Item 2: Acquisition or Disposition of Assets

As previously reported by The Andersons, Inc. (the Company) in a Current Report on Form 8-K filed on February 27, 2004, the Company completed its acquisition of certain railroad rolling stock and leasing assets from Railcar, Ltd. and Progress Rail Services Corp., both of which are part of Progress Energy, Inc. (NYSE:PGN) The assets were acquired for cash of approximately \$82.4 million and funding was provided through the issuance of \$86.4 million in non-recourse notes securitized by the acquired assets.

This Current Report on Form 8-K/A is being filed to amend the February 27, 2004 Form 8-K in which we stated that we intended to file additional financial information about the transaction as required by Item 7 of Form 8-K. An audit of the assets acquired and liabilities assumed and statement of revenue and direct expenses for the year ended December 31, 2003 was completed. The results of the audit demonstrated that the transaction's assets and excess of direct expenses over revenue were less than 20% of the Company's assets and pretax income from continuing operations, respectively, and financial statements are therefore not required to be filed.
