Agreement shall have been terminated by the Company in accordance with clause (ii) of Section 8.1(g).

(d) Notwithstanding anything to the contrary set forth in this Agreement, if the Company fails promptly to pay to the Parent any amounts due under this Section 8.2, the Company shall pay the costs and expenses (including reasonable legal fees and expenses) in connection with any action, including the filing of any lawsuit or other legal action, taken to collect payment, together with interest on the amount of any unpaid fee or obligation at the publicly announced prime rate of Citibank, N.A. in effect from time to time from the date such fee or obligation was required to be paid.

Section 8.3. Amendments. This Agreement may not be amended except by action taken or authorized by the board of directors of each of the parties hereto set forth in an instrument in writing signed on behalf of each of the parties hereto; provided, however, that after approval of the Merger by the Company Stockholders, no amendment may be made without the further approval of the Company Stockholders if such further approval is required by Law or the rules of any relevant stock exchange or other trading system.

Section 8.4. Waiver. At any time prior to the Effective Time, whether before or after the Stockholders' Meeting, any party hereto, by action taken by its board of directors, may (i) extend the time for the performance of any of the covenants, obligations or other acts of any other party hereto or (ii) waive any inaccuracy of any representations or warranties or compliance with any of the agreements, covenants or conditions of any other party or with any conditions to its own obligations. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party by its duly authorized officer. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

The waiver of any such right with respect to particular facts and other circumstances shall not be deemed a waiver with respect to any other facts and circumstances and each such right shall be deemed an ongoing right that may be asserted at any time and from time to time.

No party may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other parties; provided, however, that the Buyer may freely assign its rights to another wholly owned subsidiary of the Parent without such prior written approval but no such assignment shall relieve the Buyer of any of its obligations hereunder.

If the final judgment of a court of competent jurisdiction declares that any term or provision hereof is invalid or unenforceable, the parties agree that the court making the determination of invalidity or unenforceability shall have the power to reduce the scope, duration, or area of the term or provision, to delete specific words or phrases, or to replace any invalid or unenforceable term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be enforceable as so modified after the expiration of the time within which the judgment may be appealed.

ANNEX B

STOCK OPTION AGREEMENT

This STOCK OPTION AGREEMENT dated as of January 10, 2001 (the "Agreement"), by and between Fritz Companies, Inc., a Delaware corporation ("Issuer"), and United Parcel Service, Inc., a Delaware corporation ("Grantee").

WITNESSETH THAT:

WHEREAS, Issuer and Grantee have entered into an Agreement and Plan of Merger dated as of the date hereof (as the same may be amended or supplemented, the "Merger Agreement"; defined terms used but not defined herein have the meanings set forth in the Merger Agreement), providing for, among other things, the merger of a subsidiary of Grantee with and into Issuer, with Issuer being the surviving corporation in the Merger as a direct and wholly owned subsidiary

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

of Grantee; and

WHEREAS, as a condition and inducement to Grantee's willingness to enter into the Merger Agreement, Grantee has requested that Issuer agree, and Issuer has agreed, to grant Grantee the Option (as defined below).

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth herein, Issuer and Grantee agree as follows:

1. Grant of Option. Subject to the terms and conditions set forth herein, Issuer hereby grants to Grantee an irrevocable option (the "Option") to purchase up to 3,707,609 (as adjusted as set forth herein) shares (the "Option Shares") of Common Stock, par value \$.01 per share ("Issuer Common Stock"), of Issuer at a purchase price per Option Share (the "Purchase Price") equal to the lower of (1) 0.2 multiplied by the average (rounded to the nearest 1/10,000) of the volume weighted averages (rounded to the nearest 1/10,000) of the trading prices of Grantee Class B common stock, par value \$0.01 per share, on the New York Stock Exchange, as reported by Bloomberg Financial Markets (or such other source as the parties shall agree in writing), for the 10 trading days immediately preceding the Notice Date (as defined below) and (2) the average closing price per share of Issuer Common Stock (as determined under Section 6(c)) for the 10 trading day period ending on the date that is two trading days prior to the first date on which an Acquisition Proposal shall have been publicly made or shall have otherwise become publicly known or any person shall have publicly announced an intention to make an Acquisition Proposal (as adjusted as set forth herein).

2. Exercise of Option. (a) Grantee may exercise the Option, in whole but not in part, at any time, subject to the provisions of Section 2(c), after the occurrence of any event as a result of which Grantee is entitled to receive the Termination Fee pursuant to Section 8.2(b) or (c) of the Merger Agreement (a "Purchase Event"); provided, however, that (i) except as provided in the last sentence of this Section 2(a), the Option will terminate and be of no further force and effect upon the earliest to occur of (A) the Effective Time, (B) nine months after the first occurrence of a Purchase Event and (C) termination of the Merger Agreement in accordance with its terms prior to the occurrence of a Purchase Event, unless, in the case of clause (C), Grantee may receive a Termination Fee in connection with or following such termination upon the occurrence of certain events, in which case the Option will not terminate until the later of (x) nine months following the time such Termination Fee becomes payable and (y) the expiration of the period in which Grantee has such right to receive a Termination Fee, and (ii) any purchase of Option Shares upon exercise of the Option will be subject to compliance with the HSR Act and the obtaining or making of any other consents, approvals, orders, notifications, filings or authorizations, the failure of which to have obtained or made would have the effect of making the issuance of Option Shares to Grantee illegal (the "Regulatory Approvals"). Notwithstanding the termination of the Option, Grantee will be entitled to purchase the Option Shares if it has exercised the Option in accordance with the terms hereof prior to the termination of the Option and such termination of the Option will not affect any rights hereunder which by their terms do not terminate or expire prior to or as of such date. Issuer agrees to use its commercially reasonable efforts to obtain all necessary Regulatory Approvals in order to permit the purchase of the Option Shares.

B-1

117

(b) If Grantee is entitled to and wishes to exercise the Option, it will send to Issuer a written notice (an "Exercise Notice"; the date of which being herein referred to as the "Notice Date") to that effect which Exercise Notice also specifies the number of Option Shares, if any, Grantee

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

wishes to purchase pursuant to this Section 2(b), the number of Option Shares, if any, with respect to which Grantee wishes to exercise its Cash-Out Right (as defined herein) pursuant to Section 6(c), the denominations of the certificate or certificates evidencing the Option Shares which Grantee wishes to purchase pursuant to this Section 2(b) and a date (the "Option Closing Date"), subject to the following sentence, not earlier than seven trading days nor later than 20 trading days from the Notice Date for the closing of such purchase (the "Option Closing"). The Option Closing will be at such location and time in Atlanta, Georgia as the Grantee shall specify on the Option Closing Date or at such later date as may be necessary as provided in Section 2(c).

(c) Notwithstanding anything to the contrary contained herein, any exercise of the Option and purchase of Option Shares shall be subject to compliance with applicable laws and regulations, which may prohibit the purchase of all the Option Shares specified in the Exercise Notice without first obtaining or making certain Regulatory Approvals. In such event, if the Option is otherwise exercisable and Grantee wishes to exercise the Option, the Option may be exercised in accordance with Section 2(b) and Grantee shall acquire the maximum number of Option Shares specified in the Exercise Notice that Grantee is then permitted to acquire under the applicable laws and regulations, and if Grantee thereafter obtains the Regulatory Approvals to acquire the remaining balance of the Option Shares specified in the Exercise Notice, then Grantee shall be entitled to acquire such remaining balance.

If (i) Grantee receives official notice that a Regulatory Approval required for the purchase of any Option Shares will not be issued or granted or (ii) such Regulatory Approval has not been issued or granted within six months of the date of the Exercise Notice, Grantee shall have the right to exercise its Cash-Out Right pursuant to Section 6(c) with respect to the Option Shares for which such Regulatory Approval will not be issued or granted or has not been issued or granted.

3. Payment and Delivery of Certificates. (a) At the Option Closing, Grantee will pay to Issuer in immediately available funds by wire transfer to a bank account designated in writing by Issuer an amount equal to the Purchase Price multiplied by the number of Option Shares to be purchased at the Option Closing plus the amount of any transfer, stamp or other similar taxes or charges imposed in connection therewith.

(b) At the Option Closing, simultaneously with the delivery of immediately available funds as provided in Section 3(a), Issuer will deliver to Grantee a certificate or certificates representing the Option Shares to be purchased at the Option Closing, which Option Shares will be free and clear of all liens, claims, charges and encumbrances of any kind whatsoever, except for any encumbrances arising hereunder.

(c) Certificates for the Option Shares delivered at the Option Closing will have typed or printed thereon a restrictive legend which will read substantially as follows:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND MAY BE REOFFERED OR SOLD ONLY IF SO REGISTERED OR IF AN EXEMPTION FROM SUCH REGISTRATION IS AVAILABLE. SUCH SECURITIES ARE ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER AS SET FORTH IN THE STOCK OPTION AGREEMENT DATED AS OF JANUARY , 2001, A COPY OF WHICH MAY BE OBTAINED FROM THE SECRETARY OF FRITZ COMPANIES, INC. AT ITS PRINCIPAL EXECUTIVE OFFICES."

It is understood and agreed that (i) the reference to restrictions arising under the Securities Act in the above legend will be removed by delivery of

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

substitute certificate(s) without such reference if such Option Shares have been registered pursuant to the Securities Act, such Option Shares have been sold in reliance on and in accordance with Rule 144 under the Securities Act or Grantee has delivered to Issuer a copy of a letter from the staff of the SEC, or an opinion of counsel in form and substance reasonably

B-2

118

satisfactory to Issuer and its counsel, to the effect that such legend is not required for purposes of the Securities Act and (ii) the reference to restrictions pursuant to this Agreement in the above legend will be removed by delivery of substitute certificate(s) without such reference if the Option Shares evidenced by certificate(s) containing such reference have been sold or transferred in compliance with the provisions of this Agreement under circumstances that do not require the retention of such reference.

4. Representations and Warranties of Issuer. Issuer hereby represents and warrants to Grantee as follows:

(a) Authorized Stock. Issuer has taken all necessary corporate and other action to authorize and reserve and, subject to the expiration or termination of any required waiting period under the HSR Act, to permit it to issue, and, at all times from the date hereof until the obligation to deliver Option Shares upon the exercise of the Option terminates, shall have reserved for issuance, upon exercise of the Option, shares of Issuer Common Stock necessary for Grantee to exercise the Option, and Issuer will take all necessary corporate action to authorize and reserve for issuance all additional shares of Issuer Common Stock or other securities which may be issued pursuant to Section 6 upon exercise of the Option. The shares of Issuer Common Stock to be issued upon due exercise of the Option, including all additional shares of Issuer Common Stock or other securities which may be issuable upon exercise of the Option or any other securities which may be issued pursuant to Section 6, upon issuance pursuant hereto, will be duly and validly issued, fully paid and nonassessable, and will be delivered free and clear of all liens, claims, charges and encumbrances of any kind or nature whatsoever, (except for any encumbrances arising hereunder), including without limitation any preemptive rights of any stockholder of Issuer.

5. Representations and Warranties of Grantee. Grantee hereby represents and warrants to Issuer that any Option Shares or other securities acquired by Grantee upon exercise of the Option will not be transferred or otherwise disposed of except in a transaction registered, or exempt from registration, under the Securities Act.

6. Adjustment upon Changes in Capitalization, Etc. (a) In the event of any change in Issuer Common Stock by reason of a stock dividend, split-up, merger, recapitalization, combination, exchange of shares, or similar transaction, the type and number of shares or securities subject to the Option, and the Purchase Price thereof, will be adjusted appropriately, and proper provision will be made in the agreements governing such transaction, so that Grantee will receive upon exercise of the Option the number and class of shares or other securities or property that Grantee would have received in respect of Issuer Common Stock if the Option had been exercised immediately prior to such event or the record date therefor, as applicable. Without limiting the parties' relative rights and obligations under the Merger Agreement, if the number of outstanding shares of Issuer Common Stock increases or decreases after the date of this Agreement (other than pursuant to an event described in the first sentence of this Section 6(a)), the number of shares of Issuer Common Stock subject to the Option will be

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

adjusted so that it equals 10.1% of the number of shares of Issuer Common Stock then issued and outstanding, without giving effect to any shares subject to or issued pursuant to the Option.

(b) Without limiting the parties' relative rights and obligations under the Merger Agreement, if Issuer enters into an agreement (i) to consolidate with or merge into any person, other than Grantee or one of its subsidiaries, and Issuer will not be the continuing or surviving corporation in such consolidation or merger, (ii) to permit any person, other than Grantee or one of its subsidiaries, to merge into Issuer and Issuer will be the continuing or surviving corporation, but in connection with such merger, the shares of Issuer Common Stock outstanding immediately prior to the consummation of such merger will be changed into or exchanged for stock or other securities of Issuer or any other person or cash or any other property, or the shares of Issuer Common Stock outstanding immediately prior to the consummation of such merger will, after such merger, represent less than 90% of the outstanding voting securities of the merged company, or (iii) to sell or otherwise transfer all or substantially all of its assets to any person, other than Grantee or one of its subsidiaries, then, and in each such case, the agreement governing such transaction will make proper provision so that the Option will, upon the consummation of any such transaction and upon the terms and conditions set forth herein, be converted into, or exchanged for, an option with identical terms appropriately adjusted to acquire the number and class of shares or other

securities or property that Grantee would have received in respect of Issuer Common Stock if the Option had been exercised immediately prior to such consolidation, merger, sale, or transfer, or the record date therefor, as applicable and make any other necessary adjustments to preserve the full value of the Option.

(c) If, at any time during the period commencing on a Purchase Event and ending on the termination of the Option in accordance with Section 2, Grantee sends to Issuer an Exercise Notice indicating Grantee's election to exercise its right (the "Cash-Out Right") pursuant to this Section 6(c), then Issuer shall pay to Grantee, on the Option Closing Date, in exchange for the cancellation of the Option with respect to such number of Option Shares as Grantee specifies in the Exercise Notice, an amount in cash equal to such number of Option Shares multiplied by the difference between (i) the average closing price, for the 10 trading days commencing on the 12th trading day immediately preceding the Option Closing Date, per share of Issuer Common Stock as reported on The New York Stock Exchange, Inc. (or, if not listed on The New York Stock Exchange, as reported on any other national securities exchange or national securities quotation system on which the Issuer Common Stock is listed or quoted, as reported in The Wall Street Journal (Northeast edition), or, if not reported thereby, any other authoritative source) (the "Closing Price") and (ii) the Purchase Price. Notwithstanding the termination of the Option, Grantee will be entitled to exercise its rights under this Section 6(c) if it has exercised such rights in accordance with the terms hereof prior to the termination of the Option.

7. Registration Rights. (a) Issuer will, if requested by Grantee in writing at any time and from time to time within two years of the exercise of the Option, promptly prepare and file one registration statement under the Securities Act if such registration is necessary in order to permit the sale or other disposition of any or all shares or securities that have been acquired by or are issuable to Grantee upon exercise of the Option in accordance with the intended method of sale or other disposition stated by Grantee, including a

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

"shelf" registration statement under Rule 415 under the Securities Act or any successor provision, and Issuer will use its reasonable best efforts to qualify such shares or other securities under any applicable state securities laws. Issuer will use commercially reasonable efforts to cause each such registration statement to become effective, to obtain all consents or waivers of other parties which are required therefor, and to keep such registration statement effective for such period not in excess of 120 calendar days from the day such registration statement first becomes effective as may be reasonably necessary to effect such sale or other disposition. The obligations of Issuer hereunder to file a registration statement and to maintain its effectiveness may be suspended for up to 90 calendar days in the aggregate if the Board of Directors of Issuer shall have determined that the filing of such registration statement or the maintenance of its effectiveness would require premature disclosure of material nonpublic information that would materially and adversely affect Issuer or otherwise interfere with or adversely affect any pending or proposed offering of securities of Issuer or any other material transaction involving Issuer. Any registration statement prepared and filed under this Section 7, and any sale covered thereby, will be at Issuer's expense except for underwriting discounts or commissions, brokers' fees and the fees and disbursements of Grantee's counsel related thereto. Grantee will provide all information reasonably requested by Issuer for inclusion in any registration statement to be filed hereunder. If, during the time periods referred to in the first sentence of this Section 7, Issuer effects a registration under the Securities Act of Issuer Common Stock for its own account or for any other stockholders of Issuer (other than on Form S-4 or Form S-8, or any successor form), it will allow Grantee the right to participate in such registration, and such participation will not affect the obligation of Issuer to effect demand registration statements for Grantee under this Section 7; provided that, if the managing underwriters of such offering advise Issuer in writing that in their opinion the number of shares of Issuer Common Stock requested to be included in such registration exceeds the number which can be sold in such offering, Issuer will first reduce the shares requested to be included therein by Grantee before reducing any other shares intended to be included therein by Issuer. In connection with any registration pursuant to this Section 7, Issuer and Grantee will provide each other and any underwriter of the offering with customary representations, warranties, covenants, indemnification, and contribution in connection with such registration.

If a requested registration pursuant to this Section 7(a) involves an underwritten offering, the underwriter or underwriters thereof shall be a nationally recognized firm or firms selected by Grantee, and reasonably acceptable to Issuer.

B-4

120

(b) Notwithstanding Section 7(a), if Issuer receives a written request (the "Registration Notice") from Grantee requesting that Issuer register any or all shares or securities that have been acquired by Grantee upon exercise of the Option (the "Registrable Securities"), Issuer will thereupon have the option exercisable by written notice delivered to Grantee within ten trading days after receipt of the Registration Notice, to purchase all or any part of the Registrable Securities for cash at a price (the "Section 7b Price") equal to the product of (i) the number of Registrable Securities so purchased and (ii) the per share average of the closing sale prices of Issuer Common Stock on The New York Stock Exchange (or any other national securities exchange or national securities quotation system on which the shares of Issuer Common Stock are then listed or quoted) for the twenty trading days immediately preceding the date of the Registration Notice. Any such purchase of Registrable Securities by Issuer hereunder will take place at a closing to be held at the principal executive offices of Issuer or its counsel at any reasonable date and time

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

designated by Issuer in such notice within ten trading days after delivery of such notice. At the time of such closing, Issuer shall deliver to Grantee an amount equal to the Section 7b Price in immediately available funds as consideration for the purchase of the applicable Registrable Securities.

8. Quotation. If Issuer Common Stock or any other securities to be acquired upon exercise of the Option are then quoted on The New York Stock Exchange (or any other national securities exchange or national securities quotation system), Issuer, upon the request of Grantee, will promptly file an application to have the shares of Issuer Common Stock or other securities to be acquired upon exercise of the Option quoted on The New York Stock Exchange (and any such other national securities exchange or national securities quotation system) and will use reasonable efforts to obtain approval of such quotation as promptly as practicable.

9. Loss or Mutilation. Upon receipt by Issuer of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Agreement, and (in the case of loss, theft or destruction) of reasonably satisfactory indemnification, and upon surrender and cancelation of this Agreement, if mutilated, Issuer will execute and deliver a new Agreement of like tenor and date. Any such new Agreement executed and delivered will constitute an additional contractual obligation on the part of Issuer, whether or not the Agreement so lost, stolen, destroyed, or mutilated shall at any time be enforceable by anyone.

10. Miscellaneous. (a) Expenses. Except as provided in Section 7, each of the parties hereto will bear and pay all costs and expenses incurred by it or on its behalf in connection with the transactions contemplated hereunder, including fees and expenses of its own counsel, accountants, investment bankers, experts and consultants incurred in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement and the transactions contemplated hereby.

(b) Amendment. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

(c) Extension; Waiver; Consent. The parties hereto may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other party hereto, (ii) waive any inaccuracies in the representations contained herein or in any document delivered pursuant hereto and (iii) waive compliance with or give a consent under any of the agreements or conditions contained herein. Any agreement on the part of a party hereto to any such extension, waiver or consent shall be valid only if set forth in a written instrument signed on behalf of such party in its sole discretion. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights.

(d) Entire Agreement; No Third-Party Beneficiaries. This Agreement, the Merger Agreement (including the documents and instruments attached thereto as exhibits or schedules or delivered in connection therewith) and the Confidentiality Agreement (i) constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof, and (ii) are not intended to and shall not confer upon any Person other than the parties hereto any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

(e) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflict of laws thereof.

(f) Notices. All notices and other communications hereunder shall be sent in the manner and to the addresses set forth in the Merger Agreement.

(g) Assignment. Neither this Agreement, the Option nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other party and any attempt to make any such assignment without such consent shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

(h) Further Assurances. In the event of any exercise of the Option by Grantee, Issuer and Grantee will execute and deliver all other documents and instruments and take all other actions that may be reasonably necessary in order to consummate the transactions provided for by such exercise.

(i) Enforcement. The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties will be entitled to specific performance of the terms hereof, this being in addition to any other remedy to which they are entitled at law or in equity.

(j) Submission to Jurisdiction; Waivers. Each of the parties hereto (a) consents to submit itself to the personal jurisdiction of any Delaware state court or any Federal court located in the State of Delaware in the event any dispute arises out of or under or relates to this Agreement or any of the transactions contemplated hereby, (b) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court, (c) agrees that it will not bring any action, suit or proceeding arising out of or under or relating to this Agreement or any of the transactions contemplated hereby, in any court other than any Delaware state court or any Federal court located in the State of Delaware and (d) waives any right to trial by jury with respect to any action, suit or proceeding arising out of or under or relating to this Agreement or any of the transactions contemplated hereby. Each of the parties hereto hereby irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of or under or relating to this Agreement or any of the transactions contemplated hereby in any Delaware state court or any Federal court located in the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(k) Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the fullest extent.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

(l) Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, it being understood that both parties need not sign the same counterpart.

(m) Limitation on Profit. (i) Notwithstanding any other provision hereof, in no event shall the Grantee's Total Profit (as defined herein) exceed in the aggregate \$22.5 million (the "Maximum Amount") and, if it otherwise would exceed such amount, the Grantee, at its sole election, shall either: (A) reduce the number of shares of Issuer Common Stock subject to this Option; (B) deliver to the

Issuer for cancellation Option Shares (or other securities into which such Option Shares are converted or exchanged) previously purchased by Grantee; (C) pay cash to the Issuer; or (D) any combination thereof, so that Grantee's actually realized Total Profit shall not exceed the Maximum Amount taking into account the foregoing actions.

(ii) Notwithstanding any other provision hereof, this Option may not be exercised for a number of shares as would, as of the date of exercise, result in a Notional Total Profit (as defined below) which would exceed the Maximum Amount and, if exercise of the Option otherwise would result in the Notional Total Profit exceeding such amount, Grantee, at its discretion, may (in addition to any of the actions specified in Section 10(m)(i) above) (A) reduce the number of Shares subject to the Option or (B) increase the Purchase Price for that number of Option Shares for which the Option is being exercised so that the Notional Total Profit shall not exceed the Maximum Amount; provided, that nothing in this sentence shall restrict any exercise of the Option permitted hereby on any subsequent date.

(iii) As used herein, the term "Total Profit" shall mean (A) the aggregate amount (before taxes) of the following: (w) any amounts received by Grantee pursuant to exercise of its Cash-Out Right, plus (x) any Section 7b Price received by Grantee pursuant to Section 7(b) hereof with respect to Registrable Securities, less the Grantee's Purchase Price for such Registrable Securities, plus (y) the net cash amounts or fair market value of any property received by Grantee pursuant to the sale of Option Shares (or any other securities into which such Option Shares are converted or exchanged) to any unaffiliated party, less the Grantee's Purchase Price for such Option Shares, plus (z) any Termination Fee paid by Issuer and received by Grantee pursuant to Section 8.2(b) or (c) of the Merger Agreement, minus (B) the amount of any cash previously paid by Grantee to Issuer pursuant to this Section 10 plus the value of the Option Shares (or other securities into which such Option Shares are converted or exchanged) previously delivered by Grantee to Issuer for cancellation pursuant to this Section 10(m).

(iv) As used herein, the term "Notional Total Profit" with respect to any number of shares as to which Grantee may propose to exercise this Option shall be the Total Profit determined as of the date of such proposal assuming that this Option were exercised on such date for such number of shares and assuming that such shares, together with all other Option Shares held by Grantee and its affiliates as of such date, were sold for cash at the closing market price (less customary brokerage commissions) for shares of Issuer Common Stock as of the close of business of the preceding trading day on The New York Stock Exchange (or any other national securities exchange or national securities quotation

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

system on which the shares of Issuer Common Stock are then listed or quoted).

(v) Notwithstanding any other provision of this Agreement, nothing in this Agreement shall affect the ability of Grantee to receive, nor relieve Issuer's obligation to pay, any Termination Fee provided for in Section 8.2(b) or (c) of the Merger Agreement; provided that if and to the extent the Total Profit received by Grantee would exceed the Maximum Amount following receipt of such payment, Grantee shall be obligated to promptly comply with the terms of this Section 10(m).

(vi) For purposes of Section 10(m)(i) and clause (A) of Section 10(m)(iii), the value of any Option Shares (or other securities into which such Option Shares are converted or exchanged) delivered by Grantee to Issuer shall be the Closing Price of such Option Shares.

FORM OF STOCKHOLDER OPTION AGREEMENT

This STOCKHOLDER OPTION AGREEMENT (this "Agreement"), dated January 10, 2001, by and among United Parcel Service, Inc., a Delaware corporation ("Holder"), and (the "Stockholder").

WITNESSETH THAT:

WHEREAS, the Stockholder owns of record shares of common stock (the "Common Stock"), \$.01 par value, of Fritz Companies, Inc., a Delaware corporation ("Company") (all of such shares being referred to herein, and giving effect to Section 14 hereof, as the "Shares"); and

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

WHEREAS, concurrently herewith Holder, VND Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Holder ("Newco"), and Company are entering into a Plan and Agreement of Merger (the "Merger Agreement") pursuant to which Newco would, subject to the terms and conditions set forth therein, merge with and into Company (the "Merger"); and

WHEREAS, the transaction is expected to be structured as a tax-free reorganization for shares of Holder capital stock; and

WHEREAS, the Stockholder desires to induce Holder to proceed with the Merger and enter into the Merger Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, Holder's willingness to enter into the Merger Agreement and the sum of \$100, and such other valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Grant of Option. The Stockholder hereby grants to Holder an irrevocable and continuing option (the "Option") to purchase all of the Shares owned by him for a per share price equal to an amount of cash equal to 0.2 multiplied by the average (rounded to the nearest 1/10,000) of the volume weighted averages (rounded to the nearest 1/10,000) of the trading prices of Holder Class B common stock, par value \$0.01 per share, on the New York Stock Exchange, as reported by Bloomberg Financial Markets (or such other source as the parties shall agree in writing), for the 10 trading days immediately preceding the Notice (as defined below) (the "Purchase Price"). As additional consideration, Holder shall pay to the Stockholder, promptly following the sale or other disposition of any Shares (or any other securities into which such Shares are converted or exchanged) within 6 months following the Closing (as defined below), any property or cash amounts received therefor by Holder in excess of the Purchase Price.

2. Exercise of Option. Holder may exercise the Option, in whole but not in part, at any time following the occurrence of a First Date for Exercise (as defined below) by delivering a written notice to the Stockholder with a copy to Bank of America, N.A., (or if Bank of America, N.A. is unwilling or unable to act upon commercially reasonable terms, any other bank or trust company reasonably acceptable to Holder and Stockholder), as escrow agent (the "Escrow Agent") under an Escrow Agreement, to be entered into within five days of the date hereof upon commercially reasonable terms among Holder, the Stockholder and the Escrow Agent (the "Escrow Agreement") of its intention to exercise the Option (the "Notice"), specifying a time, place and date for the closing (the "Closing"), which shall occur as soon as practicable, but not later than three (3) business days from the date of the Notice; provided, however, that (a) if any approvals under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), or otherwise shall be required with respect to such exercise, then the Closing shall be the later of the date specified in the Notice or the next business day following the date on which such approvals shall have been obtained, and (b) there shall not be in effect any preliminary or final injunction or other order issued by any court or governmental, administrative or regulatory agency or authority or legislative body or commission prohibiting

125

the exercise of the Option pursuant to this Agreement. As used herein, the "First Date for Exercise" shall mean the earliest to occur of any of the following events:

(i) any person shall have commenced (as such term is defined in Rule 14d-2 under the Securities Exchange Act of 1934, as amended (the "Exchange

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Act))), or shall have filed a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), with respect to, a tender offer or exchange offer to purchase any shares of Common Stock such that, upon consummation of such offer, such person would own or control 20% or more of the then outstanding Common Stock;

(ii) Company, without having received Holder's prior written consent, shall (A) have authorized, recommended, proposed or publicly announced an intention to authorize, recommend or propose, or shall have entered into or publicly announced an intention to enter into, an agreement with any person (other than Holder, Newco or any other subsidiary of Holder) to (1) effect a merger, consolidation, combination, reorganization, share exchange, joint venture involving an "equity control event" (as defined below) or similar transaction involving Company, (2) directly or indirectly sell, lease or otherwise transfer or dispose of, or agree to sell, lease or otherwise transfer or dispose of, assets of Company or its subsidiaries representing 20% or more of the consolidated assets of Company and its subsidiaries or (3) directly or indirectly issue, sell or otherwise transfer or dispose of or agree to issue, sell or otherwise transfer or dispose of (including, without limitation, by way of merger, consolidation, reorganization, share exchange, dividend, distribution or any similar transaction) securities representing 20% or more of the voting power of Company (any of the foregoing an "Acquisition Transaction"), or (B) directly or indirectly have otherwise taken any action including, without limitation, responding to, or entering into discussions or negotiations, in respect of an Acquisition Transaction or an Acquisition Proposal (as defined in the Merger Agreement) made by any party other than Holder; provided that such action violates Section 6.9 of the Merger Agreement;

(iii) any person or group (as such term is defined under the Exchange Act) shall have acquired beneficial ownership (as such term is defined in Rule 13d-3 under the Exchange Act) or the right to acquire beneficial ownership of, or any group shall have been formed which beneficially owns or has the right to acquire beneficial ownership of, 15% or more of the then outstanding Common Stock (other than any person or group that, at the date hereof, beneficially owns or has the right to acquire beneficial ownership of 15% or more of the outstanding shares of Common Stock) (an "equity control event"); or

(iv) any person other than Holder shall have made an Acquisition Proposal to Company and such proposal shall have been publicly announced (the events described in the preceding clauses (i), (ii), (iii) and (iv) are collectively and individually hereinafter referred to as an "Acquisition Event").

3. Payment and Delivery of Certificates. Concurrent with the execution of this Agreement, the Stockholder shall deliver to the Escrow Agent the certificates representing the Shares, duly endorsed in blank for transfer, or accompanied by duly executed stock powers in blank, in each case with signatures guaranteed by a national bank or trust company or a member firm of the New York Stock Exchange, Inc. At the Closing hereunder, the Escrow Agent shall promptly deliver to Holder the Shares and, simultaneously with the proper surrender by Escrow Agent to Holder of the Shares to be purchased by Holder, Holder shall deliver to the Escrow Agent a wire transfer of immediately available funds equal to the product of (x) the Purchase Price multiplied by (y) the number of Shares.

4. Representations and Warranties of the Stockholder. The Stockholder represents and warrants (such representations and warranties being deemed repeated at the Closing) to Holder that:

4.1 Ownership of Shares. The Stockholder has good and marketable title to and is the sole record owner of the Shares; except as set forth on

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Schedule 4.1 hereto, the Stockholder does not own beneficially or of record any other capital stock of Company; such Shares are validly issued, fully paid and nonassessable, with no personal liability attaching to the ownership thereof; and such Shares are owned by the Stockholder free and clear of any pledges, liens, security interests, adverse claims, assessments, proxies, participations, options, equities, charges or encumbrances of any nature whatsoever with respect

C-2

126

to the ownership of or right to vote or dispose of such Shares, except for any encumbrances arising hereunder.

4.2 Transfer of Title. The sale by the Stockholder of his Shares and the delivery by Escrow Agent of the certificates representing such Shares to Holder pursuant hereto will transfer to Holder good and valid title to such Shares free and clear of all pledges, liens, security interests, adverse claims, assessments, options, equities, charges and encumbrances of any nature whatsoever, and with no proxies or restrictions on the voting rights or other incident of record or beneficial ownership pertaining thereto (other than the proxy being granted pursuant to Section 6 of this Agreement).

4.3 Authority; Due Execution; Enforceability. The Stockholder has the full right, power, capacity and authority to enter into this Agreement and has sole voting power and sole power of disposition with respect to the Shares with no restrictions on the Stockholder's voting rights or rights of disposition pertaining thereto (other than the proxy being granted pursuant to Section 6 of this Agreement); and this Agreement has been duly and validly executed and delivered by the Stockholder and constitutes a legal, valid and binding obligation of the Stockholder enforceable against him in accordance with its terms, except that such enforceability may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights.

4.4 No Conflicts. The execution and delivery of this Agreement do not, and the consummation of the transactions contemplated hereby will not, with or without giving of notice or the passage of time, (a) violate any judgment, award, decree, injunction or order of any court, arbitrator or governmental agency applicable to the Stockholder or the Stockholder's property or assets or any federal or state law, statute or regulation, or (b) conflict with, result in the breach of any provision of or constitute a violation of or default under any agreement or instrument to which the Stockholder is a party or by which the Stockholder or the Stockholder's property or assets may be bound.

5. Covenants of the Stockholder. The Stockholder hereby covenants and agrees that:

5.1 Bring-Down of Representations. During the term hereof the Stockholder will not enter into any transaction, take any action or by inaction permit any event to occur, that would result in any of the representations or warranties of the Stockholder herein contained not being true and correct at and as of (a) the time immediately after the occurrence of such transaction, action or event or (b) the date of the Closing of the purchase of Shares. Without limiting the generality of the foregoing, the Stockholder covenants and agrees that the Stockholder will not sell, transfer, pledge, hypothecate, assign or otherwise convey or dispose of, or enter into any contract, option, agreement or other arrangement or understanding with respect to the sale, transfer, pledge, assignment, conveyance or other disposition of, any Shares, other than to or in favor of Holder or Holder's assignee, or in connection with the Merger or an

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Acquisition Transaction between Company and Holder, Newco or another subsidiary of Holder (a "Holder Acquisition Transaction").

5.2 Surrender of Shares. Concurrent with the execution of this Agreement, the Stockholder will execute an Escrow Agreement authorizing the Escrow Agent to take the actions contemplated by this Agreement on behalf of the Stockholder and will surrender the certificates representing his Shares to the Escrow Agent to be held pursuant to the Escrow Agreement. The Stockholder agrees that Company may instruct the transfer agent for the Common Stock to place a stop transfer order against any attempt to transfer the Shares except in accordance with the Escrow Agreement and this Agreement.

6. Irrevocable Proxy and Release; Agreement to Vote Shares.

(a) The Stockholder has revoked or terminated any proxies, voting agreements or similar arrangements previously given or entered into with respect to the Shares and hereby irrevocably appoints Holder, during the term of this Agreement, as proxy, with full power of substitution, for the Stockholder to vote (or refrain from voting) in any manner as Holder, in its sole discretion, may see fit, all of the Shares of the Stockholder for the Stockholder and in the Stockholder's name, place and stead, at any annual, special or other meeting or action of the stockholders of Company or at any adjournment thereof or pursuant to any consent of the stockholders of Company in lieu of a meeting or otherwise, with respect to

C-3

127

any issue brought before stockholders of Company. The parties acknowledge and agree that, except as specifically provided for in Section 6(c) hereof, neither Holder, nor Holder's successors, assigns, subsidiaries, divisions, employees, officers, directors, stockholders, agents and affiliates shall owe any duty to, whether in law or otherwise, or incur any liability of any kind whatsoever, including without limitation, with respect to any and all claims, losses, demands, causes of action, costs, expenses (including reasonable attorney's fees) and compensation of any kind or nature whatsoever to the Stockholder in connection with, as a result of or otherwise relating to any vote (or refrain from voting) by Holder of the Shares subject to the irrevocable proxy hereby granted to Holder at any annual, special or other meeting or action or the execution of any consent of the stockholders of Company. If the issue on which Holder is voting pursuant to the irrevocable proxy is the proposal to approve the Merger and the Merger Agreement, Holder shall vote for such proposal or give its consent, as applicable.

(b) Notwithstanding the foregoing grant to Holder of the irrevocable proxy, in the event Holder elects not to exercise its rights to vote the Shares pursuant to the irrevocable proxy, upon the request of Holder the Stockholder agrees to vote all of his Shares during the term of this Agreement: (i) if the issue on which the Stockholder is requested to vote is a proposal to approve the Merger and the Merger Agreement, in favor of or give its consent to, as applicable, the Merger and the Merger Agreement or (ii) otherwise in the manner directed by Holder at any annual, special or other meeting or action of the stockholders of Company in lieu of a meeting or otherwise with respect to any issue brought before the stockholders of Company.

(c) If Holder (i) exercises its right to vote the Shares pursuant to the irrevocable proxy as provided in Section 6(a) other than with respect to the approval of the Merger, or (ii) instructs the Stockholder how to vote pursuant to Section 6(b)(ii), other than with respect to the approval of the Merger, and such Stockholder votes his Shares in accordance with

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

such instruction, Holder agrees to indemnify and hold harmless such Stockholder from any and all claims, liabilities, losses, demands, causes of action, expenses (including reasonable attorneys' fees) that arise from or occur by reason of such actions.

(d) Notwithstanding anything to the contrary contained in this Agreement, the Stockholder shall be free to act in his capacity as a member of the Board of Directors of the Company and to discharge his fiduciary duty as such.

7. Survival. All rights and authority granted herein by the Stockholder shall survive the death or incapacity of the Stockholder. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective spouses, heirs, personal representatives, successors and assigns. Holder may, without the consent of the Stockholder, assign its rights (but not its obligations) hereunder to any wholly owned subsidiary of Holder, but otherwise the consent of the Stockholder shall be required to assign the rights of Holder hereunder. The consent of Holder shall be required to assign the rights of the Stockholder hereunder.

8. Further Assurances. The Stockholder shall cooperate with Holder and execute and deliver any additional documents necessary, in the reasonable opinion of Holder or its counsel, to (i) obtain any third party approvals necessary to consummation of the exercise of the Option, including, without limitation, approvals under the HSR Act, if applicable, (ii) complete the sale and transfer of the Shares with respect to which the Option is exercised and the vesting of title to such Shares in Holder and (iii) evidence the irrevocable proxy granted herein with respect to the Shares.

Notwithstanding anything to the contrary in this Agreement or any other agreement, if during the term of this Agreement an Acquisition Event shall occur or if the Merger Agreement shall have been terminated by Holder in accordance with Section 8.1(d) or 8.1(f)(ii) of the Merger Agreement (the date of the earlier of the occurrence or termination being the "Trigger Date"), this Agreement and the Option shall remain in full force and effect and the Termination Date of this Agreement shall automatically extend to the date which occurs 9 months from the Trigger Date.

11. Remedies. Each of the parties hereto recognizes and acknowledges that a breach by it of any covenants or agreements contained in this Agreement will cause the other party to sustain damages for which it would not have an adequate remedy at law for money damages, and therefore each of the parties hereto agrees that in the event of any such breach the aggrieved party shall be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which it may be entitled, at law or in equity.

12. Commissions. Each of the parties hereto represents and warrants that there are no agreements or claims for brokerage commissions or finders' fees in connection with the transactions contemplated by this Agreement, and the Stockholder and Holder will respectively pay or discharge and will indemnify each other for brokerage commissions or finders' fees incurred by reason of any action taken by such indemnifying party.

13. Survival of Representations. Notwithstanding any provision of this Agreement to the contrary, all representations and warranties made by the Stockholder in this Agreement and the covenants set forth in Sections 6(c), 12 and 19 hereof shall survive (i) any exercise of the Option by Holder, (ii) any vote by Holder

of the Shares pursuant to the irrevocable proxy or (iii) any vote by the Stockholder in accordance with Section 6(b); provided, however, that all representations and warranties shall not survive and shall terminate upon termination of this Agreement pursuant to Section 10 hereof.

14. Changes in Capitalization. For all purposes of this Agreement, the Shares shall include any securities for cash or other property issued or exchanged with respect to such Shares upon any recapitalization, reclassification, merger, consolidation, spin-off, partial or complete liquidation, dividend in cash or stock or other property, split-up or combination of the securities of Company, or any other change in its capital structure and shall also include all Shares of Common Stock issued to the Stockholder after the date hereof pursuant to the exercise by the Stockholder of stock options.

15. Compliance with Securities Laws. The parties agree that any transfer of the Shares effected hereunder shall be effected so as to comply with all applicable federal and state securities laws.

16. Governing Law. This Agreement shall be governed by and construed in

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

accordance with the laws of the State of Delaware without regard to the conflicts of laws principles thereof.

17. Counterparts. This Agreement may be executed in one or more counterparts, all of which together shall constitute a single agreement.

18. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any current or future law, and if the rights or obligations of the parties under this Agreement would not be materially and adversely affected thereby, such provision shall be fully separable, and this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom. In lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement, a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible, and the parties hereto request the court or any arbitrator to whom disputes relating to this Agreement are submitted to reform the otherwise illegal, invalid or unenforceable provision in accordance with this Section 18.

19. Agreements to Notify.

(a) The Stockholder and Holder agree to notify promptly the Escrow Agent of the termination of this Agreement and agree to deliver to the Escrow Agent any written instructions that may reasonably be requested by the Escrow Agent relating to the release of the Shares upon the termination of this Agreement.

(b) The Stockholder agrees to notify Holder promptly, and in any event, without limiting the foregoing undertaking, prior to any exercise of the Option by Holder, of any commencement or threatened commencement known to the Stockholder by any person, entity or governmental authority or agency of any suit, action or legal proceedings with respect to the Option.

ANNEX D

OPINION OF MORGAN STANLEY & CO. INCORPORATED

January 9, 2001

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

Board of Directors
Fritz Companies, Inc.
706 Mission Street
San Francisco, CA 94103

Members of the Board:

We understand that Fritz Companies, Inc. (the "Company"), United Parcel Service, Inc. ("UPS" or "Buyer") and VND Merger Sub, Inc., a wholly owned subsidiary of UPS ("Acquisition Sub"), propose to enter into an Agreement and Plan of Merger, substantially in the form of the draft dated January 9, 2001 (the "Merger Agreement"), which provides, among other things, for the merger (the "Merger") of Acquisition Sub with and into the Company. Pursuant to the Merger, the Company will become a wholly owned subsidiary of UPS, and each outstanding share of common stock, par value \$.01 per share (the "Company Common Stock"), of the Company, other than shares held in the Company's treasury or owned by UPS or Acquisition Sub will be converted into the right to receive 0.2 of a share (the "Exchange Ratio") of Class B common stock, par value \$.01 per share (the "UPS Class B Common Stock"), of UPS. The terms and conditions of the Merger are more fully set forth in the Merger Agreement.

You have asked for our opinion as to whether the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to the holders of shares of Company Common Stock.

For purposes of the opinion set forth herein, we have:

- (i) reviewed certain publicly available financial statements and other information of the Company and UPS, respectively;
- (ii) reviewed certain internal financial statements and other financial and operating data concerning the Company prepared by the management of the Company;
- (iii) analyzed certain financial projections prepared by the management of the Company;
- (iv) reviewed certain financial projections for UPS contained in certain publicly available securities analysts' research reports;
- (v) discussed the past and current operations and financial condition and the prospects of the Company and UPS with senior executives of the Company and UPS, respectively;
- (vi) reviewed the reported prices and trading activity for the Company Common Stock and UPS Class B Common Stock, respectively;
- (vii) compared the financial performance of the Company and UPS and the prices and trading activity of the Company Common Stock and UPS Class B Common Stock with that of certain other comparable publicly-traded companies and their securities;
- (viii) reviewed the financial terms, to the extent publicly available, of certain comparable acquisition transactions;
- (ix) participated in discussions and negotiations among representatives of the Company and UPS and their financial and legal advisors;
- (x) reviewed the draft Merger Agreement and certain related

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

documents; and

- (xi) performed such other analyses and considered such other factors as we have deemed appropriate.

132

We have assumed and relied upon without independent verification the accuracy and completeness of the information reviewed by us for the purposes of this opinion. With respect to the financial projections, we have assumed that they have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the future financial performance of the Company. As you are aware, we were not provided with projections or forecasts of future financial performance of UPS. Instead, for the purposes of our analysis, we have relied with your consent on the estimates of certain publicly available securities analysts' research reports. We have not made any independent valuation or appraisal of the assets or liabilities of the Company, nor have we been furnished with any such appraisals. We have assumed that the Merger will be consummated in accordance with the terms set forth in the Merger Agreement. Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof.

In arriving at our opinion, we were not authorized to negotiate with any of the parties, other than UPS, which expressed interest to Morgan Stanley & Co. Incorporated in the possible acquisition of the Company or certain of its constituent businesses.

We have acted as financial advisor to the Board of Directors of the Company in connection with this transaction and will receive a fee for our services. In the past, Morgan Stanley & Co. Incorporated and its affiliates have provided financial advisory and financing services for the Company and UPS and have received fees for the rendering of these services.

It is understood that this letter is for the information of the Board of Directors of the Company only and may not be used for any other purpose without our prior written consent. In addition, this opinion does not in any manner address the prices at which the UPS Class B Common Stock will trade following consummation of the Merger and Morgan Stanley expresses no opinion or recommendation as to how the stockholders of the Company should vote at the shareholders' meeting held in connection with the Merger.

Based upon and subject to the foregoing, we are of the opinion on the date hereof that the Exchange Ratio pursuant to the Merger Agreement is fair from a financial point of view to the holders of shares of Company Common Stock.

Very truly yours,
MORGAN STANLEY & CO. INCORPORATED

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law ("DGCL") generally provides that all directors and officers (as well as other employees and individuals) may be indemnified against expenses (including attorney's fees) judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with certain specified actions, suits or proceedings, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation -- a "derivative action"), if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of care is applicable in the case of derivative actions, except that indemnification extends only to expenses (including attorneys' fees) actually and reasonably incurred in connection with defense or settlement of an action and the DGCL requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. Section 145 of the DGCL also provides that the rights conferred thereby are not exclusive of any other right which any person may be entitled to under any bylaw, agreement, vote of shareowners or disinterested directors or otherwise, and permits a corporation to advance expenses to or on behalf of a person to be indemnified upon receipt of an undertaking to repay the amounts advanced if it is determined that the person is not entitled to be indemnified.

UPS's bylaws provide that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding by reason of the fact that he is or was a director or officer of the Company (or is or was serving at the request of the Company as director, officer, employee or agent of another entity), shall be indemnified and held harmless by the Company to the fullest extent authorized by the DGCL, as in effect (or to the extent that indemnification is broadened, as it may be amended), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith. Except with respect to actions initiated by an officer or director against the Company to recover the amount of an unpaid claim, the Company is required to indemnify an officer or director in connection with an action, suit or proceeding initiated by such person only if such action, suit or proceeding was authorized by the board of directors of the Company. The bylaws further provide that an officer or director may (thirty days after a written claim has been received by the Company) bring suit against the Company to recover an unpaid claim and, if such suit is successful, the expense of bringing such suit. While it is a defense to such suit that the claimant has not met the applicable standards of conduct which make indemnification permissible under the DGCL, neither the failure of the board of directors to have made a determination that indemnification is proper, nor an actual determination that the claimant has not met the applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct. The bylaws also provide that the rights conferred thereby are contract rights, that they are not exclusive of any other rights which an officer or director may have or hereafter acquire under any statute, any other provision of the certificate of incorporation, bylaw, agreement, vote of shareowners or disinterested directors or otherwise, and that they include the right to be paid by the Company the expenses incurred in defending any specified action, suit or proceeding in advance of its final disposition provided that, if the DGCL so requires, such payment shall only be made upon delivery to the Company by the officer or director of an undertaking to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under the bylaws or otherwise.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

UPS's certificate of incorporation provides that a director of the Corporation shall not be

1

134

personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit. Any repeal or modification of this provision shall be prospective only, and shall not adversely affect any elimination or limitation of the personal liability of a director of the Corporation existing at the time of such repeal or modification.

ITEM 22. UNDERTAKINGS.

(a) (1) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933 (as amended and the rules and regulations thereunder, the "Securities

Act"), each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (as amended and the rules and regulations thereunder, the "Exchange Act") (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A

(2) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c) promulgated pursuant to the Securities Act, the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(3) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (2) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act and is used in connection with an offering of securities subject to Rule 415 promulgated pursuant to the Securities Act, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(4) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions of this Item 22, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(b) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(c) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Edgar Filing: UNITED PARCEL SERVICE INC - Form S-4/A
